Meet Our New Foundation President

President of the Kappa Kappa
Gamma Foundation
KERRIE QUINN MURRAY, Idaho.

As the newly appointed President of the Kappa Kappa Gamma Foundation, **KERRIE QUINN MURRAY, Idaho**, brings many diverse qualities to the position.

In addition to her many years of experience in banking, Kerrie brings an understanding of the value of volunteerism to the role. Currently, Kerrie is a vice president and commercial lending officer for Banner Bank in Boise, Idaho. Kerrie is also co-chairman of the Member Accountability Committee for the United Way of America. Formerly, she served as a

member of the executive committee and on the national boards for the United Way of America and the American Red Cross. Kerrie was the President of the Downtown Boise, and she has served many other organizations, which have benefited from her knowledge and experience.

Kerrie's Kappa experience ranges from **BOISE ALUMNAE ASSOCIATION** President through Regional Trainer and Fraternity Treasurer. Most recently, as Bylaws Chairman, she led the General Convention body through extensive revisions of the *Fraternity Bylaws* and *Standing Rules* with careful explanations of the process as well as hilarious comments to lighten a sometimes tedious task.

The Kappa Kappa Gamma Foundation is the largest foundation of any Greek-letter fraternity. Under Kerrie's guidance, it will maintain and build on its strength and the Fraternity's dedication to funding member assistance, scholarships, historical preservation and educational programming like the newly developed Leadership Academy.

Foundation President Says Farewell After Eight Years of Service

Dear Kappas,

It has been my honor and pleasure to serve as President of the Kappa Kappa Gamma Foundation for the past eight years. I have been on the Foundation Board of Trustees for 12 years and that hardly seems possible. What an honor and joy it has been!

I do not know when I have ever had such an opportunity to affect so many women's lives. I have met the most wonderful Kappa Kappa Gamma Foundation and during my travels raising awareness of Foundation programs, and raising the needed dollars to change lives. I am a far better person today because of these opportunities, and I shall always carry this experience in my heart with great joy.

I feel the time has come to allow another Kappa to lead this great Foundation. KERRIE QUINN MURRAY, Idaho, will bring great expertise to this position, and I know that I am leaving the Foundation in excellent hands! I look forward to receiving the Loyalty Fund letters and I look forward to responding. I hope that you will join me as we help Kerrie take our Foundation to the next level. There is so much good to do for one another through this great organization. Let's not allow a need to go unmet. We are making the future brighter through the Kappa Kappa Gamma Foundation's life-changing programs.

Best wishes to each of you. It is my fervent hope that our paths will cross someday.

Loyally,

A Patsy Levang

Patsy Levang Is Named Outstanding Foundation Volunteer

PATSY BREDWICK LEVANG, North Dakota State, has been named the Outstanding Foundation Volunteer by the North American Interfraternity Conference in Indianapolis.

Under her leadership, the Kappa Kappa Gamma Foundation has grown to become the largest of the Greek-letter foundations.

"Patsy Levang has dedicated her time, talent and energy to the development of our Foundation during her eight years as president and has personally inspired countless donors and volunteers with her enthusiasm for helping others. We can't thank her enough," says Kappa Kappa Gamma Foundation Executive Director J. DALE BRUBECK, William and Mary.

A graduate of North Dakota State University, Patsy was President of her chapter. In North Dakota she has served in many volunteer positions, including as governor appointee to the National Education Commission of the States, North Dakota State 4-H Foundation Board and McKenzie County Hospital Board of Directors. Currently, she serves on McKenzie County Healthcare Systems Board of Directors, Watford City Dollars For Scholars, Dakota Certified Development Corporation Board of Directors, and she is a Sunday school teacher.

Educational and Leadership Programming— Inspiring the Future

"This experience has forever changed my life ... being in Bradford Woods with so many strong, powerful, confident and truly genuine women has been amazing. I have learned from their leadership that this organization is truly about life-long friendship and it's an honor to be a part of it.

Thank you so much for this opportunity!" — a collegiate participant

The Kappa Kappa Gamma Foundation is proud to provide funding to the Fraternity for the cutting-edge Leadership Academy, designed to help emerging leaders build strong leadership skills. Leadership Academy will take place each fall and consist of three days of interactive leadership development in a beautiful outdoor setting. Programming for the Leadership Academy has been developed in partnership with The TomPeters! Company and Bradford Woods, a challenge education center in Indiana.

Undergraduate members and advisers from all chapters will come together to develop new skills and form lifetime friendships. These members will then share their new knowledge and abilities with their chapters, campuses, advisory boards and communities.

Each Kappa Kappa Gamma chapter is expected to send one active and one adviser to Leadership Academy each year and pays a minimal \$150 for these two participants to attend. Through generous funding by the Kappa Kappa Gamma Foundation, there is no cost to the individual.

"I have met so many wonderful people, challenged many of my own 'processes' and thoughts, and learned a great deal about leadership, Kappa and myself. Leadership Academy is wonderful and I can't wait to go back and tell my chapter all about it!"

— From an IOTA, DePauw, undergraduate

Leadership Academy facilitators enjoy helping chapter advisers and actives discover their leadership potential.

Actives and advisers from chapters across the continent discover leadership techniques and problem-solving methods in the beautiful setting of Bradford Woods.

Kappa Trainers Touch Many Lives

During 2002-2004, more than 7,000 Kappas participated in dynamic educational and leadership training funded by the Foundation. The Kappa Trainers made 154 visits to chapters and alumnae associations, providing custom-designed leadership and educational programming. The Kappa Trainers are dedicated Kappas who are highly skilled in facilitation and come from a variety of backgrounds, including corporate training, human resources and education. They volunteer their time and talents to help our members develop new skills.

One association President had this to say after a Kappa Trainer visit:

"Our alumnae association enjoyed a Kappa Trainer visit last week. Our trainer led the group in a leadership-styles exercise. We appreciate the generosity of the Foundation to make these visits possible. It's easy to see how valuable the Kappa Trainers are to the collegians, too. Thanks again for sponsoring this important program!"

Be a Leadership Academy Sponsor!

You can sponsor an emerging leader! A gift of \$1,500 will fund Leadership Academy for one undergraduate participant and one adviser. You may specify the chapter you wish to support. Make your tax-deductible check payable to the Kappa Kappa Gamma Foundation—and thank you for making this investment in Kappa's future!

Mail your gift to: The Kappa Kappa Gamma Foundation, P.O. Box 38, Columbus, OH 43216-0038, or make a donation on line at www.kappa.org.

Our Museums—Preserving a Proud Heritage

The Kappa Kappa Gamma Foundation supports the operation of The Heritage Museum in Columbus, Ohio, and The Stewart House in Monmouth, Illinois. Both are open for tours and special events, and they provide a repository of priceless treasures of Kappa Kappa Gamma and an interpretation of their historic eras through fine collections of period furnishings. Both are exceptional examples of historic restoration in their communities. During the 2002-2004 biennium, approximately 2,400 visitors toured the museums.

The Heritage Museum of Kappa Kappa Gamma, established in 1980, is housed in the historic building at 530 East Town Street in Columbus, Ohio. Built in 1852, the property is listed on the National Register of Historic Places and is considered the finest example of Italianate architecture remaining in the city. In 1951, Kappa Kappa Gamma Fraternity acquired the house as its headquarters.

During 2002-2004, The Heritage Museum acquired "River Landscape," a painting by William Stone, a British landscape artist active in the 1860s and 1870s. The painting, which hangs in the Formal Dining Room, was purchased with funds donated in memory of PATRICIA (PATSY) PILLER SHELTON, *Kansas*, a member of The Heritage Museum Board of Trustees from 1984-1986, and Chairman from 1986-1988.

Also during 2002-2004, The Stewart House continued the restoration of this Founder's home to its original Victorian prairie splendor. In 2003, the living room and the sunroom were redecorated in time for the Monmouth Duo Celebration in June 2003 as part of the festivities at Monmouth College's Alumni Weekend.

The Stewart House in Monmouth, Illinois

The success of the museums can be attributed to dedicated volunteers, generous donors and interested visitors. In April 2003, ELSA NITZSCHE ZELLEY, *Pennsylvania*, with help from members of the SARASOTA/MANATEE ALUMNAE ASSOCIATION, donated 18 parasols from the Victorian period to be used to help interpret the customs of Victorian women.

The Kappa Kappa Gamma Foundation is unique in the Greek interfraternal world in owning a home of a founder and in operating two museum properties listed on the National Register of Historic Places. "Voyage of Discovery" at www.kappa.org offers a historical timeline and a virtual tour of each museum. "Museum in a Box," featuring Kappa memorabilia, and slide shows about the museums and Kappa history, are available for a small rental fee. "Kappa taught me the true meaning of friendship, sisterhood, values and, most importantly, leadership. What a wonderful feeling it is to know that every Kappa is unique in her own way, but as an organization we share many common values and traditions. I am so thankful that you have given me the opportunity to grow as an individual, as a woman and as a Kappa."

Rose McGill Programs— A Tradition of Caring

Since 1922, when members of Kappa Kappa Gamma reached out in support of a sister facing financial need due to illness—ROSE MCGILL, *Toronto*—a tradition of caring has extended to many sisters in need. During the 2002-2004 biennium, \$760,762 was provided to give aid in times of overwhelming financial distress or to allow a member to pursue a new career path or upgrade skills for an increasingly competitive marketplace.

Rose McGill Programs

Confidential Aid recipients may be Kappas who are elderly with limited means of support, or members experiencing a medical or family emergency that depletes resources, or undergraduates whose future education is threatened by an unexpected personal or family situation. Rose McGill funds can help these Kappas overcome their difficulties and move forward.

Emergency Assistance Grants of \$500-\$1,000 are available to undergraduate members who face sudden but short-term financial emergencies.

Circle Key Alumna Grants provide assistance for alumna members who are pursuing continuing education for career advancement or retraining. Courses taken part-time at local community colleges or other institutions provide a member returning to the work force or currently employed an opportunity to develop new skills and knowledge.

Holiday Sharing began as a Kappa “family” support system for Rose McGill Confidential Aid recipients. Alumnae associations, chapters and individual members are matched with a Rose McGill Kappa to help make holidays a happier time for her and her family.

Applications for these programs may be obtained by visiting www.kappa.org or by calling the Foundation office at 866/554-1870.

Heartfelt Thanks from Holiday-Sharing Recipients

“I was overwhelmed with all the attractive and useful gifts—so well chosen and beautifully wrapped. I’m so fortunate to have been accepted as a member of the Rose McGill family and extremely grateful” — *a 95-year-old recipient who lives alone in a big city*

“Holiday Sharing was unbelievable—so obvious how much time, energy and consideration was put forth into picking out the ‘right’ gifts. I was touched and awed for days—and still am. This program has given me something I’ll never experience anywhere else again in my life.” — *younger member who is alone, with no family connections*

“Holiday Sharing means so much to me each year. I sometimes tear up and cry at the beauty of the messages from each chapter and association and often individually written notes from members.” — *an elderly member living alone*

“I must have been a very good girl because every one of the groups remembered me very generously. I was so pleased, I got out my 50-year pin to wear to our Christmas party here in the facility where I live. I am truly blessed to be a Kappa. My cup runneth over.” — *a 72-year-old member in poor health with no family*

"A Kappa scholarship made it possible for me to have an internship at the National Institute of Public Affairs in Washington, D.C., in 1940-41. As a result, I met my husband. We are celebrating our 63rd wedding anniversary. Thank you for all these wonderful, joyous years. Keep helping students!"

Invest in the Foundation!

Your investment is the lifeline of Foundation programs. The Foundation accepts donations, invests them wisely and then provides support to the members of Kappa Kappa Gamma.

A donation envelope is enclosed in this issue for your convenience. Your gift can be unrestricted for the greatest need or designated to the program area of your choice. Make a gift in honor or in memory of a special Kappa or other loved one.

All gifts are tax deductible as allowed by law. Thank you for your support.

"Early in June, I was discussing with my parents our financial outlook for the coming school year. My mother had recently lost her job, and there have been more worries than we ever imagined. I had gotten two jobs this summer in the hopes of helping out. It was shortly after that conversation that I opened a letter from the Foundation and discovered that I had been awarded a scholarship of \$3,000. Tears began to stream down my face as I realized that I could stop working 65 hours a week, and my parents could cease their worrying. Not only were they proud of my accomplishments, but they too shed tears of relief. I thank you with all of my heart for relieving the financial stress off my parents' shoulders and once again renewing my faith in the ideals of the Fraternity. I will continue to not only be an active member but to also be one of Kappa's biggest supporters!"

"Beth" was accepted into dental school after only two and a half years of undergraduate work. She is solely responsible for her tuition and expenses. She plans to graduate with a doctorate in dental surgery and specialize in orthodontics or pediatric dentistry.

"Jennifer" wants to be an elementary school teacher. She plans to attend graduate school and work toward a master's degree in elementary education or middle school mathematics. Jennifer served as President of her chapter.

"Lindsey's" goal is to become a pediatric physical therapist. She sees herself starting her career as a clinician in a children's hospital and then completing a doctoral degree. Long term she sees herself in a faculty position in a university rehabilitation program.

"Julia" is pursuing a law degree so she can be an advocate for children with special needs. As Philanthropy Chairman, she founded and coordinated a chapter project to work in an experimental rural classroom

The Omega Society

Donors who include the Foundation in their estate plans or establish another planned gift to benefit the Foundation will become members of The Omega Society. Currently we have 204 members in The Omega Society. Members receive a recognition pin and are recognized in the biennial report of the Foundation printed in *The Key*. They also receive *Foundation Focus*, a newsletter published twice a year with updates on Foundation programs and fund-raising efforts.

To become a member of the Omega Society, the Foundation may be named a beneficiary in a will or trust. The bequest may be for a specific gift amount, a percentage of the estate or a residual amount of the estate after specific bequests have been fulfilled. The Foundation can also be named as the beneficiary of a life insurance policy or assets from a retirement plan. In some situations, the donor may benefit from establishing a charitable gift annuity with the Foundation or establishing a charitable remainder or lead trust. Donors should consult a personal attorney, financial planner, accountant or tax adviser for additional information about gifts most advantageous to their situation.

For more information about The Omega Society or if you have questions about planned giving, contact **MAGGIE COONS**, Hillsdale, Director of Planned Giving, toll free at 866/554-1870.

Today's Fees for Tomorrow's Kappas

Justifying an increase in fees is always difficult whether you're in a volunteer organization or paying your personal insurance premiums. But costs do rise, and that is the case with Kappa Kappa Gamma's per capita fee increase.

In order for the Fraternity to do its work and maintain the level of services to which members have become accustomed, it became necessary to vote on a fee increase for alumnae and collegians. The 2004 Convention delegates approved a \$5 increase in the annual per capita fee.

Just as our household expenses go up over time, so do the costs of maintaining and staffing our Fraternity Headquarters, publishing and mailing *The Key* and updating our technological capabilities. The fee you pay today will keep Kappa vibrant and meaningful for future generations!

You'll feel great knowing you are supporting the development and distribution of Kappa Kappa Gamma's educational programs to collegians and alumnae as well as helping Kappa maintain and update our many member services.

Alumnae who have paid annual dues to a local Kappa alumnae association do not need to send their dues to Headquarters—the association Treasurer will take care of this for you. Alumnae who do not live near an alumnae association should send in their \$15 annual alumna dues today using the form below. Please mail your payment and the completed form to Kappa Kappa Gamma Fraternity Headquarters, P.O. Box 38, Columbus, OH 43216-0038. Thank you for your continued support!

Get Ready for Your 2005 Province Meeting!

Province Meetings, held during non-Convention years, are weekend events full of leadership training and idea sharing tailored for collegians, alumnae and Advisory Board and House Board members. Province Directors of Alumnae and Province Directors of Chapters are elected, resolutions are discussed and voted upon, association and chapter awards are presented and Kappas are reunited with old friends and introduced to new ones.

All members are invited to attend the Province Meeting in their area. Listed below are the dates, locations and host groups. For more information, visit www.kappa.org or call Headquarters at 866/554-1870. Alumnae association and chapter Presidents will receive registration instructions from their Province Directors.

Nominations are being accepted for Province Director of Alumnae (PDA) and Province Director of Chapters

(PDC) volunteer positions. Province Directors assume their positions on June 1, 2005, and remain in office for two years. PDAs serve as a resource for the alumnae associations in their Province. PDCs serve as a resource for the chapters, Advisory Boards and House Boards in their Province. Both motivate and guide the groups and their officers toward a better understanding of their roles. Jointly, the Province Directors plan the program for and preside at the biennial Province Meetings.

If you know a candidate with proven leadership skills, please recommend her to the appropriate Province Nominating Chairman listed below. **Recommendation for Province Director Position forms are available through your Province Nominating Chairman, or visit www.kappa.org or call Headquarters at 866/554-1870. The Many Faces of Kappa

Province Directors Provide Information and Connection

—By LOIS CATHERMAN HEENEHAN, *Adelphi*

Ages. Lifestyles. Temperaments. Personal skills and attributes. Approaches and methods. There is great variety among the women who are the many faces of Kappa. Among them are the Province Directors of Alumnae (PDAs) and Province Directors of Chapters (PDCs)—the women who make the wheels go round, the fleurs grow and the Fraternity work.

What does it take to be a Province Director? Obviously there's organization, dedication, time management and love of Kappa. But there's so much more. One PDC says, "I have learned so much about time management and putting systems in place." She has a full-time job that includes a good bit of travel and recalls a work-related flight to Dallas, landing late one night. A phone call with a chapter officer was punctuated by, "Wait a sec, there's my bag." And a little later, "Hold on, I'm getting on the rent-a-car shuttle." She found that she became "very creative" in carving out bits of time and is glad that she views the job as being mostly about relationships.

Another says she left her career as a prosecuting attorney to become a stay-at-home mom but felt the loss of her professional self. "My life was totally Sesame Street and diapers. I never got to put on business clothes, give a presentation or solve problems for others." She especially likes the fact that her Kappa work is all hers, saying, "I own that outright ... it is not linked to my husband, my children, where I live or went to school." She believes it makes her a better mom to her boys since she is a happier mom having her individual identity.

Two PDAs from opposite ends of the continent emphasize family support as a necessity. One is a stay-at-home mom and community volunteer; the other has a responsible position in the work

force. One husband said, "I know you have wanted to do this for a while so you should go for it," and schedules are adjusted around it. One mother says, "With three young daughters, I feel strongly that relationships among women allow them to develop in ways that co-gender groups don't. I want my daughters to grow up watching me place high values on Kappa relationships and know that they can draw strength from their friendships with other women; that it's a safe place to be who they are, to learn from one another and be supported."

"I want my daughters to grow up watching me place high values on Kappa relationships and know that they can draw strength from their friendships with other women ..."

Another PDC enjoys showing collegians how so many skills they learn in Kappa are transferable. She says, "As a health care professional, so much of what I do on a daily basis is to treat people with dignity and respect, teach unfamiliar topics to patients and other professionals and understand where areas of improvement lie and how to work to correct them." She sees values, networks and problem-solving skills developed in Kappa as contributing to success in other areas of life.

In addition to the strengths gained through relationships, these women find they have a lot in common and share new ideas and ways of doing things such as juggling multiple tasks, knowing their limits and scaling back commitments when necessary. They expand their knowledge of Kappa and themselves as they manage a variety of responsibilities.

Province Directors celebrate with alumnae during the reorganization meeting of the **ARDMORE (OKLA.) ALUMNAE ASSOCIATION** in August.

What does a Province Director do? An amazing variety of things. She is:

- ♦ a meeting planner—assisting with the biennial two-day Province Meeting
- ♦ a facilitator—of chapter or alumnae association activities, reports, etc.
- ♦ an educator—in matters of ritual, cooperation, fund raising and more
- ♦ a financial adviser—for chapters and alumnae and for the Province Meeting
- ♦ a traveler—to provide on-the-spot help and praise to her groups
- ♦ a liaison—linking members with each other, Fraternity officers and Headquarters
- ♦ a resource, a supporter, a cheerleader and a friend.

“It has been encouraging to see that it is possible to make a difference and effect change, even though you are not with a [group] on a regular basis,” says one Province Director. “It is important to have a life outside Kappa,” she adds, “I find that I am much more credible to the women because my life is not all about Kappa.”

As the lifeline from the chapters and alumnae associations, Province Directors connect them with Regional Officers and the Fraternity Council. It is a women’s style of leadership ... ideas flowing from the bottom up. And leadership development is one of the most enjoyable aspects of the job. A PDC says that she enjoys seeing graduates join local alumnae associations, adding, “That’s when I really feel they ‘get it.’ They have come full circle and will continue to contribute as well as continuing to enjoy all that Kappa offers.” Another relishes the feeling of making a difference in someone’s life ... that perhaps someone she has mentored will go on to do great things in life: be an Alumnae Achievement Award recipient or even president of the United States one day!

The work is more than compensated for by the benefits—building relationships, taking part in the amazing support networks for collegians and alumnae, building leadership skills, learning more about Kappa and making wonderful friends across the United States and Canada. Annual training sessions give Province Directors the tools and information they need to help their groups succeed. Kappa volunteers are special women who make things happen and feel good things happening to themselves along the way.

What about YOU? Tell a current Province Director that you are interested or write a recommendation for a friend, using the Recommendation for Province Director Position form available at www.kappa.org or by contacting Headquarters at 866/554-1870. Province Directors of Alumnae and Province Directors of Chapters will be elected during the spring 2005 Province Meetings.

Changing the Campus Alcohol Culture

The Genesis Group—a coalition of 46 national and international fraternities and sororities dedicated to finding solutions to the persistent problem of binge drinking among college students—has chosen DePauw University as one of two test sites for its Program for Change. At DePauw and at the University of Kentucky, the Genesis Group will work with the administrations to develop and execute a long-term program to change student alcohol culture.

“... This is not a one-shot effort. We expect to craft with each campus a five-year plan to reduce significantly high-risk alcohol use,” says Norval B. Stephens Jr., co-chairman of The Genesis Group, chairman of the Delta Tau Delta Educational Foundation and a 1951 graduate of DePauw.

“This is a perfect complement to our efforts to build a responsible community at DePauw,” says the University’s president, Robert G. Bottoms. In the spring of 2003, Dr. Bottoms created the Coalition for a Responsible Community, an effort that involved all DePauw constituents—students, faculty, alumni and administrators—to address alcohol abuse and related at-risk behaviors. The coalition’s three task forces were given the charges of developing a student covenant, creating a set of rules defining the relationship between the University and the Greek community, and examining ways to support leadership among all student groups on campus. This past fall, incoming DePauw students were asked to sign the Community Covenant that was created after more than a year of on-campus discussions and deliberations.

The Genesis Group believes the issue of high-risk drinking on college campuses must be attacked comprehensively, persuasively and persistently. Its Program For Change is based on the experience of Greek organizations, recommendations of those institutes that research the problem and the advice of experts in alcohol abuse. The Program For Change is a blueprint to address this cultural problem. The goal is to see, at the end of five years, a significant reduction in the

abuse of alcohol and replacement of alcohol as a major socializing instrument.

The Program For Change includes three main elements: presidential leadership, student involvement and a long-range plan. Programming elements include a student code of conduct, campus coalition for change, review of the judicial process, attitude change programming, a community coalition, increased social options, leadership education, specific Greek programming, admissions programming, security enhancements, campus health services and research feedback.

Tips for Submitting Photographs

The Key wants your pictures! Digital images and film prints are acceptable—but digital photographs require special guidelines.

The Key is printed on coated paper, which holds very fine print detail. Photos that appear in *The Key* have a resolution of at least 300 dpi (dots per inch). When you view a computer screen, images are seen at only 72 dpi. A low-resolution photo may look fine on your screen but it won't look good on *The Key's* pages.

Many digital photos sent to *The Key* are low resolution and cannot be used. To capture an image at the appropriate dpi, you must use at least a 3.2-megapixel camera on the highest-quality settings.

To capture the highest-quality image, the camera's resolution must be set on large, while the compression must be set on superfine. Taking a picture with a small-resolution setting, then increasing the file size to 300 dpi in a photo-management program, won't work! Images must be originally captured at the highest, or large, resolution.

When taking pictures, aim for good lighting, minimal clutter and no beverages or beverage containers. Get up close so faces can be seen, and go for action shots rather than the typical posed group photos.

Whether you prefer digital or film, keep your camera close by and capture those Kappa moments for *The Key*!

Attention: Parents of Kappa Graduates

The Key Editorial Board hopes you enjoy reading your daughter's issues of *The Key* when they arrive at your home. Please remind your daughter to update her address at Kappa Kappa Gamma Fraternity Headquarters when she moves to a new permanent address after she graduates. *The Key* is her best way to stay connected to Kappa!

Address updates may be made online at www.kappa.org or by mailing in the form on the inside back cover of this issue.

Two Permanent Addresses?

The Key may be mailed to two different addresses if the same seasonal address is used at the same time every year. To do this, please send the beginning and ending month for each address to the Membership Services Department at Fraternity Headquarters at P.O. Box 308, Columbus, OH 43216-0308 or kkghq@kappa.org. Include your full name and school/chapter. Each member is responsible for keeping her address current.

Just for Kappas

Membership lists (names and addresses of Kappas) are for the use of undergraduate and alumna members of Kappa Kappa Gamma only in conducting Fraternity business and shall not be used in non-Fraternity business or furnished to or used by anyone outside the Fraternity. This policy also includes directories created and maintained by the alumnae associations. These directories are private and may be used only by members for Kappa-related purposes.

Protect Your Badge

In order to ensure that your membership badge is properly protected, please fill out the form below and keep it with your badge or personal papers. This simple step will help make sure that your precious badge, an official emblem of the Fraternity, does not fall into the possession of a nonmember who may not realize its significance.

Educators Inspire Students to Succeed

Education is an ongoing process and so it is natural that profiling Kappa educators is ongoing in another issue of The Key. Thanks for sharing your stories.

Kappa Connection and Camp

It was 1950, and Hawaii was still a U.S. territory, when CLAIRE CHAMBERLAIN BRYANT, *Colorado College*, had her first teaching experience as a counselor at a Girl Scout Camp in Hawaii. Having quit college, Claire discovered she “loved playing with kids” when she got a job as “Ona-Ona,” dramatics counselor, where the counselors were having fun for the summer and getting paid for what they did. She returned home, finished college and got a teaching certificate.

From Illinois to California, New York, Florida, North Carolina and for the U.S. Air Force in Germany and Japan, Claire continued to teach. She says that in all those years and all those places, she never met another Kappa (as far as she knew!). She was truly “Out on a Limb.” But she attended the General Convention in 1998 when members of her class reunited to receive their 50-year pins. Claire admitted to pledge-mate VERA LEWIS MARINE, Kappa Travel Program Coordinator, that she had never found an alumna group and Vera suggested she start one. Why not!

A list of Kappas in Claire’s ZIP code area numbered more than 100 and now some of these women, sisters who feel like old friends, are helping Claire help others. Some girls in Claire’s neighborhood had lost their father to cancer and needed someone and something to help them over the rough spots and to have some fun in summer. With help from several others, Kappa Kamp Kahoots was created, operating on a small scale for its first year. Meeting one day a week

with the children, they “journeyed” to Hawaii and the Far East in 2003 and to Europe this year. They made their own passports to be stamped after learning to say hello, goodbye, please and thank you and count to 10 in each language.

The SANDHILLS ALUMNAE ASSOCIATION has sponsored the camp, providing funds for books, paper dolls, craft materials and other supplies. At a garden party, pictures of Kappa Founders were “planted” in the rock garden. “Kahoots” is the mascot who watched over the Fairy Garden where stories from European countries were told ... by “Ona-Ona,” of course. And, living on Bobolink Road meant there had to be a “journey” to Greece for Bobolympics, with medals and trophies—a novel process of educating and providing fun for all.

KATHY BURGESS COX, *Emory*

Georgia's State Superintendent of Schools

Longtime educator KATHY BURGESS COX, *Emory*, serves as the superintendent of schools for the state of Georgia. First elected into public office as a state representative of the 105th district in 1998, Kathy earned her master's and bachelor's of political science from Emory University where she graduated with honors and was a member of Phi Beta Kappa.

Kathy ran for state school superintendent in 2002 to continue her service to Georgia's children. Her career has been devoted to education and education-related issues. For 15 years, she worked with the Fayette County Board of Education as a social studies teacher.

As state school superintendent, Kathy serves as the executive director for the Georgia Department of Education making her the top elected official overseeing Georgia's K-12 public schools, and she is the chief executive officer of the state board of education. Kathy has made it the mission of Georgia's Department of Education "to function as a service-oriented, policy-driven and restructured agency that meets the needs of local school systems as they go about the business of preparing all students for college or a career in a safe and drug-free environment where no child is left behind."

An active member of Peachtree City United Methodist Church and the Peachtree city Kiwanis, Kathy is also involved in her two sons' Cub Scout and Boy Scout troops.

Georgia's English Professor of the Year

Competing among applicants throughout the state of Georgia, SARAH (SALLY) SMITH LARSON, *Monmouth*, has been named English Professor of the Year by the Georgia Council of Teachers of English during its annual conference in Callaway Gardens. The juried award was based on outstanding teaching and contributions to the profession.

Sarah is a faculty member and former department chairman of Humanities at Georgia Perimeter College Dunwoody Campus, where she has taught for 30 years. She has presented more than 90 regional and national conferences, written several articles including four editions of her textbook, *Making Meaning*, emphasizing students helping other students to write. One of her most satisfying accomplishments is the founding of *The Polishing Cloth*, an annual text of student writing published nationally.

A member of Alpha^Δ, *Monmouth*, Sally received many honors there, including Outstanding Pledge, Outstanding Freshman and Outstanding Actress. She belonged to five honorary societies including Mortar Board and graduated summa cum laude.

Teaching and Mentoring Go Hand in Hand

A longtime public and private secondary school teacher as well as a business instructor, **REBECCA REEDER-HUNT**, *Texas Christian*, has also taught flight attendants and airline management staff.

Rebecca says her membership in Kappa has had a positive effect on her career thanks to mentors in her chapter and her experience as chapter Public Relations Chairman her senior year. "This experience was a good reminder that my students could gain the recognition they needed to qualify for college admission and scholarships if I found avenues for them to showcase their talents," explains Rebecca. "To that end, I searched constantly for writing contests and encouraged them to enter." Her students won numerous local, state and national writing awards, and the literary magazines she supervised also won national recognition because she encouraged her students to perfect their work.

A member of the LAS VEGAS ALUMNAE ASSOCIATION, Rebecca believes that the mentoring Kappa sisters provide to new members is helpful in developing a caring, nurturing personality, which is valuable in any educational position.

LORI GROSS, *Trinity*

Pursuing Dreams

"I have always had an adventurous spirit," says **LORI GROSS**, *Trinity*. In her junior year she participated in an environmental studies program in Baja, Mexico, an experience that solidified her decision to become an educator. Lori adds, "I have become passionate about not only the marine environment, but also the importance of understanding the viewpoints and perspectives of others, resulting in increased tolerance and respect for diversity."

Having traveled the world and taught science at a variety of educational institutions, Lori founded, and serves as executive director of, Creative Education in 2001. The mission of the nonprofit educational association is to provide hands-on experiences that focus on the relationship between people and their natural environment. The goal is to inspire exploration, conservation and the integration of broadened perspectives into local communities and daily lives.

"I want to feed our students' sense of adventure and love of exploration, increase their innate curiosity about the natural world and give them the tools to make ecologically sound decisions to conscientiously contribute to our global community," Lori says, adding that through international field study programs, students explore the dynamics of marine ecosystems.

Saying that she decided to pledge Kappa "for the adventure," Lori admits that she found much more. She found women who encouraged her to pursue her dreams, "even if they were a little off the beaten path." She found friendship and support from a diverse group of women and she has taken their diversity and support "to inspire others to broaden their perspectives and embrace the adventures of their spirit."

School Director Honored for Fund Raising

SUSIE TARDY MAXWELL, *Indiana*

For more than 20 years SUSIE TARDY MAXWELL, *Indiana*, Delta South Province Director of Alumnae, has been busy raising money. She is Assistant Head of School, Director of Development and Alumni Relations at Park Tudor School in Indianapolis. In January she was awarded the 2004 Robert Bell Crow Memorial Award by the Council for Advancement and Support of Education (CASE) at its national conference in Washington, D.C.

The award honors an independent school advancement professional. In 13 years at Park Tudor, Susie has provided outstanding leadership in fund-raising programs. The school's annual fund has grown from \$88,000 when she started, to an \$825,000 goal for 2003-04. In addition to unrestricted dollars in the annual fund, the school raised \$3 million in restricted gifts. Her flair for special events has produced several successful fund-raising occasions, reunions, donor recognition events and alumni receptions.

She began her fund-raising career in 1984 at the Children's Museum of Indianapolis where, during her tenure, major gift donors grew from 72 to more than 300 members. She has served on numerous boards,

including Indiana University Alumni Executive Council and the Indianapolis Zoological Guild.

Susie has been a Certified Fund Raising Executive since 1991. She has served on the board of directors of the Indiana Chapter of the Association of Fundraising Professionals. In 1995 she received the chapter's "Fund Raiser of the Year" award and was recognized by Indiana Gov. Evan Bayh for personal service to the state.

Her fund raising is not limited to her paid positions. She served as national chairman for a Kappa Kappa Gamma Capital Campaign, which raised \$450,000, the largest amount raised by any Panhellenic organization at Indiana University. She also served on the Foundation's Development Committee for seven years, five as chairman, and on the Foundation's Board of Trustees.

Susie's success at fund raising shows her strength as a leader. She is highly respected by her peers, the volunteers who work with her and donors who support her causes. Her accomplishments make her a worthy recipient of the Robert Bell Crow Memorial Award.

Nearly 40 Years of Service

A dedicated teacher and principal with 39 years of experience, NANCY ANDES SAYRE, *Ohio State*, was one of seven honorees enshrined in the Fairborn, Ohio, City Schools Hall of Honor in April 2004.

Her most memorable experiences include being on the first salary committee, student teacher

NANCY ANDES SAYRE, *Ohio State*

supervisor and being instrumental in getting sidewalks installed to provide safe access to school.

In 1989, Nancy attended the Aerospace International meeting of volunteers, which resulted in the organization of the Challenger Learning Center at Kiser Middle School for Environmental Science-Space Studies in Dayton. Due to her participation, Fairborn was one of seven school systems included in this program where student participation in activities emphasized the importance of hands-on experiences using math and science, problem solving, critical thinking and teamwork. Nancy was among educators and students at a White House reception honoring the Young Astronauts where President Reagan recognized them for their contributions. She helped form the Young Astronauts Science Club and was a strong supporter of the Center of Science and Industry (COSI). Upon her retirement, faculty and parents launched her off the school grounds in a hot air balloon.

Nancy is a former President of the Dayton Panhellenic Association, a member of the Dayton Alumnae Association and Delta Kappa Gamma society of women educators. Currently she is president of the Greene County Retired Teachers Association.

She has also served her community through a variety of civic, arts and educational associations.

All Children Can Learn

From teacher to school administrator, DENISE RUGANI, *UC Davis*, believes that all children can learn and should be given the opportunity to be turned on to learning. Teaching in a high school for at-risk teens who typically "hated school," she brought history alive for them through class trips, mock trials and taking on historic personalities.

With a graduate degree in counseling, Denise thought she would be a school counselor but with many of those jobs cut by funding losses, she discovered she wanted to be a school principal. Now the principal of a Title I Middle School, she believes in changing teaching strategies to meet the students' needs. One of these needs is safety and she works toward every child having one adult that they can trust. "My overall goal," Denise says, "is to work

DENISE RUGANI, *UC Davis*

with my wonderful staff to continue to raise the level of instruction and student engagement, as well as create a positive climate where students take risks and continue to grow intellectually and socially."

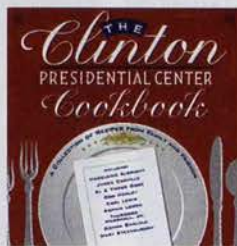

Having served as a Traveling Consultant (now called Leadership Consultant) and Graduate Consultant for Kappa, Denise cites these experiences as "...the best training ground ever for being a teacher and principal. Kappa taught me in many ways not to give up. While traveling I tried to find the best of what was right in every chapter and work to improve areas of concern ... but I had to use different strategies with different chapters. This helped directly when teaching. Children are different and you need to try different things to find out what will connect them to the subject matter."

Dealing with campus problems—from academic issues to eating disorders and substance abuse—Denise worked to facilitate communication among individuals, highlight the variety of avenues and resources available, evaluate leadership strengths and implement programs on self-esteem and personal awareness. As a Province and Regional Director, former Director of Chapters and now as Fraternity Vice President, Denise continues to believe in the power of education to positively influence lives and aid in developing self-respect and potential.

Baylor Icon Winner

MEGAN MCCALLON, *Baylor*, is the first "Baylor Icon" winner. She entered the contest, which is loosely based on *American Idol*, because she thought "... it would provide an incredible opportunity to put some of my music down on track." Besides campus "stardom," the contest offered a chance at winning eight hours of studio recording time.

Megan's music is an eclectic blend of acoustic rock with an intimate draw that invites her audience to listen closely and participate. This Paducah, Ky., native is passionate about her music. "I've always written songs," she says. "Whenever I get frustrated or emotionally drained, it helps if I write my feelings down."

Her dream is to become a successful recording artist. "My actual dream is to bridge the gap between Christian and secular music." Megan's new CD, *Missing Piece*, proves that this talented Kappa is well on her way to achieving her dream.

MEGAN MCCALLON, *Baylor*, is the first "Baylor Icon" winner.

Kappas from chapters across the continent learn team-building skills during the fall Leadership Academy funded through the Kappa Kappa Gamma Foundation.

Hoots and Salutes!
