A Message from the Kappa Kappa Gamma Foundation President

Thanks to Your Support, Our Vision Continues

In light of the tragic events of fall 2001, the Kappa Kappa Gamma family of donors felt an ever-increasing commitment to keep on giving, so we could maintain our vigilance as "our sisters' keepers." Because so many of you held strongly to this belief, you kept on giving.

We have been able to continue the good work of helping members who were affected by the 9-11 tragedy. We continue to give scholarships to our undergraduate and graduate students. We increased the confidential aid many of our members rely on just to survive. We proudly launched *The Voyage of Discovery* so all of us, in every corner of the world, could access women's history

intertwined with Kappa's history by the quick "point and click" of a computer mouse. The educational programs — in demand by our alumna and undergraduate members — continue with rave reviews wherever they are presented.

Yes, because you care and continue to share, the work of the Kappa Kappa Gamma Foundation did not miss a beat. You and the Foundation joined together to dig a little deeper than we ever thought we could. We made the difference.

What happens now? We continue. We must not grow weary in carrying forward this life-changing mission. You embraced the continuing vision of our Foundation, saving and changing our sisters' lives. Now, let's lift that banner even higher. You and your generosity are the picture of our identity: preserving • endowing • inspiring. Thank you.

Loyally,

Your Gifts Touch Lives in Countless Ways

The Kappa Kappa Gamma Foundation supports all members of Kappa Kappa Gamma through four program areas:

Scholarships —
No deserving, qualified Kappa should have to interrupt her education. The Foundation awards annual scholarships to as many qualified Kappas as possible to help cover the rising cost of higher education.

Rose McGill Fund —
No Kappa sister should suffer in times of financial distress. The Rose McGill Fund, established in 1922, has many programs that give confidential aid to deserving Kappas of all ages who suddenly and unexpectedly find themselves in financial need due to misfortune or illness.

Educational and Leadership Programming —
Every Kappa should have an opportunity to develop as a person and as part of a group. The Foundation supports the development and use of educational programs that teach a variety of leadership skills to our members.

Museums — Every Kappa should have the opportunity to learn about her history as a Kappa and as a woman. The Foundation supports the operation of The Heritage Museum in Columbus, Ohio, and The Stewart House in Monmouth, Illinois. These museums depict the life and times of our Founders and women of the Victorian period, feature exhibits from the archives of the Fraternity and develop programs such as "Museum in a Box" and the new multi-media project, *The Voyage of Discovery* available at www.kappa.org.

On-line Donations Are Convenient and Simple

The Foundation is now able to accept donations via the Kappa Kappa Gamma Web site. Donating online is easy and secure! Here's how:

- Go to www.kappa.org
- Log on to the member-only side. (You will need your member number from the back of *The Key*, or contact Headquarters at 866/KKG-1870.)
- Click on the word FOUNDATION on the left-hand side.
- Look for the "Online Donation" link and follow the instructions.

Transactions are secure and you will receive an acknowledgement letter. This is a great way to make a gift to the Foundation in honor or in memory of a special friend or relative.

Scholarships Change Lives

No deserving, qualified Kappa should have to interrupt her education.

Scholarship application requirements:

- The application deadline is **February 1** of each year.
- Scholarships are available only to initiated members.
- Applicants must have a grade-point average of "B" or above.

MARNI WILLIAMS, *Florida*
University of Florida — pharmacy
(graduate program)

Scholarship provided by SUSAN
GOLDSMITH SHELLEY, and the
Kappa Kappa Gamma Foundation.

"I am very grateful that Kappa has been able to help me financially. Without support, I would have been forced to make many sacrifices, my membership in Kappa possibly being one of them. I only hope that when I become stable in my career as a pharmacist, I can give back to other collegiate Kappas struggling to finish college and remain active members of the Fraternity. I think that is the true meaning of sisterhood — helping out other sisters when they are in need. Kappa holds a special and significant place in my heart. I look forward to my lifetime membership in Kappa Kappa Gamma as an alumna member."

KENDALL MAGINNIS, *LSU*
Savannah College of Art & Design — art history (graduate program)
The HELEN CASHATT DRAIS Memorial Scholarship.

"Kappa has always been an important part of my life and this generous scholarship reinforces the loyal support that Kappa embodies."

JESSICA McCLOY, *Clemson*
The Kappa Kappa Gamma Foundation — MARY MAXWELL GATES Scholarship.

"Not only do I concern myself with the scholarship performance of my chapter, but I also hold myself to the highest educational standards."

DEANNE PALMER, *Colorado*
The MARIAN SIMS BAUGHN Scholarship in memory of Irene Sims Elofson & Elaine Sims Hawkins and the Susanna Stover Root Memorial Scholarship.

"I look forward to one day being given the opportunity to return the many gifts that Kappa has bestowed upon me to new sisters and through future personal support of the Foundation."

S. CARRINGTON RICE, *Wake Forest*
The Kappa Kappa Gamma Foundation — MARY MAXWELL GATES Scholarship.

"I consider myself fortunate to receive recognition among such a remarkable group of women."

KRISTEN SPECKETER, *Oklahoma*

"My parents had a college fund, but because they have both been laid off, this fund has to pay the mortgage and put food on the table."

— 2002-2003 Scholarship Applicant

Reflections from a Scholarship Judge

— By ROSALYN KEMPTON WOOD, *Emory*

Serving as a Kappa Kappa Gamma volunteer has always been rewarding but never more so than being a reader of our scholarship applications. For six years I have had the privilege of helping select our undergraduate scholarship recipients. Over these years I have read of many personal hardships, such as the death of a parent or a devastating illness. I have become increasingly aware of how much our young women value their education. Some of them have become saddled with loans of \$30,000 to \$40,000 before their junior year.

This year the personal essays told an even more poignant story. One young woman wrote, "My parents had a college fund, but because they have both been laid off, this fund has to pay the mortgage and put food on the table."

Another young woman said that her father, who is self-employed, now faces being called for active duty in light of the current world situation. The essay that hit me the hardest was from a young woman who said her executive father lost his job as a "direct result of the events of September 11." Abruptly, the family income was cut by three-fourths forcing them to sell personal possessions and to put their house on the market.

Reading this year's essays prompted me to ask myself whether the current economic downturn had changed my lifestyle as it had so many of my sisters. Fortunately it had not and I was compelled to increase my contribution to our Foundation's scholarship fund. As in the past, most of our scholarship recipients return to serve the Fraternity in order to express their gratitude for our assistance. Kappa scholarships are gifts, not loans, and represent our ideal of women supporting women to achieve their fullest potential. Please join me. Our sisters need us.

Visit www.kappa.org for a complete list of 2002-2003 scholarship recipients and to download scholarship applications.

Foundation Scholarship judge.

Museums

Every Kappa should have the opportunity to learn about her history as a Kappa and as a woman.

The Foundation supports the operation of The Heritage Museum in Columbus, Ohio, and The Stewart House in Monmouth, Illinois. These museums depict the life and times of our Founders and women of the Victorian period, feature exhibits from the archives of the Fraternity and develop programs such as "Museum in a Box" and the new multi-media project, *The Voyage of Discovery*.

2,200 people visited Foundation Museums in 2001-2002

Kappa Kappa Gamma has the distinction of maintaining two buildings that are listed on the National Register of Historic Places: The Stewart House in Monmouth, Illinois, and the Headquarters building in Columbus, Ohio, which houses The Heritage Museum. Even more impressive are Kappa Kappa Gamma's efforts to share our rich history and the history of the local communities through The Heritage Museum and The Stewart House.

In the last year, both museums combined have welcomed more than 2,200 visitors — members of Kappa Kappa Gamma and the general public alike. The Stewart House was host to the Monmouth community and alumni during Monmouth College's alumni weekend in July. The Heritage Museum was a featured destination in the Columbus Landmarks Foundation's two major events in September and October, "City Hop" and "The Ghost Tours." Through participation in community events, a regular tour schedule and the debut of *The Voyage of Discovery*, both Museums have enjoyed overwhelming interest from members, as well as unprecedented public awareness and support.

In addition to building relationships and awareness within the community, the committee for each museum is continuously working to improve the furnishings and exhibits within the museums. The Stewart House Committee has nearly completed the redecoration of the living room and the sunroom, a long-term goal in working toward the full restoration of The Stewart House.

The Heritage Museum Committee continues to build a collection of children's toys and furnishings to be used in an exhibit that will interpret the daily lives of children in a Victorian household. As you can see, Kappa Kappa Gamma has a wealth of intrigue and history to share in both of our historic museums. Visit in person or log on to www.kappa.org and embark on *The Voyage of Discovery*.

The Voyage of Discovery

Inspired and strengthened by our past, we bravely look to the future.

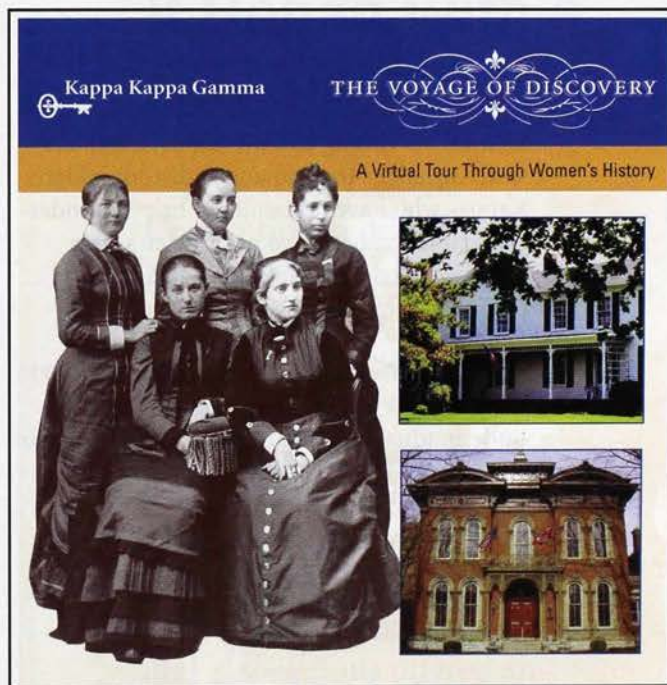

“Kappa Kappa Gamma ... The long expected ship hove into sight some days ago and came into port with the Admiral’s pennon flung to the breeze, amid the shouts of the multitude ... they are on a voyage of discovery.”

As Monmouth College’s *The College Courier* exuberantly announced the founding of Kappa Kappa Gamma in October 1870, it is with matching enthusiasm that the Foundation announces the debut of *The Voyage of Discovery*.

The Voyage of Discovery is an interactive timeline that examines the path women in North America traveled for the past 140 years. In addition to your journey through women’s history, tour the two museums of Kappa Kappa Gamma and explore their historic collections.

The Voyage of Discovery brings to life four main areas of interest. The interactive timeline portion explores three different areas of interest through history. The first highlights women and their achievements from 1870 until 2000. Representative women were chosen for each decade and the virtual visitor can see profiles of each. Among the women included are members and nonmembers. The second area highlights women in education from 1870 until 2000. Watch the figures rise through decades as we see the increase in the number of women who attend college. The third area is specific to Kappa Kappa Gamma and gives a general overview of the Fraternity against the backdrop of women’s history.

The program is available on the Kappa Kappa Gamma Web site at www.kappa.org and was distributed on a CD-ROM to every chapter and alumnae association in the Foundation fall mailing. *The Voyage of Discovery* has added variety and interest to countless Founders Day programs this past October. Consider using *The Voyage of Discovery* as a recruitment tool, a supplement to a women’s history program or for activities at chapter meetings and retreats.

The Museums Committee plans to update *The Voyage of Discovery* in order to showcase changes made at each museum and to show the progress of women extending beyond the year 2000. Encourage your friends and family to take a look at the site and learn what marks women have made on the world. Remember to check back frequently to see what has been changed and added to this exciting new program.

Rose McGill Programs

No Kappa sister should suffer in times of financial distress.

The Rose McGill Fund, established in 1922, offers many programs that give confidential aid to deserving Kappas of all ages who suddenly and unexpectedly find themselves in financial need due to misfortune or illness. During the 2000-2002 Biennium, the Rose McGill programs provided \$545,140 in support.

Rose McGill family of programs:

- Rose McGill Confidential Aid recipients may be mothers raising a family alone, members suffering short-term financial distress, elderly Kappas who have no family to help, or undergraduate members who experience severe financial need that could terminate their pursuit of higher education.
- Emergency Assistance Grants of \$500-\$1,000 are provided from the Rose McGill fund to undergraduate members who face sudden, but short-term, financial emergencies.
- Circle Key Alumna Grants provide assistance for alumna members who are pursuing part-time continuing education for career advancement or re-training.
- Holiday Sharing began as a "Kappa family" support system for Rose McGill Confidential Aid recipients. Alumnae associations and chapters are invited to participate in this program where they are matched with Rose McGill Kappas to help fill their needs and to make the holidays a happier time of the year.

Applications for Rose McGill programs can be obtained at www.kappa.org or by calling the Foundation office at 866/KKG-1870.

The following are excerpts from thank-you letters from Rose McGill recipients during the biennium.

"These past few months have been difficult, and I have faced financial situations I never thought I would find myself in. I really appreciated knowing that there was an emergency fund available through Kappa. It felt as if the arms of Kappa were wrapping around me!"

"Many, many thanks to my Kappa angels for the financial help. I don't know what I'd do without you. Your letter warmed my heart and brought tears to my eyes."

"How can I ever express my feelings of gratitude? I must tell you that the allowance you are sending me once per month is truly an answered prayer. I have spent many hours worrying about how the next year or so was going to financially be possible. Thanks to you, I have some breathing room."

"Kappa is always at the top of my prayer list to say thank you. It is people like you who truly are the angels who watch over us and we love you for that."

"Life started to look better when I received the emergency aid! You were there for me in my time of need. I will never forget your support."

Rose McGill confidential aid programs have provided \$545,140 in support during the 2000-2002 biennium.

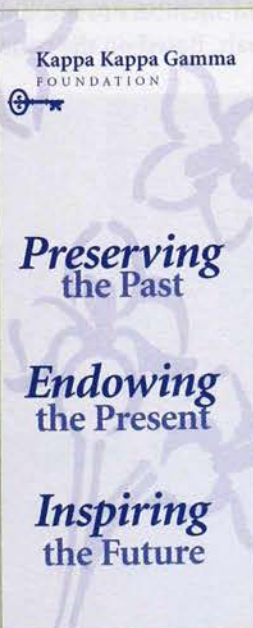

"I nearly cried when I found the check in my mailbox. You all are so good to me, I really think that if the Rose McGill Committee had not given me all this help, I would be dead now. I am so much better now than I was back in 1998 when I first began to receive help from Kappa. Please thank everyone for all of the help you have given me."

"Kappa is truly a Fraternity of 'going that extra step' of taking care of its loyal members and I thank you again for helping me out."

"I never thought, when I was supporting the Rose McGill Fund, that one day I would be in need of aid. Thank you so much for your timely response with my first check. This prosperity from KKG is a weight lifted from my mind during this challenging time."

"There have been angels in my life. While they haven't arrived with a blast of trumpets or a rustle of wings, I've known them just the same. Thanks a million to you and all the Kappas for being angels in my life!"

Invest in the Foundation!

Your investment is the lifeline of Foundation programs. The Foundation accepts donations, invests them wisely and then provides support to the members of Kappa Kappa Gamma.

A donation envelope is enclosed in this issue for your convenience. Your gift can be unrestricted for the greatest need or designated to the program area of your choice. Make a gift in honor or in memory of a special Kappa or other loved one.

All gifts are tax deductible as allowed by law. Thank you for your support.

It Began with a Heartfelt Plea ...

At the 1922 General Convention, a delegate of BETA PSI, *Toronto*, shared with Kappas the story of ROSE MCGILL, a chapter sister suffering from tuberculosis who was without the means for adequate care. The delegate explained that chapter members had tried to care for her but were unable to do it alone. On the spot, chapters and associations offered an outpouring of donations. Rose McGill continued to receive financial and emotional support from her Kappa sisters until her death in 1927.

Explore Your Potential Through Educational and Leadership Programs

Every Kappa should have an opportunity to develop as a person and as part of a group.

The Foundation supports the development and implementation of educational programs that benefit our members. During the 2000-2002 biennium, \$187,000 was provided for the development and presentation of dynamic programs for our members. Kappa Trainers are available for chapters and associations.

During the 2002-2004 biennium, the Education and Training department is working to promote the use of the Kappa Trainer program among more alumnae associations. Here are a few facts about the program and how your association can benefit from a visit.

Frequently Asked Questions:

What is the fee to have a Kappa Trainer visit our association?

There is no fee to the association. The Foundation covers the expenses of the Trainer's visit.

How long is a Trainer's presentation?

Depending on the topic of the presentation, the workshop may last from one-and-a-half to two hours. The session will include interactive activities and materials members can use in the future and directly apply to their lives.

What are some topics Trainers cover?

Trainers are skilled in delivering a variety of topics that may appeal to your association. Here are just a few of the titles and topics:

On Your Mark, Get Set, Go! Preparing Your Board for the Course Ahead: Develop practical skills in strategic planning, leadership and delegation. Designed to help prepare current or future board members for their roles and responsibilities.

There is no "I" in Team — Using the Committee System: Exploring the definition, design and implementation and utilization of a committee system. Be prepared for the pitfalls of how to use committees and get fired up about committee work.

Red, Yellow or Green — What Do Your Decisions Look Like?: Values and ethics define and direct us daily in the decisions we make. Examine and clarify personal values in a safe, non-judgmental setting. Participants explore how their own values and ethics affect and direct the path they choose in life.

One, Two, Three, Hike: Teaming Together to Make a Difference: Focused on targeted team recruitment, this workshop helps groups evaluate their individual and team style and identify team needs. Perfect for all groups, this interactive workshop has something for everyone.

Goal Getters: Inspire your members to not only set goals but also obtain goals. Based on the concept

that everyone plays an integral part in the success of the team, this workshop encourages participants to “go get ‘em” and work together to achieve their goals.

Keeping Your Batteries Charged
— **Stress Management:** Identify the stress in your life. Set personal goals, learn how to meet those goals and watch unwanted stress melt away.

Discovering Your Passion:
Each participant assesses her unique characteristics and traits, defines her passion and develops an action plan that springs the vision into reality. Designed as a two-day seminar, this program is perfect for a chapter or association retreat or a reunion.

Any size alumnae association or chapter can benefit from a Kappa Trainer visit. Trainers are also able to do a custom-designed presentation just for your group! Contact the Director of Education and Training, Marla Williams, at 866/KKG-1870 for more information.

Foundation Biennial Report

A Celebration of Caring
and Sharing!

Through the generosity of our donors who contributed more than \$4.5 million during 2000-2002, the Kappa Kappa Gamma Foundation continues to thrive and fund programs that support the needs of our members and provide outreach to our members and the public-at-large.

Our members support the Kappa Kappa Gamma Foundation through the annual Loyalty Fund, tribute gifts in honor or memory of Kappa sisters and other individual gifts and bequests. Alumnae associations and chapters continue to support the work of the Foundation through their generous and heartfelt gifts. With this support, the Kappa Kappa Gamma Foundation can help its members and continue to preserve the past, endow the present and inspire the future.

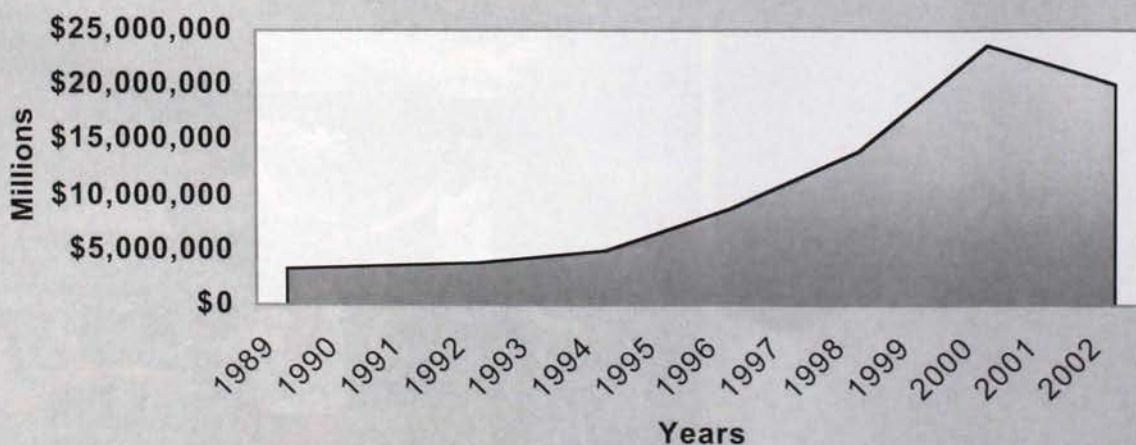

Scholarships: During this biennium, \$733,915 was distributed to our members for undergraduate and graduate scholarships, an increase of almost 51 percent from the previous biennium. The number of recipients increased from 194 to 271, and the amount for most scholarships was increased to \$3,000 to provide increased funding to our highly deserving recipients.

Rose McGill: An important new support area for the Rose McGill program is financial assistance to undergraduate members who may not meet the qualifications for a scholarship but who have been contributing members of their chapters and have been confronted with a severe financial crisis threatening to interrupt or end their pursuit of higher education.

The Rose McGill program continues to provide confidential assistance to alumna members in financial distress and also provides funding for alumna members who may need re-training or are seeking additional education on a part-time basis. Total support from the Rose McGill Fund was \$545,140 in 2000-2002.

Educational Programming: During the biennium, 121 visits were made to chapters and alumnae associations by "Kappa Trainers," dedicated Kappa volunteers and staff who

Foundation Fund Balance By Year 1989 - 2002

Foundation Distribution of Funds 2000-2002

conduct a variety of workshops and training experiences to build leadership and communication skills. More than \$187,000 was dedicated to these visits and educational programs to help our members develop individual and group skills. More than 8,000 Kappas participated in the Kappa Trainer program during the biennium.

Museums: The Kappa Kappa Gamma Foundation supports the operation of The Heritage Museum in Columbus, Ohio, and The Stewart House in Monmouth, Illinois. These museums depict the life and times of our Founders and women of the period of our founding. In addition, during this biennium, a historic timeline and on-line tour of these facilities was developed and can be found on the Kappa Kappa Gamma Web site (www.kappa.org) under the title *The Voyage of Discovery*.

Why do we put forth such efforts as a Foundation?

So no deserving, qualified Kappa should have to interrupt her education,

So no Kappa sister would suffer in times of financial distress,

So every Kappa can have an opportunity to develop as a person and as part of a group,

So every Kappa can have the opportunity to learn about her history as a Kappa and a woman.

Thank you for your support! You are making an investment in Kappa Kappa Gamma.

Times May Change but Kappa Kappa Gamma Is Here to Stay

The end of the calendar year brings time for reflection on where we are and what lies ahead for the Fraternity. This has been a wonderful year with your support of the Foundation and the Fraternity's many programs. Recruitment efforts of our chapters have been successful and interest in membership in Greek-letter societies has risen slightly. Alumnae associations continue to be involved in their communities, providing a dynamic support network ready, willing and able to help.

The Fraternity installed its 130th chapter in November at the University of Central Florida in Orlando, offering the Kappa "gold-mine" of Fraternity resources for this campus to discover. Initiating 120 members, ETA ETA CHAPTER will now experience our home-away-from home, as well as a single-gender opportunity within the co-educational environment for leadership development, people and organizational management plus emphasis on growth, intellectually and socially.

What lies ahead for Kappa Kappa Gamma? Change. It will not come easily. The Greek world is facing tighter scrutiny. The simple truth is we must change. In the future, friendship — that wonderful support system we provide — as well as service to others will take on more importance. The *chapter* experience probably does not look the same to you as yours was — just as the *campus* experience is not the same as it was even 10 years ago — let alone 20, 30, 40 or

more years ago. Just as the tides of campus life change, so too does the Kappa experience, as we are products of the campus environment.

This spring, I hope you will take the time to experience some of those changes and enjoy a recharging of your Kappa spirit by attending your Province Meeting at a campus close to you. Dates and locations can be found on page 69. Contact the Province Officer for meeting information or call 866/KKG-1870.

Loyally,

Get Ready for Your 2003 Province Meeting!

Kappa Kappa Gamma

Tradition of Leadership

Province Meetings, held in the spring of non-convention years, are weekend events full of leadership training and idea-sharing. Province Directors of Alumnae and Province Directors of Chapters are elected, resolutions are discussed and voted upon, association and chapter awards are presented and Kappas are reunited with old friends and introduced to new ones.

All members are invited to attend the Province Meeting in their area. Listed below are the dates, locations, host groups and Province Nominating Chairmen. **For registration information, contact your Province Director (listed in the Fall 2002 issue), call Fraternity Headquarters toll free at 866/KKG-1870 or visit www.kappa.org.**

Local Leaders Wanted

Nominations are being accepted for Province Director of Alumnae (PDA) and Province Director of Chapters (PDC) volunteer positions. Province Officers assume their positions on June 1, 2003, and remain in office for two years. PDAs serve as a resource for the alumnae associations in their Province. PDCs serve as a resource for the chapters, Advisory Boards and House Boards in their Province. Both motivate and guide the groups and their officers toward a better understanding of their roles. Jointly, the Province Officers plan the program for and preside at the biennial Province Meetings. Adviser Recruitment: What's New?

At the General Convention 2002, voting members adopted a resolution to assist four chapters that do not have advisers. The resolution reads in part, "... That Kappa Kappa Gamma ... initiate a two-year pilot program making it possible for not more than four chapters to pursue the alumna membership process outlined by the Alumna Initiate Task Force. ..."* A maximum of four alumna initiates per pilot chapter is allowed.

An application process for chapters was outlined in the August/September issue of the *Director of Chapters News*. This newsletter was sent to all chapter officers. Interested chapters were asked to have an open discussion with their chapter, take a vote and submit a letter stating reasons for their participation. Applications will be read by the Fraternity Council and up to four chapters may participate in this pilot program.

* A college alumna at least 30 years of age, never having been a member of any NPC group, may be proposed to the Fraternity Council for membership. She would agree to be an adviser for the local chapter needing adviser support and would complete a Fraternity education program.

Long-Distance Advising: The Answer for Some Chapters

One technique aimed at helping chapters without adequate Advisory Board support is the use of long-distance advisers. Kappa alumnae who may live a substantial distance from a chapter may want to advise collegians. Here are some guidelines for long-distance advisers:

- E-mail chapter officer regularly.
- Participate in quarterly conference calls with other advisers.
- Be willing to become familiar with Fraternity *Bylaws*, *Standing Rules* and *Policies* and procedures.

If you are willing to be a long-distance adviser, please contact CATHLEEN MORROW MCKINNEY, *Emory*, Chairman of Advisory Board/Housing at cmk@triad.rr.com.

Wear Your Badge!

Monday, March 3, 2003, is international Badge Day. The National Panhellenic Conference asks sorority women to honor their Greek affiliations by wearing their badges or letters and by participating in volunteer activities. Whether you're at the office, out of town, on campus or in your neighborhood — show your Greek pride by wearing your key and tell others why you're proud to be a Kappa!

Alumna Dues Keep Kappa Strong

Do you want to be more involved in Kappa but you're not sure how? One simple way to give something back is to pay your annual alumna dues. Your \$10 will help the Fraternity develop and distribute programs and services for collegians and alumnae, as well as provide support for technological improvements and continued publication of *The Key*.

Perhaps you live in an area with no alumnae association or you are too far away from the hub of activity to attend meetings. By paying your annual alumna dues, you can support the work of the Fraternity and feel more connected.

Your Fraternity Needs You!

WHO? The more than 100,000 alumnae who do not pay dues.

WHY? To support the development and distribution of educational programs to collegians and alumnae, continued improvement in technology and member services including *The Key* and the Web site.

WHEN? Today and into the future

WHERE? To Fraternity Headquarters, P.O. Box 38, Columbus, Ohio 43216-0038

HOW? By sending \$10 alumna dues annually, payable by check or credit card.
(See form below.)

If you have paid dues to an alumnae association, your alumna dues are paid. If you know of a non-participating alumna, encourage her to send in her alumna dues. Being a "Kappa for a lifetime" is a privilege and a responsibility — your support will keep Kappa Kappa Gamma strong.

Share Your Experiences with Kappas Around the World

The Key Editorial Board is planning themes for future issues. We want to hear from Kappas involved in education (professional or volunteer) and home schooling. We also want to hear from Kappas who have taken time off from careers to care for family members — share your challenges and advice. *The Key* also may be interested in articles from members who are experts in areas such as health/wellness, alcohol/drug abuse prevention and other issues of importance to women. And, as always, we are interested in stories about Kappas involved in philanthropic work, as well as stories on how Kappa has influenced your life. All submissions will be acknowledged and kept on file for possible use for up to one year. (See submission guidelines on Page 90.)

NPC Celebrates 100 Years

The opening session of the National Panhellenic Conference's interim meeting brought greetings from President George W. Bush and proclamations from 27 Governors. President Bush's letter stated in part:

"... I applaud the NPC for your dedication to maintaining standards for academic and social excellence. Your efforts to promote friendship, service, and good citizenship reflect the compassionate spirit of America. Laura joins me in sending our best wishes as you celebrate this milestone."

Conference business was accomplished through committee reports and discussions. Inter/National presidents, executive directors and editors met during concurrent sessions. The Research Committee, led by Kappa's **MARIAN KLINGBEIL WILLIAMS, Missouri**, conducted a panel discussion with experts focusing on the concerns involving requests for information from individual College Panhellenics, Inter/National Fraternities and NPC. Main points from the panel included:

- Research done by an institution is "outcome based." University staff must be able to relate the value of co-curricular programs to the mission of the institution.
- Social science research should be able to describe in clear terms what the research is going to do, the purpose of gathering the research and what the benefits are for the stakeholders. It should clearly describe what can and cannot be done with the research.

Special visitors included **PHYLLIS BRINTON PRYOR, Colorado**, (left) Kappa's NPC Delegate from 1971-91. Phyllis, who recently received her KKG 65-year pin, also has served the Fraternity as a Province Officer and as Vice President. Phyllis, who received the Loyalty Award in 1986, is pictured with future NPC leader **MARIJA IGNJATOVIC, Ohio Wesleyan**, who serves on her campus as the Panhellenic Activities Chairman.

The Centennial banquet featured sorority members from Northwestern University in a reenactment of the first NPC meeting entitled "One Fine Day." Period costumes and songs performed by Gina Powers, Miss Illinois 2000 (far right), portrayed what life was like 100 years ago in Chicago when NPC was born. **CHRISTIAN LEE, Northwestern**, (third from left) portrayed Kappa's first NPC delegate.

- Courts are struggling with the "right to know" vs. "the right to privacy."
- Fraternity secrets must be upheld to maintain intimate association.
- Weighing the "negatives" (unknown outcome, identifiable population) against the "benefits" (data helps make decisions, supports resource allocation and public relations) of participation in scientific research.

The Centennial luncheon featured **Corre Stegal, Kappa Delta**, who gave an overview of NPC's 100 years. "Studying the history a bit gave me an even greater sense of awe that this volunteer alliance of distinct and autonomous, yet united organizations, has stuck together, grown stronger, and today represents what some have called the greatest organization of American women," said Corre.

"These were brilliant women, our early leaders ... well read, well prepared and intensely dedicated to the ideals of fraternalism. They traveled great distances in uncomfortable circumstances and spent weeks at these meetings working on fraternity business. No airplanes for these early NPC soldiers ... they traveled on trains mainly ... and sometimes by car on roads that seldom were paved."

Jean Scott, Pi Beta Phi, NPC Foundation President, reported that the \$750,000 goal for the Centennial Fund was met. The NPC Foundation has granted more than \$37,000 to support NPC programs. The first grant from the endowment is the Distinguished Lectureship.

Each member group contributed historical items for a Centennial exhibit, which included photographs of founders, a 1919 dance card, a founder's ink well and pen, Panhellenic cookbooks, fraternity jewelry and a telegram from John F. Kennedy to Theta Phi Alpha for its golden anniversary in 1962.

For more information about NPC, visit www.npcwomen.org or call 317/872-3185.

Kappa's 2002-2004 NPC delegation celebrated NPC's Centennial at the Interim Meeting in Chicago in October 2002: (back, l to r) **JULIANA (J.J.) FRASER WALES, Ohio State**, First Alternate Delegate; **MARIAN KLINGBEIL WILLIAMS, Missouri**, Delegate; **ANN STAFFORD TRUESDELL, Ohio Wesleyan**, Fraternity President; (front) **GAIL SIMPSON OWEN, Monmouth**, Third Alternate Delegate; **CAROL MORRISON SOBEK, Arizona State**, Second Alternate Delegate.

KAPPA KTRAVELS

Former President's Great-Granddaughter Initiated at SMU

ALLISON BARNETT, *Southern Methodist*, great-granddaughter of Fraternity President GEORGIA HAYDEN-LLOYD JONES, *Wisconsin*, (initiated in 1896), and granddaughter of FLORENCE LLOYD-JONES BARNETT, *Wisconsin*, (initiated in 1931), was initiated into GAMMA PHI CHAPTER, *Southern Methodist*, in the spring of 2002. This is the first known initiation of a third-generation legacy of a Fraternity President.

The announcement was made by Florence, known to her friends as “Bisser,” with a donation to the Kappa Kappa Gamma Foundation accompanied by the following message: “It is with great joy that I announce the initiation of my granddaughter Allison Barnett at SMU. My mother — former National President — is dancing on the Golden Streets! She was Georgia Hayden Lloyd-Jones, President 1926-1930.”

Florence is “absolutely thrilled” to be sharing her Kappa heritage with her granddaughter. She simply wanted Allison to freely choose and enjoy her Greek affiliation at SMU, but what a chord was struck when she learned that her granddaughter’s heartfelt choice was Kappa Kappa Gamma. Florence’s greatest joy and pride lies in the fact that Allison “seems to have absorbed somehow a very deep feeling for Kappa, for all it represents and its heritage of excellence and commitment. She has such a strong love for Kappa already!”

Allison’s special heritage also came to light when she contacted Headquarters to inquire about the location of her great-grandmother’s badge and learned that Georgia’s beautiful diamond badge with its unique diamond sigma-within-the-delta guard is proudly displayed at Fraternity Headquarters with the badges of other former

GEORGIA HAYDEN LLOYD-JONES, *Wisconsin*, (seated) and her Kappa family (l to r) FLORENCE JONES BARNETT, *Wisconsin*; MARTHA CORDER JONES, *Missouri*; JUANITA CARLSON JONES, *Colorado*.

Fraternity Presidents. Allison and Florence have agreed that it will remain there, as a tribute to Georgia's many contributions to the Fraternity, to be enjoyed by all who visit the display.

A second badge of Georgia's was presented to DELTA PI CHAPTER, *Tulsa*, as a President's badge when that chapter was installed in 1946. Tulsa had become the Lloyd-Jones family's home where Florence and Allison's family still live and where Florence has been active in the alumnae association for many years.

Florence "cut her teeth on Kappa" and met the Fraternity's first Field Secretary HELEN SNYDER ANDRES STEINER, *Washington*, when Helen was a member at the University of Washington. During her presidency, Georgia reportedly took Florence out of school for three months while they jointly visited all the chapters west of the Mississippi, before the position of Field Secretary was established to relieve the President of so many travel obligations.

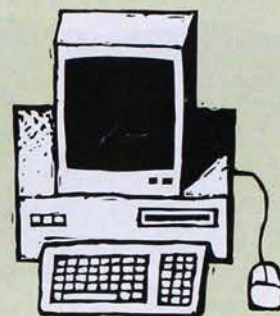

Kappa Kappa Gamma has come full circle in the lives of these three women, linked through four generations by family and fraternity heritage.

EPSILON OMICRON, *UC Davis*, members take a break from class to visit Alcatraz in San Francisco, Calif.

The ladies of GAMMA ETA, *Washington State*, have been keeping busy with philanthropy events. "Kappa Kickers" had Kappas coaching and sponsoring a local soccer team. Washington State actives taught 40 area children how to play soccer on Saturday mornings last spring.

Members of the **NORTH SAN DIEGO INLAND ALUMNAE ASSOCIATION** gathered last Christmas to celebrate the holidays together, as well as their 25 years as an association. They display some of the toys they donated to children served by the Interfaith Council.

THE FORT COLLINS (COLO.) ALUMNAE ASSOCIATION plant sale came up roses this year with proceeds benefiting Project Self-Sufficiency, an agency helping low-income single parents achieve economic independence. A local greenhouse supplies plants at cost, allowing the Kappas to sell them below retail.

For her work over the past two decades helping transform the Charleston Symphony into one of the most respected regional orchestras, **ELOISE RYDER PINGRY, Purdue**, was honored by the Committee to Save the City with the "Three Sisters Award." A member of the **CHARLESTON (S.C.) ALUMNAE ASSOCIATION**, Eloise became president of the Orchestra Board when it was a struggling amateur group, and she was instrumental in hiring David Stahl to direct and conduct.

ANNIE POLLOCK, Kentucky, left, and her BETA CHI "big sister," HOLLY DUNN, walked 60 miles from Kenosha, Wis., to Chicago as part of the Avon Breast Cancer Three-Day Walk in June. More than \$12 million was raised, making it the highest amount raised for Breast Cancer in a single event. Holly, a former Kappa Kappa Gamma Traveling Consultant, wore her Kappa hat and met five other Kappas walking, too. She says she felt the greatest sense of community during those three days as they lived together in a mobile city at night with more than 3,000 tents. For information on the event, visit www.bethepeople.com.

Columbus, Ohio, area Kappas and Fraternity Headquarters staff members participated in the 2002 Bowl for Kids' Sake. The entire event raised more than \$160,000 for the Big Brothers Big Sisters Association of Greater Columbus.

Fourteen of the original 25 members of the 1951 Mu, Butler, pledge class gathered at the chapter house to receive their 50-year pins. Mourning one deceased sister, and reminiscing about their college days, they discovered today's chapter members curious about Kappa customs of long ago and how friendships can last for 50 years.

More than 100 EPSILON PHI, Florida, actives and alumnae gathered to say farewell to retiring house director Eleanor Bohnsack, (center, in blue suit) and to honor her for 18 years serving several generations of Kappas.

Wearing blue and white Kappa hats adorned with golden keys, **DELTA TAU, Southern Cal.**, members gathered in Solana Beach, Calif., to celebrate 40 years of friendship. Seated, left to right, are **PATTI SMITH INMAN**, **CHARLIE MORAN JONES** and **MARLENE EGERER POMEROY**. In back are **BARBARA MYERS COTLER** and **LINDA LIVINGSTON BRANDT**.

MEGHAN GARDINER, *British Columbia*, discovered a Kappa connection while traveling in Europe following summer school in Oxford, England.

During her European tour she met **MINDY WIBLEMO**, *Cal. State Northridge*. It wasn't until they were in Amsterdam, waiting in line to visit the Van Gogh museum, that they discovered they are both Kappas. It happened when Meghan, left, stepped out of line to buy a print of Van Gogh's *Irises*, explaining to Mindy that they symbolized her sorority. They were inseparable for the rest of the trip.

An exhibit at the Tucson Museum of Art titled "Threads of the World: Folk Costumes Worldwide" showcased the private collection of **MARY HAMILTON EWING**, *Carnegie-Mellon*, amassed during her travels as a guide for an adventure company. From her closet came clothing, jewelry and footwear she collected, and often wears, from more than 200 countries. Here she models an intricately embroidered outfit from Afghanistan, with another on display in the background.

Prancer the cat tries to wiggle under the Kappa quilt made for his owner, **KRISTIN HAWK, Monmouth**, (right), by her mother Mary. Kristin picked out 30 T-shirts and sweatshirts, the majority with Kappa logos. Mary, left, stitched by hand and machine and finished Kristen's prize possession in about a week.

Two **GAMMA DELTA, Purdue**, alumnae pictured here at their 50-year reunion, were selected as recipients of the "University Hidden Diamond Award." **JAYNE BURGOYNE BEELER**, left, and **SALLY SCHNAITER LUGAR**, second from right, were recognized by the School of Consumer and Family Sciences for the differences they have made in their community through their career or volunteer efforts. **CLARA ANN COBLE MILLIGAN**, not pictured, was also recognized.

THE **SANDHILLS (N.C.) ALUMNAE ASSOCIATION** supports the Kappa Kappa Gamma Foundation's Holiday Sharing program which benefits a deserving Kappa. **ALICE WADE FAIRCLOTH STACKHOUSE, Alabama**, and **SANDY STREHLOW HAARLOW, Ohio Wesleyan**, help pack their association's gifts for the Kappa they sponsor.

The **DENVER ALUMNAE ASSOCIATION's "Night Owls"** group hosted its second "Kappa Carnival" at Children's Hospital in Denver, with double the participants as last year. Young patients and some of their siblings enjoyed face painting, a coloring contest, games and crafts with the Kappas. One young patient who had no visitors during the day was reluctant to participate. One of the Kappa volunteers escorted him to the party and by evening's end he was having so much fun he didn't want to leave.

JEAN DAVIES HOLLENBECK, *Oregon State*, was selected by the Palm Desert, Calif., City Council to receive the Desert Senior Inspiration Award.

Former PDA Wins Inspiration Award

Former Iota Province Director of Alumnae (1967-69) JEAN DAVIES HOLLENBECK, *Oregon State*, has been selected by the Palm Desert, Calif., City Council to receive the "Desert Senior Inspiration Award," recognizing seniors who are actively involved in their community.

In 1976, Jean began volunteering at MulCare Nursing home and soon realized the need for expanded senior services. In 1981, she joined a committee that founded the Joslyn Senior Center and later helped establish The Carlotta, the first combined retirement, assisted living and nursing home facility. She served on its board for 10 years.

An active member of the DESERT ALUMNAE ASSOCIATION, Jean is also a member of the Coachella Panhellenic, which provides scholarships to local high school girls.

Best Friends Own Trendy Boutique

In the heart of New York City's SoHo district sits Kirna Zabete, a one-stop department store filled with designer labels. Owners BETH SHEPHERD BUCCINI, *Virginia*, and SARAH HAILES EASLEY, *Virginia*, have come a long way from the jeans and sweatshirts of their campus days to this 5,000-square-foot modernist fashion mecca. Their practice of stocking lesser known designers, as well as established labels, has attracted a celebrity clientele.

Beth, previously a fashion editor for *New York* magazine, felt Manhattan shopping could be better. She wanted to have the fun things she had seen in European markets, so she and best friend Sarah quit their jobs and opened their dream store. Its quirky name comes from their UVA nicknames, Kirna for Sarah and Zabete for Beth.

The candy-colored boutique with lilac floors and pink lights features hard-to-find designers and runs the gamut from leathery soft slacks to T-shirts with tart messages. One can find baby shoes in a Chinese silk box, designer handbags, rock star boots, coffee mugs or exotic soaps. The shop has been featured in several magazines including *Cosmo*, *Vogue*, *Elle* and *New York*.

One of the most rewarding aspects of their success, Beth feels, is that their shop has helped launch some little-known designers who could become the next Calvin Klein or Donna Karan. Another plus is working with her best friend.

Kirna Zabete is located at 96 Greene St., New York. Their Web site is www.kirnazabete.com.

BETH SHEPHERD BUCCINI, *Virginia*, left, and SARAH HAILES EASLEY, *Virginia*, have launched their dream store, Kirna Zabete, in New York City's SoHo district.

The U.S. Surgeon General honored **LUCY DAVIDSON, MD, EdS, Emory**, for her work in suicide prevention and research.

Leader in Suicide Prevention Recognized by Surgeon General

In recognition of her work in the development and implementation of the National Strategy for Suicide Prevention, **LUCY DAVIDSON, MD, EdS, Emory**, Clinical Associate Professor of Psychiatry at the Emory School of Medicine, was recently presented with the Surgeon General's Exemplary Service Award. At a June 12, 2002, meeting in Washington, D.C., sponsored by the National Institute of Mental Health, the CDC, and other suicide prevention partners, Lucy was recognized before her peers.

In addition to extensive work in Atlanta, Lucy has served as senior scientist and co-author of the *Surgeon General's Call to Action to Prevent Suicide* and the resulting *National Strategy for Suicide Prevention: Goals and Objectives for Action*. The latter was released in May 2001, and guides public and private suicide prevention efforts at federal, state and local levels.

Lucy continues to work nationally to implement activities and policies that can prevent the loss of life and the suffering suicide causes. As a board member of the American Foundation for Suicide Prevention's Scientific Council, she chairs a broadly representative group that is producing a film to support college student suicide prevention through recognition of peers at risk and support for help seeking.

A 1988 KKG Alumnae Achievement Award recipient, Lucy began her work in public health through the Epidemic Intelligence Service (EIS) of the CDC when they inaugurated the study of suicide and its prevention as a public health priority. Lucy's research has been published internationally and she has contributed more than 30 peer-reviewed publications on suicide.

Student Council Adviser Recognized for Excellence

Student council adviser **TERRY HAMM, Texas Tech.**, at Bastrop High School in Texas, is recognized as one of eight "Warren E. Shull Advisers of the Year" by the National Association of Student Councils (NASC), the only U.S. national organization providing leadership development training for high school and middle level students and activity advisers.

Terry serves as a co-director of a National Leadership Camp for youth, has been a Texas Association of Student Councils leadership consultant for 15 years, and has actively supported student leadership in Texas and in the United States.

During college, Terry served as Membership Chairman for **DELTA PSI CHAPTER**, in addition to other campus leadership roles. She has also served as Chapter Council Adviser for **EPSILON UPSILON CHAPTER, Baylor**.

Earth Dreams — Finding Light in the Shadow

By **ELIZABETH BRENSINGER**, *Penn State*
Red Road Press, 158 pages, \$14

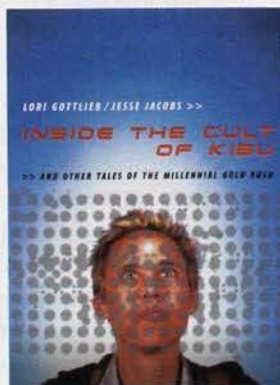

A true story of one woman's life, this book is "a reminder that everyday is rich in miracles and meanings, that fear can and must be faced and that the earth is both home and teacher." *Earth Dreams* records Liz's life during three days and nights spent alone in a secluded Utah Canyon. Through her journal entries, Liz discovered inner peace, spiritual strength and compassion.

Inside the Cult of Kibu: and Other Tales of the Millennial Gold Rush

By **LORI GOTTLIEB**, *Stanford*, and Jesse Jacobs
Perseus Publishing, 292 pages, \$26

In 2000, Lori left medical school to accept an offer that she could not refuse: To be the editor-in-chief of Kibu.com, a high-profile Silicon Valley startup dot-com business. Three months after her CEO returned from Bali she was unexpectedly "unhired." She immediately wrote an exposé in *The Industry Standard* about her experience. The story generated hundreds of e-mails from other Generation Y employees at other dot-com businesses. This book is a collective memoir of Lori's experience and that of many others that tells what happens when business, technology and popular culture combine and burst into an impressive display.

CORRECTION:

KRISTIN KEITH GIBSON, *Arizona* and KIMBERLY D. SMITH, *Colorado*, were mistakenly included in the "In Memoriam" list in the Fall 2002 Issue. *The Key* deeply regrets this error and extends apologies to Kristin and Kimberly, their friends and families.

EDITOR'S NOTE: We are delighted to receive your letters but regret that we are unable to print each one. Please keep writing to *The Key* and know that we appreciate your input. Letters are edited for clarity and length.

Why Is Class Year Not Listed?

I enjoy reading *The Key*, especially articles about alumna careers and volunteer jobs. However, I would like to know the class year in addition to the school for each member. For example, an author from my chapter was featured and I would be interested in knowing if we were in school around the same time.

— NANCY PERRY SIDDALL, Middlebury

EDITOR'S NOTE: *The Editorial Board* discusses *The Key* policies annually and appreciates input from readers. Currently, only a member's school is listed after her name. To list the initiation date of each member mentioned in *The Key* would take up valuable space and allow more opportunities for errors or confusion.

Intrigued by Nora Waln's WW II Efforts

I was intrigued by the Summer 2002 "Reflections" article mentioning NORA WALN's, *Swarthmore*, World War II Norwegian layette project. My mother, RHEVA OTT SHRYOCK, *Pennsylvania*, former Fraternity President, was chairman of the Nora Waln Fund and directed the successful effort for which she and Nora Waln received the Liberation Medal in 1947 from King Haakon VI. Kappa alumnae from all over worked hard to deliver the 5,000 layettes, as referred to in the article. My mother always prized that medal immensely.

I was in college during World War II, but I remember much discussion of this project during visits home. I also met Nora Waln, a delightful, talkative lady who accompanied my mother and me to the 1946 Kappa Convention at Mackinac Island, Mich.

— BARBARA SHRYOCK KOELLE, *Pennsylvania*

Kappa Is for Life!

Recently, I got caught up on reading *The Key*. It truly is an inspiring magazine. After reading the articles on leadership, I began reflecting on another aspect of leadership — how positions of leadership broaden one's Kappa friendships, interests and knowledge. A whole new world of Kappa was given to me through the various leadership positions I have held as an alumna. In one issue, there were articles by four Kappas that I have known and worked with through various Fraternity positions. I treasure all of the many friends I have met during those years. It is has been a thrill to see collegians I have worked with developing into leaders as alumnae. Kappa membership is truly for life!

— CATHY AXLINE WILLIAMS, *Monmouth*

The House That Kappa Built

Dedicated on December 7, 1952, this historic home was the first fraternity headquarters (or central office) among the women's fraternities. Enjoy a virtual tour at www.kappa.org or visit in person the next time you're in the neighborhood!

direction of Executive Secretary CLARA O. PIERCE, *Ohio State*, and dedicated December 7, 1952. It was the first fraternity headquarters or central office among the women's fraternities.

Devastated by fire in February 1965, the building was remodeled and reopened the following year. The incorporation of the Heritage Museum was another women's fraternity first, occurring in 1981, just 30 years after the original purchase by Kappa. In September 2001, the State of Ohio Office of Historic Preservation presented a merit award for preservation and restoration to the Fraternity.

Listed on the National Register of Historic Places, 530 East Town Street offers tours to Kappas and the general public. Anyone can enjoy viewing the period home through the virtual tour, *The Voyage of Discovery*. (See page 7.)

Attached to the rear of the Victorian home are the working offices of the Fraternity and Foundation, from the executive directors' offices to finance, technology, communication and education areas. Appreciation for heritage and activities for the present and future are housed in one building serving all of us.

Officially rededicated on November 17, 2002, our Fraternity Headquarters represents 50 years of stewardship by Kappa Kappa Gamma. Plan a visit to 530 East Town Street and experience Kappa's heritage in person!

“**A**dwelling ... a shelter ... a family line.” These are some of the definitions of a house. All of them apply to Kappa Kappa Gamma and to our Fraternity Headquarters. We did not build the original structure at 530 East Town Street, Columbus, Ohio, but we did develop it into something larger and stronger than it was. Bricks and mortar, restored elegance and modern technology, individual and group effort, monetary gifts of all dimensions and careful investing, many creative minds and inventive programs combined to construct the Fraternity we cherish and the building that represents its history and its future ... that is the house that Kappa continues to build.

Built in 1852 by Philip Snowden, a wealthy dry-goods merchant, the home was leased by the State of Ohio for Governor Tod and his wife Maria during the Civil War years. In its longest span as a private residence, Eugenia and David S. Gray occupied the house from 1869 to 1921. Two years later the Columbus Women's Association purchased the building and finally, in 1951, it was purchased by Kappa Kappa Gamma under the
