Here, under winter snows, is the manor house from which years and years ago Louis Joseph Papineau administered the affairs of his estate, the Seigneurie de la Petite Nation de la Paroisse de Notre Dame de Bonsecours. At the extreme left is the square tower built by Seigneur Papineau to house his library.

Today the manor house is within the grounds of the Seigniory club. Little changed, without or within, through the passing years, the manor will be the setting for several delightful social occasions during the 1936 convention of Kappa Kappa Gamma.

## The Editor Reflects . . .

### Upon the Season

Of Christmas and the New Year,  
and would not fail to send all Kappas  
everywhere a message of happiness  
and peace.

From Mrs. Ware's Christmas card  
last year we take the liberty of re-  
printing the following verse:

*"We may not bring  
New gifts, the choice of wealth;  
but we can take  
Some old gifts from our earthly  
garnering  
And give them to the world for  
Christ's sweet sake.  
For there are still upon life's  
attic-shelf  
A few old treasures worthy passing  
on:  
Courage forgotten; love that knows  
not self  
But only others; virtue men thought  
gone—  
We yet may give. If Time's thick  
dust we stir,  
We'll find our gold and frankin-  
cense and myrrh."*

### Upon the Enthusiasm

With which the spring province  
conventions were greeted.

From the first paragraph of the  
Alpha province convention report to  
the last line of Fan Ratliff's versifica-  
tion for Mu, there was nothing but  
approval of the province convention  
idea, nothing but delight in the success  
of the 1935 meetings.

Circumstances which had made ad-  
visable the omission of province con-  
ventions in 1933 also made such a  
meeting a new experience for many  
Kappas this year. In some of the prov-  
inces the hostess chapters had to  
plunge blindly, but cheerfully, into the  
business of organizing and planning.  
Yet who knows but that these chapters  
got more out of convention than any-  
one else?

The three fall conventions reported  
in this KEY complete the province roll.  
Delegates and visitors all over the  
country are now much more aware of  
their Kappa neighbors than they were  
before. They are more conscious than  
ever that near them are other girls  
and women actively expressing Kappa

ideals and standards in their daily lives.

However, in comparison with an international convention, a province convention is as a miniature. The big picture of Kappa Kappa Gamma, life-size and soul-size, is the biennial convention. There simply isn't anything like it for realization and inspiration; and there's to be one next June at the Seignior club in Canada. So let whoever enjoyed province convention come to the international meeting next summer!

### Upon the Fine Record

Kappa chapters are making in college and women's fraternity song contests.

From the October letters we learned that first place had been won by Beta Tau in the annual sorority step-singing at Syracuse, by Lambda in the Greek women's song fest at Akron, by Beta Nu in a similar contest at Ohio State, by Mu in a Y.W.C.A. song fest at Butler in which Sigma Nu took first honors for the men, and by Gamma Delta in the all-university sing at Purdue for the second year in succession. Delta Eta at Utah has a silver loving cup awarded in a song fest last May.

At Cornell Psi placed second in the intersorority song contest, and at Minnesota Chi was second in a song fest sponsored by Panhellenic, with 17 entries. At Arizona Gamma Zeta placed third in the annual university song contest.

Significant in Beta Lambda's letter was the news that the chapter had entered the Shi-Ai sing at the University of Illinois "for the first time in many

years and all got a thrill from the new arrangements of our chapter songs."

That's the point, as those other chapters know and Beta Lambda has again discovered. There is something thrilling about singing, group singing especially; and above all when the group has songs which "make more dear those memories that only a Kappa knows."

Birds sing as if from sheer exuberance. Soldiers sing on the march to keep up the spirit in tired bodies. Every song has more in it than the song itself. As a Belgian poet once wrote, "It's what one feels and cannot say, even when one sings—though that's the nearest way. . . ."

Kappa spirit is something to sing about, and Kappa has lovely songs with which to sing of it.

The chapter that isn't a singing chapter isn't getting all there is to be had from college and fraternity life!

We are thankful to have heard that Robert A. Ware, husband of Charlotte Barrell Ware, second grand president, has been reported out of danger, after four weeks in hospital. Late in September while the Wares were spending a week-end at Irvington-on-Hudson, Mr. Ware was knocked down by a car. His skull was fractured and his condition serious. Now there is hope that he may soon be removed to his home. Kappa wishes for his complete recovery go with him, as our thoughts are with Mrs. Ware in these difficult weeks.

# A Kappa Views the Jubilee

By MARGARET C. MOSELEY (MRS. ROBERT B.), Γ Ω  
*Secretary of the London Alumnæ Association*

**W**HEN THE editor of THE KEY asked me to write something of the Jubilee, I thought probably the news services had covered and recovered the ground so there would be nothing more to say. But as a resident in England perhaps I can convey to you some of the atmosphere of the occasion, or I should say occasions.

Officially the Jubilee started with Their Majesties' drive to the Thanksgiving service at St. Paul's cathedral. The enthusiasm created by the press,

radio, floral decorations, flags, bands, men in uniform and gala day celebrations was immense. But the aftermath

showed the real spirit of a devoted people.

For days after the drive until a late hour every evening crowds paraded the streets to see the decorations, flood-lit buildings and see the West End of London, which was a treat in itself to many of the onlookers. People from the provinces, the east end of London, from the dominions, foreign-

With convention in Canada next summer THE KEY is particularly happy to have this article by Mrs. Moseley, who wrote that she was "in the country listening to the wireless description" of the drive to St. Paul's at the opening of the Jubilee. Margaret Goldsmith (Mrs. F. A. Voight), B A, saw some of the celebration from an office window in Fleet street and Virginia Bunting (Mrs. Edwin A.), II, from the steps of St. Martin's church in Trafalgar square.

Of special Kappa interest, in addition, is the news that Mr. and Mrs. Moseley saw Helen Wills' victory at Wimbledon last summer. "The excitement was intense. Good old Helen Kappa Wills!" reported Mrs. Moseley.

Now THE KEY has just learned that Mrs. Moseley expects to be in the United States next summer and is planning to represent the London association at convention! She is also trying to persuade Margaret Goldsmith to come with her!

ers of nearly every nationality mingled with the throng.

The London police organization is notable for its efficiency and good humor, and ability to keep crowds in order. The V.A.D. was busy with fainting women and lost children, but all the crowd kept happy and gay, like a huge family picnic gathered together to do honor to the head of the family.

If any of you heard His Majesty's broadcast the night of May 6, you will realize what I mean by the family tie. King George is a lovable, kindly man devoted to his Empire. The affection with which he greets his people in these broadcasts is a real emotion.

In the 25 years of their reign Their Majesties have proven themselves real people interested in the welfare of all classes in their huge Empire. Coming to the throne after Edward's 10 years of peace and plenty, young, inexperienced, not expecting ever to be King, he has taken the job on his shoulders in a real way.

The Great War coming early in his reign was a great force to bring this about. Not only was his Empire involved, but his own son, the Prince of Wales, was in the front line many times. From the end of the war until

the Jubilee one after the other of his sons have helped to create a personal contact with Their Majesties in various parts of the world.

In the light of our experience with events in England since the war, I like to think King George and Queen Mary have a wish to be real friends to their people.

Their Majesties' home life is simple and wholesome, a real example for millions everywhere. Queen Mary is first a woman and a mother and afterward a queen. To see her in person is to realize you are meeting an extraordinary woman. She radiates a queenly presence and is interested in all that is taking place around her.

A friend of mine in the consular service was presented at Court some time ago. She said as she came to her feet after her presentation curtsy, the Queen's eyes looked right into hers. She felt the personal interest of woman to woman. This element seems to be present in all the Royal Family. When a great ceremony takes place they seem to look into the hearts behind the outward display. In some inexplicable way the consciousness of this interest seems to have entered into the hearts of the people.

An amusing incident occurred outside Buckingham Palace, where a lady photographer was taking some close-up views of Their Majesties on the balcony. Near her stood some Cockney women discussing the scene.

One woman turned to the other and said, "One thing I will say about our Queen. Whatever she does, she's a lady."

Through a mutual acquaintance I heard not only this story but the sequel.

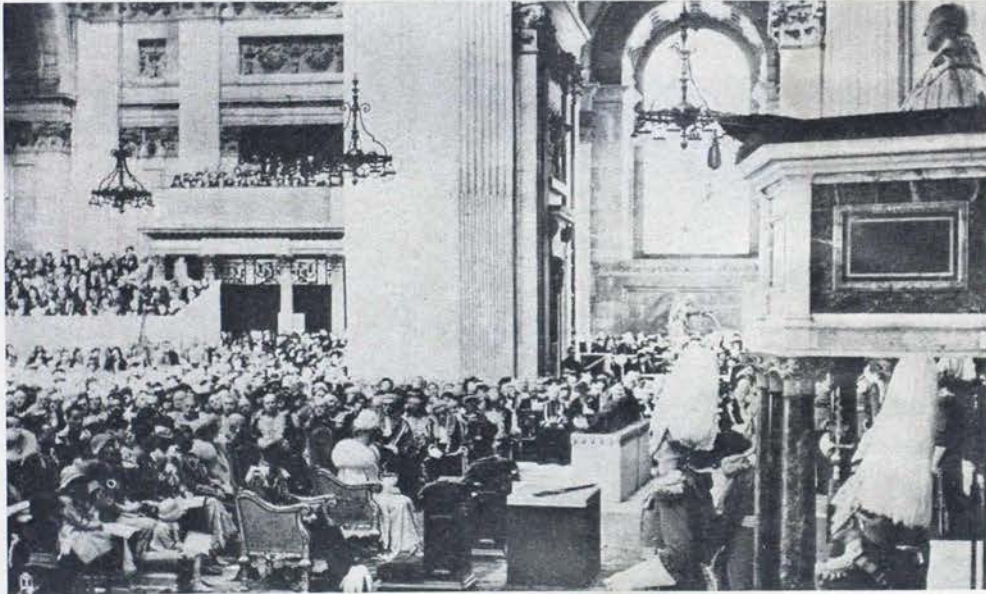

The photographer had the privilege of showing her pictures to the Queen to decide on which Her Majesty wished used. In the conversation the photographer told her the remark she overheard. The Queen was much amused and said, "Oh, I must tell that to the King." She went at once to his

library, where laughter was heard.

These intimate little stories circulate among the people and they feel the friendly interest the Royalty have for them.

The Jubilee week was full of occasions, but night after night thousands thronged the gates at the Palace, shouting, "We want the King," until night after night Their Majesties appeared, once, often twice, to wave to the cheering multitude.

During the months of May, June and July there were drives into every part of London, during which the children were given the front rows to cheer their King and Queen. One Saturday in June I noticed thousands of children in the parks and later read that 70,000 school children from all parts of London had been given seats

erected for the Jubilee to see Their Majesties drive past.

Some one has said that Communism received a blow during Jubilee week which will put it back 20 years in its propaganda program.

The King viewed all the forces of his army, air force, navy and police. Perhaps his most happy review was that of the navy. He is a sailor himself and England is essentially a nation of sailors.

We may compare this celebration in England with other countries where force demands certain loyal observances. In England there was no force. It was a demonstration of loyal devotion which came from generations of loyal people to a Royal Sovereign. England is conservative. She loves her traditions and her history. She is a united state devoted to her Royal Pair.

A year's employment in the Paris and New York offices of *Vogue* will be the reward of each year's college senior who comes most successfully through a fashion career contest to appear in coming issues of *Vogue* magazine.

This is the message which Edna Woolman Chase, editor-in-chief of *Vogue*, addresses to young women now entering their senior year in the colleges and universities of America: "Every day in the year young women come to us looking for jobs. And every day in the year we look for young women who have the ideas and the fashion sense which help keep *Vogue* fresh, alive, and authoritative. *Vogue's Prix de Paris* offers the winner a definite job with salary attached, as well as an opportunity for the best kind of training

for a career—actual experience. She will spend at least six months in the Paris office of *Vogue*, attending the famous openings of the great *salons de couture* and learning at their very source how fashions are created. In New York, she will learn to report fashions and will gain a practical knowledge of American markets and methods of merchandising."

## So What?

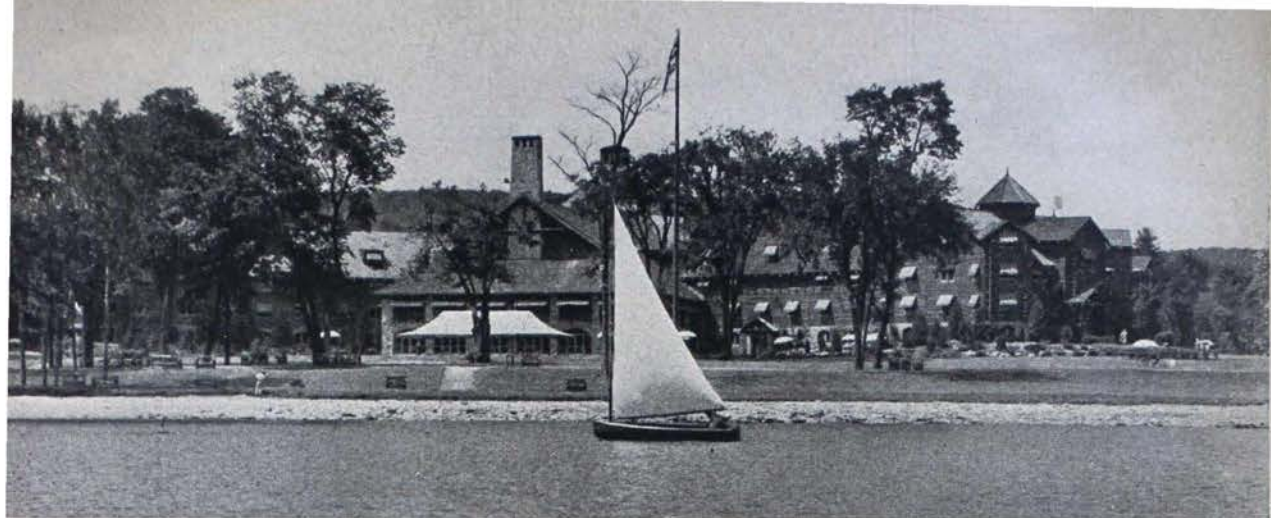

"Alex"

We don't exactly know what made young Alex Sloan Burnstan stick out his lower lip and look generally so close to tears.

But we do know that this photograph of the little son of Naomi ("Nig") Sloan Burnstan (Mrs. Arthur), T, won an award in the fifteenth annual salon of American photography for Don Loving, of the Legare-Loving studio in Winnetka, Illinois. From more than 5,000 prints submitted from all over the world this portrait, entitled "Alex," was one of 350 chosen. It will be included in the traveling exhibit of winning pictures which will tour the country this season.

Alex is the nephew of Jane Sloan, F. G. His dad is a loyal Phi Gamma Delta.

## Convention in Canada

By DELLA L. BURT, B E, *Convention Marshal*

**I**NVITED BY the board of governors of the Seigniory club in the province of Quebec, Canada, to hold its biennial convention in the unique and remarkable setting graced by this famous international country club, the members of Kappa Kappa Gamma will meet June 23-30, 1936, in the singularly pleasant and comfortable surroundings of the log chateau. It is a vast and fascinating affair, built wholly of logs, and surrounded by broad green lawns and flower beds extending to the river bank; but, nonetheless, seems peculiarly of the forest whose evergreens march in close formation down either side of the entrance drive and cluster close about many of the structures tributary to it.

The internal equipment and appointments of the log chateau are almost too numerous to mention. There is a lofty main dining room and circular lounge, a convention hall and stage where we shall attend to the serious business of convention or grow festive and gay with stunt night antics.

From a huge hexagonal chimneypiece in the central rotunda, the four residential wings of the building radiate, and in these the Kappas will be housed according to provinces of the fraternity. So come one, come all, and your neighbors will help to make you feel at home in this charming environment.

In other buildings near will be found garage accommodations, a swimming pool and canoes and boats. The gracious old manor house, so majestic in winter, will ring with happy voices next June when the Kappas gather in its stately rooms for the reception for the members of the grand council and honored guests; and its green lawns will be the setting for high tea on Sunday afternoon. There will be tennis and riding and a picnic on the wide-winged veranda of the Sports club from which those of us too busy for golf may view part of the fine course or vision winter fun at the club as we observe the ski jump in the distance.

The traditional things of a Kappa

convention will be there and, in addition, there will be much that is new. The entire week will be an inspirational one.

In 1924 when the Kappas convened at Bigwin inn, Beta Psi chapter did the honors alone. At this 1936 convention Beta Psi joins hands with Delta Delta, Gamma Sigma and Gamma Upsilon in welcoming all Kappas to Canada; and all the chapters serve as hostesses in making this convention one to be remembered always in Kappaland.

It is planned to have a special train from Chicago via Detroit, Toronto and Ottawa where time will be taken for a visit to the buildings of Parliament and other historic spots. Detailed information regarding transportation and registration will be in the February KEY. Post-convention trips may include everything from Montreal, the New England and New York states to France, Germany or England itself. Wherever you go, even if only home again, the trip will be a delightful one, and the convention will fill you with Kappa enthusiasm and inspiration.

## PLAN NOW FOR THE KAPPA CONVENTION NEXT JUNE

### Three Cheers for Mothers

THE GAMMA IOTA MOTHERS' CLUB of St. Louis has voted to send to national convention at the Seignior club, Canada, next June an outstanding sophomore of Gamma Iota chapter at Washington university. Details of the award will be planned by a committee, but the mothers have specified that the award be made to a sophomore in order that she may carry over the inspiration of this convention to the year a delegate will be chosen for the 1938 meeting. Mrs. Fred Milam, mother of Jeanne Milam Parman, Gamma Iota's delegate to Yellowstone in 1934, is president of the Gamma Iota Mothers' club.

This is the first announcement THE KEY has received in regard to the convention next June as a result of the editorial which appeared in the October number; but we have been reminded that the Columbus, Ohio, club sent the treasurer of Beta Nu chapter to the Swampscott convention in 1932 and on other occasions paid part or all of the expenses. Also the Chi Mothers' club at the University of Minnesota raised \$100.00 to assist two actives, chosen by Chi chapter, to go to the convention at Yellowstone in 1934.

Kappas who attend convention as a result of special awards by Mothers' clubs or other organizations will be assigned special duties by the convention marshal and will have every opportunity to gain a vast amount of knowledge and inspiration regarding Kappa Kappa Gamma. Any Mothers' club undertaking this fine work should notify the convention marshal.

### Kappa Helped Her

Apropos of the editorial in the October KEY on the student aid fund, THE KEY is happy to report the progress of a typical student aid fund girl.

This year Marjorie Call, I, won one of two scholarships at the Curtis institute in the harp department. It gave her all expenses for six weeks of intensive study with Carlos Salzedo at his summer home in Camden, Maine. Many of America's best-known harpists were also studying there. The school furnished Marjorie a harp to use at Cam-

den, and paid her transportation to and from Maine. Later the institute sent a harp for her use at home in Indiana.

Marjorie has a scholarship at Curtis institute again next year and Salzedo expects to make her a solo artist. This coming year she will teach in Delaware college.

# Province Conventions

## Epsilon Province Met on Founders' Day

By BEVERLY BAKER, B A

**W**ITH AVID interest the Beta Lambda Kappas anticipated the arrival of their scattered sisters at the chapter house, Friday, October 11, 1935. Their expectations were more than realized when the throng of loyal Kappas from eight chapters and 10 alumnae associations united for the solemn opening ritual, with Mrs. L. T. Gregory, our beloved province president, of Urbana, Illinois, presiding. A great pleasure to us all was the presence of Mrs. James F. McNaboe, grand vice-president, and Mrs. Helen Rugg Condit, province vice-president, who, by helpful suggestions and friendly criticisms, showed us a firmer road to a loftier destination in the future.

The round table discussions proved most instructive, and the fine points gleaned from them were constructive to a great degree. The merit system was explained clearly for those chapters which had had difficulty in using it for their pledge training, and a program of cultural meetings was decided helpful to all freshmen. Better libraries were thought essential in all chapters to promote higher scholarship, an important Kappa ideal, and to aid in the promotion of which suggestions were made as to prizes for those who kept theirs consistently high in their respective chapters.

The standards decisions were that pledging legacies is not mandatory; that all Kappas should observe great temperance in the modern liquor prob-

lem; and that it should never be forgotten that transfers from one chapter to another are always to be treated as sisters.

The alumnae discussions plead for more frequent meetings and more businesslike procedure, carried out primarily with a well-planned budget system. It was stressed that alumnae-active rushing relations be more congenial, and that all chapters respect the

recommendations of their distant and widespread sisterhood. After Upsilon and Gamma Sigma had both extended cordial invitations for the next convention to all those present, the report of our province president was given. This excellent report closed with a deep and sincere appeal to all Kappas throughout the nation to seek constantly cumulative knowledge, and everlasting and evergrowing culture.

Perhaps the one single and greatest thrill to Beta Lambda Kappas was the unanimous reelection of their two sponsors, Mrs. Gregory and Mrs. Condit, to the offices of province president and vice-president. Mrs. Gregory has been the chapter's excellent adviser and staunchest friend for several years, and though we unfortunately

lose her in the first capacity we always hope to keep her in the second, and we feel that in giving her up as our own we merely widen her chances of giving loving and wise counsel to other Kappas who will know her better and appreciate and love her more in the years to come. At the same time Mrs. Condit, a Beta Lambda alumna, has been most active in the alumnæ association work of the Chicago chapter.

The banquet at the Urbana Country club was a tremendous success. Mrs. Gregory's introductions and Mrs. McNaboe's extemporaneous talk were most amusing, while the talk of Martha Randles, A, the "starterinner," was lucrative to a high degree. She told us that a year and a day previous to that banquet was the one in

Here, in front of Beta Lambda's chapter house, are the active delegates to Epsilon province convention. At the extreme left is Constance Wilkinson, B A president. Monmouth, Illinois, reinstating our founder chapter, Alpha, to which every loyal Kappa owes her reverence. The "followerupper," Mrs. Susan Kelly Fay, I, told us of the pioneer days of Kappa at Greencastle, Indiana, when they met in individuals' homes in lieu of chapter houses, "spiked" the rushees to pledge them, and carried lanterns when they met at night as there were no lighting facilities. Mary Elizabeth McIntyre, Canadian representative of Gamma Sigma and therefore the "commeracrosser," gave a most entertaining toast to Kappa's international relations.

The closing historical skit given by the Monmouth Alumnæ association was a pantomime pageant, read by one of their members, depicting Kappa

from her first day at Monmouth when the first keys appeared in the chapel, through that chapter's reinstallation a year ago, down to the Kappa sisterhood as it is today. The favor then given to each Kappa present was a white pottery owl candlestick, the facsimile of those used at Alpha's reinstallation a year ago.

With the closing ritual the convention broke up, the quickly made but never-to-be-forgotten friends separated, but not before the bonds of Kappa Kappa Gamma had been sanctified in every soul, and eternal loyalty to the blue and blue been forged in every heart. May the ideals and ideas gained through this convention flourish in the mind of every Kappa in the nation!

## Delta Province Had Songsters

By ETHEL SMITH TOURNER (MRS. CHESTER), Δ

**N**OW THAT the busy days preceding and during Delta province convention have passed a certain calm has settled upon Delta chapter, both actives and alumnæ. But it is a calm filled with inspiration from the splendid sessions and round table discussions which were held those two days, October 18-19.

Did I say inspiration? Well, picture it for yourself: our very lovely and enthusiastic province president, Mrs. Harold Smith, and our equally gracious vice-president, Mrs. Reasoner. Add to that the charm of Mrs. McNaboe, the vivid interest of Clara Pierce, the wit of Helen Bower and the efficiency of Mrs. Schofield and Mrs. Richardson. All of them were with us.

The first guests arrived from Adrian after dark Thursday evening and found the Kappa house by the key, illuminated with blue lights, above the door. Friday morning early other delegates and guests arrived and by 10:45 we were ready to start our sessions. Seventy-two guests were registered during our convention, of which 39 were active and 33 were alumnæ members.

The day was filled with sessions and round table discussions, and they were so interesting that we had great difficulty in keeping to the schedule of the printed program.

Friday night a banquet was held in the Union building on the campus, at which 131 guests were served. It was called "formal," but dress alone could

On the terrace in front of Delta's handsome chapter house at Bloomington assembled an important Indiana quintette. Seated at the left is Beryl Showers Holland (Mrs. J. E. P.), endowment fund chairman after 1929, and founder of Tri Kappa, unique state-wide sorority for Indiana women; at the right is Virginia Rodefer Harris (Mrs. Charles A.), national vice-president, 1924-1928. Behind them, from left to right, are Hazel Scott Mauck (Mrs. James), Δ, Kappa house-mother; Marie Woolery Rogers (Mrs. Donald), Δ, president of the Bloomington Alumnæ association; and Ruth Conrad, president of Delta chapter.

call it so because such a happy, lively spirit pervaded the place we felt anything but "formal." As we left more than one person was heard to remark about the singing, during the banquet, of Delta chapter, which was so beautiful; an inspiration in itself.

We returned to the Kappa house following the banquet for another short round table and fire-side service.

After this the active girls had dates for the dance at Alumnæ hall.

Saturday final sessions and round tables were held with reports of various committees. The re-election of Mrs. Smith as province president and the election of Mrs. Ella Brewer Clark of Fort Wayne, as province vice-president, closed our convention.

At the luncheon Saturday noon in the alumnæ room of the Union building, at which 152 were served, a program was given at which Doris Halstead, a Delta pledge, gave a most amusing reading; Mu and Delta chapters each sang an original song; and Delta gave a skit called, "Happy Journey to Delta Province Convention."

## Lambda Province Had "Capitol" Time

By HELEN WEBSTER BEELAR, B Ω

**I**T WAS A GRAND convention! Such was the consensus of opinion of all who attended the second Lambda province convention in Washington, D.C., October 25-26, and the vote was unanimous to continue province conventions. Gamma Chi chapter was hostess, with Jean Fugitt acting as marshal of the convention.

The early part of Friday morning was devoted to the registration of delegates and visitors. We couldn't help but be elated over the large number of girls arriving for the occasion. Delta Beta led with a delegation of 15 and Delta Theta came next with 10.

The session opened formally at 11:30 at the Columbian house of George Washington university with Ruth Hocker, B P, province president, presiding. We felt very fortunate in having with us Mrs. James F. McNaboe (Almira Johnson), grand vice-president, and Mrs. Richard Shryock (Rheva Ott), director of provinces. Those responding to roll call as official delegates were: Jane Howard, B Y; Marjorie Harrison, Γ K; Mary Maxon, Γ X; Nancy Norment, Γ Ψ; Dorothy Davis, Δ B; and Betty Bennett, Δ Θ. Those representing alumnae associations were Katharine Wilson, Washington, D.C.; Elisabeth Bartlett, Baltimore; and Mrs. W. F. Upshaw, Durham, North Carolina. Greetings were read from Helen Snyder Andres, grand president, and the executive secretary, Clara O. Pierce, after which Mrs. McNaboe, Mrs. Shryock, and Harriet French, province vice-president, were introduced to the assembly.

Opportunity to become better acquainted with each other was afforded

when the majority of those attending the morning session had luncheon together at the A.A.U.W. club rooms.

The afternoon session began at 2:00 o'clock and was devoted to round table discussions. Frances Kirby, Γ X, led the discussion on finance with Dorothy Davis, Δ B, as secretary. Emma Gibbs, Γ Ψ, conducted the discussion on standards with Virginia Pierce, B Y, as secretary. Jane Howard, B Y, acted as chairman of the scholarship round table with Betty Bennett, Δ Θ, as secretary, while Dorothy Davis, Δ B, took charge of the discussion on chapter technique and Marjorie Harrison, Γ K, acted as secretary. The round table sessions were most interesting and many valuable and helpful suggestions were made during the course of the afternoon.

A lovely reception was held Friday

Jean Fugitt, Γ X, marshal of Lambda's convention.

evening at the home of Helen Hoskinson, B I, president of the Washington, D.C., Alumnæ association. Members of the Gamma Chi chapter and alumnæ assisted. Invited guests included the faculty members of George Washington university and presidents and delegates of the Panhellenic association. Roberta Boak Wasser, B I, and her assistants were responsible for the success of this event.

The Saturday morning session opened at 9:30 with Harriet French presiding. Reports were called for from the various alumnæ association delegates. The province vice-president gave an interesting report in which she told of the fine cooperation received from the alumnæ groups. In closing her remarks she stressed the great need for the formation of an alumnæ association in Virginia. The rest of the morning was consumed

with a discussion of Panhellenic and rushing.

Luncheon was served at the Columbian house by the G. W. Faculty club and we all sat around informally exchanging ideas and discussing the points brought out at the various round table sessions.

The afternoon session opened earlier than planned in order to discuss alumnæ and active relationships led by Harriet French. We alumnæ were delighted to learn that the actives were anxious that we maintain an interest in the respective chapters and encouraged us to visit "if we abided by the rules." The province president, Ruth Hocker, then explained that she had been appointed in July by the grand council to act as president of the province, succeeding Elisabeth Bartlett, who had been forced to resign

# Vocational Guidance Bureau

By ESTELLE K. KEMP, *Chairman*

**I**N A LETTER received recently by the Vocational Guidance bureau this statement was made: "I want to say that I feel Kappa is meeting a great need through the establishment of its Vocational Guidance division. Everywhere one meets with young men and women groping for information that will largely make or mar their lives. . . . Certainly guidance is one of the great needs of the present day."

Last year in one issue of *THE KEY* we mentioned that you can procure guidance leaflets from the Superintendent of Documents, Washington, D.C. The subjects covered are journalism, library work, law, medicine, home economics, forestry, pharmacy, commercial art and design, dentistry, nursing, music and veterinary medicine. The price is five cents each. You may also write for information to the American Association of Social Works, 130 East 22nd street, New York City; the National League of Nursing Education, 450 7th avenue, New York City; the regional Art council, 65 East 56th street, New York City; the American Occupational Therapy association, 175 55th avenue, New York City; the Decorators club, 745 5th avenue, New York City; the American Institute of Interior Decorators, 820 North Michigan avenue, Chicago; the American Library association, 520 North Michigan avenue, Chicago; and the National Recreation association, 315 4th avenue, New York City.

If you are going to look for a job after you are out of college the ad-

vantages will all be in your favor if you know what you want and have had definite training in a certain line. A college background is not the key to a job. Take stock of yourself right now and see what special abilities you have and start training them.

W. B. Pitkin is running an interesting series of articles in the *Rotarian* on "Careers for Youth." He says, "Regardless of the applicant or the job, employers today pay little or no attention to job mendicants." "Business men seek specific abilities for specific jobs."

He will cover the following subjects: What new opportunities are now opening or will soon be promising young men and women of superior intelligence? What old opportunities in well established fields of work are still promising for our Forgotten Americans? What fields that once offered fine careers are today obsolescent or else completely done for? What jobs are still active but with a surplus of workers that shows no signs of diminishing? What jobs have a marked shortage of workers in certain parts of the country but not in others? In what fields is there now a serious surplus of competent workers which will probably not exist some five years hence? In what parts of the country are young people likely to become best, most easily and most quickly established?

If you are choosing a vocation, it would be well to look into these questions.

# Memory of Kappa Is Honored by Fund

By HELEN J. HANLON

**T**HE Lucy Elliott Memorial Fellowship fund committee is pleased to announce the awarding of the fund's first fellowship. The recipient, Miss Barbara Clarke, of Northampton, Massachusetts, is doing grad-

Lucy Elliott, B Δ

uate work in English at the University of Michigan this year.

The fund, started in December, 1930, by friends of Lucy Elliott in an attempt to build an appropriate memorial to her, is not complete. It must be an endowment, sufficient in size so that its income may provide the money to be awarded annually. The present fellowship is the accumulation over several years of interest on the money already deposited with the treasurer of the University of Michigan. Hence, unless more money for the endowment can be collected or pledged during the current year, another awarding of a fellowship in the name of Lucy Elliott will be impossible for several years. It seems appropriate to write of this project, in which all

Kappas have a vital interest, during this month, the fifth anniversary of the untimely death of Lucy Elliott, B Δ.

It is significant of the esteem in which Lucy Elliott was held by Michigan alumnae that the board of directors of the University of Michigan Women of Detroit proposed immediately and unanimously to establish a fellowship which would bear her name.

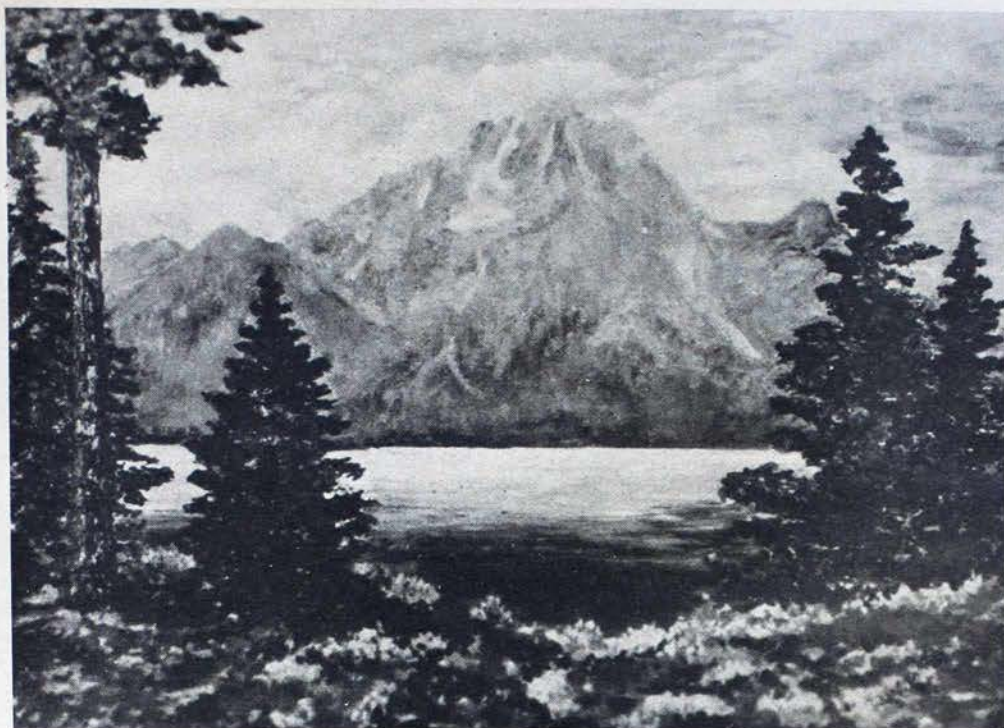

It is also significant of the breadth of her interests and of her wide contact with people that the members of the fellowship fund committee represented a myriad of her activities—from her professional circles to the social and cultural groups with all of whom she had a real sympathy. At the mere announcement of the formation of the fellowship fund, there came messages of encouragement, and contributions, from people in various stages of acquaintanceship with Lucy Elliott. With the exception of a few pledges, such as the one for \$500 assumed by the Detroit association of Kappa Kappa Gamma alumnae, it was by such informal means that the present sum came into existence.

It is noteworthy that the fund committee members agreed on insisting that the award of the fellowship should be upon as broad a basis as possible, feeling that in so insisting they would be best serving the spirit and ideals of Lucy Elliott's life. Consequently, the award may be made to any graduate student, man or woman, in any field of worthwhile study, and may be used at the University of Michigan or at any other college deemed suitable for the student's purposes. The selection of the person on whom the award is conferred is left to the regular committee at the University of Michigan which administers the other fellowships and scholarships. Most fitting it has seemed that the establishment of a fund which would provide means for the education of youth should be named for Lucy Elliott, whose life had been spent in joyful, untiring service to youth, in teaching in the high schools of Detroit, in doing administrative work in the Detroit schools, as well as in being director of Helen Newberry residence in Ann Arbor and acting dean of women at the University of Michigan.

To those Kappas who desire to help the work which does honor to the

"The Tetons"

## Kappa Artist Paints Western Scenes

By CLARA PERMAN, Γ O

Those of you who attended the convention a year ago in Yellowstone park may remember the lovely Teton mountains to the south. Helen Tyvold Carpenter, Γ O, has captured their beauty in the oil painting reproduced here.

Helen Tyvold  
Carpenter

A true artist, Helen is devoted to her work and makes the spirit of the west breathe in all of her pictures.

After studying at Columbia and at the Chicago Art Institute Helen has become a skilled worker in three mediums—watercolor, oil and pastel, generally using landscapes

and still life as her subjects. At the present time she is making block print illustrations for a book which will soon appear as *Unnatural Animals for Natural Children*.

Helen has exhibited in the Denver schools where she is now teaching. Some of her work has been shown at Chappell house with that of other western artists; and she has an annual exhibit in Laramie where art patrons are unusually enthusiastic in their praise of her work.

A list of Denver Panhellenic delegates is on file in the Cosmopolitan hotel and at Western Union (the manager's desk), for the convenience of fraternity women who may be visiting in Denver.

### **Delta Province**

**O**UR FOUR Indiana chapters started off the traveling for the year and it became quite a game dodging rushing seasons. All four schools boasted record freshman enrollments and all four chapters pledged big classes and were showing off the results. GAMMA DELTA at Purdue is particularly proud of its two cups—scholarship and music—and is glorying in the redecorated second floor of their house. It is most attractive and is the proper setting for this interesting and worth-while chapter.

MU brought its rushing to a close right after my arrival, and although weary from strenuous rushing were very plucky hostesses. The chapter has a beautiful house and the problem now is to fill it. They are a loyal group and really working on Kappa projects. It is always fun to see Beth Schofield, national finance chairman, and get the lowdown on chapter finances; and I was also pleased to see Gem Craig Reasoner, province vice-president, and Virginia Kerz, Indianapolis alumnae president.

IOTA at DePauw was in a state of celebration over the final payment on the house mortgage. What an inspiration to pay tribute to Sidelia Starr Donner, who has served her chapter

so faithfully during these taxing times, at a luncheon of Iotas and a few invited guests. We all shed a few tears and rededicated ourselves to Kappa. DePauw is a lovely small college and our chapter there most attractive.

DELTA at Indiana university is among our largest chapters, but in spite of its size seems harmonious and smoothly run—a thoroughly fine chapter and really representative of Kappa. Would that all of our chapters were as comfortably and adequately housed. My hat is off to Hazel Scott Mauck, a Delta Kappa and house mother, and Beryl Showers Holland, who are always on hand to help the chapter. The state of Indiana is a real hot bed of fraternities and Kappas.

### **Mu Province**

BETA CHI is the lone chapter in this province visited so far, although more will follow. I found this chapter typically southern—charming and cordial and meeting life casually. I love all the many teas on the campus and was so glad to take in a few. I enjoyed lunching with Elizabeth Park, province president, and Fan Ratliff.

I was happy to have a chance to meet the Louisville alumnae for a few hours and feel sure the now small nucleus is slated to grow in numbers and enthusiasm.

### **Gamma Province**

LAMBDA was my first revisit and what fun it was to know some names at the start. This is a chapter which

steadily improves and is living up to Kappa at its best—a hard-working and serious chapter and still lots of fun and full of most interesting individuals—one of the best singing chapters I have heard and a campus rushing system which seems too good to be true. The Akron alumnae are always enjoyable to meet and I was delighted to see so many of them at tea. Catherine Simmons, province president, was on hand and it was most interesting to hear about her new personnel job as well as plans for her province.

### Beta Province

GAMMA RHO at Allegheny is carrying on its fine work of last year and maintaining its fine prestige on the campus. Their quota system unfortunately wasn't very successful, but perhaps at the end of the three-year rushing plan we will get satisfactory results. I was lucky to get in on the pledge dance and had a great time seeing the Kappas in action. Shared a delicious tureen supper with the Meadville Kappas and hope we can number them among our associations before very long.

### Alpha Province

BETA TAU is another of our larger chapters and also nicely housed. Profiting by being hostesses to their province in June, they are doing some reorganization and have great plans and possibilities for this year. Beta Tau has lots of interesting tradition and put on a very inspiring pledge service and chapter meeting during my visit. Sorry they must lose their house mother, but hope she may be replaced.

BETA BETA put on all the collegiate stunts for me—football game,

chapter picnic at Hulett lodge and an  $\Sigma A E$  serenade as well as a lovely tea, so they proved their adeptness in all fields—a fine, wholesome, fun-loving group. St. Lawrence boasts many fine alumnae, is a progressive school and has an enthusiastic new president. Trustees' meeting during my visit afforded me a chance to see how well-represented Kappa is on that board—all three women members are Kappas, to say nothing of numerous Kappa husbands.

PHI has fine prospects for this year now that it is well-established in Boston university's attractive Panhellenic house. Housed as it should be the chapter will have so much more social and group life, as well as develop a fine Panhellenic spirit. Seven fine pledges with more to follow later, we have a good nucleus for real achievement. It was great to see old friends

when Emily Bright Burnham entertained boards of the two associations at tea. Caught a glimpse or two of Edith Reese Crabtree, province vice-president, and Irene Neal Railsback, Kappa club house chairman, to say nothing of several good times with Grand President Helen Snyder Andres, who can really cook and keep house, girls, along with her other accomplishments.

PSI at Cornell "far above Cayuga's waters" shows itself to be steadily on the up-grade and proved to be gracious hostesses. Psi is fortunate to have such good advisers and a great new province president, Mary Geisler Phillips, in their midst. It made me happy to have the Ithaca alumnae vote to apply for a national charter and I'm sure we all welcome them.

Visits with the Buffalo and Rochester alumnae were much enjoyed. Buffalo has a small group which is purely social, while Rochester is bigger and more active and keenly interested in the University of Rochester which is a growing school. These alumnae visits are lots of fun and I am so glad of these opportunities to meet interesting and charming Kappas.

## B.C. Women Take Motto to Heart

By ISABEL HARVEY, *Corresponding Secretary, B.C. Association*

**I**N FEBRUARY, 1935, at the suggestion of the Kappa Alpha Theta alumnae, a meeting was called of representatives of all sorority alumnae associations to organize an Inter-Sorority Alumnae club. This was done with Mrs. Reilly Bird, K A Θ, as president; Alice Morrow, K K Γ, sec-

retary; and Mrs. William Murphy, Δ Γ, treasurer.

It was decided that the immediate objective of the club should be the founding of a scholarship or bursary at the university. With the eight sororities associated it was comparatively easy to promise an annual amount of \$150, whereas any one of the groups alone would have found the task too great.

It was felt by all concerned that academic standing alone should not be the deciding factor in awarding the scholarship, but that the need of the applicant should be taken into consideration. As this, in the case of the women students, is a matter most familiar to the dean of women, it was suggested that the committee of prizes and scholarships consult her before making the award. It was also suggested that it be open to any woman student in the university. This scholarship with the suggestions was accepted by the university and is known as the Inter-Sorority Alumnae club scholarship. The first award was made at the fall congregation, October 23.

The first recipient is a woman in first year social service. She has already proved her ability to do work in her chosen field by experience, and is planning to train as a psychiatric social worker, completing her course at Smith.

We in the alumnae association feel we have taken a real step forward in organizing with the other alumnae for this purpose. It has turned our thoughts and ambitions back to the university and has made us again conscious of our responsibility as graduates to help others to enjoy the privileges that were ours. The need among the women students has been great during these last years and we have

wished that some of those blessed with this world's goods would see their way clear to giving some of the scholarships that are so urgently needed. Now instead of wasting time wishing we have taken our university motto "Tuum est" to heart. The slang translation of that is "It's Up To You."

## Hoo's Hoo in History Sales

By LORA HARVEY GEORGE

**S**PRING APPARENTLY being the season for scholarship awards, graduation gifts, bridge parties, and drawings, most of the histories purchased since the April KEY report have been for such purposes.

The Chicago Intercollegiate association (for which the history sales chairman has a warm spot in her heart because of its loyalty to the history cause) purchased two copies, one for a bridge prize, and the other for another contest winner.

Beta Mu gave three histories as gifts to its seniors; Delta Beta ordered one to be used as an initiation present; Gamma Theta presented one to Maurietta Carlson from out Idaho-way; Mary Christie, being the winner of the Pittsburgh A.A. drawing, received one; Gamma Xi's Eleanor Collbran ordered two more copies for their punch board (thus raising their sales from 20% to 90% within a year); Delta Delta wanted one for its drawing; at its senior breakfast Gamma Beta presented one as a senior scholarship award; and Omega ordered one for the chapter through its chairman, Marian Kaysling, as did Stena Dearborn for the Delta Zeta Alumnæ association.

Those who have recently been sent copies for their personal use are: Mrs. Richard W. Blalock, B Θ; Martha Combs, Ω; Mrs. Donald Gassman, Ξ; Mrs. Raleigh Gilchrist, Ψ; Mrs. T. B. Hale, Chicago A.A.; Alice Indoe, Υ; Sally Ritchie, Ω; Jane Ritter, Δ B; Virginia Sidlinger, Γ A; two more copies to our good Epsilon customer, Mrs. E. C. Stone; Mrs. Marie Giltner Turbull, a gift from Mrs. Ethel S. Tournier; Mrs. J. L. Wamsley, I; and the Pi Beta Phi historian, Mrs. Archer T. Spring.

Though only two chapters completed their quotas during the past year, many chapters showed a real interest in sales, among them Gamma Xi which raised its percentage of sales from 20% to 90%; Delta Beta from 0 to 57%; Beta Theta from 0 to 36%; Beta Mu from 0 to 27%; Omega from 0 to 25%; Upsilon from 9 to 36%; Gamma Theta from 20 to 40%; Gamma Alpha from 0 to 12%; Gamma Beta from 0 to 11%; Gamma Psi from 33 to 50%; and Delta Delta from 22 to 33%.

Among the alumnæ associations, Washington, D.C. has jumped from 25 to 75%; Chicago Intercollegiate from 150 to 250%; Ames from 0 to 50%; Springfield from 100 to 200%; State College from 0 to 33%; Columbus from 20 to 67%; Winnipeg from 25 to 50%; Long Beach from 167 to 200%; Lafayette from 50 to 75%; North Shore from 33 to 55%; Baltimore from 40 to 60%; Boston Intercollegiate from 57 to 71%; Detroit from 31 to 43%; Pittsburgh from 14 to 21%; and Boston from 111 to 122%. The new Monmouth association already has four sales to its credit.

It is the committee's sincere hope that many of you will take advantage of the newly reduced price to get your

long-cherished personal copies and archive copies without which no association's records are complete.

because of illness. She thanked the various groups for their splendid cooperation and asked them to continue their good work, concentrating on their particular problems and setting standards for other chapters.

The afternoon session closed with a beautiful and inspirational "fireside service" conducted by Gamma Kappa.

After this we were delighted to accept the invitation of the Gamma Chi girls to join them at the Kappa club rooms for tea.

The convention closed with a colorful banquet at the Shoreham hotel Saturday evening. Mrs. Rollin A. Hunter, B Z, social chairman of the Washington Alumnae association, was in charge of the arrangements. Ruth Hocker acted as toastmistress and presented the following distinguished guests:

Mrs. James F. McNaboe, Mrs. Richard Shryock, Harriet French, Mrs. G. M. Hostetler (Alice Watts), former director of provinces; Mrs. William Hamilton Knox (Jane Ramey), former province president; Elisabeth Bartlett, former business manager of THE KEY, and former province president; Jean Fugitt, Marjorie Sehorn, president of Gamma Chi chapter, and Helen Hoskinson.

Elizabeth Jane Thorington, B Σ, was introduced as a reporter who was most curious to know the "What,

Where, Why, Who, When and How of Kappa Kappa Gamma." These questions were responded to most effectively by Mrs. McNaboe, Jane Howard, president of Beta Upsilon, Mrs. Shryock, Harriet French and a pledge of Gamma Psi. During the evening songs were led by Helen Farrington, Γ Ψ, and we were all entertained with the "favorite" song of the different groups. The banquet was followed by a formal ball to which escorts had been invited for the visitors.

Delta Beta will be hostess for the convention two years hence. Ruth Hocker was re-elected province president and Harriet French, province vice-president.

whole Kappa Kappa Gamma organization by paying tribute to one member, to those Kappas who knew and loved Lucy Elliott and who have long awaited the opportunity of contributing to the fellowship fund which keeps alive her name and memory, this appeal is directed. The first concerted action in raising the money for the fund must be successful. Contributions and pledges may be sent to Mrs. William Brown, chairman of the Lucy Elliott Memorial Fellowship fund, 660 Virginia park, Detroit, Michigan, or to Kappas on the committee: Mrs. Charles S. HALLIE HALL VIOLETTE (MRS. EUGENE MORROW), I, in Baton Rouge, October 6, 1935. Mrs. Violette was born February 5, 1870, in Trenton, Missouri, and graduated from De-Pauw university in 1891. She taught school in Kirksville State Teachers college where she met and married Professor Violette. They moved to Baton Rouge in 1923 where Professor Violette is on the faculty of the history department of Louisiana State university. Beside her husband, she is survived by a son, Homer Newton Violette; a daughter, Rachel Violette Campbell, and several grandchildren.

Mrs. Violette participated in the cultural life of the university and city, where she was a valued member of the Daughters of the American Revolution, the Social Science club, and a number of others. She possessed a strong sense of her duty to the community and was a constructive force for good in all her associations. She was a life-long and devout member of the Methodist church.

The Baton Rouge Alumnae association has lost a loyal and devoted member who has been of inestimable assistance since the beginning of the Delta Iota colonization. In spite of frail health she has always been most generous with her time and her hospitality. Those of us who were privileged to know her have lost a valued friend whose high Christian ideals were an inspiration.

## MARGUERITE ISABEL ROWE

*January 29, 1890-September 9, 1935*

*Initiated into Chi Chapter of Kappa Kappa Gamma, October 13, 1909*

Marjorie Rowe, one of the most beloved of Chi Kappas, died September 9, 1935, at the home of her brother, Dr. Harry Rowe, in Minneapolis, Minnesota, after an illness of several months.

At the end of three years of active service in Chi chapter, she went to the University of Chicago to receive her Ph.B., then to New York to take a secretarial course which she discontinued in order to be with a Chi sister who was fighting tuberculosis. With Mary Miles, she traveled from Florida to Colorado, sustaining her friend with a fine courage and a disregard for her own health and career

until that friend's death, an example of a friendship rare as it was beautiful.

After several years spent in preparation for social service, she specialized in recreational work and went to All Saints' school in Sioux Falls, South Dakota, as recreational director. From there she went to Ver-

Marjorie Rowe, X

mont, where, in the spirit of both adventure and service, she worked in rural communities. Across the continent to San Francisco was her next step, and while on the west coast, the opportunity came for study and service at Hull house in Chicago, and it was at that famous center where she spent three of the happiest and most profitable years of her varied and useful career. Sharing an apartment with Jane Addams, she enjoyed a priceless intimacy with the beloved philanthropist and drew from her an inspiration which rooted deep in her desire to share her life with those less fortunate than herself.

When the depression made it necessary to cut down the working personnel in all institutions, she undertook the recreational service at the Hospital for Epileptics at

Dixon, Illinois. She bought a car and kept in touch with her associations at Hull house and other settlements in Chicago, bringing to her charges at Dixon a sane, yet warm appreciation of their peculiar needs.

She was called to Kansas City to organize the recreational work in a new community center, but before entering on her new duties, spent several months in Europe with a friend and associate from Chicago. Soon after her return she underwent an operation which relieved her only temporarily and resulted several months later in her death.

All who knew Marjorie felt in her a fineness of character, a deep understanding, a whimsical humor, and the kindly tolerance of her outlook on people and events. A rare reserve kept her always a distinct personality, one to trust, to turn to for constructive help, to count on as a friend in fair or stormy weather. Her loss will be felt in many places. To her intimate friends it is a deep and abiding joy to have known her, and to feel that she still lives in that spirit of service, which, through contact with personalities such as hers, moves on in ever widening circles to make a happier world.—MERCY BOWEN-THOMPSON (Mrs. Luther S.), X.

ANNA WINIFRED AXTELL HOOVER (Mrs. WILBUR C.), B Γ, September 1, 1935, in Springfield, Illinois, where she had lived since 1919. She is survived by her husband and one daughter Elizabeth. She had three sisters who were also members of Beta Gamma: Ethel Axtel Boyd (Mrs. Daniel), of Los Angeles; Catherine Axtel Crowl (Mrs. Frank), of Dayton, Ohio; and Lois Axtell Bunn (Mrs. Paul), of Lorain, Ohio. Mrs. Hoover was an active worker in the First Presbyterian church in Springfield and a member of the Springfield Alumnae association.

VIRGINIA S. CATRON (Mrs. B. L.), E

ETTIE BACHELLER HALE (Mrs. LEDYARD P.), B B, at Canton, New York, August 14, 1935.

Ettie Bacheller was born in Canton, March 21, 1856, and was educated at St. Lawrence university. May 21, 1879, she was married to Ledyard P. Hale, B Θ II, a lawyer, who later became judge of St. Lawrence county court. They lived most of their lives in Canton, except during the years 1908-1923, when Judge Hale was counsel to the New York State Public Service commission. During this time they resided in Albany.

After the death of her husband in 1926, Mrs. Hale lived in Canton until her death. She is survived by two children, Mrs. Irma Hale Pfund, and Horace C. Hale, both of Canton.

Mrs. Hale belonged to the Browning society, whose members became charter members of Beta Beta chapter of Kappa Kappa Gamma. Both her daughter, Irma, and her granddaughter, Helen Pfund, are members of Beta Beta.

Mrs. Hale was always interested in college and Kappa activities, and was glad to welcome students and teachers to her home. Throughout her life, she was a great reader, and had a discriminating taste in books. She was a trustee of the Benton library in Canton.

Her ready wit, sympathy, and charm will be greatly missed by her many friends.

## HARRIET BAIRD, B II

Perhaps every chapter has a few members whose outstanding achievements and beautiful character are such that they seem to exemplify everything fine and noble in Kappa. Surely Beta Pi had such a member in Harriet Baird. All of us who loved her—and those are all who knew her—cannot yet believe that one so young, so vital, so thoroughly alive, so full of promise for a brilliant future, is gone. She shall always be remembered for her delightful and well-balanced mind and personality, her keen sense of humor, her friendliness, her loyalty and her devotion to all things fine and worth while. She was a brilliant student, a member of Phi Beta Kappa; an outstanding campus leader, belonging to Mortar Board; an enthusiastic sponsor of every worth-while project of Beta Pi, where she served in many responsible offices, attending Breezy Point convention in 1928; a lover of music, good books and all things cultural. After her graduation from the University of Washington in 1929, she kept on broadening her horizons, traveling extensively in the winters and directing a girls' camp in the summers. Our '29 class of Beta Pi have such glowing memories of cozy Sunday suppers around the Baird fireplace, such affectionate recollections of Harriet's companionship, leadership and inspiration, we can never forget her. Such Kappas as she are rare and priceless and their loss is a great sorrow, not only to beloved friends, but to the whole fraternity.

## SARAH ADELAIDE WYMAN

(Mrs. George Henry Partridge)

*October 8, 1859—August 11, 1935**Initiated into Chi chapter of Kappa Kappa Gamma, April 21, 1880*

To most of those who were present at the banquet in April, 1930, at which Chi cele-

Mrs. George H. Partridge with one of her grandchildren.

brated the fiftieth anniversary of its establishment, the outstanding features were the speeches by two of our charter members, Augusta Perkins-Gillette and Adelaide Wyman-Partridge.

On that anniversary, Mrs. Partridge told us, with so much of the charm and vivacity that were characteristic of her, about her girlhood days in the university from 1879 to 1881, and of the little group of eight girls who held the initiation of their first senior, Bessie Lawrence-McGregor, at the Wyman home within a month after the chapter's establishment. We were touched and amused to see how inextricably the early affairs of Kappa were mingled in her mind with the affairs of Chi Psi of which Mr. Partridge was an outstanding member.

From the time of their marriage in 1882 to their golden wedding which Mr. Partridge lived to celebrate, they were both associated with the furtherance of educational and civic interests. Mr. Partridge was for 15 years a

regent of the University of Minnesota. Mrs. Partridge was a worker for the suffrage movement. The ball-room of the spacious and beautiful house which they occupied for years was opened many times for lectures, meetings and philanthropic benefits. It was the scene, too, of brilliant social events, and of Chi Psi and Kappa parties. When in 1900 Julia Ward Howe, then a saintly old lady, was in Minneapolis, all the Kappas were invited to meet their distinguished honorary member in the Partridge drawing room.

Mrs. Partridge was the mother of four daughters, three of whom survive her. Chi chapter, active and alumnae, would like to express to her daughters their affection for her, our chapter's first marshal, and their gratitude for her hospitality and generosity throughout the years.

ALICE DOUGAN-DONOVAN, X

MARY GALVIN DAVIDSON (Mrs. ROBERT FRANKLIN), M, July 10, 1935, at her home in North Salem, Indiana. Born in Kansas City, Missouri, she lived the greater part of her life in Indianapolis. At one time she was secretary of the Schenectady Y.W.C.A., and was a founder of the Indianapolis association. Surviving are her husband, attorney for the Indiana Bell Telephone company; two daughters, Mrs. Albert Brown, of Washington, D.C., and Mary Davidson Milligan (Mrs. Benners), M, of Indianapolis; a grandson, Robert F. Case, of Troy, Pennsylvania, whose mother was Margaret Davidson Case (Mrs. Alfred Henry), M; and a sister, Georgia Galvin Oakes (Mrs. Mansur B.), M.

KATE PHILLIPS THACHER (Mrs. OLIN B.), I, at the home of her sister, Mrs. W. A. Smell, University avenue, Muncie, Indiana, June 15, 1935.

After her high school work, Kate Phillips and her sister Josephine entered DePauw university at Greencastle, Indiana, and both of them were initiated into Iota chapter of Kappa Kappa Gamma in the fall of 1880.

After college work, Mrs. Thacher became a teacher in the public schools in Indiana, Kansas and Washington. Her quiet charm and sunny smile endeared her to her pupils and other friends alike.

In the winter of 1892 she was married to Dr. Olin B. Thacher of Spokane, Washington, where they resided until Dr. Thacher's

death in 1919. Sometime after this she came back to Indiana and made her home with her sister, Mrs. Smell. Another sister, Mrs. A. B. Cline lives in Bluffton, Ohio.

For some time after her return to Indiana, Mrs. Thacher taught in the Muncie schools. She also took some advanced work in Ball State college at Muncie.

Kappa always meant much to Mrs. Thacher and she was seldom seen without the little gold key of Kappa. She was an interested and active member of the Alumnae association in Muncie.

Her funeral services were conducted at the Meeks moratorium at Muncie, by Dr. Jo W. G. Fast, pastor of High St. M.E. church of Muncie (of which church Mrs. Thacher was a faithful and loyal member), assisted by Rev. P. B. Smith, of First M.E. church at Bluffton, of which church, Mrs. Thacher's sister, Mrs. A. B. Cline is a devoted member.

Interment was at Elm Grove cemetery at Bluffton, where also are buried her parents, Rev. N. H. Phillips and Mrs. Phillips.

JOSEPHINE PHILLIPS CLINE (Mrs. A. B.), I

OLIVE M. YOUNG, Sigma, June 11, 1935, at her home in Decatur, Illinois.

Miss Young was born in Chicago in 1882. She came to Decatur as head of the household arts department at Millikin university in 1919, after having been on the faculty of the Idaho State Normal university and the Iowa State Teachers' college. She is survived by her mother, a sister and three brothers.

DR. MARY BRADFORD, E, medical missionary to Persia for 17 years and former teacher in central Illinois schools, at the Thornton Presbyterian church home at Newburgh, Indiana, June 3, 1935. Death followed an appendectomy.

Dr. Bradford, the only daughter of Mr. and Mrs. George Bradford, pioneer residents, was born September 2, 1857, at Salina. She was graduated in 1879 from Illinois Wesleyan university where she was a member of Epsilon chapter of Kappa Kappa Gamma fraternity.

She taught in the high schools of Dwight and Monticello four years before entering the Chicago Women's Medical college, later known as Northwestern University school of medicine. She was graduated in three years. After serving one year as interne in a Boston hospital she went to Persia under the care

of the Presbyterian board of foreign missions as a medical missionary. There she established a hospital for women and children in Tabriz where she worked for 17 years.

Dr. Bradford was compelled to give up her work in Persia to return home because of the illness of her aged mother. Seven years ago she entered the Presbyterian home. She is survived by two brothers.

VIRGINIA BRIAN, E

ESTHER CARNEY MARTIN (Mrs. Hubert H.), I Ω, May 8, 1935, in San Diego, California.

Mrs. Martin was born in Watkins, New York, April 9, 1891. She came to Granville, Ohio, in 1904 when her father, Dr. Frank Carney, became professor of geology at Denison university. After her marriage to Mr. Martin, a member of Sigma Chi, in 1913, their home was on the Pacific coast. She is survived by her mother, her husband, a son, a daughter, her twin brother, Ewart G. Carney, head of the department of landscape architecture at Baylor university; another brother and two sisters, Florence Carney Cunnick (Mrs. John W.), of Waco, Texas, and Frances Carney Knoedler (Mrs. Paul A.), of Zanesville, Ohio, both of Gamma Omega.

JEANETTE CHALMERS LYNCH

(Mrs. Edmund Stoney Gaynor)

March 13, 1890—April 25, 1935

Initiated into Chi chapter of Kappa Kappa Gamma, October 13, 1910

After attending St. Mary's Episcopal school at Faribault, Minnesota, and Stanley hall in Minneapolis, Jeanette entered the University of Minnesota, specializing in music. During her two years at the university, she was an active member of Kappa Kappa Gamma and her loyalty and interest through the years that followed never diminished.

In 1914, she was married to Edmund Gaynor of Sioux City, Iowa, and became the mother of three sons and three daughters, the oldest now being 20 and the youngest, four years of age.

Even those who were numbered among Jeannette's closest friends, never fully realized the extent of her many activities and interests. In addition to bringing up her family, she found time to continue her study of music, to take an active part in church work

where she also directed the choir, to serve as president of the Parent-Teacher association and as a member of the executive board of the Girl Scout organization. She was one of our vested choir at the 1928 convention of Kappa Kappa Gamma.

Life never found her too busy to lend a helping hand to any one in need. Her untiring and unselfish devotion and service to others will long be remembered.

Jeannette is survived by her husband and children of Sioux City, a brother and two sisters who are also Kappas, Mrs. Seiforde Stellwagen (Elinor Lynch), of Washington, D.C., and Mrs. Wallace O'Brien (Rachael Lynch), of St. Paul, Minnesota.

HELEN F. BILLAU, X

### KATHLEEN MACKENZIE SIMS STILES

(Mrs. Robert W.), B Ʒ

*September 20, 1900—April 17, 1935*

Kathleen Sims Stiles was initiated into Beta Xi chapter of Kappa Kappa Gamma in 1919 and received her B.A. degree from the University of Texas in 1921. She attended the Canadian convention at Bigwin inn in 1924, made many friends there and later wrote the article on convention personalities that appeared in the December, 1924, number of THE KEY. In May 1926 she was married to Robert W. Stiles and in 1928 went with him to London, England, to make their home. Mrs. Stiles delighted her family and friends with the descriptive letters she wrote of England, Scotland, France and Belgium where she and her husband traveled extensively.

Last February she returned to the United States for a visit with relatives in Texas. In March she suddenly became ill and Mr. Stiles was called from London. She is one whose fineness and sweetness of character will live always in the hearts of those who were privileged to know her.

In addition to her husband, she is survived by her parents, Mr. and Mrs. M. W. Sims; her maternal grandparents, Mr. and Mrs. Allan Mackenzie, of Bryan, Texas; and one sister, Pattie Sims Newberry, B Ʒ, of San Antonio, Texas.

DELLA L. BURT

JOSEPHINE WOODWARD SMITH (Mrs. TERRY C.), M, April 7, 1935, at her home in Buffalo, New York.

Mrs. Smith was born in Kokomo, Indiana. After she left school she taught in Kokomo and in Kansas City, until her marriage in 1926. She was a member of the local chapter of Tri Kappa, the Greek club and the Episcopal church. She is survived by her husband, a four-year-old daughter, her mother, and several brothers and sisters.

Alice Seeley Lyddon, Γ Θ

ALICE SEELEY LYDDON (Mrs. HARRY M.), Γ Θ, April 1, 1935, at Des Moines, Iowa.

She was born November 4, 1903, in St. Paul Minnesota, was graduated from Central high school in St. Paul and attended Drake university. Later she taught kindergarten in the Des Moines public schools. When her family removed to Dubuque, she took a teaching position in Cedar Rapids. Since her marriage in 1932 she had made her home in Des Moines. In addition to her husband and other members of the family surviving is a baby daughter, Alice Anne.

JEANNE CAITHNESS GREENLEES (Mrs. THOMAS), B II, of pneumonia in Seattle, December 22, 1934.

Jeanne was born in Saugatuck, Michigan, and came west with her parents when still a very little girl.

The family settled in Everett, Washington, where her father helped build one of the first lumber mills of the state and where she received her early education.

She graduated from the University of Washington in 1901, where later she became both a Kappa Kappa Gamma and a Phi Beta Kappa. She attended the Chicago Musical college and spent some time at the University of California studying Latin and Spanish.

After several years of teaching in the Everett high school she married Thomas Greenlees and came to Seattle to make her home.

Here she devoted her time to her music and club work. Many years she spent as choir director of Bethany Lutheran church where she had a devoted following of young people.

It was natural that she should become interested in the forests of this great state. She loved the big trees and the dense growth of the Washington timber. That interest led her into the conservation work of the State Federation of Women's Clubs.

She headed a movement of the club women to conserve a tract of timber on the Sunset highway as a state park and through this work became widely known as the Tree Lady. Her work resulted in the purchase of a beautiful forest which will stand through the future years a tribute to Jeanne's love and desire to conserve a piece of God's handiwork in our beautiful country.

Her life was short compared to the everlasting life of her beloved trees and in the deep stillness of her forest where she spent so many hours she has left her music singing through the trees—her song of cheerfulness and sweetness and kindliness to all mankind. MARION BLETHEN MESDAG (MRS. THOMAS),

Gamma Epsilon chapter was saddened by the sudden death of SARAH RODGERS (MRS. ROBERT PHILIPS), November 26, 1934. "Sally" was married January 10, 1934. Besides her

husband she left her month-old son, Robert, Jr.

### MARGARET STEARNS TRYON

*August 15, 1905—June 3, 1934*

*Initiated into Chi chapter of Kappa Kappa Gamma, January 26, 1924*

Those of us who were in college in the fabulous years of 1927-29, remember a good deal that was feverish and fortunately transient. It was chiefly in a few personal relationships that we felt secure. One friend we were always seeking out, whether we wanted fun, comfort, or companionship, was Margaret Tryon. No one was a better playmate, more thoughtful hostess, or more honest counselor than Margaret. When it came time, in her senior year, to elect a president, it was almost as a matter of course that Margaret was chosen; not only did the voting members want her, but we knew that the elder alumnæ, in whom Chi has been so fortunate, would warmly approve.

Sick at heart over Margaret's death still, we remember thankfully the years she gave us as a humorous, tolerant leader and an unaffected, well-loved friend.

Margaret was the fourth Kappa daughter of Isabel Gale-Tryon (Mrs. Charles J.), of Chi: Elizabeth, Katherine, Isabel, Margaret. ANNE POORE, X

---

The sympathy of the fraternity is extended to the family of George Banta, Sr., and to Phi Delta Theta, in the death of Mr. Banta, September 23, 1935. Mr. Banta, a famous and beloved figure in the Greek world, was founder and president of the Banta Publishing company. His son, George Banta, Jr., is a former national president of Phi Delta Theta and his daughter-in-law is national president of Kappa Alpha Theta.

### Beta Beta—Chartered 1881, R. 1915 St. Lawrence University, Canton, New York

On the campus this year a new program of rushing was instituted: the first party, three open houses and the formal dinner.

An enjoyable event was Marian Handy's visit to the chapter. A pledge tea was given in her honor October 19. Among those present were Mrs. Millard Jencks, Mrs. A. Barton Hepburn, and Mrs. Edmund A. Whitman.

Because our recording secretary, Catherine Kevan, transferred to Syracuse university, Jane Bradshaw was elected in her place.

Three Kappas received the vice-presidency of their respective classes in the last election: Barbara Derge of the senior class; Katherine Van Dyke of the junior class; and Marian Bradshaw of the sophomore class.

JEAN BRADY

### St. Lawrence—Established 1920

At the province convention in Syracuse, New York, 16 members, active and alumnae, of Beta Beta were present. Five of them were entertained at the home of Mrs. Ralph Harwood (Helen Atwood).

Beta Beta alumnae feel honored in the election of Mrs. Maurice Myers (Frances Bird) as a life trustee on the Benton library board of Canton.

October 21 Mrs. Alice Gunnison (Alice Poste) gave a luncheon in honor of Marian Handy, Kappa's field secretary, who has been a guest at Kappa lodge. The alumnae members of the standing committees were invited to meet Miss Handy.

Mrs. Atwood Manley (Alice Reynolds) and family spent August in camp on the St. Lawrence river. Mrs. Jos. Wells (Marion Lauer) and Mrs. Herbert Hutchins (Adeline Drake) and their families joined Alice for a reunion there.

Mrs. Geo. R. Hardie (Jessie Stearns) has been at the home of her sister, Mrs. Clarence H. Gaines (Chloe Stearns) since the last of August. Mr. Hardie, who is with her, has been seriously ill.

At the opening of college, Mrs. Albert G. Dettinger (Irene Stewart) was a visitor in Canton, when her daughter, Jane, was registered as a freshman. We are glad to

say that Jane is now a Kappa pledge.

Other Beta Beta visitors have been Mrs. Helen Clemence Griffiths of Honolulu, Margaret Austin, Mildred Seitz, Mrs. Emily Eaton Hepburn, Lena Idler, Mrs. Frank Chappell (Ida Singlehurst), Mrs. Anna Root Heaton, Mrs. Robert C. Gibbs (Elizabeth Crisler) and Mrs. Lawrence S. Martindale (Mabel Fields).

Dr. Lucia E. Heaton is living once more at her home on Main street. Canton welcomes her back.

Mrs. Chappell and Mrs. Lyndon Merrill (Dorothy Singlehurst) spent two weeks in camp at Higley's Falls near Canton. While they were there, the Kappa alumnae had a picnic supper at their camps. Among the out-of-town alumnae to enjoy the outing, including a fine swim before supper, were Adelaide Poste and Ruth Forbes.

DOROTHY S. MERRILL

### Rochester—Established 1907

Not often does an alumnae association have the privilege of entertaining a national officer for a whole day. Our previous experience has been a brief popping in and out with glib wagging of tongues so as to transfer much news in two directions at one time. Marian Handy, field secretary, spent October 14 with us and we enjoyed every minute of the day getting acquainted with her, showing her the high spots of the "Flower City," our growing university, and our alumnae group and hearing from her news of far away Kappa friends.

Rochester Kappas have already planned three winter meetings which sound full of enjoyment. One will be a tea at the home of Mrs. A. M. Mosscrop (Linnie Gambee, Ψ), where Mrs. Oakley Norton (Mary Preston, B T), one of the outstanding book reviewers in the city, will review for us a current book. After a luncheon at the home of Mrs. Jacob B. Deuel (Norma Shaut, B B) we shall be brought up to date on our bridge tactics by Mrs. Bradford Noyes, Jr. (Isabell Davidson, M), foremost bridge expert and teacher in Rochester. We plan, also, to have a musicale at the home of Miriam Phetepiece, B B, where the musical talent of our own group will include vocal solos by Mrs. Henry Schie-

fer, Jr. (Florence Lowry, B T) and Mrs. J. A. Willis (Fannie Brounstein, B T). In November we join our interfraternity sisters at a Panhellenic luncheon.

We welcome two newcomers to Rochester this fall: Mrs. C. Robert Abbey (Marjorie Yeomans, P) from Delaware, Ohio, and Marian Boyink, B T.

We regret to announce that Mrs. Robin Bell (Isabel Enderlin, B N) has moved to New York. Her present address is 280 Bronxville Rd., Bronxville, N.Y.

### *Birth*

To Mr. and Mrs. Phil E. Needham (Ruth Clemens, Γ Θ), a daughter, Sally Ann, March 31.

#### **Boston University, Boston, Massachusetts**

During the summer, President Ernestine Ross traveled extensively in the middle west, meeting many Kappas; Margaret Conroy was in Saratoga; Rhoda Work visited Jeanne Johnston in Franklin, Pennsylvania; and Genevieve Marston went down to Washington, D.C., and to Virginia.

When the Phis got together for the first time this fall, they were minus Carol Nottage, who transferred to Radcliffe; Aspacia Hargreaves, who is at Ohio State, and Betty Gundersen, of Cleveland, Ohio, who did not return. They affiliated Beth Oberlander from Ohio, Wesleyan.

Rush party found a gay crowd of intercollegiates and alumnae assembled at the home of Past Grand President Burnham, in Newton. It was a formal affair, given as a hotel party. Chicken dinner was served, and little Morocco leather purses given as favors to the rushees. Grand President Helen Snyder Andres attended.

Three of our members are living in at the new Panhellenic house: Rhoda Work, Ann LeVeunesse, and Jeanne Johnston. The house is the most beautiful one Boston university girls have ever enjoyed. It is newly-furnished throughout, situated on Commonwealth avenue, and accommodates three girls from each of seven sororities. The Kappas have a meeting-room on the second floor, complete with studio couches and piano, and sleeping quarters on the fourth floor.

Field Secretary Marian Handy arrived in Boston October 22 and left on the following Saturday.

GENEVIEVE MARSTON

### **Boston—Chartered 1915**

The Boston Alumnae association has been intensely interested in a new project this sum-

mer, the acquiring of 131 Commonwealth Avenue, Inc., as a Panhellenic house for seven co-operating fraternities of Boston university. It is a beautiful 16-room house with delightful living rooms on the lower floor, chapter rooms on the second and third floors and dormitory accommodation on the fourth floor for the active girls of the co-operating groups.

Each fraternity is represented on the board of managers. The Kappa representative is Mrs. George R. Ericson (Elsie Putney), who has worked early and late to make this interesting venture a success.

Our whole program for the fall has had to be revamped about the house,—for money raising is the order of the day, and rummage sales and bridge parties lie just ahead.

Founders' day celebration and picnic took place October 6 at the home of Mrs. Alden Russell (Genevieve Wilde), Concord. As the day was cold and stormy, the picnic lunch was around the huge fire in the living room and in the spacious dining room. Mrs. Franklin R. Swan (Ida Blackburn) gave a talk about her experiences at Alpha province convention at Syracuse, New York, in June.

### *Marriages*

Marian Selee to Thomas Williams, October 11, at Pelham Manor, New York. They are to live in New York.

Josephine Jerardi to Raymond Anthony Elner, August 12. At home, at 473 Prospect street, Willimantic, Connecticut.

### **Boston Intercollegiate—Chartered 1924**

Mrs. W. E. Hardy (Celia Mallison, Δ), entertained us at her summer home in Scituate the first week in June. She was assisted by Mrs. John Rhodes (Irene Graves, Γ Δ); Mrs. J. J. Lamere (Katherine Hobbs, Γ Δ); Mrs. O. E. Stone (Mary Lou Ritter, I), and Mrs. H. C. Williams (Caroline Buttolph, Γ Δ).

During the summer Mrs. H. M. LeSourd (Lucile Leonard, P), Mrs. E. M. Griswold (Harriet Ford, B H) and Ina Gotthelf, B B, went to Europe. Lucile and her husband conducted a tour over the continent but spent most of their time in Germany. Harriet landed in Italy and traveled through Switzerland, France and England. Ina visited her home in Germany.

Mrs. Knox Chandler (Margaret Colston, B Ξ), is spending the winter in California with her mother.

Mrs. C. A. Gurshin (Jeanette Mathews, Δ) has been chosen to work with a representative of the Boston Alumnae association

on furnishing the Kappa room in the new Panhellenic house at Boston university.

Mrs. E. G. Crabtree (Edith Reese, B T) traveled to the west coast with Dr. Crabtree where she visited with Grace Baird Woodruff, B T, whom she had not seen since they were in college. Edith is expecting a visit soon from Margaret Frame, B T, a missionary at the Presbyterian headquarters in Shanghai, China.

Mrs. John Wamsley (Mary Singleton, I), who was elected president of our association in the spring, has moved to Tulsa, Oklahoma. Mrs. D. G. McKay (Ruth Capers, B A) is our new president and Mrs. D. A. Bell (Jess McNamee, A) is vice-president.

Mrs. F. L. Fish (Harriet Myers, T A) entertained us at our October meeting. She was assisted by Jess Bell, Irene Rhodes, Mrs. Robert Kelly (Lucy Barrow, T K) and Martha Andres, I. Mary Jane Railsback, A, played Kappa songs for group singing and Caroline Williams, our delegate to the province convention, gave an interesting report. Mrs. Eugen Andres (Helen Snyder, B II), grand president, attended the meeting. We are so pleased that she has accepted an honorary membership in our association.

Due to the good work of our membership committee we were able to find several new Kappas before the first meeting. They are: Mrs. R. M. Macy (Debora Keever, II); Mrs. W. R. Hervey, Jr. (Andree Brown, T E); Mrs. W. P. Fuller, III (Marylee Harlan, B H); Mrs. T. L. Jacobs (Ruth Fielden, Ψ); Mrs. R. L. Flandreau (Betty Zoeller, B P); Mrs. G. T. Pownall (Helen Breese, B P); Mrs. H. W. Sigmond (Helen O'Neal, I); Mrs. G. H. Trautman (Doris Gay Tucker, B H). We enjoyed having them with us and we hope that they will want to become members.

Lucile LeSourd will be the hostess at an evening party for members of the association and their husbands in honor of Helen Andres, November 16.

The chapter has profited much by the recent visit of Marian Handy. She was here

for several days, and we only wish she might have stayed longer.

We enjoyed so much having the Alpha province convention here last June. It was grand meeting girls from other chapters, Mrs. McNaboe, Mrs. Andres, the province officers, and many alumnæ.

Our pledge dance, October 26, was a grand affair. Virginia Lee Culver was chairman.

Margaret Rodger was appointed an R.O.T.C. sponsor for this year.

Twelve girls returned to live in this year. We miss Virginia Swander who has transferred to the University of Wisconsin.

We are indeed proud to have Mrs. Mary Phillips elected president of Alpha province at the convention in June.

Psi chapter enjoyed a visit from Marian Handy, field secretary, October 27-30. We gave a faculty tea in her honor, October 28.

### **Beta Psi—Chartered 1911**

Rushing for second year residence girls marked the beginning of our fall term. We had three parties, according to Panhellenic rules, two teas at the fraternity apartment and an evening party at the home of Betty Fisher.

Pledging took place September 30, and the pledges were entertained at a supper party at the home of Nora Lane.

Rushing rules are being changed this year. For the past few years rushing has taken place twice a year: in the fall for second year girls living in the residence and then again

at the beginning of the Easter term for city girls. After this year, there will be only one rushing after Christmas for the whole first year.

The chapter had a Sunday tea for the pledges October 20, an open house for Kappas and their friends. It was such a success that we are planning to have one every month.

At our regular meeting October 14, Betty Anderson, an alumna, gave an interesting talk about her work in the Connaught research laboratories. Our plan for having a speaker at each meeting is very popular.

### Toronto—Chartered 1926

The alumnae association worked in close co-operation with the actives to assure a successful rushing season, including two novel teas, one "hotel style," and the other a cocktail tea with a real bar set up for dispensing tomato juice and canapes. Both were at the chapter rooms in the St. George street apartments. The final evening party was at Betty Fisher's country home. The skit put on by the "grads," harking back to the gay 90's "in costumes and in song," went over so big that we have decided to feature it again as part of our Christmas rushing entertainment. Mrs. Mallett's clever impersonations were screamingly funny, too.

Now that the alumnae meetings are in full swing again, we have welcomed several new Kappas: Mrs. Howden from Florida, Marjorie Pound from British Columbia, and Margaret Burrin of Montreal.

The highlight of our last meeting was Ruth Partridge's entertaining talk on her impressions of Russia. Ruth was over there this summer. She saw the big national air show at Moscow, with 150 parachute jumpers, most of them women. We enjoyed the picture postcards she passed around showing the many fascinating places she visited.

### Gamma Lambda—Chartered 1923

Several of Gamma Lambda's members have been elected to important positions on the campus. Jean Clarke was re-elected president of the sophomore class; Irene Bonnett has been appointed head of hockey activities; and Helen Kelly is vice-president of the newly-organized Flying club. Harriet Coley and Lois Bestor have been made assistant managers of the editorial and business staffs of the *Campus* respectively. Ruthanna Wilson, a member of Mortar Board, is also filling this year the offices of president of the Women's Athletic association, treasurer of the Student union, and president of the Women's forum.

At our opening meeting we were given an interesting report of the Alpha province convention at Syracuse by our convention delegate, Jean Sawyer. A chapter picnic took the place of our October 7 meeting. October 13 being Founders' day, we celebrated by inviting the alumnae to a formal meeting. The meeting was begun with the installation of two new officers, Betty Bucklin as secretary and Lois Bestor as marshal. Following this, a report on the founding of Kappa was given by Elizabeth Laws, and the alumnae were invited to participate in discussion.

The chapter has recently been redecorating the house and hopes to have it finished by the alumnae breakfast, October 27.

Claribel Nothnagle was the first to receive the Kappa scholarship ring given by Elaine Updyke, '33, to the freshman attaining the highest average for the year.

Rushing season will open with a Pan-hellenic tea November 2.

Rushing this year lasted one week, in which we included a dinner at the Royal Montreal Golf club, with an amateur night by our alumnæ, though we, and a few, braver rushees made extemporaneous contributions. Another feature was an Italian luncheon, at which we ate spaghetti and Italian pastries, while the Harkness twins played "Il Trovatore" on the piano.

We are well-represented on the campus this year, Judy Moore, Barbara Barker, and

Mary Gregory, being presidents of fourth, third, and second years respectively.

The pearl guard for scholarship was won by Judy Moore this year with Gwen Russel close behind her.

Of last year's graduates, Margaret Byers is studying pedagogy at the University of London, England; and Cynthia Bazin is teaching physical education in Shawinigan, Province of Quebec.

Six of our members visited Beta Psi chapter, the week-end of October 19, when the McGill football team played Toronto. We are hoping for many visitors from Beta Psi for the Varsity-McGill game in Montreal.

We were pleased to have several out-of-town Kappas with us and hope their presence will encourage other nearby Kappas to join us. There were Kappas present from Hartford, Wethersfield, New Britain, Manchester and Middletown.

Mrs. Otto Kasser (Hazel Hall), program chairman, outlined plans for the coming year. Our next meeting will be November 21.

Louise Reynders and Ada Sherwin were made charter members of Omicron Epsilon Delta, local honorary senior women's fraternity. Annabelle Broomall, one of the four junior members tapped, has also been elected

Vacation over, Pennsylvania Kappas are again hard at work. Rushing is once more a topic of thought and consideration. October 18 we had the famous hunt meet banquet, the first large gathering of freshman rushees and active members, with all joining in the fun.

### Philadelphia—Established 1900

The Philadelphia chapter had its Founders' day dinner at the Tallyho. Fall flowers from Frances Seil's garden, and tall candles gave a banquet atmosphere. Mildred Gregg Leshner, B A, presided. It was pleasant to have Mrs. Everett Phillips (Mary Geisler, B A), Alpha province president, present. Mrs. McCarthy (Florence Pumyea, B A) sent greetings. The program and the *Blue and Blue News* were well planned by Frances Seil, Γ E, and Dorothy Roberts, B T. The loving cup was passed. The Kappa toast was sung. Afterwards Beta Alpha actives gave a "Kappa day" and the fireside service most impressively. There were 72 alumnae present representing 14 chapters. The sectional meetings are being resumed this fall. Fifteen Main Liners met at Mrs. Walker's for luncheon. The downtown business group plan regular supper meetings.

The first fall alumnae meeting was October 3, at the home of Virginia Wilson. Some of the actives attended and told us about rushing. A number of alumnae traveled out to Port Washington October 11, to the rush party.

Speaking of summer vacations we heard that Mrs. William Parker (Rosalie Geer), accompanied by her husband, went to England in August on the *Normandie*. They spent a month traveling through England and Scotland.

The next piece of news is a real honor for Beta Sigma. Mrs. William Matthews (Edna MacNeil) has been elected to the board of trustees of Adelphi. For those of you who haven't heard, Adelphi has a new dean, Miss Signé Hagelthorne.

### New York—Established 1896

Josephine Paddock, B E, who has been exhibiting her paintings during October at the

Panhellenic clubroom, will be guest of honor at an all-fraternity tea at Beekman Tower, October 27.

October 30 our formal program for the year will start with a visit to the new Hayden planetarium. The program committee has also announced plans for the year. Beside the annual banquet and benefit bridge, the white elephant auction which we found such fun last year, the buffet supper and Kappa sing at Beekman Tower are to be repeated.

New York is a grand place to be because so many celebrities come to the city. This winter we have with us the second grand president of the fraternity, Mrs. Robert Ware (Charlotte Barrell, Φ), and the present director of provinces, Mrs. Richard Shryock (Rheva Ott, B A), whose husband, professor of history at Duke, is studying here.

Mrs. John H. Emery (Mary Lowden, Δ) and husband and two children spent two weeks in August with her parents, Mr. and Mrs. Theodore Lowden, Δ, Bloomington, Indiana.

Mrs. Howe S. Landers (Shirley McNutt, Δ), her husband and two daughters, spent August at Sea Bright, New Jersey.

We regret the loss from our association of Mrs. Lynn C. Storey (Claire Funke, Σ), who has moved to Columbus, Ohio. We are delighted to hear, however, that her daughter, Jean, has just been pledged Kappa at Ohio State university.

We welcome two new members to our association, Mrs. Philip Carroll, Jr. (Margaret Birdsell, B Δ), of 6 Crestwood drive, Maplewood, New Jersey, and Mrs. George M. Booth (Elizabeth B. Bartleson, B I), of 635 Belleville avenue, Belleville, New Jersey.

### Northern New Jersey—Chartered 1935

Although the suggestion was made many years ago, it was not until Mrs. W. Irving Galliher (Frances Hope) took the initiative that our alumnæ association really started. An organization meeting was held at her home in Ridgewood, and the usual Kappa enthusiasm led to the formation of our association.

Since that time three meetings have been held, in December, February and April at the homes of Mrs. H. Drew Flegal (Dorothy

Palmenberg), Dr. Margaret M. Wurts, and as the guests of our president at the Hackensack Women's club.

We were fortunate enough to have Mrs. McNaboe with us at one of our meetings; in April Dr. Mary Crawford gave us an interesting talk.

Our officers are: Mrs. Edson Nichols, president; Mrs. Kenneth Morgan, vice-president; Mary Walker, recording secretary; Marion Palmenberg, corresponding secretary; Mrs. Flegal, treasurer.

Mrs. Morgan is also our program chairman. She promises to unearth any possible local talent, so we look forward to our first real year with pleasure and interest.

### Gamma Epsilon—Chartered 1919

#### University of Pittsburgh, Pittsburgh, Pennsylvania

With the beginning of school this year we were happy to welcome two Kappa sisters, Flo Slotter and Betty Douglas, from Gamma Rho chapter at Allegheny. Formal affiliation services were October 21.

One of the high spots of the summer for a group of 12 of us was the enjoyable time at Geneva-on-the-Lake, July 7-14. Our official mid-summer get-together was a supper dance at the Pines, August 14.

Sylvia Fixel, who holds the highest campus office, chief justice of senior court; Kit Hall, our president; and Betty Black, our recording secretary, all were senior mentors. They are chosen from the most outstanding senior women to help introduce the freshmen and transfers to the customs and traditions of Pitt. The first production of the Pitt Players has a Kappa representative in the cast—Kit Hall, a member of the honorary dramatic society, Theta Alpha Phi.

October 25 there was an informal Panhellenic open dance at the Schenley hotel. After the Pitt-Penn State football game October 26, we had a buffet dinner-dance, our first social gathering of the season. Vivian Roberts was on the committee for the Sophomore hop, November 8. Kit Hall, Ruth Richards, and Betty Black were tapped as honorary coed captains in the Reserve Officers' Training Corps, October 25. No other fraternity has as many captains.

The University of Pittsburgh favors a system of deferred rushing, so our only fall activity in that direction was a tea for second semester rushees, Sunday, November 17.

Because she had too many activity points, Sylvia Fixel resigned her position as finance chairman. Alice Lewis was elected new chairman and Ruth Donley her assistant.

Kit Hall resigned as vice-president of Pitt Players and treasurer of Mortar Board because of excess activity points. Betty Hart is our new registrar, filling the position left vacant by Jean Osborn, who married this summer.

Founders' day our girls wore blue and blue ribbons and served a buffet supper at the chapter house, with President and Mrs. Hetzel as honored guests.

We were entertained at dinner by Delta Tau Delta fraternity October 10 and by Phi Delta Theta October 16.

The chapter recognized homecoming with an alumnae breakfast October 20. The afternoon before we served hot chocolate and cookies following the football game.

Rushing is operating under a different system this fall, in compliance with the new code of Panhellenic. The chapter rushes indiscriminately until December 1, entertaining weekly 20 freshmen whose names appear on the dean's list. This arrangement is especially favorable to the new students, who thus become acquainted with all the fraternities before they make their choice; and on the other hand, the chapters meet girls they might otherwise miss.

We are proud of our representation in outside activities: Marybel Conabee has been made women's editor of the *Collegian* (the college news sheet); Gretchen Diehl is president of Panhellenic; Virginia Lewis is president of the women's orchestra; Vera Loomis heads the Louise Homer club; Margaret Rees

is secretary of Omicron Nu; and Dorothy Bollinger holds the vice-presidency of the Women's Athletic association.

This summer we enjoyed several picnics, showers, and get-togethers at the homes of different members. Betty Clark had a picnic supper shower in honor of Betty Thompson, and Mrs. F. D. Kern (Jessie Adair,  $\Gamma$ ) had a supper shower for Margaret Tschan.

Our members were scattered far and wide during the summer. Many of them are away from home now, some teaching and some studying. Margaret Kinsloe, Emily Espenshade and Betty Clark are all studying at Columbia university this winter. Blanche Wieland is teaching in Cochranville and Mary Laramy in Lockhaven.

We are pleased to have Ruth Crowthers with us again this year. She is chaperon at the Kappa house. Frances Forbes Towne is spending some time in State college this year.

September 25 we had our first meeting of the season at the home of Mrs. H. R. Riley (Margaret Tschan). Elizabeth Frear was elected treasurer and Frances Kern secretary.

We are sorry to lose Mrs. Robert Johnston (Elizabeth Everett). She has moved to Akron, Ohio.

Sunday, October 13, we were entertained at supper by the active chapter. A social meeting was at the home of Mrs. William Lehmberg (Velma Egolf), October 14. She was home for a visit of a week from Boston.

Sunday, October 20, the alumnae breakfast was held in Old Main.

For two weeks in the summer the girls of Lambda chapter took a cottage on Lake Erie.

Many of our members are active on campus. Mary Agnes Simmons won the lead in the Theater play "Three Corners Moon."

Charlotte Burdette, Genevieve Sennett, and Frances Ulmer were given parts in the Gilbert and Sullivan opera "Patience." Jane House was appointed class editor and Jane Parshall art editor on the *Tel-Buch*. Martha Lowenhaupt was elected secretary of Women's league, and Maxine Firestone, junior representative to the same organization. Jane

House was elected treasurer of the junior class in the same polls. Mary Giddings was elected president and Leonore Goehring vice-president of the Women's Glee club.

Genevieve Sennett was pledged to Mu Phi Omega, national musical honorary.

### Akron—Established 1901

The fall season for Akron alumnae has started out with a great deal of interest and enthusiasm. Field Secretary Marian Handy made a return visit to Lambda chapter during the week of October 6, and the alumnae were happy to meet her again at a tea in the home of Mrs. Leroy Tompkinson (Nora Wilson), alumnae president.

Due to conflicts with other events the annual Founders' day banquet was October 10 at the Akron City club. Mary Giddings, active president, presided. Short talks were given by Mrs. Tompkinson and Catherine Simmons, province president. The active chapter group, which won the recent song fest at the University of Akron, sang several beautiful arrangements of Kappa songs. The pledge group presented a hilarious style show of Kappa fashions since the founding of the chapter in 1870.

A carnival is to be in November in cooperation with the active chapter. Both groups feel it is a splendid opportunity for a closer association between alumnae and active chapter.

A cook book of Kappas' favorite recipes will soon be off the press to raise money for charitable purposes.

Rho-ers returned to Delaware in the middle of September to find themselves automatically enrolled in a practical course of interior decoration. The Kappa rooms were to be redecorated, and the call to colors was promptly acknowledged with the flourish of many a paint brush. Consequently the rooms were in excellent condition for the rush weeks that followed, and the climax of those two weeks—pledging. The formal banquet honoring the pledges was October 5.

Eleanor Dice has been chosen to portray Penelope in the play *Elizabeth the Queen*, which, according to rumors, will be taken on the road later this season. Dorothy Gilroy and Helen Marie Pennywitt are also in the cast, and Marguerite Cox will serve as head of the properties crew. Interest in the field of dramatics and speech has been shown by other members of the chapter who have invested in tickets for the annual concert series in Columbus.

Dorothy Sawyer has been appointed social chairman of Monnett hall, and Helen Marie Pennywitt of Austin hall. Mary Jane Hoover and Helen Slusser have been elected to represent their corridors on the Austin house council.

Sunday, October 20, a tea in the rooms honored Mrs. Joseph Sommerville, wife of Wesleyan's new dean of men and a Kappa from Iota.

Wednesday afternoon get-togethers are again in vogue, filling a gap which has existed since the informal meetings for rushing have been discontinued. Each week a new committee is in charge of refreshments, usually popcorn or peanutbutter and crackers. Perhaps that newly-painted kitchen of ours, together with the new stove, will inspire some rarities!

Our initial meeting of the year was at the home of Mrs. Semans. A short business meeting included a report given by the active rush chairman.

In October the alumnae were invited to a tea at the chapter rooms by the active girls to honor Mrs. J. J. Sommerville, whose husband is the new dean of men at the univer-

sity, and to introduce the pledges.

In place of our November meeting we have planned a tea at the chapter rooms for all alumnae back for homecoming.

We are glad to welcome the following new members into our association: Mrs. Sommerville (Emily Warner, I), Mrs. Victor Kolb (Beatrice Weller, P), and Mary Powers, P.

A formal tea September 26 inaugurated our rushing season. September 28 we gave a formal candle-light dinner at the home of Mrs. Love, an alumna. Our guests received clever owl candle-sticks.

Founders' day banquet was at the University club. Many Kappas from other chapters were present and helped us to make this occasion a successful one.

Marcia Simonton is this year's president of Chi Delta Phi, honorary literary society. Dorothy Matthews is associate editor of the *Makio*, O.S.U. year book. Martha Lou Miller was initiated into Sigma Alpha Sigma, honorary sociological sorority. Ellen Morley, Jean Storey and Frances Wildermuth, pledges, made Swan club.

Formal initiation will be November 1-2.

Helen Gardiner was elected president of the pledge class. Marion Shaeffer is treasurer, and Mary Lentz is secretary.

**Columbus—Established 1901**

At the June meeting and spread at the home of Mrs. Herbert Price, a vote was taken on the question of dividing the association, due to its increasing size. The vote was almost unanimous in the decision not to divide.

This year's activities opened with the Founders' day banquet at the University club. Juliet Connors Ryan was chairman and Caroline Sanford LaRue, Dallas Stone Mathews, Eliza Hagerty and Betty Malloy served on her committee. This was a great success, with 167 present. The tables were decorated to represent the months of the year and the guests, seated at the table of their birthday month, were called upon to compose a song and give an impromptu stunt appropriate to their month. June was a wedding; July—the "Spirit of '76" and the song "Yankee Doodle went to Monmouth"; December—Betty Shelton was a human Christmas tree and the

climax of the Christmas party came when Santa made his entrance and said "Are you Kappas? What do you want—you've got everything." Barbara Shumaker sang "I Love You Truly" in a minor key after which the pledges gave a melodrama in pantomime.

### University of Cincinnati, Cincinnati, Ohio

The members of Beta Rho chapter did not lose contact with each other during the summer. During the week of June 10 the majority of the Cincinnati Kappas adjourned to a picturesque camp on the Kentucky river. Not only were the days spent in frolicking, but rushing plans absorbed much attention and were nearing completion when this gay week drew to a close.

Our rushing this year included two large parties, a pirate party and a Mother Goose progressive dinner. The pirate party was at the homes of Janet Gebhardt and Emily

Mashburn. A horror chamber constituted the first part of this affair; whereas Captain Kidd's den, where refreshments were served, provided a lighter trend in entertainment. The first course of our Mother Goose formal was served on the terrace of Grace Shroetter's home in Fort Mitchell, Kentucky, whence the guests were taken to Mary, Mary Quite Contrary's garden. A visit was next paid to the court of the Queen of Hearts where the rushees were entertained with a clever play based on the gay nursery rhymes. A successful rush season was brought to a close with a pledge banquet at the Hotel Gibson, September 28.

We are fortunate in having Eva Malone with us this year. Eva was a Kappa at Duke university from which she graduated in 1928. She is doing work at the University of Cincinnati library this year, having done the same type of work at Duke university last year. A librarian's course at Simmons college has provided Eva with extensive training necessary for her work.

Our Founders' day luncheon was at Vernon Manor, October 12. This celebration was given by the alumnæ chapter.

The pledge dance will be in the Hotel Sinton ballroom, November 8.

Officers of the pledge class are: president, Ruth Shannon; secretary, Georgeann Van Wely; treasurer, Jane Martin; social chairman, Martha Jane Rush; and marshal, Jane Nichols.

The Canton association is grieved to record the death of one of its members, Mrs. W. W. We also extend our deepest sympathy to Mrs. Walter Hilscher (Margaret Colwell,  $\Gamma \Omega$ ) in the loss of her mother whose life and interests were closely bound with those of her husband to the development and growth of Denison university, and to Jane Fawcett,  $\Gamma \Omega$ , in the untimely loss of her father.

necessarily been curtailed during the past month. A program committee has been appointed for the current year and plans discussed for raising money for national funds.

The Panhellenic tea opened our two weeks of rushing, which came to a climax in the traditional knighting party. Pledge training is well under way, and each freshman has an active as a big sister. We hope in this way to do much toward strengthening the pledge-active relationship.

Denison had its annual homecoming the week-end of October 18-20, when we entertained more than 65 alumnae at a dinner in the chapter house. It was announced at homecoming that an anonymous friend has given the university \$200,000 for a new library, and about \$100,000 as an endowment fund. The chapter joins with the school in appreciation of this gift.

Mary Wiggins has been elected secretary of the freshman class. Frances Portmann has been chosen sophomore representative on Women's Student Government association council and one of the two girl leads in a movie of college life being written and produced by the dramatic department. ### Newark-Granville—Chartered 1930

Twenty members gathered at the Kappa house October 10 for our first meeting, a tea at which we discussed plans for the year. At Christmas-time we are anticipating our annual party for the chapter to which everyone brings a gift for the house. Here is our chance to add more interesting books and magazine subscriptions to the library started last year. We are also planning a benefit bridge tea at some future date when both school teachers and football enthusiasts can be present. Mary Elizabeth Eddy, Ann Linda Cooper, Elizabeth Veale, and Katherine Flory, Δ Θ, have started teaching in or near Newark this fall.

The week-end of October 19 was Denison homecoming and the first opportunity many of us had to see how really lovely the dinner

tables are with the new service for 100. This was one of the improvements made at the house this summer—blue stemmed glassware and the Kappa crest on the china.

We are happy to welcome Mrs. George McDonald (Isabelle Cooper, Γ Ω) to our alumnae group.

Equally sorry are we to lose Dorothy Wiley, whose marriage to Eugene Schad, Φ Δ Θ, will take place at the Kappa house November 2. Mr. and Mrs. Schad will make their home in Waukegan, Illinois, where Mr. Schad is a member of the firm, Ekstrand and Schad, architects.

Indianapolis Kappas have been busy this fall. The first week in September every Kappa in the city received a "pep" sheet from the membership committee urging all to join the association, and announcing the first meeting for September 7, the annual card party and style show. It is at this party the money for national and local projects is raised. Mrs. Donald Mote (Flora Hunter, Δ) was chairman.

October 11 we celebrated our sixty-fifth birthday anniversary with a party at the Mu chapter house. Mrs. Mark Reasoner (Gem Craig, T) was chairman. Her committee made all of us realize that of all parties a birthday party is best. No one ever grows too old to thrill over a birthday cake glowing with candles. One of Mu's charter members, Flora Frazier Dill, cut the cake while we all helped her wish lovely thoughts for Kappa.

Marian Handy, field secretary, was welcomed in Indianapolis the week-end of September 21. She was just in time to be a guest

with members of the Indianapolis Alumnae association at a luncheon arranged by the Indianapolis Iota club honoring Mrs. Frank Donner (Sidelia Starr, I), of Greencastle. A silver tray was presented to Mrs. Donner in appreciation for her unselfish interest throughout the years, especially the past 15 while the Iota chapter house was being paid for. It was her enthusiasm and interest, along with her friends', which enabled Iota to pay off the \$75,000 indebtedness and burn the mortgage. Mrs. G. B. Taylor (Susan Davis) presided. Mrs. W. H. Remy (Isabel Hughes), Mrs. Robert Clark (Margaret Brown) and Mrs. Hughes Patten (Ruth Irwin) had charge of arrangements.

Mrs. Robert V. Gilliland (Winona Montgomery, I) had a group of poems, "Images From Hangchow" published in the April 1935 issue of *Poetry, A Magazine of Verse* (Chicago) and will have another group of lyrics published soon in the same magazine. She also had a recent acceptance from *The American Mercury*, and two of her poems will appear in an anthology, *Contemporary American Women Poets*, to be published soon in New York. Winona's first published poem, a sonnet, won the beginner's prize in March 1933 from *Kaleidograph*, a poetry journal edited in Dallas, Texas. After two weeks of intensive rushing, the pledge tea, open house for all pledges, will be October 30. Virginia Spray, social chairman, is making plans for the pledge formal, to be given after football season.

When we came back this fall, the house itself thrilled us. New porch furniture, rugs, and silver had transformed it.

Detroit Kappas said farewell for the summer at our state luncheon at Dearborn inn June 1 with about 75 present, representing 11 chapters and including some distinguished guests. Beside our KEY editor, Helen Bower,

who presided at the luncheon and program, we had with us Mrs. George D. Schermerhorn (Hazel Fenton, K) from Reading, who is state regent of D.A.R., and Mrs. Louis J. Flint (Edith LaVan, Ω), regent of our largest Detroit chapter, Louisa St. Clair.

Previous to the June luncheon there had been much entertaining by her high school faculty, students and friends in honor of Sadie Palmer, Σ, who retired from teaching after many years of service.

Among the Kappa vacation jaunts which came to the attention of the scribe were the trip through the east and south of the Francis M. Deweys (Ruth Sturmer, B Δ) and the visit to the Muskoka lake region of the Edward M. Plunketts (Mabel Townley, B Δ). The Esmond Averys (Alice Cudworth, X) spent a good deal of time on their yacht in various parts of the great lakes. Lois Townley Place, B Δ, visited Jean Craig, also Beta Delta, in the upper peninsula and later spent some time at Chicago university.

Two Kappas have settled in the east. Mr. and Mrs. Orin McMullen (Guertha Williams, B Δ) have moved to Bayonne, New Jersey, where Mr. McMullen is with the International Nickel company. The Caleb Dikriksens (Mary Louise Bond, Θ) were much feted by their Grosse Ile friends before moving to Greenwich, Connecticut, early in August.

Mrs. William Unsworth (Elizabeth Kohler, Δ) is head of the home economics department at the Fordson high school, Dearborn.

We have had two meetings this fall, a tea September 28 at Ruth Dewey's and our Founders' day dinner October 14 in the home of Mrs. Clarence H. Hiller (Oleta Coverdale, Δ Γ) when about 60 Kappa sisters celebrated the anniversary together.

Our big money-making event of the year occurs October 26 when we will gather for a bridge tea at the Ingleside club.

Aletha Yerkes Smith, province president, and Amanda McKinney McColl, vice-president of our association, represented us at province convention at Bloomington, which Helen Bower also attended for the second day.

### Alpha—Chartered 1870, R. 1934

Alpha started out promisingly this year by entertaining 53 guests—a record number for the sororities—at a formal dinner at the dormitory, October 9.

The following week-end seven actives and 11 alumnae attended Epsilon province convention, at which the Beta Lambda girls were hostesses. Martha Randles, Alpha president, and Ruth Wagner, elected representative, were chapter delegates. Alpha's large representation was second only to that of Beta Lambda itself. At the banquet Saturday evening the Alpha representatives gave a skit called "An Historical Pageant on the Founding of Kappa Kappa Gamma."

Founders' day, at a ceremony in the chapter room, Mrs. Myra Ricketts,  $\tau$ , as representative of the fraternity, presented Dr. T. H. McMichael with a check for \$120. This completes the \$3000 Monmouth Memorial fund which the fraternity started three years ago.

After this ceremony, the actives and alumnae went to the cemetery to decorate the graves of our two founders buried there: Anna Willits Pattee and Minnie Stewart Field. After Mrs. Chester Smith had laid the wreaths on the head stones, the whole group sang the "Kappa Symphony."

At the Y.M.-Y.W. penny carnival, October 19, Alpha had a booth in which Madame Gamma Kappa did expert palm-reading and fortune-telling.

Margaret Laxson has the leading feminine rôle in the homecoming play, "Double Doors." Ruth Wagner is secretary-treasurer of the junior class, treasurer of Sigma Tau Delta, president of the Pep club, and a member of the Women's Upper Class council. Martha Randles is treasurer of Y.W.C.A. and a member of Tau Pi, women's honorary fraternity. Jane Paull is on the school homecoming committee. Dorothy Field is president of Tau Pi and Sigma Tau Delta, and vice-president of the Y.W.C.A. Lorraine Laxson and Helen Wagner were recently initiated into Sigma Tau Delta, national honorary English fraternity. Dorothy Mach and Kate Parker were initiated into Women's Athletic association.

Changes in offices and new appointments for the year are: Panhellenic representative, Margaret Laxson; KEY correspondent and music chairman, Helen Wagner.

The chapter diary written and read each week by various actives is quite popular and furnishes plenty of "local color" at chapter meetings.

### Monmouth—Chartered 1934

It is hard for us to realize that as Kappas and as an association we are about to celebrate our first anniversary, since it seems as if we have always been Kappas.

We participated in our first province convention at Urbana, October 11-12. Our official delegate was our president, Mrs. Charles Graham (Katherine Boyd), and a number of others attended largely to take part in a program we were asked to give at the Founders' day banquet. Mrs. Max Turnbull (Marie Giltner) wrote "A Pageant of the History of Kappa Kappa Gamma in Six Episodes," and it was given by the following: alumnae—Mrs. Charles Blair (Blanche Wilson), Mrs. Hardin McCoy (Mabel Martin), Mrs. Ralph Lashly (Elizabeth Dierstein), Mrs. John Allen (Florence McKee), Elizabeth Murphy, Margaret Merillat, Margaret Tubbs, Edith Mitchell, and Ellen Root; actives—Ruth Wagner, Helen Wagner, Jean McCrory, Jane Zimmer, Martha Randles, Frances Nelson, and Sarah Ryder.

The actives and alumnae joined in sending flowers to Mrs. Louise Bennett Boyd and Mrs. Lou Stevenson Miller for Founders' day.

A wedding of special interest to Kappas was that of Margaret Smith to Clyde B. Hutchinson in Oak Park Illinois, August 3, 1935. Margaret's grandmother, Mrs. Jacob Ford (Margaret Jane Pogue) initiated in Kappa, November 16, 1871, and Clyde's grandmother, Mrs. Hutchinson (Clara Brownlee), a founder of Pi Beta Phi, were roommates at Monmouth college. The Hutchinsons are living at the Wistor apartments, Oxford and Saul streets, Philadelphia.

### Epsilon—Chartered 1873

Illinois Wesleyan University, Bloomington, Illinois

We began this school year with our rushing program carried to a successful conclu-

sion by the chairman, Sue Havens. All the parties were at our new chapter house which the alumnæ bought, remodeled, and refurnished for us this last summer. Two weeks after school started we gave an open house tea for the faculty, student body and all friends of the fraternity. September 28 the actives gave a tea in honor of the alumnæ, and October 21 Mrs. Jane Riddle, our house mother, gave a tea for the Mothers' club.

The Mothers' club is always doing nice things for the actives. The latest is its offer to pay all the expenses required to send one sophomore to convention in Canada next summer. The selection of the girl will be based on her standing in general fraternity interest, scholarship, college activities, democratic treatment of non-Kappas, interest in women's athletics, and moral conduct.

Our scholarship chairman, Alice Beyer, is running a scholarship competition among the classes to raise the chapter scholastic average. At the end of the semester the losing classes must give a party for the winners.

During the first week of November the national convention of Phi Sigma Iota, national honorary language fraternity, will be here at Wesleyan. Constance Ferguson, alumna of our chapter and member of the faculty of the university, is the national secretary of Phi Sigma Iota and chairman for the convention. The reception will be at the Kappa house, and the freshmen will serve.

Charlotte Fitz Henry is Kappa representative on Student union, copy editor for the campus paper, the *Argus*, a member of the property committee for the homecoming play and the prize committee for homecoming, and chairman for the university Halloween dance. Pat Patterson is in charge of publicity for homecoming. Alice Marquis is a member of the university string ensemble, and broadcasts over WJBC, the Wesleyan station, as cellist with the staff trio. Myra Anne Peairs is the organization editor of the year book, the *Wesleyana*. Alice Beyer is on the chapel committee. Edith Ernst is chairman for Y.W.C.A. publicity and secretary and treasurer of the Home Economics club. Ann Nichols, pledge, is president of Kemp hall, girls' dormitory.

The year's activities started with the alumnæ spread for actives and pledges September 17. This was the first year that Kappas, other than those serving on the committee, could meet the newly-pledged. September 26 there was a supper meeting at the chapter house. Mrs. Ralph Peairs (Myra Sinclair) was in charge of the program. Charlotte Probasco entertained the association at her home October 17. Mary Jeannette Munce, delegate to Epsilon province convention at Champaign, gave a report of the round table discussions and the banquet.

We are happy to have Mrs. Eva Puterbaugh Ewins, who has been living in Boulder, Colorado, as an active member. Her daughter is a member of the pledge class.

Mrs. Peairs has been elected president of the Illinois Wesleyan Alumni association. She is the first woman to ever hold this office.

North Shore Alumnae association started its fall program with a tea September 15 to show the newly-decorated Upsilon chapter house to the alumnae association and active Kappas. The entire lower floors of the house were done by Colby's with the able cooperation of the committee of alumnae headed by Mrs. Herbert Blades (Jane Marshall).

Next came the rushing parties with the alumnae taking charge of serving the food. Julianna Holmes, social chairman, did a splendid job.

Our first association luncheon was at the Kappa house, October 15. Alumnae board members, Julianna Holmes, chairman, were hostesses. Our new president, Mrs. Thomas Singleton (Kathryn Hall), elected when Mrs. Carl Evans (Margery Reynolds) found she could not serve this year, took charge of our first business meeting. We had a report from our delegate to Epsilon province convention. Mrs. H. L. Dalton (Althea McGrath), Mrs. Francis Huffman (Ruth Bracken) and Mrs. Betty Henry (Elizabeth Irwin) also went down to Champaign along with the active delegation, and all reported a fine week-end. Our head of philanthropy, Betty Henry, told us all about our new venture to raise money for the Rose McGill fund and the Cradle of Evanston. Formal pledging was September 20. Initiation followed October 3, and was the occasion for the reunion of a number of alumnae. Many were the plans, with Mrs. Gregory in charge, for the province convention the week-end of October 11-12. It was a grand success and ended with a banquet. Mrs. James McNaboe stayed with us over Sunday and gave us many helpful ideas. October 26 finds the families here for the Dads' day game, dinner and freshman entertainment at the house. November 23 is the date of our pledge dance.

That our activities have been directed in other lines is evidenced by the fact that our chapter rose from sixteenth to fourth place in scholarship rating among campus sororities. Barbara Bischoff and Nancy Riley have been added to the permanent dean's list for superior scholarship. Barbara Bischoff is also on the Woman's league first council, the Panhellenic council and has the chairmanship of the Woman's league elections committee. Imogene Sturgeon is on the social and interrelations committees of the Y.W.C.A. Lillian Moss and Ruth Wade have been chosen for Shi-Ai, inter-sorority honorary, and Lillian Moss is also in Gold Feathers, Woman's league honorary. The University of Manitoba Alumnae association had its first fall meeting September 4 at the home of Ruth Robertson where rushing and alumnae assistance to the actives were discussed. The alumnae volunteered to supply sandwiches for all the rushing parties and to look after the decorations for the rushing formal.

Tuesday, October 15, our second meeting was in the home of Jane Bennett. Anna Speers, alumna delegate at the province convention held at Urbana, October 11-12, gave a report of her various activities and told of the hospitality she had received. After the meeting we were joined by the actives and had refreshments together as a belated Founders' day celebration.

Jean Mackay left October 16 for London, England, where she has a job and expects to spend the next year.

At our next meeting, November 5 at the home of Anna Speers, we plan to entertain our pledges at a buffet supper. We are planning to give the pledges a talk on Kappa history.

Gamma Tau pledges have started bringing in honors for Kappa: Frances Johnson has been appointed cut sales manager for the yearbook, the *Bison*; Florence Dinwoodie is featured trumpet soloist in the college band, after coming to us from South Dakota where she was twice the state high school winner in the trumpet solo section.

The pledge officers are as follows: Claire Putz, president; Alice Piers, vice-president; Donna Jean Davis, secretary-treasurer; Lenore Christianson, historian.

The active chapter is also distinguishing itself in campus affairs. Homecoming queen was our former rushing captain and pledge mistress, and now chapter president, Jane Bristol. Jane, one of the petite Gamma Tau twins, was pictured, paraded, and crowned while the rest of us violently applauded. It was a happy day for Kappa on our campus during homecoming. Our Jane was queen of the day, our float won first prize for the sororities, and during the half of the football game which was won by the Bison, the queen presented the trophy to Beth Oliver whose original and novel idea won the cup for

us. Jean Newton and Marjorie Arnold were named on the Y.W.C.A. cabinet. Among the recently-elected sponsors for the R.O.T.C. are Betty Kibbee and Georgia Cook. Marjorie Arnold is society editor of the *Spectrum*, the weekly paper. Jane Schulz has been named co-ed prom leader. Six of our girls sing in the glee club and two of our violinists play in the "Singing Strings" organization.

Our Founders' day banquet was in the Waldorf hotel. Mrs. Dodson, M, was one of our guests, and we appreciate her joining us to make the occasion a more successful one. Mrs. R. C. Brown (Jane Sudro), alumna, reported on province convention in Urbana, September 11-12. Mary Clemens and Frances Cooper were also delegates from the active chapter to the convention. The pledges gave a stunt. Frederick Martin, Σ A E alumnus of North Dakota Beta, wrote an original song for our rushing this year which was sung at the banquet.

Hot-dogs and candy bars are being consumed in great quantities lately by the co-eds and men on our campus. Incentive? The Kappa Kanine Kart! The kart has proven itself a grand money-making scheme since our first bills have been paid. Good sales-ladies are our pledges in operating the kart the hours it is open for business.

Jane Nichols, Barbara Schonberg, and Maren Simmons, former Gamma Tau actives are at Minnesota this year.

Plans are being formulated for a rummage sale to raise money. Betty Bristol, social chairman, is making plans for our annual fall informal dancing party November 16.

Jane Brown forfeited the opportunity to spend time in Chicago on her return from province convention in order to give a convention report at the banquet. Betty Farnham was in charge of invitations. Isabelle Barrett did her usual good work at table decorations and place cards.

Fargo alumnae were especially glad to have as their guest at the banquet Mrs. Harry I. Dodson (Elizabeth Wink, M) who with Mr. Dodson, Σ X, is in Fargo, temporarily, at the Gardner hotel.

The alumnae did their usual part in rushing by helping the girls with the luncheon, the dinner, and the tea. The formal tea was at the home of Mrs. John Woledge (Julia Rindlaub) and pledging at Mrs. Jay Simpson's (Lillian Pearson's) new home on Eighth street, south.

### Cedar Rapids—Established 1919

With a large number of alumnae spending every available moment on activities of the Junior League and the Community Players, the setting of a first fall meeting date convenient for 15 members was a major triumph. Harriet Sargent and Mrs. R. F. Torstenson (Ellen O'Flaherty) were hostesses at the supper meeting October 22, and Harriet, who spent the summer months traveling in Germany, Austria and Italy, talked of her experiences. A colorful story of her trip was told in the original water colors and oils she displayed.

Discussion of several money-making schemes for the year, and fixation of dues at \$1.50 until January 1 and \$2.00 following the first of the new year took place during the business session.

Mrs. William B. Miller (Jane Bolton), was kept busy following the meeting opening gifts for her baby son, Thomas Winfield Miller.

Cedar Rapids alumnae contributed to rushing at Beta Zeta by taking charge of an entire tea in September, aided by Mary Winslow and Helen Larimer of Cedar Rapids, active chapter members. Going from here were Mrs. Deane L. Adams (Gertrude Cameron), Mrs. Horace G. Hedges (Coleen Johnson), Mrs. Harold Trewin (Muriel Arthur), Mrs. J. L. Cooper (Catherine Reid), and Margaret Larimer. Those who stayed at home were busy making chocolate brownies for the consumption of rushees.

Vivien Buser was one of new members of the Junior League announced October 20. Vivien, by the way, has her own photographer's dark room, and recently she has been busy enlarging pictures for her neighbor across the street, Edward Murray, who has had a story accepted for publication in the *National Geographic*. Vivien's expert photographic technique may be seen in pictures to accompany Mr. Murray's story of his three

years of teaching in Istanbul, Turkey, and his long, enforced stay in Chinese Turkestan between north India and Russia while waiting for a Soviet visa permitting him to leave by way of Russia.

A travel story, *With Gloucester For Our Goal*, by Frances Westerfield, was published in the September 5 issue of *The Christian Science Monitor*.

Katherine Hurd writes fashions for the *Jayhawker*, our school annual. Katherine Ainsworth, Frances Nordlund, Barbara Humphrey, and Mary Frances Bartlett made the dean's honor roll last semester.

Our only party, to date, was open house, October 12, with Katherine Hurd, the new social chairman, in charge. December 7 has been chosen as the date for our Christmas party.

Evelynn Little is our new rush captain; Ruth Magerkurth did not return to school.

Fall initiation will be November 2. None of last year's pledge class failed to make her grades.

### Sigma—Chartered 1884

University of Nebraska, Lincoln, Nebraska

Sigma chapter has given every indication of living up to our expectations of another banner year on campus. Ivy day, May 1, Vir-

ginia Selleck was made a member of Mortar Board. She was also one of the two junior attendants to the May queen. Betty Mayne was elected president of the Freshman Associated Women Students' council, a women's self-governing body on this campus.

Jane Walcott and Dorothea Fulton were appointed to the editorial staff of the *Daily Nebraskan*. Marie Kotouc and Jean Walt were appointed to the staff of the *Cornhusker*, Nebraska yearbook. Margaret Straube had the lead in "The Bishop Misbehaves," the first play given this year by the University Players. Mary Jane Mitchell was elected to membership in Alpha Lambda Delta, scholastic honorary for freshman women. Jane Walcott was elected to Tassels, women's pep organization.

In carrying out our standards program for this year, we have already had two round tables; at the second several short book reviews were given, followed by a general discussion of favorite books. These informal discussions have been so popular we have planned to have one every two weeks. Our Mothers' club is another part of the standards program.

Panhellenic exchange dinners are an innovation this year; we had our first with Pi Beta Phi October 24.

Forthcoming social events for Sigma are the party for the pledges at the chapter house October 25 and the open-house honoring Omega Kappas and alumnae following the Kansas-Nebraska homecoming game November 10.

### **Des Moines—Established 1920**

This year Des Moines alumnae will get together the first Tuesday evening of each month for buffet supper meetings. Mrs. Thomas B. Moore, Jr. (Harriet Kirkwood) had the October meeting at her home.

It seemed good to have three of our most faithful older members there. Mrs. J. W. Cokenower (Katharine Stalford) is back in Des Moines after several years in California. Her reminiscences on the toast program at Founders' day banquet were a treat. Since 1892 she has been prominently identified with Chautauqua, being one of the directors who instituted the assemblies formerly held in Des Moines. Mrs. O. W. Follett (Edna Howell) is president of the Des Moines Womens club. This is the club's fiftieth year, and no effort has been spared by Mrs. Follett and her committees to make it worthy of the golden anniversary. Mrs. Reuel H. Sylvester (Ethel Newcomb) is quite well and busy again in the Iowa State Federation of Womens clubs. She is chairman of the American Home department, in which there are two divisions, home-making and family finance. Mrs. Sylvester conducts forums discussing these subjects with presidents at their district meetings.

### Gamma Beta—Chartered 1918

After rush week we were more exhausted than the rushees. One of the rush parties was themed on our favorite hangout, the College inn. Another was a tricky beer garden. A Mexican party reeked with local color. The preference banquet was Hawaiian, with native dances brought back from the islands by the summer cruisers of the chapter. The following week-end we entertained the pledges—with a buffet supper. But October 28 the tables were turned, and the pledges became waiters at a costume supper for the actives.

Maia, local equivalent of Mortar Board at the University of New Mexico, tapped these Gamma Betas: Marie Jenson, left, and, Elizabeth Zimmerman, right. Marie is chapter president and editor of "Lobo." Elizabeth is pledge captain and Theta Alpha Phi president.

Fall initiation had a novel note. We initiated Mrs. Power Logan, from the local at Monmouth, by proxy, into Alpha chapter. We entertained the initiates at the Founders' day banquet at the Country club. It was in the season's motif, with a huge corn shock and other trappings. A stunt by the pledges added to the merriment, and we adjourned for our first serenade of the season.

Mrs. Reid, chapter patroness, again gave

a tea for the actives and pledges early in October. Our first informal dance is booked for November 6, and the fall formal will be in December.

Because of the absence of several officers this fall, new ones were appointed by the standards committee: pledge captain, Elizabeth Zimmerman; sophomore representatives, Betty Huning and Louise Clayton.

Campus honors have already come our way. Betty Huning and Helen Emily Zimmerman were elected to the sophomore vigilance committee. Ann DeHuff was appointed secretary-treasurer of the Student senate; and Sara Reynolds, vice-president of W.A.A.

This fall, for one of our rush teas, we used the theme of Mother Goose rhymes. Alumnæ were dressed in appropriate costumes and about the lodge were cards bearing familiar nursery verses, revised to suit the occasion.

As the first of our Sunday seminars, we entertained relatives of actives and pledges. Many out-of-town guests were present.

We entertained Marie Jenson, Dorothy Lipp, and Betty Huning of Gamma Beta at a luncheon, October 12, before our football game with the University of New Mexico.

Our pledge dance, carried out in the Halloween motif, was given at the lodge, October 26.

Although our group disbands for the summer we were all delighted when our meetings were resumed this fall at Mrs. Beryl Ritchey's (Georgia Danks') cabin. Several of the active Delta Zetas attended, and after luncheon and entertainment they taught us some new Kappa songs.

Our October meeting at the house was a Chinese supper followed by a short skit performed by Delta Zeta pledges. ### Denver—Established 1900

The Alpha and Beta alumnae had their first fall meetings separately in September. The Alpha group met at Mrs. John Moore's (Dorothy Westby's) home, and the Beta group met at Mrs. Frank Briber's (Rachel Cunningham's) home. During the year we are planning to have four joint meetings, and to have speakers at these particular times. In October at our joint meeting in Mrs. Cyrus Anderson's (Juaneta Fruth's) home, Eric Douglas, curator of the Indian art department of the state museum, gave a talk on Indian art.

The membership committee is hoping to increase the size of our association by offering with every membership a chance for a five-dollar book of Harry Huffman theater tickets free as a first prize, a two-dollar one for second, and a dollar one for third prize. All dues will have to be in by November 1, the day the blue book goes to print, and the drawing for the prizes will take place at the November meeting. To date our membership numbers a little over 100.

### Delta Eta—Chartered 1932

#### University of Utah, Salt Lake City, Utah

Delta Eta starts off the year amid honors and offices. A lovely silver loving cup has been added to our collection as a reward for our efforts in the song-fest last May.

We also came out on top in the "Gayeties," a series of skits put on by the women's organizations on the campus "with apologies to Jack Benny."

Margaret Millick was honored with membership in Phi Kappa Phi, and our newly-elected president, Edwina McGhan, was elected vice-president of the Presidents' club.

Adele Parks, Ester Stevenson, Francis Wilson, Elaine Elggren and Edwina McGhan have recently become members of the Trotters club, the riding organization of the university.

Our Founders' day breakfast was October 13. Instead of wearing the usual blue and blue ribbons, we had blue and blue corsages, which we were proud to wear.

Although the important rushing season does not take place until the winter quarter, the machinery has been well oiled and is already working smoothly. During the summer several teas were given, rushees were entertained at luncheons, and several swimming parties were given.

Quite a few of the early Gamma Omicron alumnæ enjoyed a reunion this summer at a party given in honor of Mrs. Dean Nichols (Eileen O'Mara) by Helen Tyvold Carpenter. The guest list included several out-of-town Kappas in addition to the honoree, whose home is in Pendleton, Oregon. Among these

were Auril Williams Phelps from Baton Rouge, Louisiana; Emma Holland from Tucson, Arizona; Kathleen McLaughlin O'Mara from Manville, Wyoming.

During the last term of summer school Dr. Wilma Pugh, Γ O, acted as head of the history department. This winter Wilma will do historical research in Paris.

**Ardmore—Chartered 1927**

The Ardmore Alumnae association was active this summer in entertaining prospective rushees, beginning with a tea at the Country club, honoring rushees, their mothers, and Kappa mothers. The climax of the season was our annual dance at the club.

September 8 rush began at Norman and several groups from here went up for the parties. Mrs. C. B. Rossebo (Rudd Tate, B Θ), and Elgenia Moore, B Θ, who supervised the rush parties last year, were on the job again this year.

Our monthly luncheons at the club are still something to look forward to, for we not only get all our business matters settled, but also have a most enjoyable social "get-together."

Mr. and Mrs. Delbert Cather (Phyllis Stewart, B Θ) made their home in Ardmore during the summer.

We welcome Elizabeth Bagby, Θ, as a new member of our alumnae association.

**Oklahoma City—Established 1915**

As a part of its philanthropic work the association here has been giving assistance to a girl in the county home. Clothing was bought for her at Christmas last year and in the spring before her graduation from junior high school. We were delighted when at the graduation exercises she was awarded the Daughters of the American Revolution citizenship medal for having made the highest grade average of any student through the three years in junior high school. The association sent her to summer school to take a business course and she again carried away the highest mark given any student during the session. More clothes were bought for her this fall and we hope she will do as well in senior high school.

Many Oklahoma City Kappas attended the Founders' day banquet at the chapter house in Norman. As always it was a delightful and inspiring occasion.

We are working on and looking forward with enthusiasm to the style show which we are to give during the Christmas holidays for one of the largest department stores here.

The registration tea October 2 was at the

home of Martha Lake Dudley, with the officers of the association as hostesses. We were happy to welcome Mrs. Jack Reirdon (Lo Rene Taliaferro, Γ Φ); Mrs. Philip P. Weidlein (Nina Harris, Γ Α); Mrs. O. H. Rundell (Virginia Reid, Γ Ν); Mrs. Joseph P. Roetzel (Genevieve Porta, Θ), and the following Kappas from Beta Theta: Mrs. Guard Marvin (Annette Jacobson), Mrs. Lynn Bullis, Jr. (Marjorie McIntyre), Rose Marie Cooley, Barbara Jo Taylor, Margaret Holtzendorff, Mrs. Hubert H. ### **Tulsa—Established 1922**

The Tulsa Alumnæ association began the fall activities with a registration tea at the home of Mrs. J. Eben Hart (Marthel Mayes, Β Θ). Mrs. David Hutchcraft (Gertrude Pruitt, Μ), chairman of the year book committee, was busy getting everyone properly registered. There are 49 active members and 11 associate members this year.

The Founders' day banquet at the Junior League tearoom revealed undiscovered talent. Major Bowes' amateur hour was presided over by Mrs. Richard Lloyd Jones (Georgia Hayden, Η), a most effective Major Bowes. Imo Jean Pape, Β Θ, was dramatic and full of gestures as she gave her recitation of "The Charge of the Light Brigade" and the audience was in hysterics. Florence Lloyd Jones, Η, sang an original composition which was a most amusing take-off on the different members of the group; she was accompanied by Juanita Carlson, Β Μ, who later sang a parody on "Melancholy Baby," with Mrs. Norman Hulings (Mildred Marr, Β Θ) at the piano. Mrs. John Old (Helen Shields, Ω), Mrs. Kenneth Keenan (Ruby Thompson, Β Θ) and Mrs. J. Eben Hart (Marthel Mayes, Β Θ) did a "Clara, Lu and Em" skit. All this on top of a delicious turkey dinner, interspersed with

Kappa songs, made an evening long to be remembered.

### **Fayetteville Association—Chartered 1931**

Members of our association have naturally been most interested in the new house which is now occupied. The alumnæ problem has been the planting of appropriate shrubbery, for which project we have enjoyed the services of Dr. Cooper, who teaches landscape architecture at the University of Arkansas.

The house is exemplary of the careful work with which it was supervised so effectively. Miss Reid, Kappa architect, and Jimmie Porter, of our association, worked unceasingly to prepare the house for the attractive decorating, done by The Chimney Corner of Dallas.

We are anticipating a visit from Clara Pierce in November. We feel that without her advice and sound suggestions, the gigantic task of working and the many details could never have been accomplished. We are so glad that she is to have an opportunity to see it completed. We hope to show our appreciation in some way during her short visit.

Mary Peel, former member of our association, has accepted a position with the government, with headquarters in Little Rock. Her sister, Zillah, is teaching in Ft. Smith.

Mrs. Martin Chamberlain, whose husband is Captain Chamberlain of the University of Arkansas, is a new member. She has just been named Panhellenic representative from our alumnæ group. Captain Burt, also on the University of Arkansas military staff, is a brother-in-law of Kappa's famous Della L. Burt.

Jimmie Porter is to be the featured speaker at the December meeting of the Fayetteville High School P.T.A. Her subject is "The Library, an Open Door."

Alletah Dickenson has been named Arkansas president of Quill and Scroll, journalism honorary society.

Our hearts were saddened by the death of Claudine Brannen, who passed away early in October. She was a loyal Kappa, and one who gave the last few months of her life to Kappa service. She was active in planning rush activities this fall, and gave her home for the parties during rush week, the new house being incomplete. We have lost a true and faithful Kappa.

**Dallas—Established 1919**

The October meeting was a registration tea at the home of Mrs. W. Hugh Johnson as hostess, and Mesdames T. A. Rose, R. S. Shapard and Colby Smith, Jr., assisting. The idea, a steal from the Oklahoma City association, was one of many helpful suggestions gleaned at province convention last spring. It proved to be an efficient plan which readily disposed of the necessary business of completing registration and collecting dues.

Added to the pleasure of seeing former members again was that of welcoming the following new ones: Mrs. George Burgess (Mary Virginia Barron, B Ξ); Mrs. Arthur Clark (Annabel Couper, B Ξ); Mary Craig, B Ξ; Mrs. Raymond Myers (Lulu Woods, B Ξ); Mrs. Ide Robinson (Jeannette Abney, B Θ); Mrs. E. H. Van Patten (Irene Patnoe, T); Mrs. Dudley Taylor, Jr. (Dorothy Davis, B Ξ); Mrs. Nelson Waggoner (Norma Coke, B Ξ). The last two mentioned are recent brides.

Under the leadership of Adrian Rose the association has raised \$62.50 for a probable Christmas donation to the Rose McGill fund, the chief interest of the association this year.

Two recent meetings were a breakfast and a tea. The former was at the country home of Mrs. John W. Carpenter (Flossie Gardner, B Ξ), and the latter at the suburban home of Mrs. Grover Adams (Lola Neeley, Σ). The breakfast has been an annual event for several years. The tea was in honor of the teachers of the association.

The officers for the year are: Mrs. Nat G. Guiberson (Eulavelle Sweetland, B H), president; Mrs. Colby Smith, Jr. (Nancy Baker, T Φ), vice-president; Mrs. Grover Adams (Lola Neeley, Σ), recording secretary; Elizabeth O'Beirne, T Φ, treasurer.

On pledge night there was a short reception for parents and friends followed by open house with dancing until 12 o'clock.

The alumnae of Beta Pi gave the chapter their annual spread October 14, and entertained us with a short skit. Our social committee is making plans for a tea October 31 for Mrs. Patton, our new house mother.

Margret Campbell, B II

When we returned this year we were pleasantly surprised to find the town girls' room completely redecorated and refurnished in a modern style. For this, a vote of thanks to our Mothers' club!

Peggy Brownell and Jane Brotherton were elected last spring to Mortar Board. Margret Campbell, a sophomore, was one of the 14 students in the university awarded faculty medals for having received straight "A" all last year. Valerie Ellis has so distinguished herself in drama that she was given the lead in the "Pursuit of Happiness" which is to run at the university's Studio theatre until Christmas. First of all Greek letter sororities on the scholarship list—for last year—was Kappa!

Sixteen Kappas gathered together October 16 for the first meeting of the fall at the home of the new association president, Mrs. Howard McCormack (Beatrice Morrison). There will be four meetings during the year, instead of monthly meetings as has been the custom.

Two new members were welcomed into the association: Mrs. John Bolinger (Shirley Goodwin), a recent bride, and Jeanne Eagleson, who is teaching her first year at the Annie Wright seminary.

After luncheon and a business meeting, Mrs. Martin Gallwas (Marjorie McLean) read the 1936 Pulitzer prize play, "The Old Maid," and Mrs. B. E. Buckmaster (Dorothy Griggs), Girl Scout commissioner, gave a description of her visit in San Francisco during the recent national Girl Scout convention at which Mrs. Herbert Hoover was elected national president.

### Montana—Chartered 1919

Our first meeting of the year was September 10, at the Kappa house. Before the business session, Mrs. Keith, Kappa house mother and also a Kappa mother, showed us the many improvements made in the house during the summer. At this meeting, it was decided to hold alumnae meetings on the second Tuesday of each month instead of the second and fourth Tuesdays. In addition, we plan to have three get-together buffet suppers during the year, with the actives.

Grace Leary, B Φ, and Helen Zebelin, B Ω, lived at the Kappa house while attending summer school at the University of Montana.

In July, at Great Falls, Grace Barnett, B Φ, won the Montana state women's golf title for the sixth time.

Our younger alumnae have scattered widely this fall. Mrs. Davidson (Evelyn Hemgren), with her infant daughter, has gone to Washington, D.C., to join her husband, who has been in business there this summer. Helen Bateman is in New Haven, working for a master's degree. Marjorie Fee is spending the year at the University of Chicago, studying for a master's degree in social science. Virginia Graybeal is employed in the tick laboratory in Hamilton, Montana. Katherine Borg and Ruth Polleys are both teaching in Montana, the former at Corvallis and the latter at Inverness. Helga McArthur is teaching in the American school in Shanghai.

Five pledges were initiated October 12. A luncheon attended by actives and alumnae celebrated this occasion. The luncheon was also honoring Founders' day.

A true Kappa son was born to Mr. and Mrs. William Calloway (Boone Rossiter, B Φ), Founders' day, October 13.

#### University of Oregon, Eugene, Oregon

Beta Omega and Gamma Mu (Oregon State) look forward each year to the annual Founders' day banquet, at which the chapters entertain each other alternate years. Beta Omegas were guests of Gamma Mu this year October 14.

Ann-Reed Burns, outstanding senior in the journalism school, was chosen to represent the University of Oregon in the Sifters, a national organization which selects annually two members from each state college or university. The purpose of the club is to create interest in the study of state tax problems and to foster a closer cooperation between college students and state governments.

Friends and acquaintances of Dagmar Haugen, last year's chapter president and winner of the Kappa fellowship for work in the arts, were happy for Dagmar's opportunity to study at Johns Hopkins university this year.

Active musically among the pledges are Marjorie Bates, who recently pledged Phi Beta, national music and drama honorary, and Molly Bob Small, pledge of Tau Delta, local underclass society of Mu Phi Epsilon.

Patricia Neal was active as chairman of the Y.W.C.A. membership drive this fall, and Hallie Dudrey and Gayle Buchanan were elected to Kwama, sophomore women's honorary.

In the fall social calendar the annual pledge dance, at the chapter house November 16, was outstanding. Chairman of the affair was Laura Edmonds, carrying out a unique hunt club motif.

### Eugene—Established 1921

At our monthly meeting the evening of October 7, the following officers were unanimously elected: president, Mrs. Ivan Ware (Lora Teschner); vice-president, Sue Hurley.

New members welcomed by the group were: Mrs. Neil Saling (Irene Hazlett, Γ M); Mrs. Alton Hakanson (Margaret Weed, B O); Nancy Archbold, B O; Sue Hurley, B O; Florence Jones, B O.

A tea was planned to honor the mothers, new pledges, and actives. It is to be at the Beta Omega chapter house October 30.

Arrangements are being made for the annual distribution of Thanksgiving baskets.

Plans were made to sponsor a rummage sale in cooperation with other alumnae associations in Eugene. The funds derived from this sale are to be used to create a revolving fund for the purchase of books for deserving women students at the University of Oregon. Mrs. C. L. Schwering (Hazel Prutsman), dean of women, reported that there is an extreme need for such a fund and suggested the plan.

### Portland—Established 1919

The Portland Alumnae association was the guest for its Founders' day dinner and first fall business meeting, October 14, at the home of Mrs. Allan Hopkins. We had 70 members present.

November 6 was the day set aside for our annual rummage sale.

The following officers were elected last spring for the coming year: president, Mrs. Ralph Schlegel; vice-president, Mrs. William Scott; secretary, Mrs. Omar Palmer; treasurer, Virginia Insley; corresponding secretary, Margaret J. Engel; and cataloguer, Dorothy Cole.

Undoubtedly the most important thing that has happened this fall has been the appointment of Mrs. Louis Gerlinger (Beatrice Lee) to the office of province president.

The association was successful in sending two high school girls to summer camp for two weeks each.

We are looking forward to our next meeting when we are to be the guests of Gay Hamilton, November 19.

Twenty-seven girls are back this year, a record for us. Dorothy Hanzell Burley, transferred from Delta Eta at Salt Lake City, Utah, to Beta Kappa chapter.

Eleanor Echternach was elected secretary of the senior class and Beth Bothwell treasurer of the freshman class this fall.

After our Founders' day banquet we had the alumnæ take charge of chapter meeting. They went further and recalled our freshman days for us—we stunted!

Our pledge dance, October 26, carried out the toyland theme. Varicolored letters of the alphabet were on the walls and gum drop trees guarded the corners. The programs were of blue and white checked gingham.

### Boise—Established 1921

The outstanding events of the fall activities were the annual party, September 8, in honor of girls who planned on entering college, and our celebration of Founders' day.

The party was a buffet supper at the Owyhee hotel. A boat motif was used. Dorothy Cage was in charge, assisted by the active girls.

Mrs. Frank G. Ensign (Ann Plank) and Mrs. Harry M. Jones (Louise Clamby) were hostesses for the no-hostess dinner (Isn't that a paradox?), with which we celebrated Founders' day at Ann's home, with 25 present. Kappa songs were led by Mrs. M. C. Thometz (Lucy Davis), and Mrs. Earl W. Murphy (Kathryn Hartley) told of projects of the national organization. Activities of the girls at the University of Idaho were discussed by Mrs. H. Allen Young (Zelda Newcomb), and Eulene Martin told about girls recently pledged at the university.

The resignation of Mrs. William Tatro (Lela Code) as recording secretary has been accepted with regret and Mrs. L. J. Peterson (Irene McBirney) elected in her place.

At our September meeting many of our members had the pleasure of greeting Mrs. E. B. Foran (Virginia McCrea) of Texon, Texas, who happened to be passing through Boise at that time. Mrs. H. E. Makin (Marion Leach, B Ω) has recently moved here from Baker and joined our group.

### Gamma Gamma—Chartered 1918

Whitman College, Walla Walla, Washington

A most successful Panhellenic innovation in rush, one week of concentrated rush previ-

ous to the opening of school, under the leadership of Peggy Oliver, T Γ, Panhellenic president, was climaxed for the Kappas at a dramatic formal banquet at the Country club, September 22. After this J. Ankenys' threw wide their doors for an informal fireside. The next day, in Margaret Shuham's garden, the girls were pledged.

Pledge officers are: Dana Coleman, president; Jean McCrea, vice-president; Polly Drake, secretary-treasurer.

Initiation, October 26, was preceeded by an informal fireside service at the home of Elizabeth Jones.

No optical illusion is involved, but here are five girls and six presidents! Gamma Gamma Kappas at Walla Walla divide campus honors left and right and left to right, as follows: Dorothy Fiala, president of Dramatic club; Louise Fee, president of French club; Margaret Charters, president of Arrows, sophomore women's honorary; Peggy Oliver, president of Panhellenic; and Carol Hill, president of Mortar Board and Women's Self Government.

More about Gamma Gamma's sextuplet of presidencies: Carol Hill, president of Women's Self-Government and Mortar Board, journeyed south as Whitman chapter of Mortar Board's delegate to the national convention at Lake Lure, North Carolina, this summer. Mu Phi Epsilon, national music honor society, recently chose Carol for membership. Peggy Oliver, Panhellenic president, will also wear the Mu Phi pin.

*Wailatu*, junior year book, will be published under the editorial pens of Peggy Kelly, associate editor; Georgia Mae Wilkins, copy editor; Margaret Charters, activities editor; and Elizabeth Storie, rewrite editor.

A.S.W.C. programs of entertainment and education will appear under the direction of Peggy Walker.

Recently installed officers are: Ethel Brown, president; Frances Toner, treasurer;

Betty Weathermon, pledge captain; Inez Warrell, recording secretary; Vivian Smith, registrar; social chairman, Margaret Shuham.

"So good that they could not be eliminated" were five pledges, who constituted one-third of the membership of Ye Talke Shoppe, freshman debate society. They are Georganne Baber, Dorothy Coulton, Florence Martin, Betty Ann Johnson and Jean Morgan.

Complete charge of the freshman style show went to Marvel Kelly; music was by the Kappa pledge trio: Jean McCrea, Roberta Hughtett and Barbara Kidder.

Hunting and trapping season gave us bullets for programs for the first informal of the season, October 5. October 20 our pledges brought the outdoor spirit into our newly-decorated chapter room for the tea at which we entertained 90 guests, including mothers, alumnae, patronesses and faculty wives.

## Walla Walla—Established 1918

September 10 Charlotte and Margaret Reynolds invited us to their country home for the first meeting of the fall. We were pleased to greet Mrs. Francis Mann (Helen Neale,  $\Gamma\Gamma$ ), a former Walla Walla resident.

We are proud to announce an addition to our group—quadruplets: Merridy Reaser, Elizabeth Harris, Jean Glafke, and Mary Elizabeth Ennis, all from the class of '35 at Whitman college, are bringing us new ideas and true fraternity spirit.

Answering the "challenge" in outside fields: The new book, "American Women," listing women of the nation who have achieved distinction in their various pursuits names two Kappas from Gamma Gamma—Nettie M. Galbraith, educator, and Ruth S. Reynolds, librarian.

Mrs. Carl Habenstreit (Marjory Stirling), assisted by Mrs. Ralph Smethurst (Dorothy Chandler) had charge of a large benefit fashion dinner at the Marcus Whitman hotel in Walla Walla September 18. Eight of the 15 models were Kappas.

A formal banquet at the country club September 21 climaxed a week of perfect rushing for the active girls at Whitman college. Twenty-one of the alumnae attended, to be entertained by a "symphony of keys," with Mrs. Ralph Smethurst (Dorothy Chandler) as conductor.

Reservations totaled 100 per cent for our October 8 meeting—a Mexican dinner. Gwen-

dolyn Ramseur, Myrtle Falk, and Faye Hamm as hostesses at the home of Gwendolyn Ramseur even had hand-made Mexican hat place-cards to top it off.

We are planning a large tea for Kappa mothers, friends, and patronesses November 6.

**Pullman—Chartered 1930**

Last spring we entertained Kappa mothers, and later seniors of Gamma Eta. In July, Mrs. Howard Hughes (Charlotte Jensen, Γ Γ) entertained local Kappas and those attending summer school.

During the summer Mrs. Town Stephenson (Mildred McFall, I) visited her parents in Rushville, Indiana. Elsie Fletcher, Γ H, art instructor, visited in California and studied in New York and Connecticut. Belle Wenz, Γ H, pharmacy professor, was a delegate to the National Pharmaceutical association meeting in Portland. Margo Frisbee, B Z, sociology instructor, studied at the University of Minnesota and visited her parents in Sheldon, Iowa.

Our October meeting was with Mrs. Stephenson with one new member present, Jean Fraser, Γ H, teaching-fellow in English. Mrs. Howard Mathaney (Ella Olsen, Γ H) is again in Pullman. Mr. Mathaney was recently appointed a teaching-fellow in mathematics. Mrs. Osmer Waller (Belle Brown, K) has moved to Seattle, to make her home with her daughter after Dr. Waller's death in August. Dr. Waller was vice-president emeritus of the State college.

**Olympia—Chartered 1934**

Late summer found us picnicking at the home of Mrs. C. R. Bordeaux on Puget Sound. Our honored guest was Margaret Curtiss, Γ Γ, who with her family has moved to New York. She is at present enrolled at Mount Holyoke.

Mrs. Alfred Harsh has moved to Seattle, Washington, and Virginia Newland recently moved to Spokane, Washington.

We are happy to welcome three new members into our group: Mrs. James Yenny (Catherine Hoxsey, Γ Γ), Mrs. E. L. Massey (Neva Martin, Γ Γ), and Florence Fletcher, Γ H.

Our first fall meeting was a social meeting at the home of our president, Mrs. James P. Neil (Louise Root). It was decided that varied programs would be included at each of the meetings for the coming year.

October 15 we met with Mrs. Harold Silke. An interesting book review "Within This Present," by Margaret Barnes, was given by Mrs. Neil. Tentative plans were made for a dance during Christmas vacation while students are at home for the holidays.

Although our group is young and not so large, we are proud of the number of schools represented: University of Washington, Washington State college, Whitman college, University of Montana, University of Oregon, University of Arkansas, and University of Colorado.

**Everett—Established 1926**

Last June Emily S. Bergman's father, Mr. Sturdevant of Seattle, a collector of antiques, visited our meeting and talked on his interesting hobby. He brought glassware for us to see. We had previously decided to study antiques in our 1935-36 meetings and this gave us additional enthusiasm.

Marion Vester, our new president, and Grace Williams attended the Iota province convention in April. Since then the Everett alumnae have been eager to advance a worthwhile program for underprivileged girls. Plans are to sponsor a Camp-Fire group for the coming year, with a guardian from our alumnae organization. By next summer we hope to have raised enough money to assist these girls in attending a camp for a week.

**Gamma Mu—Chartered 1924****Oregon State College, Corvallis, Oregon**

Gamma Mu entertained Beta Omega Founders' day with a banquet at the Benton hotel. Jean Parmen, Γ M, president, presided as toastmaster. "The Aims of Kappa" were outlined by Helen Maaranen, Γ M, while Marian Needham, Ω, University of Kansas, spoke on "The Origin of Founders' Day." Immediately after the banquet, the Gamma Mus conducted the Beta Omegas through our new chapter house.

At present the chapter is planning a dance in honor of the pledges, November 15. We are also putting in earnest effort on a house sign

for homecoming week-end, trying to better our second-place record of last year.

Gamma Mu was honored by a visit from Mrs. Beatrice Gerlinger, Iota province president, October 18.

Our pledges have commenced their activity work early in the year. Dorothy Buell and Jane McHenry were elected president and secretary, respectively, of the Y.W.C.A. freshman social commission, of which Mary Louise Olliver is adviser. Mary Louise was elected grand worthy adviser of the Order of Rainbow for Girls June 23, at which time Gamma Mu chapter presented her with a gold evening bracelet.

### Wenatchee Valley—Chartered 1924

The first fall meeting of the Wenatchee Valley Alumnae association was October 4 at the home of Mrs. John Welland (Mary Hurd, X) with Mrs. Carl Nelson (Alma Smith, Γ Γ), vice-president, presiding.

The resignation of our president, Mrs. B. R. Phipps (Katherine Milliren, Γ H), was read and accepted. Because of illness Mrs. Phipps has been forced to take no active part in the association for the coming year. Mrs. Carl Nelson was unanimously elected president. Mrs. M. F. Roys (Ruth Martin, Γ Γ) accepted the office of secretary which had not been filled at the spring election.

Plans were discussed for the winter meetings, each member having previously received by mail a complete list of meeting dates with

hostesses and program chairmen given for each.

October 25 we meet with Mrs. James Greene (Bernice Gellatley, B II) in Cashmere.

### Vancouver, B.C.

The winter program of the alumnae association is already under way. The work with underprivileged children at an east-end school is in full swing with Mrs. Arthur Lord (Myrtle Kilpatrick) convening the committee who carry it on. This winter in addition to the actual work, the committee is planning to form a study group under a trained leader who specializes in group work.

To raise funds for this work the annual Kappa cabaret was given October 11. This has come to be recognized as a major social function and under the able leadership of Mrs. Donald Lauder (Dorothy Bowen) with the assistance of Isabel Dowler, Eleanor Gillies and Alice Morrow as sub-convenors, this year's cabaret proved a success both socially and financially.

October 13 the alumnae entertained this year's rushees at the final tea at the home of Alice Morrow.

### Honolulu—Chartered 1924

The past year has been one of renewed activity for the Hawaiian association. We closed the year with a picnic at the Kaneohe bay home of Mr. and Mrs. R. K. Thomas. Because we kept hearing rumors of visiting Kappas we had a tea for them at the Halekulani hotel the last of July. To our amazement 19 guests arrived and were served in a

typical Hawaiian setting on the lanai of the hotel made famous by the book—"The House Without a Key." Throughout the whole year we have had one or more tourist guests at our meetings and enjoy these contacts with mainland Kappas.

Several new arrivals who are members of Kappa Kappa Gamma are expected this fall and we are anticipating an interesting year. Mrs. Arthur Brown (Rebecca Martin, B N)

is our president and Mrs. R. K. Thomas (Ruth Robbins, Δ) our treasurer.

Our meetings each month are joint hostess teas in the homes of our members. Each member attending pays 25 cents to the treasurer.

We are looking forward to more tourist Kappas, so look us up if you come to Hawaii!

Beta Eta's building and improvement program, so admirably started in the summer of '34 by the addition of a new wing to the chapter house and furthered during Christmas

ship between chapters and has helped to strengthen a tradition of inter-chapter relationship which we sincerely hope will continue.

Stanford's annual "conference party," which is designed as an introduction between new women coming to the campus and those who are returning, gained for two members of Beta Eta, Joan Brandel and Mary Belford, the distinction of outstanding originality in costume design when they appeared in a unique partnership representing a horse.

At Black Point, five miles from Honolulu, these Kappas of the Hawaiian association had their pictures taken. From left to right they are: Mrs. Arthur Restarick, Esther Eifferts, Mrs. R. I. Herbert and Mrs. D. A. Stevening.

vacation of that year, was continued this summer in the redecoration of a large upstairs hall and several bedrooms. The perpetually renewed atmosphere of the house has been amplified by the entrance of the new sophomore class into the fraternity domain.

The week-end of October 11 marked a tragedy in Stanford football history when we were overscored rather than defeated by the U.C.L.A. Bruins. However, the event of a game between the universities was also a milestone in the amalgamation of the two Kappa chapters, for almost without exception the entire group of our southern sisters motored north to attend the game and spend the week-end. The result was a most encouraging recognition of the merits of closer friend-

of the year, at the Mt. Diablo home of Mrs. F. F. Thomas, Jr. (Alice Paine, II). The day was the kind for which California is famous and we had luncheon served on small tables in the patio. After luncheon we had an informal business meeting and social hour.

We celebrated Founders' day October 12, with a luncheon at the Berkeley City Women's club. Mrs. Alfred McLaughlin (Emma Moffat, II) spoke beautifully on what the fraternity has meant to her; Mrs. John A. Flick (Beatrice Ludlow, II) gave a short talk on Kappa history; and Lutie Draper, president of Pi chapter, told us about the activities of the actives. However, the most joyous part of the event was that we had Eleanor Bennet back with us.

Her health is greatly improved and we hope she will be able to attend all our gatherings.

### **Palo Alto—Chartered 1924**

The members of this association are looking forward to an interesting year. We are to have our monthly meetings at the Beta Eta chapter house, and are sure that this will bring us not only in closer touch with the active chapter but will give us a deeper insight and interest in the problems and work of the fraternity as a whole.

Stanford university has until last year restricted the number of its women students to 500. Now there are over 1,000. This has made great readjustments necessary. The university permits only 30 women resident in a sorority. Many Kappas, both graduate and undergraduate, from other chapters are coming to Stanford, and the members of the alumnae association feel that they want to know these Kappas, but it is difficult to find them. If their chapters would cooperate in telling us of their coming we would be grateful.

### **Sacramento Valley—Chartered 1935**

It is with a great deal of pride, that Sacramento, California, Kappas announce the formation of an alumnae group. Through the successful efforts of Mrs. Arnold Waybur (Marjorie Stanton), in reaching local Kappas, 20 gathered in her home April 8, 1935. We were fortunate in having Mrs. E. R. Belton (Marion Duncan), province vice-president, with us to help in our organization. May 20 we had our second meeting in Hotel Senator at which time a petition for charter was signed and the following officers were elected: president, Mrs. H. S. McDuffee (Mildred McKeel, X); vice-president, Mrs. M. J. Dillman, Jr. (Winifred Cornell Jewett, II);

treasurer, Mrs. A. R. Waybur (Marjorie Stanton, II); recording secretary, Mrs. Albert E. Smith (Mary Shaw, II); corresponding secretary, Mrs. L. M. Jeffers (Zola Green, E); members at large: Mrs. Elson Glide (Doris Martens, II) and Mrs. George T. McCoy (Edith Wilson, I I).

Our president, Mrs. McDuffee, is a past president of Sacramento branch, American Association University Women.

June 12 Mrs. C. C. Van LobenSels (Helen Adelaide Ellsworth, Ψ) entertained us at luncheon in her ranch home, about 30 miles from Sacramento. We had no more meetings until October 1, a no-hostess luncheon and business meeting in the new Y.W.C.A. At each meeting we find new Kappas, our enthusiasm increases, and we know that five meetings a year, for which we have now planned, will not be often enough to make up for the years since we were "actives."

In our group we have Kappas from Pi, Beta Eta, Beta Omega, Gamma Gamma, Chi, Sigma, Epsilon and Psi. Our next meeting will be an informal tea in the home of Mrs. N. C. Templeton (Lora Henrietta Pratt, II) at which we hope to meet our province vice-president.

Our San Diego exposition is almost over, and most of us are gasping for breath from our numerous house guests "from the home town." The fair was certainly enjoyable and interesting, and all of us went along with our out-of-town visitors to see everything to be seen.

The Panhellenic group of San Diego sponsored a style show in the exposition grounds, and Kappa did her share in making it a success.

Our Founders' day banquet was at Vincent's tea room with the traditional blue and blue in the decorations on the table.

We were pleased to hear that Jane Williams, daughter of one of our members, was pledged Kappa at the University of California at Los Angeles.

We are looking forward to our November meeting at the home of Mrs. Frank Dodge, Ξ, where groceries and canned goods will be collected for Thanksgiving baskets for the poor.

### Gamma Xi—Chartered 1925

#### University of California, Los Angeles, California

Having waved a sprightly farewell to our lucky erstwhile KEY correspondent, Dorothy Calhoun, who is off to the Sorbonne, we hesitatingly face the task of filling her shoes. Most of the news is dominated and colored by our pledge class, presented to an expectant campus October 3. Next news of importance is the fact that our chapter room is newly decorated.

Kappas and Thetas enjoyed together a fashion show at the Kappa house October 7. Kappas modeled the dashing creations loaned for the occasion by a down-town store. Much laughter, as well as admiration, was occasioned by the deportment, decorous but not always professional, of the models.

There was a general exodus up the coast for the Stanford-U.C.L.A. game October 11. Trains, buses, cars, and airplanes—in fact, everything but boats (the time-worn S.S. *Yale* having finally given up the ghost)—bore U.C.L.A. students northward, with 31 Kappas in the throng.

A tea for our new house mother, Mrs. Van Brunt, was given October 16.

President Geraldine Chesebro and House-manager Rebekah Smith were initiated into Tic Toc, social honorary sorority. Geraldine Chesebro was elected to Pi Delta Phi, French honorary. Barbara Dorr and Patricia McLellan were initiated into Spurs, sophomore service organization.

Our last meeting of the year, May 13, started

out as an evening garden party, but due to too much "competition" from "old man weather," ended indoors. Included in our business session was a report from our province convention delegate, Mrs. Henry Stevens (Eleanor Cunningham), recently returned from Berkeley. Also, those of us who were fortunate enough to go, reported a pleasant visit last month in Tucson, where we were luncheon guests of the Tucson Alumnæ association at the new Gamma Zeta Kappa house. The remainder of the evening was spent at bridge, Mrs. George Sampson (Belle Barton) winning high score. Hostesses were Gwendolyn Ballard and Mrs. Paul Westerlund (Marguerite Morairy).

Officers elected at our April meeting are: president, Mrs. John McAtee (Robbie McCall); vice-president, Inez Wood; corresponding secretary, Mrs. Paul Westerlund (Marguerite Morairy); recording secretary, Ethel Fisher; treasurer, Betty-Ann Beck.

New members of our association are: Edna Arnold, B T, a new member of the personnel staff of West Virginia university; Veta Williams Smith (Mrs. J. Helen Kimmel, Marjorie Harrison, and Jean Luckie were chosen delegates to the province convention in Washington October 25-26. In addition to these, five other girls attended the convention. Mrs. Richard Shryock, director of provinces, paid us a visit immediately following the convention. She was entertained at an afternoon tea, and shown the famous restoration of Williamsburg. We thoroughly enjoyed having Mrs. Shryock and hope she will visit again soon.

October 20 a reception was given for the pledges. Gamma Kappa's pledge class is the largest on campus. Recently Wayland Stone, pledge, was elected secretary-treasurer of the freshman class.

The chapter has affiliated Corinne Bloedorn from the University of Colorado and Marjorie Bach from the University of Arizona.

**Gamma Chi—Chartered 1929**

**George Washington University,  
 Washington, District Columbia**

With the excitement and thrills of rush week hardly over, Gamma Chi is looking forward to the province convention October 25.

Although we have had our pledges only one week they are showing true Kappa spirit and endeavor by entering into many activities. Marie McNeese is competing in the tennis finals; Beth King has been selected for the Glee club; Mary Anne Anderson, Doris Eason, Nancy Williams and Virginia Webb are aspirants for dramatic roles in the new Cue and Curtain play; Brooke Steuart has been appointed a member of the *Hatchet* staff; Dorothy Considine and Marie McNeese have entered the debate field.

On the active chapter's record for this term, Helen Bunten has been chosen editor of the *Cherry Tree*, succeeding Betty Bacon and thereby keeping the chain of Gamma Chi editors unbroken. Catherine Bright and Ruth Brewer have become senior staff members of the *Cherry Tree*. Kathleen Bulow has been appointed delegate of the junior college. Betty Bacon has been elected president of Hour Glass, honorary activities society, and Marjorie Sehorn is secretary-treasurer. Ruth Brewer is secretary of Gamma Eta Zeta, honorary journalistic society, and Helen Bunten is treasurer. Gussie Mae Hanley has been appointed director of the make-up department for Cue and Curtain.

Installation of officers was October 21. Beulah Kosters became recording secretary; Catherine Ahalt, marshal; Gussie Mae Hanley, social chairman; and Elizabeth Coale, music chairman.

We were all delighted to find so many transfers in school this year. We are especially grateful for their cooperation in rushing. The transfers are: Evelyn Harrison, Γ Ψ; Elizabeth Stillwell, O; Marguerite Norris, Γ Ψ; Frances Brainard, Γ Δ; and Helen Solvsburg, B Z.

**Washington, D.C.—Chartered 1924**

Strong is the urge to be going places and doing things at this particular time of the year, when the prospect of sunshine, flowers and the color of the southland and tropics are so attractive; and lucky are those persons who can "obey the impulse" and be off! Such is the good fortune of Hannah Hunt Stokes, I, who recently left for a cruise to Bermuda. Betty Gilchrist, Ψ, accompanied by her husband Raleigh and "Jerry," their new Boston terrier, didn't go south; but recently they had a trip to the famous "Finger" lakes in New York state and reveled in the beautiful fall colorings along the way.

Here in Washington the autumn woods are like a call to arms, challenging us to get out into the open. The members of the Washington, D.C. Alumnæ association answered this call with a supper meeting September 30 at the home of Mrs. Wm. S. Stein (Louise Hargreaves, Σ), in Chevy Chase, Maryland. After a summer's vacation, the serious business of seeing one's friends and planning something really worth-while to do together is a pleasant experience. Our first meeting of the year was attended by 60 members. Helen Hoskinson, B I, our new president, presided. The speaker of the evening was Dorothy Frazee Douglas, M, who enlightened us on the experiences of a policewoman in the District of Columbia. She related the aims, duties and accomplishments of such an official and answered the many questions propounded by the members.

Last year we inaugurated the idea of holding smaller group meetings in an effort to become better acquainted and at the same time add to our treasury. The first card party of the year was at the home of Mrs. Bernard L. Grove, Sr. (Catherine Jane, B Δ), October 9. Catherine will have charge of a series of such parties during the year. The second card party was October 22 at the home of Mrs. H. C. Sexton (Ruth Montgomery, M).

At a business meeting in the home of Mrs. Clyde M. Hadley (Edna Trueblood, M), October 17, we discussed plans for the Lambda province convention. Katherine H. Wilson, B T, was elected alumnæ delegate. At this writing we're all busy planning for the convention; but it's great fun, and we're looking forward to meeting new Kappa friends and renewing old acquaintances the week-end of October 25-26.

Winifred Faunce, Γ X, won the district of Columbia women's golf championship this summer. This is Winifred's second conquest.

Glamour and success—two words that promise to mean Gamma Psi in capital letters for the coming year. We have gathered the evidence, checked with the competitors, and now we await time to prove our contention.

We have engaged a new firm to represent us when the case is brought to trial. The positions after their names show our faith in them: Nancy Norment, president; Mildred Chapin, vice-president; Lucille Bennett, secretary; Janet Cartee, corresponding secretary; Geraldine Schuh, treasurer; Ruth Kreiter, pledge captain; Dorothy Millar, rush chairman; Betty Norris, marshal.

An opportunity to strengthen our position presented itself, and now June Barsley is secretary-treasurer of the Student government; Anne Padgett is women's representative of the senior class; Nancy Norment is historian of the senior class; Eleanor Broughton is secretary-treasurer of the Day-Dodgers league; and Ruth Krieter is woman's editor of the *Terrapin*.

The Mothers' club came through at the right time and redecorated the rooms of the house. Such generous and kindly help can better be appreciated by those who can see the improvements.

The alumnae are deeply interested in the welfare of the chapter. Last year, for the first time, they offered a cash prize to the girl showing the most marked improvement in scholarship. The prize was won by Peggy Langrall.

Glamour and success are already evident in the activities of Anne Carver and Louise Fenton. Anne was chosen "Miss Maryland," and Louise had the highest scholastic average (3.8) of the fraternity for the past year. For this scholastic achievement the name of Louise Fenton will be engraved on the honorary plaque which is kept in the chapter house.

**Delta Beta—Chartered 1930****Duke University, Durham, North Carolina**

This year we have our chapter room in the new Panhellenic house, built with the aid of the administration. We were glad to get in this fall in order to carry on our rushing there. The house was formally opened to the campus October 16, with an at home. June Langfitt, as president of the Panhellenic council, worked on this project.

Under the leadership of Nancy Peterson

we conducted a successful rushing season.

Four of our pledges, Clarinda Jackson, Elizabeth Pennell, Carroll Costigan, and Anne Hollmeyer, have joined the Neredian club, Duke honorary swimming society. Jean Kern has been asked to join Chi Delta Phi, national honorary literary society. Paula Bassett, member of the Student Government council, was selected by the council as a delegate to the Women's Intercollegiate Association for Student Governments, at Beaver college.

We were glad to have four transfers with us this semester: Betty Ann Hunt,  $\Gamma \Delta$ ; Barbara Blair,  $A$ ; Barbara Armstrong,  $B \tau$ ; Katherine Hadley,  $\Gamma X$ .

ISOBEL CRAVEN

**Delta Theta—Chartered 1933****Goucher College, Baltimore, Maryland**

Rushing season for Delta Theta started October 5 with open house. Second open house was October 14. Our next festivity, a farm party October 16, was its usual success. October 17 a tea was given in the home of Alice Doughton. That evening we entertained the freshmen with the owl night club, Alice Doughton being mistress of ceremony. Rushing season ended November 9.

Clarissa Howe, Helen O'Neill, Elizabeth Waters, Mary Settle, and Margaret Kaestner, alumnae, returned to assist at rushing.

Many members of Delta Theta chapter attended province convention in Washington the week-end of October 25. Alice Nye was leader of rushing and Panhellenic round table discussion; Jean Newmaker was our junior delegate, and Betty Bennett our senior.

We are glad to welcome Betty Davis,  $B \tau$  transfer, who was affiliated October 30.

Betty Miller has been elected secretary of the sophomore class.

Alice Doughton has been elected chairman of fraternity education, and Betty Blair corresponding secretary.

The alumnae have presented us with a lovely set of maple furniture for the study.

MARY LOUISE PETTIS

**Baltimore—Chartered 1926**

Among the large number who attended the first fall meeting of the Baltimore association October 7 at the home of Mrs. E. Kennerly Marshall (Alice Berry Carroll,  $B N$ ), we were delighted to welcome a group of recent graduates and several newcomers to Baltimore. We missed, however, some familiar faces. Katherine Ball,  $\Gamma \Delta$ , has left us for married life and New York. Katherine Dodge,

Phi, is teaching at the Borrow in Furnace school, England, under the exchange plan sponsored by the American Association of University Women. Although our roster already has more names than ever before, we are constantly hearing of new Kappas in town. Whatever the attraction in Baltimore may be, we are glad to see the association growing.

The appointment of Ruth Hocker, B P, as Lambda province president, replacing our own Elisabeth Bartlett, B I, gave us a unique opportunity to hear at first hand the plans for

the province convention, which, as I write, some of us are attending.

Following our usual custom we had as our guests at the meeting two members of Delta Theta chapter. This gives us a chance to meet the actives and hear their reports on the chapter and college in general.

### Beta Omicron—Chartered 1904

#### Newcomb College, New Orleans, Louisiana

Our two rush parties were most enjoyable. The first was a "gay nineties" party with everyone in costume. A style show displaying dresses and bathing suits of that age and an original drama in verse, "Little Nell," provided much merriment. The second party was a treasure hunt. The clues were puns or significant statements about Kappas living in New Orleans, and the clues were located at their homes.

Rush week Beta Omicron sent a delegation consisting of Betty Cutting, active delegate, Mary Louise Legier, Murray Pearce, and Nancy Reeves to L.S.U. to help the Delta Iota colony. We are planning to entertain the L.S.U. chapter at a luncheon November 30 preceding the Tulane-L.S.U. football game.

We were more than usually anxious to return to the scene of Kappa activities this year since our chapter rooms had been redecorated. The alumnae organization was instrumental in improving our surroundings.

With the year still so young, Kappa rises to the foreground, having two maids, Clara Williams and Eloise Colcock, in the beauty court which will reign over the homecoming festivities.

Debutantes in New Orleans include several Kappas this winter: Elizabeth Pipes, Geraldine Gaudet, Frances Musser, Nancy Reeves, Eleanor Harkey, Elizabeth Wheeler, and Jane Walker.

### *Engagements*

Nina DeBuys Denis to Foster Fournier, both of New Orleans.

Murray Pearce to John Hurley, Δ K E, both of New Orleans.

### Newcomb—Chartered 1922

The first meeting of our alumnae associa-

tion this fall was October 22, at Frances Musser's. Hostesses for the luncheon which preceded our meeting were Florence Smith, Mrs. Frank Rainold (Althea Wuerpel), Mrs. Durel Black (Marjorie Moss), Mrs. Louis R. Burbach (Barbara Baird Charles, Ψ), Lillian Dameron, Mrs. Newton Kerny (Cecil Mooney) and Mrs. Sumter Marks (Berthe Lathrope).

We are proud of our active chapter's rushing season, and hope that our help in remodeling their rooms entitles us to share some of their credit. Rushing was so short that we barely have had chance to know all of the freshmen. However, we are looking forward to meeting them at a tea which they have planned for us.

Our association is delighted to hear that grand council is planning to come to New Orleans and hope they will remain a few days with us.

### *Engagement*

Mary Bel Rogan to Linden Arthur.

### Delta Iota—Colonizing

#### Louisiana State University, Baton Rouge, Louisiana

This year we are most fortunate in having four Kappas as our co-organizers: Esther Collicott, B N, who was with us last semester; Leonna Dorlac, Δ Z; Marguerite Jenkins, Γ B; and Mai-Noy Van Deren, Δ B.

During rush week we had the pleasure of a visit from Betty Cutting, Murray Pearce, Nancy Reeves, and Mary Louise Legier from B O; and June Smith, Arabella Jester, and Mary Elizabeth Fagg from B E.

Mary Elizabeth liked Louisiana State so much she returned to take graduate work. We also have three other Kappa transfers: Marjorie Beene, Θ; Alice Lemann, B O; and Betty Matteson, Γ N.

Last spring we won the cup awarded by

Mortar Board for first place in its annual stunt night. Ruth Robinson was initiated into Sigma Alpha Iota, musical honorary, and Martha Lindsay into Theta Sigma Phi, journalism honorary. Both became members of Delta Gamma Delta; and Esther Collicott of Lambda, inter-sorority organizations. Martha was sponsor of company I, and was in the beauty section of the *Gumbo*. So was Ruth—and in first place, by the way.

October was an eventful month. The alumnae gave us an impressive Founders' day banquet, and Mrs. Norman Lant (Louise Kirtley) gave a Sunday afternoon coffee. Later we were honored with visits from Helen Snyder Andres and Mary Tabb Lancaster,  $\Gamma$  II.

Our new R.O.T.C. sponsor is Virginia Coyle, who was also elected to the Purple Jackets, pep organization, with Ruth Robinson and Charlie Holcombe. Charlie and Louise Robinson have been pledged to Delta Gamma Delta.

Our formal was November 23, and members of Beta Omicron came up for the event. Then we had lunch with them before the Tulane-L.S.U. game.

### Baton Rouge—Chartered 1935

The Baton Rouge Alumnae association has had two meetings this fall, one at the home of Joan Miller, president, and the other at the home of Mrs. Norman E. Lant (Louise Kirtley) at which meeting the grand president Mrs. Eugen C. Andres (Helen Snyder) was the guest of honor. October 12 the association entertained the prospective Delta Iota chapter at a Founders' banquet at the Baton Rouge Country club. Joan Miller was toast-mistress, and the different members responded with toasts to their chapters, the Delta Iotas responding with a stunt.

### Beta Chi—Chartered 1910

University of Kentucky, Lexington,  
Kentucky

Activities have already begun to play an important part in school life. Jane Freeman, Ann Law Lyon, and Mildred Webb have been appointed to the sophomore commission. Lucile Thornton was selected as a member of W.S.G.A. Frances Reid, who had the lead in the Guignol production, "The Queen's Husband," has been pledged to Phi Beta. Barbara Smith, president of the Dutch Lunch club, has the lead in the forthcoming Guignol pro-

duction, "A Murder Has Been Arranged." Lois King, pledge, has been selected as one of three girls to serve on the university bulletin staff.

A visit from Marian Handy was a pleasure to us all. We appreciate her constructive criticism which has already been beneficial to the chapter.

Another enjoyable guest was Jane Brotherton, a Kappa from Seattle, Washington, who, en route to New York, spent the night at the Kappa house.

NELL CRAIK

### Atlanta—Chartered 1931

Since Founders' day came on Sunday this year, the Atlanta Alumnae association observed October 12 instead of October 13. Lunch was served at a tearoom in town and plans were made for the winter.

Every Tuesday throughout October and November Kappas will meet to sew for their unit of the Needlework Guild. In addition to this, plans have been made for a variety of regular monthly meetings of both a business and social nature.

We welcome as new members Mrs. Clifford Baker (Helen Griscom, B I), Frances Prothero, E, and Mrs. Edward Branch (Mary Edna Travis, B  $\Delta$ ). Before her marriage last spring, Mrs. Branch was affiliated with Gamma Pi chapter at the University of Alabama. She has just returned from a visit to them during "rush" and gave glowing accounts.

The Atlanta alumnae are looking forward to a visit in November from the field secretary, Marian Handy.

Plans are under way to make Atlanta the "Dogwood City." The Garden clubs have united in an effort to plant dogwood trees in all parks and on all main approaches to Atlanta. Mrs. Dowdell Brown (Hilda Blunt, B O) has been made chairman of this project.

Birth

To Mr. and Mrs. Marthame Sanders (Florrie Wilkes, B  $\Xi$ ), a daughter, Angelyn Adams, June 9.

### Gamma Pi—Chartered 1927

University of Alabama, Tuscaloosa,  
Alabama

Visitors rush week were: Catherine Lanier, Nelson Persons, Mrs. Ed Branch (Mary Edna Travis), Ann Tatum, Ettie Beeland Rogers, and Helen Worrell.

Already the pledges have attained honors.

Ernestine Robertson was elected president of the freshman women; and Nell Coleman, secretary-treasurer of the senior class in the school of education. Julia Prentice, Ernestine Robertson, Nelle Browne Givin, and Elizabeth Brooks were chosen to serve on the Y.W.C.A. cabinet. One of the highest honors on the campus fell to Mary Gray Hicky, selected by the R.O.T.C. brigade as honorary cadet colonel. Elected to membership in Omega, inter-sorority club, were Elizabeth George, Elizabeth Brooks, Mary Gray Hicky, and Nell Coleman. Mary Gray was also pledged by Delta, inter-fraternity-sorority social club.

We were delighted to have Mary Holbert, B T, affiliate with Gamma Pi this year.

Ella Helberg was elected president of the Women's Spirit committee. Chi Delta Phi, national literary sorority, chose Mary Bidgood as its president. Betty Jane O'Bannon was elected president of the senior class in the school of education. Margherita Swift led the opening dances September 19-21.

Gamma Pi was awarded, for the eleventh time, the cup given annually by local Panhellenic to the sorority attaining the highest average in scholarship.

We are glad to have Margaret Taylor and Helen Abbot back with us this year. Margaret is teaching French at the university; Helen is assisting in the physical education department.

Mary Tabb Lancaster was chosen to represent Gamma Pi at L.S.U. while Helen Snyder Andres was there.

### **Delta Epsilon—Chartered 1932**

#### **Rollins College, Winter Park, Florida**

This year we certainly realized the appropriateness of the term "rushing." The mad whirl began October 1 with the Panhellenic tea at Mayflower dormitory. The next day was one of silence followed by a strenuous week of Dutch rushing.

Everything, including formal parties and indication banquets, was called off, October 14, because of the tragic death of one of the rushees in an automobile accident.

Pledging was at the house the evening of October 17 instead of October 20 as planned. After the ceremony we served refreshments to members, friends, and pledges.

This year the quota system was introduced on the Rollins campus. Each of the seven

sororities was allowed 10 (one-seventh) of the incoming girls. We were fortunate in being the only group to pledge its full quota. President Holt is a firm believer in this system and thinks that in a few years it will bring all the sororities to a more or less equal basis.

#### *Engagement*

### **Winter Park—Chartered 1932**

Activities for 1935-36 began with an informal social at the home of Rosemary Bumby, October 16.

Congratulations are in order for Blanche Georgene Fishback, graduate of Rollins college, and daughter of one of our members, Mrs. Davis W. Fishback (Lillian Wilmott). Blanche, who won the Sullivan medallion, a signal honor at Rollins, and also the Tiedke art medal, has just been awarded a scholarship to the Cincinnati Academy of Arts where she will continue her work in sculpturing and painting.

Blanche Georgene Fishback, Δ E alumna and Rollins medallist, is now studying art in Cincinnati.

Interesting reports of summer vacations were given by various members. Mrs. Willard Wattles (Mary Brownlee), state president of the American Association of University Women, enjoyed a motor tour of the west and Mexico.

Mrs. J. C. Lettice (Louise Smith) has recently been elected president of the Orlando Delphian chapter.

Mother a Kappa—daughter a Kappa—seems to be the slogan in our chapter. Harriet Rose, attractive freshman at Rollins, has just been pledged by the Delta Epsilon chapter.

Sympathy of the alumnae chapter was extended to Mrs. H. E. Oesterling (Mary Patton) on the death of her husband, a prominent physician of the southeast. Also to Helen Steinmetz, whose father, a pioneer citizen of Florida, passed away in October.

As a small part of our philanthropic work, we are planning a meeting in November for assembling garments for the local Needlework Guild.

### Miami—Chartered 1925

Miami Alumnae association is resting this summer, but we will be ready and waiting for all visitors to join us this winter when you come to Miami.

Our meetings last winter were happy ones. Old friends are sure to meet, or friends of friends are brought together.

Call us up when you get here and join us.

## Kappa Names Are News

An enterprising reporter on the Dayton (Ohio) *Journal* recently discovered **Mary Dupuy Bickel** (Mrs. Jack M.), H, hiding-out in Dayton to work on a new novel, and wrote a feature story about her. Mrs. Bickel's first novel, *Brassbound*, won a contest sponsored by *Liberty* early in the year. While she has a claim to fame for being the sister-in-law of Fredric March, the movie star, Kappas will grant her another claim as the daughter of Mary Van Pelt Dupuy (Mrs. George Alexander), E, and the sister of Margaret Dupuy Simpson (Mrs. Arthur Roy) and Genevieve Dupuy Scott (Mrs. Ralph C.), both of Beta Lambda. . . **Irene Farnham Conrad** (Mrs. Sherman), T, resigned last spring as executive secretary of the Syracuse community chest and left for

New Mexico to become director of the state bureau of child welfare, where she now has charge of all permanent social work in New Mexico. . . Much sought as a lecturer on social hygiene, **Frances Bruce Strain**, B A, was awarded a medal last spring by *Parents' magazine* in recognition of her book, *New Patterns in Sex Teaching*, chosen as the outstanding book in parent education for 1934. Two years ago this award was given to Dorothy Canfield Fisher, B N and B E. . . **Mrs. Fisher** and **Mary K. Simkhovitch**, Φ, were two of the 11 women named by Mrs. Franklin D. Roosevelt in a radio broadcast last March as "friends and acquaintances who have been and are a constant inspiration and help to me."

Thou Kappa Kappa Gamma live each day in  
all our hearts. And in our lives play many noble  
sympathetic parts. The parts of sister, second  
mother, counsellor, true friend. Of Love's  
ideal to which we raise our eyes until the end

Until the end? I think when passed beyond this  
little sphere. We still shall see thy joyous  
shining light forever clear. And hear in all  
the skies thy call of perfect Womanhood  
So God may say "On earth and here thou  
art a lasting Good"

## Needs Continue The Dollars Cease

Income from personal efforts must take care not only of your *present* needs, but provide for your *future* needs through some form of property.

Life Insurance meets this problem more surely than any form of investment in bonds, stocks, or real estate, since it eliminates the time element essential to other forms of property acquisition.

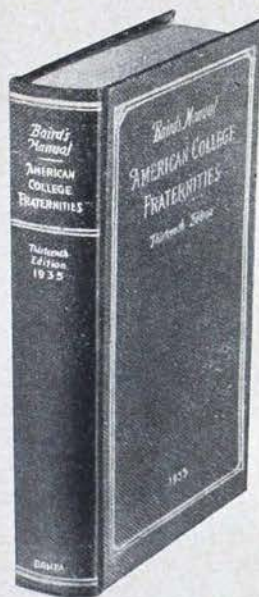

Our policies are designed for just such a program.
