Intellect Plus Drive

Equals Success

The capability to achieve high scholastic standing is herein well demonstrated by our roster of 1966-67 Kappa Undergraduate Scholarship winners. It is indispensable to be knowledgeable and to know something about life. The women of our fraternity and society should not and cannot be satisfied with drabness, uniformity and cultural emptiness. We should crave beauty in music and fine arts and excellence in scholarship. We in turn trust that all Kappa women recognize that knowledge is limited but that the intellect is unlimited. Using one's intellect in the pursuit of knowledge and inner resources of dedication to relevant accomplishment should garner academic success. There is little correlation between creativity and high marks but if you sally forth with willingness, enthusiasm and conscientiousness you provide a direct assault upon scholarship. The act of creating is an act of commitment, an attitude, a position, a stand; it is nothing less than building your stance in life. The vitality and sense for relevant accomplishment gained by hard work and good scholarship should spread to academic work and thence to your lifetime work whether it be the arts, sciences, domesticity or business. Academic endeavor is something like delving in an untidy drawer wherein some find a key to a gate. The key unlocks a gate to fertile fields of creativity and exciting adventure in the realm of speculative thinking. For others, the key is shoved aside as the thought flashes through the mind, "What is it I'm looking for"?

We are unsullied in our belief in the essential value of academic achievement and it needs to be said that we must increase and improve or find ourselves sorely handicapped in attaining it. No single individual and no single group has an exclusive claim to high scholarship. We all have a single vision of what it is, not merely as a hope but as a way of life.

by ANNE HARTER, B T-Syracuse
Director of Philanthropies 1964-66

"WITH THE AWARDING OF THE 1966-67 SCHOLARSHIPS AND INCLUDING THE 1965-66 EXPENDITURES OF THE ROSE MCGILL FUND, THE TOTAL AMOUNT SPENT SINCE 1910 BY KAPPA KAPPA GAMMA AT THE NATIONAL LEVEL FROM ITS PHILANTHROPIC FUNDS IS \$1,017,290.51!"

This announcement climaxed the program at the traditional Scholarship-Philanthropies Dinner at the 1966 convention at Bretton Woods, New Hampshire.

Wise planning, imaginative foresight and sound financial management have paved the way for this remarkable accomplishment achieved by a voluntary organization whose first attempt to establish a scholarship fund began with receipt of a \$100 gift in 1902 and was followed in 1910 when the first loan of \$250 was made to a young woman student.

Today the Fraternity's Philanthropy Program is divided into two fields. The Fraternity Field includes the Rose McGill Fund from which has been spent \$218,729.56 to provide confidential assistance to members in need since 1922.

The Educational Field encompasses the Student Loan Fund and a six-part Scholarship Program along with Special Research Grants. A total of \$798,560.95 has been spent on educational assistance to women up to the present time. Over 600 loans have been made and more than 1,600 scholarships grants awarded. While close to 1,400 Kappas have been recipients of scholarships, it is noteworthy that 79 Independents, 88 Foreign Students and 51 members of other National Panhellenic Conference groups have also benefitted from Kappa's "chain of sharing."

In the early days as the various philanthropic funds were established, a chairman of each was appointed to administer them. With the passing years the program increased in scope and the over-all supervision of Kappa's philanthropies was added to the responsibilities of the Vice-President of the Fraternity. In 1954 the program had developed to such a point that it was felt necessary to create a special Council position for the sole purpose of administering Kappa's philanthropic endeavors. At the Convention that year the necessary By-laws changes were voted upon and Ruth Armstrong Harris, Π^{Δ} -California, elected as the first Director of Philanthropies.

The following Kappas have played a major part in the development of Kappa Kappa Gamma's outstanding Philanthropy Program to date:

Charlotte Powell Goddard, M-Butler, Chairman, Students' Aid Fund 1906-1926
Della Lawrence Burt, B Ξ -Texas, Executive-Secretary 1926-1929
Clara O. Pierce, B N-Ohio State, Executive-Secretary 1929-
Almira Johnson McNaboe, H-Wisconsin, Grand Vice-President 1934-1940

Elizabeth Kimbrough Park, B X-Kentucky, Vice-President 1940-1942
 Assistant to the Vice-President in charge of Philanthropies 1942-1944
 Edith Reese Crabtree, B I-Wooster, Vice-President 1942-1944
 Emily Caskey Johnson, B H-Stanford, Vice-President 1944-1948
 Mary Jim Lane Chickering, I N-Arkansas, Vice-President 1948-1950
 Helen Cornish Hutchinson, B O-Oklahoma, Vice-President 1950-1952
 Josephine Yantis Eberspacher, B M-Colorado, Vice-President 1952-1954
 Ruth Armstrong Harris, II^A-California, Director of Philanthropies 1954-1958
 Jeannette Greever Rustemeyer, O-Kansas, Director of Philanthropies 1958-1960
 Hazel Round Wagner, A Z-Colorado College, Director of Philanthropies 1960-1964
 Anne R. Harter, B T-Syracuse, Director of Philanthropies 1964-1966
 Martha Galleher Cox, P^A-Ohio Wesleyan, Director of Philanthropies 1966-

Statistics play an interesting role in any history or survey and the development of Kappa's philanthropies is no exception. The following figures showing amounts spent during four different years in the past 30 illustrate well the ever increasing magnitude of the Scholarship Program.

1936-37	1946-47	1956-57	1966-67*
\$4,772.51	\$12,721.31	\$14,508.33	\$39,450.00

For the 1966-67 year, 101 scholarships have been awarded to date including:

- 37 Undergraduate Scholarships
- 25 Emergency Scholarships
- 2 Foreign Study Scholarships
- 5 Foreign Student Scholarships
- 15 Fellowships (1 for second semester only)
- 6 Graduate Counselor Scholarships
- 13 Rehabilitation Scholarships

These accomplishments by Kappa Kappa Gamma could not have been possible without the generous support and unfailing interest of Kappas everywhere. To them their Fraternity's broad philanthropic program has become a meaningful way of life.

Gifts from alumnae groups, chapters and individuals which are the main source of income to all the funds have always been encouraged and accepted most appreciatively since the old adage "only Kappas give to Kappa Funds" has, in general, been a true statement! Contributions of any size are always welcome and donors may be assured that they are put to good use whether accumulated for the awarding of scholarships in the name of Kappa Kappa Gamma or for added income to the Rose McGill Fund in alleviating the distress of members in serious need. All gifts to the Funds are tax deductible.

We review again four periods within the past 30 years according to gifts received by Fraternity Funds. The remarkable increases illustrate well why Kappa has been enabled to expand its Scholarship Program and aid to members, particularly in the past decade.

The Fraternity is grateful for this highly increased interest by our alumnae associations and clubs in contributing to Kappa Funds.

In 1949 the Dallas, Texas Alumnae Association presented the Fraternity with a \$500 gift to be

used for a full Fellowship to be known as the Dallas Association Fellowship Award. In the early 1950's interest was shown by other alumnae groups and some individuals in contributing amounts equal to full scholarship grants. When such gifts were donated, the Fraternity began using the name of the donor in the title of the scholarship when it was awarded. In more recent years, due to the efforts of the Directors of Philanthropies in promoting the giving by alumnae groups of these full-scholarship gifts, now known as Name Awards, this phase of special gifts has developed extensively. It was from 1960 to 1964 under the direction of Hazel Wagner that the first great upsurge in such giving occurred. In 1959-60 ten of the 89 scholarships awarded were Name Award grants; in 1963-64 Name Awards included 36 of the 96 scholarships given.

The list below of Special Gifts received in 1965-66 is an indication of the enthusiasm shown today by Kappa alumnae in their Fraternity's Philanthropy Program. Sixty associations and one club provided 76 Name Awards for the 1966-67 school year. Seventeen of these groups provided their very first full scholarship gift. Six individual Kappas, some with their husbands, donated an additional 11 scholarships while one Kappa husband has started a scholarship fund in memory of his wife.

This list is published with deep gratitude and full awareness of the countless hours of planning and activity necessary by our organized alumnae which have made these outstanding gifts to Kappa Kappa Gamma funds possible.

How it all began

THE EDUCATIONAL FIELD

The Founders' Memorial Fund for Students' Aid

*In 66 years \$274,790.00 loaned to 629 young women,
Kappas and non-members*

In 1902 Fanny Ryson M. Hitchcock, B A-Pennsylvania, sent the delegate from that chapter to convention with a hundred dollar check with the provision that this gift become a fund which should be increased until the interest would be sufficient to enable a worthy girl to study at Wood's Hole, Massachusetts in the government biological laboratory for deep sea research. And thus a beginning was made on the part of Kappa Kappa Gamma to provide assistance to deserving women students toward their goals of higher education.

A committee of three was appointed by the Grand Council to be in charge of the fund with Dr. Hitchcock as chairman and Vera Morey, X-Minnesota, and Minnie Royce Walker, I-DePauw, serving with her. Due to illness Dr. Hitchcock resigned in 1904 and Mrs. Walker took her place as chairman. At the 1906 convention the fund which had only grown to \$105.80 was placed in the care of Charlotte Powell Goddard, M-Butler. The 1908 convention voted to allocate fifty cents from each initiation fee to the fund and alumnae associations began to show interest in sending contributions.

It seemed to the Chairman and Grand President Edith Stoner, O-Missouri, that it was necessary for the Fraternity to provide a fund to assist undergraduates to obtain their degrees rather than graduate students to specialize. As a result, and with the enthusiastic support of Eva Powell, II^A-California, the new Grand President, permission was obtained from Dr. Hitchcock and the Wood's Hole Scholarship Fund was changed into a Fund from which deserving Kappas could

borrow to continue their education uninterrupted. The first loan of \$250 was made in 1910 to a senior of Iota chapter who graduated with Phi Beta Kappa honors.

In 1916 the dream of the chairman, Mrs. Goddard, was realized when the convention delegates voted to increase the fund to \$10,000 and make it beneficial to other worthy women students not members of the Fraternity. In 1918 the allotment from each initiation fee was changed from fifty cents to one dollar.

At the Golden Jubilee convention in 1920 the Students' Aid Fund was formally dedicated to the Founders of Kappa Kappa Gamma. As more than \$14,000 had been raised it was determined that the scope of usefulness of the Students' Aid Fund could now be broadened. In 1921 announcement of the Fraternity's desire to be of service to all women students through the Fund was sent to the deans of women in the 48 universities and colleges where Kappa then maintained chapters. Gratifying responses were received from the deans as well as the institutions' presidents.

The Students' Aid Fund continued to increase with its assets more than doubling from 1922 to 1926. The one dollar allotted from initiation fees was discontinued in 1926 and diverted to the Endowment Fund which had been established in 1922 for the purpose of setting up a central office for the Fraternity and providing building loans for chapter houses.

Through the years the Students' Aid Fund has been able to make loans to graduate stu-

Graduate counselor scholarships

In 38 years \$98,727.93 has been awarded in scholarships to 168 Kappas at 69 chapters

At the convention in 1928 the recommendation of Della Lawrence Burt, Executive-Secretary, was adopted to establish Co-organizer Scholarships. By that time the Student Loan Fund for needy students had been in existence for 28 years. The accumulated interest had built up over the years and it was decided to use this money for scholarships to colleges and universities where Kappa had new chapters. The purpose of these scholarships was to be two-fold: the recipient could begin graduate study while guiding a new chapter in organization and familiarizing the members with fraternity traditions and policies. These awards were named for Charlotte Powell Goddard, Chairman of the Students' Aid Fund 1906-26.

The first committee to choose the new scholarship recipients was composed of Eleanor Wright Houts, I-DePauw, Marie Bryden Macnaughtan, Θ-Missouri, Gladys Udell Orr, Θ-Missouri, Della Lawrence Burt, ΒΞ-Texas, and Clara O. Pierce, Β N-Ohio State. The first awards were made to five girls in 1929: Laura Smith, M-Butler, to Γ X-George Washington; Anne Cahill, Ω-Kansas, to Γ Ψ-Maryland; Harriet Pasmore, K-Hillsdale, to Γ T-North Dakota; Helen Snyder, Β II-Washington, to Γ Y-British Columbia. In January, 1930, Marion Handy, Γ K-William and Mary, went to Γ Ω-Denison. The girls chosen had not only been outstanding students on their campuses but had held responsible positions in their respective chapters and wished to pursue study for advanced degrees in a field of their choice.

In 1940, Edith Reese Crabtree, Β Γ-Wooster, then Director of Membership, expressed the desirability for a graduate student counselor in every chapter house. Since this was not financially possible, the Executive-Secretary suggested the enlargement of the Co-organizer Scholarship program, heretofore

limited to new chapters, to include any chapters wishing to take advantage of the opportunity as well as including special assignments to campuses where the Fraternity wished to make a study. At that time the name of the program was changed to the Graduate Counselor Scholarship program.

Through the years the policy has been maintained of selecting those applicants who have been chapter leaders, are interested in and knowledgeable of their Fraternity and are able to work well with their peers. Every effort is made to match the recipients to a school offering the graduate program of their choice as well as to the chapter wishing this excellent form of assistance.

During the early years the Council selected the girls to serve as Graduate Counselors. In 1944 a Chairman of Graduate Counselors was appointed to supervise the program. She along with the Fraternity President, Director of Chapters and Executive Secretary-Treasurer form the present selection committee. The Chairman has the enjoyable position of screening the applicants, assisting with the Training School held late each summer for Counselors and Field Secretaries at Fraternity Headquarters and keeping in touch with the Counselors throughout the school year.

The Kappas who have served as Chairman of Graduate Counselors are:

Aletha Yerkes Smith, Β Δ-Michigan, 1944-46
Helen Snyder Andres, Β II-Washington, 1946-48
Martha Galleher Cox, ΡΔ-Ohio Wesleyan, 1948-54
Marjorie Matson Converse, Γ Δ-Purdue 1954-

The Graduate Counselor Scholarship program is financed by gifts, bequests and interest from the Students' Aid Endowment Fund. Scholarships cover tuition, fees and room and board. The chapter having a house assumes the room and board. A number of Special Gifts (Name Awards) from alumnae

associations of \$300 or more have been allocated by the Finance Committee to this program to help defray some of the scholarship expense.

41 Coorganizer Scholarships were given during the period from 1928 to 1940. 127

Graduate Counselor Scholarships have been awarded since then for a grand total of 168 such awards at an expenditure of \$98,727.93. 69 chapters of the Fraternity have benefitted from the assistance of a graduate counselor—many of these more than once.

1966-67 graduate counselor awards

Six Graduate Counselor awards have been made for the current school year: **Jane Humphrey**, E A-Texas Christian, and **Marsha Love**, E Z-Florida State, will help with the colonization projects on the University of Tennessee and University of South Carolina campuses respectively. **Penne Longhieber**, Γ Θ-Drake, is working with Δ-Indiana, **Mary Ellen Lindsay**, B T-West Virginia, with Δ M-Connecticut, **Janna McCoy**, Γ T-North Dakota, with E I-Puget Sound, and **Jayne Seastrom**, B II-Washington, with Δ X-San Jose.

Jane Humphrey is the recipient of the \$375 CLEVELAND Alumnae Association memorial award, honoring Edith St. John Smith. She was first vice-president, public relations chairman and pledge class president at Texas Christian where she received the "Best Sister Key." On campus she was named Miss Texas Christian University, Sweetheart of Sigma Chi, Student Body Secretary, Junior Favorite. She was elected to Ampersand, Mortar Board equivalent, and received the Dillon Anderson Creative Writing award for the "most promise in creative writing." Jane is attending the Graduate School of

English at the University of Tennessee. She hopes to have a church (Presbyterian) vocation, probably "in campus Christian life." One of her biggest hobbies is "being an aunt to five nephews and nieces," the children of her two Kappa sisters, Carole Coffey and Claire Taylor, both members of B M-Colorado. Fellowships

In 32 years, \$118,475.00 has been given in fellowships to 254 Kappas and non-members

Kappa Kappa Gamma's widely respected Fellowship program came into existence in 1934 when the convention delegates voted to accept the recommendation of the Executive Secretary-Treasurer, Clara O. Pierce, to award three \$500 Fellowships for beginning graduate study in the fields of art, humanities and science. The Students' Aid Fund had grown to a point where some of its income could be diverted for this purpose. The first three awards were given to Frances Burks, B H-Stanford to study human relations at Stanford; Dagmar Haugen, B Ω-Oregon, to study medical art at Johns Hopkins; and Rose Steed, Independent, to study public health at Colorado. Leonna Dorlac, Δ Z-Colorado College, also received a special award in 1935, from this fund to help with the new chapter at Louisiana State.

These Fellowships have been offered yearly since that time, although the program has broadened to include all fields of graduate study. The awards are open to any young woman who by June of the year of application will hold a degree from an institution where Kappa has a chapter or who plans to attend such an institution for her graduate work.

As the program has grown steadily throughout the years, public awareness of Kappa as a sponsor of intellectual achievement has become more widespread. Increasing numbers of academic organizations which encourage graduate study have requested that Kappa allow them to publish information about the Fellowship program in their lists of grants available for graduate work.

Income for the Fellowships is provided by gifts, bequests and two-thirds of the rebates on sales of Fraternity jewelry. The program has been enabled to expand as more gifts have been made available to this part of the Students' Aid Fund. As mentioned

earlier, it was the Dallas Association which first provided a \$500 gift for a special Fellowship award given in their name. Since then a number of alumnae groups have annually contributed the \$500 necessary to create additional full Fellowship grants.

At the 1960 convention the Denver Association presented to the Fraternity a \$500 Fellowship gift in honor of Eleanore Goodridge Campbell, B M-Colorado, who was retiring as Fraternity President. The Denver Association has continued the Campbell Award annually since then. In 1964 the Detroit Association gave two Fellowships in memory of Helen Bower, B Δ-Michigan, former Editor of *THE KEY*. Also in 1964 the Council accepted the recommendation that the Fraternity name an annual award to be known as the Kappa Kappa Gamma Fellowship in honor of Edith Reese Crabtree, former Fraternity President. This Fellowship was first awarded in 1965.

The Charlotte Barrell Ware Fellowship was created in 1950. "Warelands," the property left to Kappa by Mrs. Ware, Φ-Boston, second Grand President 1884-1888, and her husband, Robert, had been sold and this Fellowship in her memory was to be awarded biennially from the invested sale proceeds. Recipients for the award were to be graduate students in the field of international relations or welfare of women or agriculture, either a foreign student in a North American University or a North American student abroad. The first award was made in 1956 to Virginia McIntyre, Δ Σ-Iowa State, for the study of forestry and botany at Iowa State University.

The role of Kappa in the advancement of learning of deserving young women is a significant contribution to American education. Chairman of Fellowships who have given of their time and interest in the supervision of this outstanding program include:

Lora George, Chairman,
1936-42

Leonna Lilljeberg, Chair-
man, 1942-52

Pearl Dinan, Chairman,
1952-54

Miriam Locke, Chairman,
1954-

Sue Stone Durand, Θ-Missouri 1934-1936
Lora Harvey George, B II-Washington 1936-1942
Leonna Dorlac Lilljeberg, Δ Z-Colorado College
1942-1952
Alice Pearl Dinan, Γ Γ-North Dakota 1952-1954
Miriam A. Locke, Γ II-Alabama 1954-

Since 1934, 254 Fellowships have been

*granted totaling \$118,475.00. It is interest-
ing to note that while 169 grants have gone
to Kappas, 48 Independents and 37 members
of other NPC groups have also been recipi-
ents of these graduate fellowships. Of the
latter, 15 different women's fraternities have
been represented.*

dents. In 1939 it was voted to limit the size of loans to \$400 which since has been increased to \$500. Juniors and seniors were the only eligible undergraduates to apply for loans and a thousand dollar life insurance policy was required from those girls taking out a loan. All transactions for loans have been confidential unless announced by the applicants themselves. Interest is not charged members until maturity; non-members pay a nominal interest fee.

The endowment from which loans are made is the basis of the Students' Aid Program. When it reached an amount sufficient to cover demands for loans, different items of income were diverted in order to create the other scholarships and fellowships which the Fraternity now offers. Without the investment of the endowment the many facets of

the Students' Aid Fund program described on the following pages would not be possible. Today it is increased by gifts and bequests, but as it increases so do the opportunities for increased Fraternity educational aid.

As of June 30, 1966, \$274,790.00 has been loaned from the Students' Aid Fund to 629 young women, Kappas and non-members.

Undergraduate scholarships

In 30 years \$148,555.39 has been given in Undergraduate Scholarships to 615 Kappas

By convention action in 1936 Undergraduate Scholarships were established. Helen Snyder Andres, B II-Washington, then Fraternity President, was concerned over the loss of valuable members to the chapters because of financial reasons. She inspired the Executive Secretary to work out a plan to finance scholarships on the undergraduate level which could be awarded to outstanding actives who were in need of assistance to complete their education.

The 1938 convention accepted the recommendation that gifts to the Students' Aid Fund be set aside for such scholarships. In 1939 a bulletin was sent to the alumnae telling them of the fine record of the recipients to date in order to stimulate interest in gifts for this purpose. The gifts received in 1939-40 (\$293.00) doubled those received the previous year.

Records show that the first Name Awards for these scholarships were given in 1960 by two former Fraternity Presidents, Elizabeth Bogert Schofield, M-Butler, and Ruth Kadel Seacrest, Σ-Nebraska. The latter has continued this practice along with several other loyal alumnae. After the death of Mrs. Schofield in 1961 the Indianapolis Alumnae Association has given an annual Undergraduate Scholarship in her memory. In 1961 five alumnae groups provided the Fraternity with full scholarships of \$250 to be awarded to undergraduates in their names. That same year two memorial scholarships were made possible by the Pasadena alumnae and other friends of Claire Drew Walker, B II-Washington, former Director of Alumnae. In 1964 the Fraternity presented a scholarship in memory of Helen Kinsloe, Δ A-Pennsylvania, former Beta Province officer and Fraternity Scholarship Chairman.

For 1966-67 alumnae associations and individuals, gave 23 Undergraduate Name Award

Scholarship gifts of \$250 each. Many of the groups' gifts are in the form of memorial scholarships honoring outstanding and beloved members of their alumnae association.

To be eligible for an Undergraduate Scholarship a girl must have a B average or better with no F's in her record. She must be in financial need and have made a definite contribution to her chapter and campus. Preference is given to juniors and seniors. Recipients of the Undergraduate Scholarships represent the finest of Kappa's young members. All have fine academic records, many hold membership in honorary groups including Mortar Board and Phi Beta Kappa as well as exhibiting leadership ability as chapter officers and in campus affairs. Many hold summer jobs and many help with expenses during the school year with part-time positions. Obviously one of the important purposes of these awards is to remove somewhat the burden of financial worry and the necessity for unduly heavy work loads from these chapter leaders in order for them to be able to assume their responsibilities and maintain their already established good grades. Ten of the chapter delegates at the 1966 convention were among the announced recipients of Undergraduate Scholarships for the 1966-67 school year.

For many years \$2.00 from each pledge fee was allocated for Undergraduate Scholarships. At the 1966 convention this was diverted to the Current Expense Fund and income for Undergraduate Scholarships is now solely from gifts and bequests.

The Beta Eta Undergraduate Scholarship has been awarded since 1948. The Fraternity holds in trust the money from the sale of the Beta Eta chapter house and furnishings at the time women's fraternities were forced to withdraw from the campus at Stanford University. Foreign study – foreign student scholarships

*In 29 years \$54,169.14 has been given for 53 Foreign Study
and 87 Foreign Student Scholarships*

The Foreign Fellowship program started as an exchange program and was operated as such through the war years. It all began in the Fall of 1936 when the Executive Secretary, Clara O. Pierce, visited at dinner with a German professor at the DePauw chapter house. The professor, eager to extend the work of a foreign exchange program at other universities, suggested that Kappa might consider an exchange with a daughter of a Munich, Germany friend.

The chairman of fellowships was instructed to obtain information about foreign exchange students from schools and bureaus operating this plan. After the report was read and approved, the Council recommended in May, 1937 that Carolyn Collier, @-Missouri, be allowed to study at the University of Munich and that Elizabeth Noelle, a German student, be the exchange at the University of Missouri. Caroline was granted a \$100 fellowship to complete her work for examination in concert singing, and lived with the Noelles as a member of the family. Miss Noelle in return lived at the chapter house at Missouri where she studied journalism.

This program continued for the next few years in a certain way due to the hazards of the European war. By 1940 no complete exchanges were possible. When it became evident that nothing could be done on a large scale to promote goodwill with a South American country in 1942, it was decided that Kappa would sponsor subscriptions to the Spanish edition of the *Reader's Digest Selecciones*. Accordingly, any Kappa who could write Spanish was urged to send her name to the fellowship chairman, who in turn would send it to the *Reader's Digest* as a sponsor,

the one dollar fee being paid by the Foreign Study fund.

By 1944 the work of handling exchange fellowships had simmered down to offering fellowship awards to young women from the Latin American countries to study in the United States. This part of the fellowship program was carried out through the Institute of International Education.

The Foreign Student-Foreign Study program developed as an outgrowth of the exchange scholarships for the purpose of promoting international good will and understanding between students of foreign countries and the United States and Canada. These scholarships were named for Dean Virginia Gildersleeve, B E-Barnard. Upon her retirement as Dean of Barnard College in 1946, the Fraternity presented her with \$1,500 to be used according to her discretion in the interests of international education. The first gift of \$300 was used for badly needed books for the library of the American Girls College of Istanbul, Turkey. Reid Hall, a residence and club for University students in Paris was given \$500 to help with refurnishing a room. A gift of \$400 was made to Dr. Chioh Yu Liang, a pediatrician, to buy equipment for the pediatric department of the teaching hospital of Hsiang-Ya Medical School. The remainder was used to study Arabic.

In the postwar period, inasmuch as the gift from the Nora Waln lecture tour was more than sufficient to finish the layette project for Norway, and she had expressed a wish to have this money used for Kappas to study and travel abroad, \$5,000 was transferred to the Foreign Study fund. Polly Kuby, B A-Illinois, studied in Sweden at the Royal

Academy of Stockholm and Jeanne Leer, $\Gamma \Delta$ -Purdue, was a delegate to the International Student Service Conference in Denmark while Tania Skovorca and Emilie Syrova arrived in Columbia, Missouri, the first foreign students to take part in Kappa's postwar exchange scholarship program.

At the 1948 Sun Valley Convention, it was decided to establish a fund of \$1,500 to be offered to Lulu Holmes, $\Gamma \Gamma$ -Whitman, Dean of Women at Washington State University, who had just returned from Japan where she was a member of General MacArthur's staff in Tokyo advising on the educational place for women of that country. Through her efforts Japanese school principals, Taki Fujita studied at Bryn Mawr, and Tano Jodai at Smith, the first two Japanese teachers to study here after the end of World War II.

In 1948 one-third of the income from rebates of Fraternity jewelry was channelled into the Foreign Study-Foreign Student Scholarships. Gifts and bequests also are a basis of income for these grants. The Cleveland Alumnae Association was the first alumnae group to provide a full foreign student scholarship of \$500 to a student from Sweden for study at the University of Michigan.

From 1937 to 1950 this area of scholarship aid was a subdivision of the Fellowship Program. The chairman supervising the program was then called the Associate Chairman of Fellowships. In 1950 the position was changed to Chairman of Foreign Study-Foreign Student Scholarships and the program became a separate scholarship category within the Students' Aid Fund.

The fascinating and rewarding job of Chairman has been held by:

Alice Pearl Dinan, $\Gamma \Gamma$ -North Dakota 1944-1952
Beatrice Woodman, Φ -Boston 1952-1956

Foreign Study Scholarships are awarded to members of the Fraternity for graduate study abroad. As the usual award is \$500 it is necessary for the applicants to have other sources of income to enable them to spend time at their studies abroad. A well-outlined plan of work which they wish to pursue must be presented along with a definite reason for desiring this type of study.

The Foreign Student Scholarship applicants must also have sufficient funds to cover the cost of travel to North America, for special fees, incidentals and expenses in connection with any illness since the amount of the scholarship varies, although \$500 is the usual maximum award. The student must be able to speak, understand and write the English language and have a well-outlined plan of the program of study to be followed. She must have as her definite purpose the idea of promoting better understanding between the people of her country and those of the United States and Canada.

Since 1937, 53 Foreign Study Scholarships have been awarded to Kappas for study abroad while 87 Foreign Student Scholarships have been made possible for recipients from 25 different countries as follows: Austria (1), Chile (1), China (11), Colombia (1), Costa Rica (3), Czechoslovakia (3), England (1), France (3), Germany (3), Greece (5), Guatemala (1), Holland (3), Honduras (1), India (14), Iran (1), Italy (2), Japan (12), Korea (10), Lebanon (1), Norway (1), Panama (1), Philippines (3), Poland (1), Sweden (3), Turkey (1). The total spent for such scholarship assistance to date has been \$54,169.14.

The Susanna Stover Root foreign language scholarship fund

A \$10,000 Foreign Language Scholarship Fund, announced at convention, has been established as a memorial to Susanna Stover Root, Δ A-Penn State, by her husband, Robert R. Root of Camp Hill, Pennsylvania.

Graduate Kappas whose professional interests will require a knowledge of foreign language are eligible for the annual award, to be used during residence of not less than a year in the country of the language being studied. The Chairman of Foreign Study Fellowships will administer the award, which stipulates priorities for French or German. Preference will be given applicants from chapters in Beta Province, or from the states of Pennsylvania or Indiana.

Sue Root, a familiar figure at Beta Province and Fraternity conventions before her death January 25, 1965, was born in Indianapolis, Indiana. She was initiated as an alumna member of Delta Alpha chapter in 1931, after graduation from Penn State in 1926, and previous attendance at Butler University and Lake Erie College in Painesville, Ohio. Earning her degree in romance languages, she continued her studies abroad at Grenoble University in France and at Heidelberg, Germany. Before her marriage she taught romance languages in Rockville and Bethesda, Maryland, and later did substitute language teaching in Camp Hill. To promote the study of foreign languages when their importance was less recognized than it is today, Sue organized adult education classes and supervised extra-curricular French Classes for elementary school children in Camp Hill.

In Kappa, Sue was a charter member, a frequent officer, and recommendations chairman of the Harrisburg Club, serving as alumna marshal for the 1961 Beta Province Convention. She traveled regularly to Lewisburg as an adviser to Delta Phi chapter after its installation at Bucknell University and was their adviser delegate to convention. A member of the Harrisburg Panhellenic and AAUW, she served as the latter's scholarship and College caravan chairman. In Camp Hill she belonged to the Senior Club and was an adviser of the Junior Civic Club.

A Beta Province award for chapter loyalty, a sterling silver pitcher, has also been given as a memorial by her husband, who was a classmate of his wife at Penn State and a member of Φ Γ Δ. First presented at the 1965 Philadelphia convention, it was won by B A-Pennsylvania.

Emergency scholarships

In 24 years \$57,118.49 has been given in Emergency Scholarships to 351 Kappas

The Emergency Scholarships were set up in 1942 when the convention voted \$5,000 of the principal of the Students' Aid Fund to provide for such awards. Undergraduate Scholarship Chairman Marian Handy Anderson, Γ K-William and Mary, suggested the need for such additional funds to aid undergraduates as a war-time measure. Since emergencies arise in the young lives of our actives regardless of the times in which we live, this type of scholarship has continued as a valuable addition to the program.

These scholarships provide needed assistance to additional worthy girls who do not qualify for the regular undergraduate awards and enable the Fraternity to widen considerably its program of educational aid to members. Maximum awards are \$200 with smaller amounts given depending on need and time of year awarded. These are the only scholarships awarded throughout the school year, up to April 1, as the need arises and as long as funds for Emergency grants hold out.

Gifts and bequests provide income for the Scholarships as well as two-thirds of the

unallocated income of the Students' Aid Fund.

In 1960 the first Emergency Scholarships provided in full by alumnae groups were gifts of \$200 given for this purpose by the Clay-Platte, Missouri Alumnae Club and the Central Long Island Alumnae Association. Since then this program has benefitted greatly from the generosity of alumnae associations and clubs who, realizing the need of our undergraduates, are willing and eager to assist. All 25 Emergency Scholarships granted to date for 1966-67 were provided in full by alumnae groups with six additional Name Awards being held for awarding throughout the year as additional applicants are approved. Three recipients of Emergency Scholarships for this school year attended the 1966 convention as their chapter president and delegate.

The Chairman of Undergraduate Scholarships also administers the Emergency Scholarship Program.

Since 1942 and including those grants made to date for the 1966-67 school year 351 Emergency Scholarships have been awarded for a total amount of \$57,118.49.

Special research grants

In 16 years \$11,550 has been given in Special Research Grants to five women doctors, all non-members

At the 1950 convention a special \$2,000 fellowship was presented by the Fraternity at the suggestion of Ann Scott Morningstar, B N-Ohio State, Kappa's Chairman of Public Relations. The award was to be made to a woman doctor from one of the occupied countries to receive training in rehabilitation methods in America in order to return and help the many children in her country suffering from the diseases caused by war. The first Special Research Grant was named for Harriet Ford Griswold, B H-Stanford, herself a polio victim, who was the banquet speaker at the convention. The special fellowship was arranged by Dr. Howard A. Rusk, Chairman of the Institute of Physical Medicine and Rehabilitation of the New York University-Bellevue Medical Center. This was the first award of its type given by a voluntary agent and in 1951 Dr. Yaeko Kawaii of Japan arrived in this country to begin her studies.

In 1953-54 Dr. Anita H. Payne and Dr. Lola S. Kelly were joint recipients of a special \$2,000 cancer research award at the University of California's Donner Laboratory. This grant was made possible by gifts from friends of Marion Howell Tompkins, Δ A-Penn State, former Kappa Province Officer who died while in office.

In November 1955, Dr. Chung Hi Oh arrived in the United States to take up a grant sponsored jointly by Kappa Kappa Gamma

and the American Korean Foundation to study at the Institute of Physical Medicine and Rehabilitation under Dr. Rusk. This plucky and resourceful Korean doctor and mother of two young boys endeared herself to many Kappas during her 18 months stay in this country. She was a guest at the 1956 convention at Swampscott, Massachusetts and visited Kappas and alumnae groups the breadth of the country on her way home at the conclusion of her studies. Dr. Oh returned to Korea to be the only woman doctor in the field of physical rehabilitation. Her courage and determination in spite of tremendous odds have been remarkable. Many alumnae groups and individuals have been privileged since to assist Dr. Oh with gifts through the American Korean Foundation, as has the Fraternity.

A special \$3,500 research grant in memory of Helena Flinn Ege, Γ E-Pittsburgh, former Fraternity President, was presented in 1960-61 to Dr. Doris Howell to pursue study in the field of Hematology at Duke University Medical School. This award was made possible by gifts from the Pittsburgh alumnae, chapters, alumnae groups and contributions from the Fraternity.

To the present time a total of \$11,550 has been awarded in Special Research Grants to these five women doctors. The Fraternity is holding additional amounts for future special research grants.

Rehabilitation services scholarships

In 14 years \$35,175 has been given in Rehabilitation Scholarships to 42 Kappas, 31 Independents, 1 foreign student and 14 members of other NPC Groups

The outstanding legislation of the 1952 convention was the adoption of the Kappa Rehabilitation Services Program as a Fraternity philanthropy. Helen Cornish Hutchinson, B Θ-Oklahoma, Director of Alumnæ, had presented an extensive survey of the possibilities of adjusting such a program to the capabilities of the very small alumnæ clubs as well as the larger associations. Its flexibility also made it possible to serve the needs of any community. Alumnæ and actives would be enabled to work in a broad yet flexible service in cooperation with highly diversified local organizations dedicated to the rehabilitation of the handicapped. Assistance could be offered in the form of money, gifts, scholarship funds and volunteer service. In 14 short years the Rehabilitation Services program has captured the interest and imagination of Kappa alumnæ groups who have offered their assistance and support to hospitals, schools, agencies and rehabilitation centers in their own communities. In 1965-66 alone, the alumnæ groups volunteered more than 27,000 hours in such work and made gifts of over \$33,000 available locally.

For several years a number of the recipients of Kappa Fellowships were young women studying speech therapy and correction, audiology, the teaching of the deaf and other fields of rehabilitation. The Kansas City Alumnæ Association and the Toledo Association as early as 1955-56 began awarding special rehabilitation scholarships through the Fellowship program.

In 1956 the first Fraternity Rehabilitation Services Scholarship was awarded to Loydell Jones, Γ X-George Washington, for the study of speech correction. Thus Kappa's Rehabilitation Services became a two-pronged program with wide appeal. By offering scholarship aid to those young women wishing to pursue professional careers in the areas of rehabilitation, an effective complement to the total philanthropy and scholarship program of the Fraternity was achieved. These scholarships both on the graduate and undergraduate level have, since their inception, been open to non-members as well as Kappas.

Gifts and bequests provide the only income for the Rehabilitation Scholarships which, since 1960, have been a part of the Educational Endowment Fund. Alumnæ groups have been more than generous with their gifts to the program and because of this many special awards have been made possible.

In 1962, two \$500 gifts from the Westchester County, New York and the Detroit Associations provided a special \$1,000 award to Sarasworthy Menon of India to study speech therapy at the University of Wichita and the Institute of Logopedics.

At the 1962 convention the Kansas City, Missouri Association presented \$1,000 to the Fraternity for a special summer study scholarship in speech therapy for the brain injured at the Institute of Physical Medicine and Rehabilitation at New York University. This was awarded the summer of 1963 to Mariel Ferré, Pi Beta Phi. The Kansas City Associa-

tion has continued to make this outstanding award available each year.

Since 1955 the Toledo Alumnæ Association has made possible a \$500 Rehabilitation Scholarship given directly, in alternate years, to Ohio State University and the University of Michigan. For a number of years the Indianapolis Association provided similar awards directly to Purdue or Indiana University. The Washington, D.C. Association presented an award in Speech Therapy to George Washington University. Although the money for these scholarships did not go through the Fraternity, the selection of recipients was handled by the Rehabilitation Services Committee. However, in 1964 at the recommendation of the Finance Committee it was voted that all money for scholarships, except those already established, go through the Fraternity Headquarters in order to be recognized as part of the Fraternity Scholarship Program.

In 1965 a special Kappa Kappa Gamma Rehabilitation Scholarship in honor of Dr. Howard A. Rusk (a Kappa husband) for special study at the Institute of Physical Medicine and Rehabilitation was made possible by combining large gifts from the Fairfield County, Connecticut, the San Francisco and the Philadelphia Alumnæ Associations and many smaller contributions to the Rehabilitation Services Fund. An additional \$500 was made possible by a gift from the Cincinnati Alumnæ Association in honor of Mary Turner Whitney, B P^A-Cincinnati, Fraternity President, 1960-64.

The 13 Rehabilitation Scholarships awarded for 1966-67 have all been provided by alumnæ associations. One additional \$500 Name

Award given by the Arcadia, California Association in memory of Patricia Webb Gunther, Γ Δ-Purdue, will be held for future awarding.

To be awarded in 1967-68 will be a special \$1,000 scholarship provided in full by the Dallas Association for doctoral work in any area of rehabilitation study.

The duties of the Chairman of Rehabilitation Services entail the advising of alumnæ on their local projects, the coordinating of their annual service reports, promotion of the program as well as the supervision of the Rehabilitation Scholarships. The following Kappas have held this position:

Marguerite Chapin Maire, B Δ-Michigan	1952-1955
Catherine Alt Schultz, Ψ-Cornell	1955-1956
Margaret Easton Seney, P ^A -Ohio Wesleyan	1956-1966
Agnes Park Fausnaugh, P ^A -Ohio Wesleyan	1966-

Since 1956, 88 Rehabilitation Scholarships have been awarded including 15 given directly to universities. The 73 grants provided by Kappa Funds have amounted to \$35,175. In addition \$7,700 has been given directly to universities by Toledo, Indianapolis and Washington, D.C.

Recipients to date have included 42 Kappas, 31 Independents, one foreign student, and 14 members of other NPC groups including one each Gamma Phi Beta, Delta Delta Delta, Delta Zeta, Zeta Tau Alpha, Theta Phi Alpha, Pi Beta Phi, Sigma Kappa, Phi Sigma Sigma and two each Alpha Chi Omega, Kappa Alpha Theta and Phi Mu.

Why is there a need for gifts?

A Kappa scholarship is the key which opens the door to greater opportunities.

A gift to the Rose McGill Fund provides a ray of sunshine in a troubled world.

• • •

The largest portion of Kappa's philanthropic work is made possible by gifts.

College expenses continue to increase.

Increase in enrollments increase the number of chapter members needing assistance.

Today a degree is more important—more women are required to earn their portion of the family expenses.

Today an A.B. degree is not always enough.

Today's high living cost index does not permit many fixed incomes to meet unexpected emergencies.

Each year the Fraternity grows older and more members need assistance.

Special Rehabilitation Scholarships for 1967-1968

The annual Kansas City, Missouri Alumnae Association \$1,000 Rehabilitation Scholarship for special summer study at the Institute of Physical Medicine and Rehabilitation in New York City in speech therapy will again be awarded in the spring of 1967.

The Dallas, Texas Alumnae Association has provided a \$1,000 Rehabilitation Scholarship which will be awarded next spring for doctoral study in some area of rehabilitation of the handicapped.

Applications for both these awards may be obtained from the Chairman of Rehabilitation Scholarships, listed above. Completed applications must be filed by March 1, 1967.

Centennial goals explored

Seeks support of entire membership

As Chairman of the Centennial I am delighted to greet you in our first Centennial Section of *The Key*.

I have the exciting and challenging responsibility of heading our Centennial Committee. However, you must know I accepted this appointment because of my faith in every Kappa. I know I have your enthusiastic support and that our Centennial will have your loyal and loving help.

Our Centennial goals are great—they are worthy of Kappa. To be realized, the \$500,000 Centennial Fund goal will need 100% support of all members. Every chapter and every alumnae group is included in the plan for the celebration. Information will be coming soon in the form of Centennial packets and mailings which will be of assistance in building general interest in the program.

You will find a Centennial Fund Personal Pledge Card in this section. Send it to me with your gift or pledge. All gifts are tax deductible if your check is made payable to the "EDUCATIONAL ENDOWMENT FUND OF KAPPA KAPPA GAMMA."

Later in the year you will be hearing from me as well as your State Centennial Chairman. Kappa counts on you.

Anne Harter
Centennial Chairman

Little did the six girls who walked into the Monmouth College Chapel proudly displaying their new badges on October 13, 1870 realize the scope of that organization they were starting in their desire for "something new."

Now, nearly 100 years later that "new" organization has developed into one in which more than 77,000 young ladies have been invited into membership to enjoy the benefits of sisterhood.

Today in 1967 plans are being formulated for the approaching Centennial Year.

The development of a Centennial theme, the designation of the broad field of rehabilitation for the Centennial Scholarships, and a realistic goal for the Centennial Fund had top priority in the discussions of a meeting held November 14-16, 1966 at Fraternity Headquarters.

Centennial Chairman Anne Harter, B T-Syracuse, chaired the marathon sessions which were attended by Assistant Chairman Margaret Easton Seney, P-Ohio Wesleyan, Fraternity President Frances Fatout Alexander, I-DePauw, Executive Secretary-Treasurer Clara O. Pierce, B N-Ohio State, Editorial Board Chairman Isabel Hatton Simmons, B N-Ohio State, and Public Relations Chairman Ann Scott Morningstar, B N-Ohio State.

The Centennial Theme

KEYS TO KAPPA'S SECOND CENTURY include:

- The Opportunity for Higher Education for Women
- The Encouragement of Academic Excellence and Cultural Appreciation
- The Training for Sound Leadership
- The Development of High Moral Standards
- The Promotion of Kappa Philanthropies and Community Services

100 Years

"One hundred years of continuous contribution to the educational and cultural development of women."

This opening statement of our Centennial Resolution, formulated by the committee of past Fraternity Presidents and passed unanimously by delegates at the 1966 Convention, fills Kappa hearts with pride and determination. Pride in being a Kappa, and determination to make our Centennial worthy of all Kappas—past, present and future.

100 YEARS in which six founders grew into thousands and thousands of college and university women—wearing the key of Kappa.

100 YEARS in which one small chapter grew into 92 chapters on 92 college and university campuses spanning North America.

100 YEARS in which alumnae in a few states grew into thousands of adult women continuing Kappa ideals and Kappa service in home communities round the world.

Keys to Kappa's Second Century. This theme is our keynote, the Kappas who are privileged to plan and carry out a Centennial that will be yet another contribution to educational and cultural development of women.

Blouse! Blouse! Blowz?

Yes, *Blowz*, That is the old French spelling. Your Kappa Centennial is an authentic historic French fashion. Often the blouse was called tunic, smock, tabard—and of all things—fearnaught!

"Where is my fearnaught?"

If you hear this cry in your chapter house some morning before classes, you'll know

that a Kappa sister is hunting for her Kappa Kappa Gamma monogrammed blouse.

The BIG news in fearnaughts (blouses) is that you can now order with the Fraternity initials—K K Γ. Or you can still order with your own initials. Every blouse sold realizes \$1.00 for the Centennial Fund.

Emily Harding Moellering, B Δ-Michigan, newly appointed by Centennial Chairman Anne Harter to serve as Kappa Blouse Chairman, will be processing all Kappa orders in the future. Alumnae groups and active chapters will soon be receiving complete information on new ordering procedure as well as style charts, prices and swatches.

Order blouses in ten beautiful colors. Added to the joy of looking very smart and *trés chic* in your Kappa—blowz-fearnaught-blouse, you will have the satisfaction of knowing that you are helping the Centennial!

Send all blouse orders to:
Mrs. Richard Moellering,

name is associated with both rehabilitation and scholarship, the group found the answer in the broad modern definition of rehabilitation as practiced by Kappa's own Rehabilitation Services. Rehabilitation today has the widely accepted meaning of aid to the physically handicapped, to the mentally retarded, to the emotionally disturbed, and to the socially deprived. Centennial Scholars chosen for Centennial Scholarships will be graduates or undergraduates working in some aspect of these four areas.

\$500,000 Goal Of Centennial Fund

Those attending the meeting were in unanimous agreement that appropriate commemoration of the Centennial on every campus, costs of the Centennial Scholarships, the plan for qualified alumnae in various career fields to be available for consultation by all women students on each campus, and the commemorative gift to Monmouth College, would require \$500,000.

Four categories for direct gifts to the Centennial Fund were established:

Keystone Gift \$500 or more
Founders Gift . . . \$100 to \$500
Loyalty Gift Less than \$100
Memorial Gift . . . Any amount

Advance Gifts

The Executive Secretary-Treasurer reported the proceeds from the sale of blouses and advance unsolicited gifts to the Centennial Fund since 1963 made even before either needs or plans were announced, amount to \$13,537.10.

Further Sources Of Income

In addition to the sale of monogrammed blouses and sweaters already designated as a source of Centennial funds, the Committee is considering additional ornamental and useful merchandise which may be sold to benefit the Centennial Fund.

THE FRATERNITY FIELD

Rose McGill Fund

*In 44 years \$218,729.56 has been given
in confidential aid to Kappas*

From the impulsive and generous donations of each chapter and alumnae group represented at the 1922 convention to one member of the Fraternity has grown Kappa's

truly remarkable and unique Rose McGill Fund which expresses fraternal feeling at its finest. Rose McGill, a young member of Beta Psi at the University of Toronto, was seriously ill with tuberculosis and except for her Kappa affiliation alone in the world. Beta Psi mem-

bers had been helping her but were unable financially to continue. The delegate from that chapter told of this plucky young woman's distressing plight and asked if the Fraternity had any fund which could offer aid. Since there was none each group represented pledged \$10.00. With the \$600 raised much of Rose's hospital expenses were defrayed and a few comforts provided to make her life easier and happier until her death.

From 1922-1924 the Rose McGill Fund was part of the Fraternity's Endowment Fund. It was then separated from the latter and Marian Ackley Chenoweth, B Δ-Michigan, was appointed Chairman. From its beginning the income was provided by personal gifts and donations from chapters and alumnae groups. At one time \$1.00 from each initiation fee was allocated to the Fund and during a later period \$2.00 from each pledge fee provided needed income.

The Rose McGill Fund was set up for the purpose of assisting with outright gifts deserving members of the Fraternity in time of serious financial difficulty. From its beginning gifts from the Fund to recipients have been completely confidential. Any Kappa who is in need due to illness or misfortune and who has no one to help her has the privilege of turning to her Fraternity and asking for aid.

In 1941 a memorial type of giving, known as "flowers for the living," was established as part of the Rose McGill Fund at the suggestion of the Executive Secretary. It was felt that memorial contributions to the Fund in lieu of flowers was a most fitting tribute to a beloved Kappa, relative or friend. It has had wide appeal and Kappas everywhere, both individually and through their alumnae associations and clubs and chapters have shared in the opportunity of honoring departed loved ones while at the same time adding to the comfort and happiness of the living.

The Chairman and the Council had long hoped for the possible endowment of the Rose McGill Fund in order that the security of our members in need would be safeguarded for the future. The convention of 1946 approved such action and the endowment was named in memory of Della Lawrence Burt, B Ξ-Texas, Kappa's first Executive Secretary. The annual income from the endowment fund was to provide the funds for the current operation of the Rose McGill Fund. The Della Lawrence Burt Endowment Fund was started with over \$16,000 including three bequests to the Fraternity, numerous personal gifts and more than \$13,000 from Kappa's magazine agency. The three bequests of \$1,000 each, included one from Charlotte Powell

Goddard, M-Butler, one from Mary Ross, B T-Syracuse, and another from John W. Ruttinger in memory of his wife, Phyllis Pierce Ruttinger, B A-Illinois.

The Kappa Magazine Agency has provided a substantial income each year for the Endowment for the Rose McGill Fund.

Serving as Chairmen of Kappa's Magazine Agency have been:

Ann Scott Morningstar, B N-Ohio State	1933-1934
Dorothy Shade Wilson, B A-Illinois	1934-1935
Marie Bryden Macnaughtan, Θ-Missouri	1935-1947
Helen Barge Freytag, Σ-Nebraska	1947-1948
Helen Boyd Whiteman, A ^Δ -Monmouth	1948-

Because of this wise planning the future of the Rose McGill Fund and its purpose of helping members in need was insured. Today's endowment stands at \$156,071.59.

Through the years the fund has helped Kappas of all ages including young women left alone to raise a family through death or illness of a husband or separation. Some have been assisted with tuition fees and money for books in order for them to return to college and better prepare themselves for a career as head of a family. Older Kappas on fixed or limited incomes and suffering from illness or the frailties of age have also known the helping hand and love of their Fraternity. Many Kappas assisted have been outstanding women; many have been devoted Fraternity workers. Misfortune, accident, and illness have come to them unexpectedly. Yet all have come to know the true meaning of Kappa sisterhood through the Rose McGill Fund.

Much of the fine work accomplished by the Fund can be directly attributed to the four women who have held its chairmanship. Each has held firmly to the belief expressed by Mrs. Shapard, the second Chairman, "that fully important as the financial aid given is an understanding and sympathetic heart." Those who have served in this capacity are:

Marian Ackley Chenoweth, B Δ-Michigan	1924-1927
Lois Lake Shapard, B Ξ-Texas	1927-1950
Agnes Guthrie Favrot, B O-Newcomb	1950-1958
Ruth Armstrong Harris, II ^Δ -California	1958-

The total amount of aid provided to Kappas in need since 1922 has been \$218,729.56.

Marian Chenoweth, First Rose McGill Fund Chairman, 1924-27

How to apply for Rose McGill fund aid

1. Write directly to the Chairman of the Rose McGill Fund, Mrs. Thomas Harris, 17 Mallard Road, Belvedere, California 94920.
2. Any member knowing a Kappa who needs aid may write to the Chairman.
3. A member requesting aid who is unable, due to illness, to write directly to the Chairman, may ask an alumna in the area to contact the Chairman in her behalf.
4. Requests for aid must include information concerning the member's: (a) circumstances, (b) the nature of her problem, (c) her chapter and (d) date of initiation.

How you can help

Every time a magazine is ordered through the Kappa Magazine Agency, the Rose McGill Fund Endowment grows. Send all your new subscriptions and renewals to your local magazine chairman or direct to the Director of the Magazine Agency, Mrs. Dean H. Whiteman, 309 North Bemiston Avenue, St. Louis, Missouri 63105.

How you have helped

Since earnings from the Magazine Agency are the main source for increasing the Rose McGill Fund Endowment, your sales of magazines have increased the Endowment by over \$5,500 this past year.

How to apply for Kappa Scholarships

Listed below are the names of the Scholarship Chairmen to whom Kappas may write regarding the scholarship area in which they are interested. Alumnæ may write regarding the giving of gifts or memorials:

FELLOWSHIPS—Miss Miriam Locke, Box 1484, University, Alabama 35486

FOREIGN STUDY FELLOWSHIPS—Mrs. Dudley G. Luce, Stoneleigh, Bronxville, New York 10708

GRADUATE COUNSELOR SCHOLARSHIPS—graduate study while counseling a Kappa chapter—Mrs. Wiles E. Converse, 83 Stoneleigh Court, Rochester, New York, 14618

REHABILITATION SCHOLARSHIPS—graduate and undergraduate awards for those wishing to pursue careers in some field of rehabilitation of the handicapped—Mrs. H. A. Fausnaugh, 20136 Westhaven Lane, Rocky River, Ohio 44116

UNDERGRADUATE AND EMERGENCY SCHOLARSHIPS—Miss Susan Rockwood, Oxford, Ohio 45056

Applications for the next school year should be completed by March 1, 1967, except the Emergency Scholarships—these are accepted any time during the current school year up to April 1 for assistance during that year.

Group giving

A contribution equal to a full scholarship (\$200 to \$500) is given in the name of the donor in honor of a person designated by the donor.

Small contributions add to a substantial total. For instance, if 350 alumnæ groups gave \$10 each, the total would be \$3500. Small contributions for scholarships should not be designated to a certain scholarship so that they may be added together for a full one where the need is the greatest.

Memorial Gifts honoring someone who has been active in your Association or Club (usually \$5.00 or \$10.00) go into the Endowment Fund for Rose McGill recipients.

Magazine subscriptions taken through the Kappa Agency are credited as a contribution to your group and are used to increase the Endowment Fund for the Rose McGill recipients.

Make all checks for scholarships payable either to the Students' Aid Fund or the Educational Endowment Fund of Kappa Kappa Gamma Fraternity. Mail to the Fraternity Headquarters stating how the gift is to be used. Checks for Rose McGill Fund recipients should be made payable to the Rose McGill Fund; for the Endowment Fund to the Della Lawrence Burt Memorial Fund.

Individual giving

Many small gifts accumulate into large amounts. For instance, if every member made a \$1.00 gift to Kappa philanthropies, the total would be more than \$60,000. **DON'T WAIT TO MAKE A LARGE GIFT * * * ADD KAPPA TO YOUR ANNUAL GIVING LIST**

Memorials. Give your flowers to the living. Let your flowers bring hope and encouragement to Kappas in need. The Endowment Fund for Rose McGill Fund recipients (The Della Lawrence Burt Fund) is being built by memorial money. How can a friend's memory be better perpetuated?

YOU CAN GIVE NOW AND REDUCE YOUR INCOME TAX

Gifts made to the Students' Aid Fund, the Educational Endowment Fund and Rose McGill Fund in cash or securities are deductible allowances.

By assigning securities to the Fraternity with an agreement that you will be paid the earnings thereon for life—the capital gains would be your yearly contribution and tax would be avoided.

IF YOU CAN'T GIVE NOW, INVEST IN KAPPA'S FUTURE BY:

Making one of Kappa's philanthropic funds a beneficiary of an insurance policy.

Providing for these philanthropies in your will. (Write to the Fraternity Headquarters for information and correct wording when preparing your will. Correct legal terminology is important.)

Academic responsibility stressed

by CATHERINE ALT SCHULTZ

Scholarship chairman

Whenever a University administration invited Kappa Kappa Gamma to install a chapter on its campus, the assumption was, that our presence would further the aims and goals of that University. Chief among these aims was the promotion of the intellectual growth of its students.

Every single Kappa who has ever been pledged and initiated has owed an obligation to our Founders. This obligation entails a sense of "academic responsibility." We do not ask that all members be superior students or that they achieve distinction. We do demand that each member perform to the highest degree of which she is capable. If a student has a capability of "B" grades she must not be satisfied with "an easy C."

Academic responsibility is also the criteria of a good chapter. It is the responsibility of any chapter to see that it provides its members an ideal climate of learning.

Four Kappa chapters who won awards for scholarship at the last convention have written stories of "how they did it." From Dean of Men Carl W. Knox at the University of Illinois comes this list of what he considers the essentials of good chapter scholarship

1. Identification, or good example

Upperclass actives must be persuaded concerning the effectiveness of the psychologic mechanism known as Identification. Officers and upperclassmen should provide a good example for younger affiliates toward academic application. If outstanding upperclass Greeks took to wearing distinctive articles of clothing, it would not be long before freshmen and sophomores copied this style. So, too, would they follow the becoming custom of good study habits.

2. Quiet hours

Quiet hours should be more than nicely worded statements in fraternity publications or high sounding phrases in orientation sessions. They should become a definite part of the tradition of all social fraternities. This single point, well made, can do more than any other device, to raise chapter scholarship.

3. Chapter libraries

Every chapter house should have a library of standard references, some selected classics and a few current best sellers. College librarians would welcome the opportunity to suggest titles. Annual budgets should have provisions for new volumes and replacements. Parent's club and alumnae groups would be receptive to requests for books for chapter libraries.

4. Special programs

Along with strictly social events, every chapter should present special programs to complement the learning process. Position papers, debates, language tables, table topics, etc. are only the beginning of what events might be utilized by a chapter.

Success stories

“Knowledge is the key to a rich life.”

—Coleridge

by MARTIE HUDSON

Γ Z-Arizona

Public Relations chairman

This is the spirit of Gamma Zeta Chapter, University of Arizona, that won the Scholarship Cup for top scholarship for large groups at the General Convention this summer.

Gamma Zetas were equally pleased to win the University of Arizona Panhellenic scholarship trophy for the highest sorority grade average on campus second semester of last year. The chapter had the trophy for seven consecutive semesters, retiring one trophy after six terms. Then the trophy was won by Kappa Alpha Theta for two semesters.

We felt the trophy belonged to us, so everyone worked hard to get it back. The surprising thing was that the house average, which usually goes down second semester, rose more than a tenth of a grade point,” said Beth Palmer, scholarship chairman.

The chapter average for second semester was 2.1397 (with the grade of 1.0 being the highest), while the sorority women’s average was 2.3788 and the all-campus average was 2.6302.

“One factor was that we only had four units of ‘F’ second semester, compared to 35 units of ‘F’ the semester before,” the chairman noted.

To improve its scholarship, the chapter initiated a new study system second semester last year. Starting at a grade average of 2.2, each active must go to study tables one hour a week for every tenth of a grade point below 2.0. For example, women with a 2.2 go two hours a week, women with a 2.4 study four hours a week, etc.

Actives also study one hour extra a week for each unit they have in courses which appear on the “D” list at mid-semester. Actives with below a 3.0 (“C”) grade average for the preceding semester must proctor pledge study tables, which are held three hours each night, Sunday through Thursday. All women must attend study tables during the first semester of their pledgship. If they make a 2.0 grade average or above first semester, they are excused from study tables second semester.

The Scholarship committee encourages good study habits by having interviews with all new pledges, members who appear on the “D” list or who have lower than a “C” average from the preceding semester.

There is also a chapter file of notes and old tests from most University classes. The Scholarship committee publishes a house tutoring list of members who can help others, listing the courses in which they are most qualified.

This strenuous study schedule is not without its rewards. Last year the chapter had five women in Mortar Board, national senior women’s honorary, including the vice-president and the scholarship chairman; three women in Α Α Δ, freshman women’s scholastic honorary, including the president; one woman in Φ Β Κ, national Liberal Arts scholastic honorary, and two women in Φ Κ Φ, all-University scholastic honorary. Fifteen members were on the Dean’s List last year, eight of whom were honored both semesters.

Ten coeds had straight “A” averages. They are Deborah Bartlett, Gail Chasey, Diana Corbett, Diane Ewald, Susie Grossetta, Cheryl Lane,

Editor’s note:

Ever wonder how a chapter wins an award? The Editor is asking the various chapters who won the first place awards at the 1966 Fraternity General Convention to tell KEY readers the motives back of their successes.

In this issue the four scholarship award winners tell their success story. Gamma Zeta at Arizona won the scholarship cup for the best scholarship record on a large campus (more than 10 NPC groups competing for the award) and Gamma Omicron at Wyoming, the award for campuses with less than 10 NPC groups competing. Gamma Pi at the University of Alabama tell the readers how they improved their scholastic standing on the large group campus and Delta Beta similarly on the small group campus.

The dining room becomes the pledge study hall.

Study hour for the actives in the "rec" room.

Beth Palmer, scholarship chairman, and her assistant, Cheryl Charles, with the University of Arizona Panhellenic scholarship trophy.

Janet McMilan, Katherine McMillann, Christine Miller and Laura Lee Sharp.

The chapter has special awards for those who excel in their classes. Each semester there is a Scholarship Banquet honoring women who have a 2.0 ("B") grade average or better. The coed with the highest grades receives the diamond scholarship key, to wear that semester.

A silver spoon is presented to the active whose

grades show the greatest improvement and there is an award for the pledge mother and pledge daughter with the highest combined grade average for the first semester.

After the "D" list is issued at mid-semester, the chapter has a "Steak and Beans Dinner." The sparse meal for those doing unsatisfactory work encourages harder work for the "gourmet's delight" the next time.

Many things contribute to success

by ANDREA SUNDBY
T O-Wyoming

Many things have contributed to the past and present scholastic achievement of Gamma Omicron chapter at the University of Wyoming. It is therefore almost impossible to pinpoint any one factor as the cause for winning a Scholarship

award for campuses with less than ten NPC groups.

To begin with, Gamma Omicron does have a definite scholarship program which forms the nucleus of the chapter over-all endeavors. This

written program has remained essentially the same for several years, but is renewable each fall and changed to meet the current needs of the chapter. To a great extent it consists of the practical methods of promoting scholarship and includes the chapter's policies concerning quiet hours, study tables, and other similar study rules. (Since this program must apply to such a varied group of girls it is designed to remain flexible.)

In addition to the written program, other scholarship-related activities are initiated and carried out throughout the school year. Two banquets, a casual one in the Fall and a formal, candlelight one in the Spring are held. The cultural and scholarship committees also work together closely to put on programs for the chapter. During finals week, a pleasant atmosphere is created by tacking up humorous and clever sayings and posters throughout the house and by presenting the pledges with finals week "survival kits." Somewhat less on the light side but of utmost importance are the individual scholarship conferences held for all pledges at mid-term and for all girls who have received downslips. It is at this time that the scholarship chairman and her committee try to solve scholarship problems by assigning study buddies, helping to find tutors (usually other girls within the house) and giving advice.

Competition also plays a large part in the scholarship attitudes, both within the house and among the various Panhellenic groups on campus. Awards for individual achievement are given at the annual spring scholarship banquet and may be anything from a rose to a bookmark, candle or traveling bracelet. The top grades in each class, those on the honor rolls, those showing a high rate of improvement, and the mother-daughter combination with the highest average are especially recognized at this time. At the fall banquet, a special ruby key is given to the senior with the highest cumulative average to wear for the coming year. Much friendly competition exists among the sororities on campus for the traveling Panhellenic scholarship award. As well as winning the Fraternity Scholarship Award for this past summer, Gamma Omicron members have also won the local Panhellenic trophy for the past three years and retired it. To be named the sorority with the highest scholastic standing on campus is one of the most exciting events that can happen at Wyoming's spring Torchlight Laurels.

Gamma Omicron's average last semester was 2.76; the all sorority average for the same period was 2.64 and the all women's average was 2.50, so the girls in Gamma O were understandably

Hints on how to study

1. **PLAN YOUR WORK.** In college you will need to budget your time more carefully than ever before. To gain balance among the daily activities, there must be time allowed for several activities. Make a reasonable schedule and stick to it.
2. **HEALTH.** Good health, both physical and mental, is necessary if you are to get the most out of your college work. Be regular in your eating, sleeping, exercising, etc. Attend to your illnesses immediately. Learn to meet your problems squarely and calmly. **DO** rather than dream about doing. Wishing will not make it so.
3. **CONCENTRATION.** Begin studying as soon as you sit down. Avoid daydreaming. Work intensely while you work; forget everything else.

Interest is the greatest aid to concentration. Find relations between new materials and old interests. The more you know about something, the more interesting it becomes. Make yourself become interested in each and every one of your subjects.

4. **REMEMBERING.** Remembering should be based on understanding. Make certain that your impression of the material to be remembered is definite and clear-cut. *Think* about what you are trying to learn.

Review the material you want to remember, and review it again. Repetition strengthens association.

Allow an interval between learning periods.

Have confidence in your ability to remember. Forgetting often results from being nervous.

proud of their achievement!

The percentage of Kappas in the women's class honoraries on campus is also quite high. Ten of the 40 Spurs (Sophomore women's honorary), three of the 30 Chimes (Junior women's honorary) and three of the ten Mortar Boards are Kappas. The chapter also has many girls in the separate college honoraries, including Φ B K. Fifteen were on the Dean's Honor Roll last semester.

We have found that the real key to our scholarship does not lie in a rule or a banquet, how-

Hints on how to get the most out of your textbooks

1. *Make a preliminary survey.* Get an idea of what the material is about—what the key concepts are—before you begin to read.
 - a. First, think about the title of the section or chapter you are about to study. How does it tie in with the title of the preceding one?
 - b. Read rapidly two or three of the first paragraphs to see if the author gives any hints of his organization or main points of emphasis.
 - c. Examine the headings and sub-headings. Look for summarizing paragraphs. Try to discover how big topics are interrelated. Look for important generalizations.
 - d. Skim the final paragraph or two to see if the author summarizes his main points or gives clues to their relative importance.
2. *Read for understanding.* Formulate questions as you read. Remember that later you will probably be tested on what you are reading. If you can establish the question and answer habit now, you will be able to approach exams with confidence and composure.
3. *Test yourself.* Do this to be sure you can answer questions you have raised. When you have finished reading a section, pause a moment to see if you can put into words the answers to questions and to make sure that you see the relationship of each section to the larger topic or central theme. Less relearning will be necessary when you review for exams if you do this.
4. *Take notes* on what you have read. Make these notes in a methodical, purposeful way. Find a system of note-taking for books which suits you and follow it.

5. *Review* the major points and reread any sections that do not seem clear. Recall the large crucial questions dealing with the key issues. Try to give specific answers to each question.

This all may seem to be very time-consuming, but believe me, time well-spent is the **KEY** to success!

Hints on how to prepare for finals

1. Begin to review early. Don't plan to learn a whole semester's work in a few days.
2. Organize your material. Systematic notes taking throughout the semester helps a great deal here.
3. Budget your time.
4. Help each other. Things are so much brighter during finals when everyone is friendly. Studying with others is also a huge help!
5. Be ready for the exam. Cramming for a test only makes for nervousness, so really know the material.
6. Keep calm at the test. Relax and don't get clutched. If you know the material, you have no worries.

If the test is objective, answer quickly, skipping those items which you aren't sure of. Then go back over these; by this time you are more relaxed and confident and the other questions may help you to remember the answers. Answer all questions unless there is a penalty for guessing.

If the test is essay, read all the questions first, jotting down ideas as you go. Points are often lost because of misinterpreting the questions, so read each question carefully and make certain that you understand it. Think logically.

ever. The answer to sound individual and chapter scholarship can only be found within each individual girl—and this is thoroughly considered during rush week and pledging. To pledge Kappa at Wyoming, our chapter requires that a girl out of high school must have maintained a 2.7 and that a college girl must have maintained a 2.5. These requirements are listed in the chapter by-laws but may be waived for occasional exceptions. In this way girls are pledged who have already developed some measure of scholastic responsibility and who hopefully will con-

tinue to develop throughout their college years. The chapter tries not to look solely for girls with *high* scholarship, but rather for girls who show evidence of *sound* scholarship in addition to the other qualities which make up a Kappa.

The scholarship program of Gamma Omicron is not, we hope, merely a cut-and-dried affair of rules and regulations, but an attitude—an attitude based on thoughtful and coherent policies, ideas, and methods to aid in the development of sound and meaningful scholarship, which is, after all, the goal of a college education.

First to win scholarship improvement trophy

by JEAN ANNE PRICE

*Γ II-Alabama
Scholarship chairman*

All Kappa's may be assured that the girls of Gamma Pi Chapter are indeed proud of the beautiful scholarship improvement trophy that was presented to the girls of Alabama at convention. To be the first recipients of the beautiful antique silver samovar generously presented to the Fraternity by the Tulsa Alumnae Association to honor Mrs. Richard Lloyd-Jones, former Grand President, marks a joyous milestone in Gamma Pi history. This particular trophy for greatest scholastic improvement, bears a special significance for our chapter by recalling for us the memorable fact that it was Mrs. Lloyd-Jones who presided at the installation of Gamma Pi in June, 1927. From its very beginning, and for many years thereafter, Gamma Pi had a distinguished record of scholastic achievement, year after year being rated first among Panhellenic groups at the University of Alabama. Then as the chapter grew larger and campus activities more complex, we toppled badly from our former position, only rarely reaching the upper brackets, occasionally in the fall semester but seldom during the spring term of southern moonlight and magnolias.

About three years ago our alumnae advisers strongly reminded us of our previous academic achievements and urged us to make every effort to regain our former position. Since that time the scholarship committee, along with each individual member, has worked hard revising study programs for both actives and pledges. The program was made an integral part of chapter life. Actives discussed and devised methods that would enable pledges to adjust to their scholastic responsibility, both for Kappa and the campus. These methods are put into effect immediately after rush. Pledges are required to attend two study halls each week; these are held on Monday night from six until 8:45 and each afternoon Monday through Thursday. In addition, they are required to have ten individual study hours which they report to the pledge Scholarship Chairman each week. Failure to meet obligations results in Friday night restrictions.

But studying is not for pledges alone! All actives below a 1.5 or C+ average are required to attend one of the pledges' afternoon study halls. The same penalty results if the actives fail to meet obligations, and no active likes Friday night restrictions!

In order to improve the scholarship of the chapter the study files are kept in strict order. These files consist of tests, course outlines, and old notebooks of previous members. Anyone using information from these files must keep it within the house so that it will be readily available to other members. Emphasis is placed on the judicious use of these materials as guides for effective study rather than as mere crutches.

To provide more incentive for making good grades a scholarship key is awarded to the girl in the chapter who has the highest average at the end of each semester. This key is awarded at our annual scholarship banquet usually held in February. An award is also given for the greatest improvement during the year. This banquet

is the largest scholarship event of the year. Girls are seated at tables according to their semester average. Those below a 1.0 or "C" average sit in the middle of the room wearing cocktail dresses and are served beans. Those between a 1.0 and 1.5 wear Sunday dresses and are served hot dogs. Members who earned between a 1.5 and 2.0 wear school clothes and are served pork chops and those between a 2.0 and 2.5 bermudas and eat chicken. But those who earned between a 2.5 and 3.0 are truly honored at this event. They sit at the head table wearing blue jeans and are served steak. This event is embarrassing for those with poor grades, rewarding for those with high, but fun for all! Because of the effectiveness of the Scholarship banquet, plans are being made to have one each semester.

During "Dead Week" and final examinations the actives put forth even more effort in helping the pledges with their study habits. As everyone knows, this is the most depressing time of the year. To cheer things up, the Personnel Committee sponsors a "Pixie Week." Each active draws from a box the name of a pledge. It then becomes her responsibility to purchase an inexpensive gift each day for this particular pledge. These gifts usually consist of such things as candy, cigarettes, legal pads, and pens. This gift is brought to dinner each night and is placed somewhere in the house so that the pledge can locate it. Naturally, actives are susceptible to depression at this time, too. Therefore, pledges, in turn, aid the actives in the same way. Also during finals the Scholarship Committee places posters in strategic spots of the house. On these posters are familiar quotations emphasizing the importance of a good education. The quotations are usually light but have a serious point behind them.

With all these programs and with the enthusiasm of each individual member, Gamma Pi

Chapter was able to rise from number eight to number one scholastically on campus. Last year out of the 21 sorority women selected to $\Delta \Delta \Delta$, seven of these were members of Kappa Kappa Gamma. We are indeed proud of these seven girls and of the other girls who belong to various scholastic honoraries. This next year one of our members will serve as President of $X \Delta \Phi$, an English honorary. Joanne Calhoun will serve as President of the Alabama chapter of the National Secretarial Association. One of our members, Marsha Griffin, has maintained a 3.0 or all A average in her two years of University life, and was awarded the distinction of "Outstanding Sophomore Woman" at last spring's commencement. Other straight A students include Patti Saik and Nancy Miller. Several other girls, Sara Long, Wanda Jeffery, and Carol Self have been on the Dean's List every semester. At the end of this last year we were proud to have 23 people on the Dean's List. The spring promises a blossoming of new $\Phi B K$ and Mortar Board members.

As one can easily tell there is no set formula for improving scholarship. The only basic ingredient is an enthusiastic chapter working together for a particular goal—that of being number one on campus each year. Gamma Pi Chapter is hoping and working hard to make this dream come true. Our inspiration is our trophy!

Duke's scholarship climbs

Public Relations Chairman

Sally Froeber and Lee Enfield on their way to classes with Baldwin Auditorium in the background.

By setting a tone for all-around intellectual and cultural development, Delta Beta Kappas at Duke University have encouraged each other to reach a high scholastic standard.

Most notably, the Kappas received the Scholarship Cup in the Fall of 1965 awarded to the sorority with the highest average. The Duke Women's all-campus average was 2.79; the all sorority average followed with 2.85; while the Kappas copped the 2.90 spot on a 4.0 scale to win the honor.

Aiding this recognition were 20 girls who made the Dean's List with a 3.0 or above. Several Kappas have added to this total in the last two semesters to maintain the Kappas' high total on the list. Girls obtaining a 3.5 in the freshman year are inducted into Ivy, the scholastic honorary. Pati Berg in 1965 and Julie Holmquist in 1966 were added to the Ivy list. In addition, Patti Berg has recently been recognized as a Class Scholar, one of the top two girls in her senior class in over-all academic average.

How do we do it? A well-outlined list of Aims and Methods of the Scholarship Chairman contributes initially to the process. Gail Singletary, current chairman, lists the forming of a positive, favorable attitude toward scholarship as the key to achievement. A monthly Scholarship Committee meeting formulated plans.

Promoting scholarship with the pledges is the main area of concentration. During pledgship the girls confer with the chairman periodically and turn in grade reports during the semester. "Tutors" within the chapter and old "exam" files are available. Big sisters add a spark to the pledges' bookish days by giving aid such as locating a "tutor," forming good study habits, and finding the right places to work.

Special incentive comes during examination time—when the girls pick a "secret buddy" to cheer on during the rugged days. This special consideration from fun gifts and thoughts is an important asset of our system.

A unique highlight of the program is the Scholarship Banquet, held once in the fall and again in the spring to recognize the girls who have excelled the previous semester. At this time, red roses are given to the girls with a 3.0, while white ones are reserved for those above 3.5. To the girl with the greatest scholarship improvement goes the smooth, flat Scholarship Key. Kay Kovac and Sky Williams wore the key last year. Also recognized is the Big-Little Sister team having the highest average, as is the senior with the highest three year average and the pledge with the highest average. At this

Kansas City, Missouri Kappas are justly proud of Theresa Gainey Cromwell, Ω -Kansas, whose prize-winning table won first place in the fifth annual Best Dressed Tables competition sponsored by the Gorham Company in New York last August. Mrs. Cromwell's \$1,000 prize will enrich the treasury of the Performing Arts Foundation of Kansas City, whose recent music festival had inspired the setting. The theme of the table, "Fanfare for Victory," was taken from the name of a symphony movement performed there. Associating victory, parades, and balloons, Mrs. Cromwell used pink and orange balloons floating out of an antique French horn, as the spectacular centerpiece on a black wrought iron table set for a victory dinner with cerise linen place mats and napkins (the latter wrapped in festival programs, opaque orange glassware and sterling flatware.)

Beta Kappa's Golden Jubilee

Alumnae gather for Beta Kappa celebration. Left to right: Beth Bothwell Bowler, Ellen Dollard Glaisyer, Mary Sullivan Knox, Anna Margaret Sellars Jones. Second row: Elinor Jacobs Streiff, Julie Davis Northrop, Betty Gramme Tuttle, Frances Stolle Johns, Ruth Specht Spaeth, and Barbara Spaeth Clemens. Dr. Ella Woods (right).

Beta Kappa Chapter celebrated 50 years on the University of Idaho campus last March with 80 alumnae returning for the event.

Taking the spotlight during the festivities was Dr. Ella Woods, one of the original charter members who took her first airplane ride to attend the celebration. Dr. Woods was a long-time member of the Home Economics department at the University.

Dean of Women Marjorie Neely and Alumni Secretary James Lyle welcomed the Kappas at a luncheon, where the alumnae presented Ernst Hartung, president of the University, with a check for an art collection for the Student Union building.

At the Golden Jubilee Banquet the same menu of the installation banquet of fifty years ago was served. Kathryn Keane spoke for the earliest years, Vaughan Prator McDonald reported on the "Roaring Twenties," Mary Sullivan Knox told about the 1930's, Rosemary Harland Pennell the '40's and Carol Haddock Macken the '50's. Julie Joslin, of the active chapter told of the chapter of today and introduced pledges. Agnes Sweeney Wegner presented a scholarship gift to Julie from the Spokane Alumnae Association and Nekiline Kjosness White presented the Valborg Kjosness Mohn key to Julie which is to be worn by the active president.

Vaughan Prator McDonald, general chairman was given a special award for her unfailing loyalty to Beta Kappa while 50 year pins were presented to Pearl Morgan Smith, Kathryn Keane Mulhall, Vesta Cornwall Martin, Ada Burke David, Annette McCallie Getty and Dr. Wood.

Alice Anderson Hanna, B Γ-Wooster, recalls Kappa days of 75 years ago for South Shore Long Island alumnae who honored Mrs. Hanna at a special meeting. Left to right: Marsha Neville Doohen, Δ M-Connecticut, Betty Comegys Cassidy, B Ξ-Texas, Mrs. Hanna, Mary Stone Yahnker, Γ A-Kansas State, Ruth Bahr Beach, B Σ-Adelphi, and Marion Weeks Parks, B T-Syracuse.

The Palo Alto Alumnae Association awarded a 70 pin to Edna Wallace Cathcart, M-Butler. The award presented by Susan Louise Dyer, B H-Stanford, (l)

Beta Delta's Diamond Celebration

Mildred Hinsdale, charter member, 95 years young, received her 75 year pin from Mistress of Ceremonies, Dorothy Merki Yager.

Dorothy Yager presents newly established Catherine Kelder Walz award to the chapter's "beloved Kay." The honorary key will be given annually to the Beta Delta, who, like Kay, shows great devotion to Kappa.

Eighty-five alumnae were greeted on October 23, 1965 at the Beta Delta chapter house by actives and Mrs. Howell, the house director. A social hour preceded the Annual Meeting held at 11:00 A.M. Among those attending were the only living charter member, Miss Mildred Hinsdale, and Myrtle White Godwin of Long Beach, California who, in 1910, turned the first spade of earth for Beta Delta's chapter house.

The meeting adjourned to a gala luncheon at the City Club. Greens studded with "diamond" spray, blue and blue programs with owls with winking "diamond" eyes, songs by the chapter all led up to the program.

Chairman Dorothy Merki Yager introduced current and former national chairmen and province officers who were seated at the head table: Miss Hinsdale, founder, Fraternity chairman of Chapter Housing Catherine Kelder Walz, Fraternity Consulting Architect Frances Sutton Schmitz, Delta Province Director of Alumnae Laura Smith Huetteman, former Graduate Counselor chairman Aletha Yerkes Smith, former Fraternity Rehabilitation chairman Marguerite Chapin Maire, former Province officers, Georgiana Root Bartlow, Marguerite Haag Churchill and Alice James Brogan. Also at the head table

were B Δ active president Jean McLarty and B Δ Board chairman Betty Fauver Abbott.

Fifty year pins were presented to Rita Lee Clark, Edith Macauley and Adele Lofland VanHorn. Because of illness Elizabeth Trowbridge Marston received her pin at a later date.

Also present and wearing 50 year pins were: Grace McGeoch Baier, Margaret Birdsell Carroll, Helen Clark, Gladys Race Condit, Margaret Bassett Erausquin, Myrtle White Godwin, Helen Humphreys Hoke, Lois Townley Place, and Marguerite Haag Churchill.

The new Kappa gold fleur-de-lis 75 year pin set with a diamond was presented to Miss Hinsdale. She then shared a few remembrances of the founding and early days of the chapter as she expressed her appreciation.

Tribute, too, was paid to Catherine Kelder Walz, chapter finance adviser 1931-1965, Association treasurer since 1923 and Fraternity Chapter Housing chairman since 1939 when the Beta Delta Association presented a diamond badge to the chapter in her name.

Following a skit by the actives, a bus tour of the North Campus, a social hour at the home of Mrs. Walz, and a dutch treat dinner at the Town Club, closed the gala day for Beta Delta.
