KAPPA APPOINTS AN INTERNATIONAL PDA

Announcing Dell Chenoweth Stifel, BP²—Cincinnati, as Kappa's International Province Director of Alumnae! Dell will be in residence in Ibadan, Nigeria in November 1985, and will spend the next five years there when her husband Larry becomes the Director General of the International Institute of Tropical Agriculture. The Institute was founded in 1967 and is one link in a network of 13 agricultural and training centers around the world where interna-

tional scientists are working on a range of vital techniques and technologies which hopefully could revolutionize farming on the African Continent's fragile soils. Her husband's position as Director of the Institute will allow Dell to travel with him to various parts of the world at no expense to Kappa. The Fraternity Council has appointed Dell, an immediate past Beta Province Director of Alumnae, to become Kappa's International PDA, for the remainder of the biennium, due to these unique traveling circumstances available to her in conjunction with her husband's position. It is Dell's hope 1) to communicate with Kappas living outside the USA, 2) to establish a list of Kappas willing to serve as contacts for Kappa students, Kappa travelers, and those Kappas seeking overseas internships.

Dell will keep us informed of her Kappa travels in subsequent issues of *The Key*. A bon voyage to Dell as she provides the Fraternity with the unique link to our overseas-around-the-world Kappa sisters.

DR. OH RECEIVES MERIT AWARD FROM KOREAN PRESIDENT

Dr. Oh

Dear Mrs. Kanaga,

I'm so happy to hear about you. I'm so glad everything is going on fine with you and your family.

I'm doing my best in my work here in Korea University College of Medicine. I became a Rehabilitation Medical Specialist. Because two years ago our country established the board system for rehabilitation medicine and now I have assigned as President of Korean Academy of Rehabilitation Medicine. I'm sorry Mrs. Rusk has gone. I've been to New York two years ago.

My two sons became a doctor and two daughters-in-law are also doctors. I have three grandchildren now. Last year, I was honored with MERITS AWARD from PRESIDENT of Korean Government for the rehabilitation work I have done for my people.

How can I forget the Kappas! You've helped me when I was really needed, and I stand here with my dignity and confidence in my work for REHABILITATION. Without you, I would never be like today. I know it. Please remember me to all Kappa Kappa Gamma. Hear I enclosed my picture of MERIT AWARD from President in 1984. You will find a imitated golden crown of old dynasty, very famous.

With love,

Dr. Chung Hi Oh,
Seoul, Korea

Editor's note: In November 1955, Dr. Chung Hi Oh arrived in the United States to take up a grant sponsored jointly by Kappa and the American Korean Foundation to study at the Institute of Physical Medicine and Rehabilitation under Dr. Howard Rusk (husband of Gladys Houx Rusk, Θ-Missouri). This plucky and resourceful Korean doctor and mother of two young boys endeared herself to many Kappas during her 18 months stay in this country. Dr. Oh returned to Korea as its only woman doctor in the field of physical rehabilitation. The printed letter was sent to Sally Rowe Kanaga, T-Northwestern, a past member of the rehabilitation committee for Kappa. Our Kappa's circle of friendship does indeed ring the globe.

Toll-Free Call to Order Magazines Provides Rose McGill Fund Income

The need for continued support of the Rose McGill Fund established in 1922 by Kappa to give confidential emergency aid to Kappas has prompted another innovation—the use of a toll-free telephone number so that magazine orders may be called in directly and charged to either Mastercard or VISA. The profit from the subscriptions goes to the Rose McGill Fund and this, added together with individual and group contributions, supports our philanthropy. The Rose McGill Fund had its start when a gift was made to Rose McGill, BΨ-Toronto, who was suffering from tuberculosis. Today the Rose McGill Fund still administers to the needs of Kappas in time of particular distress through undergraduate emergency grants, the Christmas Sharing Program, alumnae Circle Key Grants for continuing education and vocational training, and the ongoing support of the Rose McGill family.

Perhaps the best way to put heart and soul into the Rose McGill Fund is to describe the circumstances of some of the Kappa sisters receiving financial aid. Since July, 1984, Rose McGill has reached out to 19 Kappas, ranging in age from 32 to 89. Currently, 14 family members,

aged 36 to 90 receive monthly assistance which averages \$240 per person. This assistance is not a loan, but a gift from the Fraternity and is not subject to income tax.

Barbara Cranston Granat, ΔΓ-Michigan State, Rose McGill Fund Chairman, has selected three family members of different circumstances to tell you about. Susan, aged 29, was the mother of a four-year-old and 12 week-old when she joined the Rose McGill family. Her husband, suffering from stomach cancer, had been given only two months to live. Surgery, massive doses of radiation, chemotherapy and drugs failed to stop the spread of his cancer. The medical bills were astronomical, insurance paid only a percentage of his hospitalization and many of the costly drugs and medications used weren't covered at all. In March, 1982, a month before her husband died, Rose McGill was alerted to Susan's multiple problems and able to offer assistance. Kappa's help continued until September, 1984, when Susan voluntarily withdrew from the Rose McGill family. With her permission, we share a letter from her.

*"Dear Barbara,
Kappa has eased my family*

Katherine Moessner Jeffrey, ΓΩ-Denison, calls to place order for magazines.

through some very difficult and trying times these past two and a half years and for this I will be eternally grateful and indebted to her. Through the extreme generosity of the Rose McGill Fund I have finally been able to put finances back together. I could never have accomplished this without Kappa's willing support and genuine concern.

It is for this reason that I will no longer need the monthly support check after September. I intend to pay Kappa back in some way.

At the last Alumnae Board meeting I shared my experiences with Rose McGill and the Christmas Sharing Program. I wanted everyone to realize what a wonderful and beautiful program Kappa has. I must admit that I was very surprised that so many knew little if anything of the Rose McGill Fund. After I spoke that immediately changed. There were few dry eyes in the house. It would be my privilege to help Rose McGill in any way imaginable. Please let me know if there is some way that I could!

I would like to thank you with all my heart. One of the best decisions that I ever made was to pledge Kappa Kappa Gamma. Kappa has fondly captured a treasured place in my heart and in those of my family.

I will greatly miss our regular correspondence, but hope that you will keep in touch from time to time. I was so sorry to hear about your unexpected surgery, but was relieved that it was a complete success.

Thank you again. Rose McGill helped me through the worst time of my life, by letting me take one day at a time."

Nancy, age 36, received a Circle Key grant in 1978 in order to pursue a graduate degree. As a

single parent she felt an advanced degree was necessary to provide a secure future for herself and her son. She completed her degree in 1979 and seemed headed toward a successful career. However, in early 1984 a letter requesting help was received. Nancy was unemployed and suffering from a traumatic experience which left her physically and emotionally unable to work. She wrote she was still in the process of recovering from a knife-point rape and in addition to the psychological trauma involved she experienced the added burden of having contracted gonorrhea.

The healing process has been slow for Nancy. She is currently teaching part time at the college level and trying to establish herself as a free lance writer. Nancy's life hasn't been easy, but I think she's a survivor and with time I hope she will find a measure of contentment.

I'd like to share a few words Nancy wrote about her Christmas Sharing experience.

"It seems too bad so few people realize how meaningful and helpful, in a practical sense, a sorority alumnae group can be. Rose McGill and all our philanthropy does for our own sisterhood is a beautiful example of tangible, practical, grass roots sharing and help. My own experience deepens my bond with commitment to Kappa and strengthens my resolve to give back to Kappa, through the coming years, some of what the sorority has given to me. Bless you for all your kindness."

The third Kappa is Patty. In 1955, Patty contracted bulbar polio at the time of the birth of her third child. Patty has been completely paralyzed since with

THE INSIDE STORY OF ZETA MU COLONY

BY SARAH AVRIL, BX-KENTUCKY, TRAVELING CONSULTANT
GINI ANDING LA CHARITE, FK-WILLIAM AND MARY, HISTORIAN

Zeta Mu Colony at Virginia Polytechnic Institute and State University in Blacksburg, VA, is Kappa's 114th group with 73 pledges. Nestled between the Blue Ridge and Allegheny Mountains in southwestern Virginia, Va. Tech is one of the nation's most respected, multi-disciplinary research and educa-

tional universities, as well as the largest institution of higher learning in the State of Virginia. Only open to women 20 years ago, Kappa is the 10th NPC group to colonize on the campus. The colonization team consisted of: Juliana (J.J.) Fraser Wales, BN-Ohio State, director of chapters; Marjorie Matson Converse, ΓΔ-Purdue, chairman of exten-

sion; Mary O. Shumate Cumberpatch, ΓΨ-Maryland, chairman chapter scholarship programs; Marty Hay Streibig, Δ-Indiana, past Lambda PDA; Jane Marie Boswick, ΔB-Duke, past Lambda PDC; Sally Hamilton Staub, ΔP-Mississippi, Lambda PDA; Beverly Shumaker Blew, ΓZ-Arizona, Lambda PDC; Jean Schauer Peterson, Θ-Missouri,

past Gamma Kappa membership adviser; Sarah Avril, BX-Kentucky, traveling consultant and Gilly Chamberlain, BO-Tulane, chapter consultant; and Gini Anding La Charite, FK-William and Mary, historian and coordinator of chapter development for Zeta Mu. Here is the inside story of how the colonization of Zeta Mu really took place.

April, 1985

Dear Mom and Dad,

Guess what? I am a Kappa Kappa Gamma! (Also known as KKG or "Kappa"). Can you believe it? Not only that, but when I am initiated, I will be a charter member... it's like being a founder in 1985! You would never believe this past week. It was wild, exciting, nerve-wracking, and a barrel of fun... all rolled into one!

This past quarter, I kept hearing about Kappa Kappa Gamma starting a new chapter here at Va. Tech. Professors, friends in the dorms, and members of other fraternities and sororities encouraged me to check it out. They all felt so positive about it. I must admit that I had lots of reservations. But, you simply can't imagine the rush they had... it was overwhelming! Let me fill you in on the week.

Sunday, April 21, there was an Open House at Squires Student Union. I didn't think it would be too crowded, but there were way over 200 girls out for rush! Besides them, there were Fraternity officers, alumnae from Blacksburg and Roanoke, and Kappas from the chapters at the College of William and Mary and the University of Virginia. The room was filled with balloons, welcoming signs, displays, and a slide show. During the party, the actives from the two chapters taught us a song. It was a riot!

The next day I had an interview for about 15 minutes. I was so nervous... I couldn't imagine what they would ask me! When I arrived, I was escorted by a Kappa alumna to the hospitality room, where there were more Kappa alumnae, pictures, scrapbooks, and lots of Kappa stuff from all the chapters in Lambda Province. Would you believe that Kappa publishes its own manuals? Everything from scholarship to leadership... and every new pledge gets her own *Kappa Notebook* to keep!

When my interview time arrived, I no longer had so many butterflies in my stomach. The two nicest alumnae "interviewed" me, but it wasn't like an interview at all... more like an informal chat. I liked the individual attention, and I felt that they wanted to get to know me personally. And, Dad, they really reviewed finances with me—I'll send you those details later!

The biggest event was on Wednesday evening, April 24: a fleur-de-lis garden party, and I knew that an invitation to that party automatically meant an invitation to pledge. I shook in my shoes all day! I had decided I just had to be a Kappa! And, as you know, I did receive the invitation. I was so excited, my hair lost its perm!!!

Well, the party was indescribable. Of course, the alumnae from Blacksburg and Roanoke were there and the colonization team, which consisted of 12 Kappas from different parts of the country. Everyone was hugging, smiling, and laughing, and the

other girls were introducing themselves to each other. It was such an evening of excitement! The women sang a few songs and a short program was given by the colonization team. We were introduced individually, and each of us was given an iris (the Fraternity symbol for its flower) and a formal invitation to join. After signing our bids, we went to formal pledging, which was very impressive. My pledge pin is a sigma-within-a-delta and I also was given blue and blue ribbons to wear under my pin. Would you believe that 73 were pledged! And the chapter name is Zeta Mu.

After the pledging ceremony was the Grand Finale. Much to our delight and surprise, we were given KKG tee shirts, notebooks, and welcoming cards. It was just like a birthday party! Now, imagine if you can, a room full of refined, beautifully dressed ladies of all ages and from 30 different Kappa chapters across the country. All of a sudden they were on their hands and knees singing a song called "Oh, Pat." Even the ladies who wear a special fleur-de-lis pin, which means they have been members for at least 50 years! It was hysterical! And, of course, they had us learn it that very night! We had the greatest time singing, taking pictures, and meeting tons of people! What a whirlwind night!

This Sunday is our first formal pledge meeting. We have two ladies called traveling consultants who will stay with us for a few weeks; these Kappas travel to different chapters throughout the year. In the fall we will have a Kappa named Gilly Chamberlain, who will be our chapter consultant; she will go to graduate school here at Va. Tech. and help us through our first year. We will also have advisers, a house board, and visits from Kappas known as "TC," "PDC," "CCD," and so on (I've already learned a whole new vocabulary!) So there's no need to worry—I am in good hands.

November 15-16, 1985, is our installation weekend and the Fraternity President, Marian Williams, will actually be here! Can you stand it! I hope you can come for the all-campus reception and installation banquet that weekend; you could meet all my ZM- sisters and my big sister too—I don't know yet who my big sister is, but she will be a Kappa from one of the chapters in the province and she will be here to initiate me.

I just can't wait to get to know everyone... what a great group of girls make up ZM colony! I'll keep you in touch with more details. The whole campus is excited that Kappa is at Tech! But don't worry... we are keeping our calendar under control! but it's tough!

Much love and hugs!

Your new Kappa daughter and Zeta Mu charter member!

ZETA NU COLONIZED AT THE UNIVERSITY OF CALIFORNIA, SAN DIEGO

San Diego, "America's Finest City," became home to Kappa's newest colony on April 26, 1985. Forty-nine lovely and intelligent young women pledged Kappa in a colony rush.

The Greek system at UCSD is in its infancy, with Sigma Kappa, Alpha Omicron Pi, and Delta Gamma completing Panhellenic. There has been rapid growth in rush numbers in the last two years, which led the collegiate Panhellenic to interview national sororities to colonize. Kappa was asked to establish a chapter this year, with Delta Delta Delta to follow in 1986. Throughout the extension process, the collegiate Panhellenic, under the leadership of Panhellenic President Anne Pearce, Delta Gamma, has been extremely supportive and helpful.

Heading up the colonization effort were local Kappa Mary Barkis Johnson, ΓΑ-Kansas State,

colonization and installation chairman, and Vera Lewis Marine, ΔΖ-Colorado College, Kappa Province Director of Alumnae and Zeta Nu Coordinator of Chapter Development. Joining them for the interviewing and selection process were Fraternity Vice President Kay Smith Larson, ΒΠ-Washington; Kappa-South Province Director of Chapters Molly McKinney Schulze, ΒΜ-Colorado; incoming Kappa-North Province Director of Chapters Thelma Muesing Dahlen, Χ-Minnesota; incoming Kappa Province Director of Alumnae Carole Cathcart Siegler, ΓΘ-Drake; former Kappa Province Director of Alumnae Jean Stratton Robinson, ΒΜ-Colorado; Zeta Nu Chapter Consultant Katy McDonald, ΔΖ-Colorado College; Marilyn Cross Minton, ΒΝ-Ohio State; and Jane Burbank Wollaston, Ε-Nebraska.

BY KIM BRAUN, ΕΠΙ-UC, RIVERSIDE
ZETA NU CHAPTER COUNCIL ADVISER
AND COLONIZATION PUBLICITY CHAIRMAN

Collegiate Kappas from UCLA, UC Santa Barbara, UC Irvine, UC Riverside, and USC came to sing songs and share their Kappa experience with the rushees. The new pledges have "Chum Alum" big sisters from the five alumnae groups in San Diego County. This Chum Alum program is under the direction of Carol Morrison Sobek, ΕΔ-Arizona State.

The "Fantastic 49," as the Zeta Nu pledges have come to be known, are a beautiful blend of talents and accomplishments. There are three valedictorians, 17 high school cheerleaders, nine drill team members and five flag corpsmen, 33 on high school student councils, six Homecoming queens, 26 in the California Scholastic Federation, 10 bio-related majors, 10 management science majors, nine in communications, four psychology majors and four political science majors, five EECS majors, and the remaining undeclared. Their interests are divided among tennis

(21 play), skiers (there are 36!), softball, volleyball, jogging, swimming, dancing (13 do jazz; four, modern; and seven, ballet), windsurfing, sailing, lifting weights (an interest for 18), and tae kwan do for one Zeta Nu. There are also soccer, golf, surfing, badminton, racquetball, and horseback riding activities for many. Ten Zeta Nu pledges are calligraphers; 11, seamstresses; four, knitters; 13, needlepointers; three, comforters; four, in ceramics; four, crocheters; and 13 who make pillows. The list goes on in painting the picture of Zeta Nu.

So, after many years of waiting and hoping, San Diego welcomes Zeta Nu! Congratulations messages for the new pledges can be sent to Katy McDonald, Zeta Nu Chapter Consultant, 5289 Canterbury Drive, San Diego, CA 92116. Be watching the pages of *The Key* for more information on the progress of the high-flying Zeta Nu colony!

HERITAGE MUSEUM

Guild Entertains With Tea for "First Ladies"

The First Ladies Reception was held April 30, 1985 at the Heritage Museum under the committee chairman Catherine Schroeder Graf, BN-Ohio State. Invitations were extended to the presidents of all leading women's organizations in the Columbus, Ohio area, alumnae clubs, mothers' clubs, Governor's and Mayor's wives, and university presidents' wives. Docents in period gowns greeted guests at the door and conducted tours of the restored East Town Street home built in 1852. The Museum was decorated with spring flower bouquets fashioned from Victor-

ian history, and exhibits displayed early gowns and accessories. Professor Charles Kleibacker from Ohio State University was a special guest to view the clothing collection. (He recently contributed his vast clothing collection to the University.) The tea table was presided over by executive secretary Betty Sanor Cameron, BN-Ohio State, and Frances Winter Utley, $\Gamma\Gamma$ -Alabama. The day was a huge success and some of the busiest people in town took time out to enjoy the leisure and graciousness of a time and era past.

Frances Winter Utley, $\Gamma\Gamma$ -Alabama, member of Museum Board of Trustees, poured at the Victorian tea table.

MUSEUM INTERN ENJOYS KAPPA

Angela Lyn Usrey, $\Gamma\Gamma$ -Alabama, has been enjoying her summer working at the Kappa Heritage Museum as the Catherine Schroeder Graf Internship. Angela states, "As a member of Gamma Pi Chapter, I have found that university life and Kappa membership have been an enriching and fulfilling experience, and I welcome the opportunity for further participation in broader aspects of Kappa."

Looking forward to her senior year at Alabama, Angela is working toward a double major in Art History and Marketing. Her previous experience includes work-

ing six months at the University Moody Art Gallery and as an intern at Birmingham Museum of Art where she helped prepare for the Armand Hammer Exhibition.

She has been offered an internship at the Smithsonian Institution and may eventually go to Washington, D.C. for future experience, work, and training.

DINING ROOM CHAIRS RESTORED

Eight mahogany dining room chairs were a gift of Elizabeth Alexander Price, BE-Texas, of Dallas, Texas, to the Heritage Museum. Now completely restored in an elegant coral ribbon silk fabric of the period they now grace our Victorian dining room.

Elizabeth wrote, "It is most gratifying to know that my chairs, which were covered in antique velvet and used in a formal setting and then put in our lake house and upholstered for a cas-

We wish to thank the following donors for their contributions which made this project possible: Austin, TX Alumnae Association; Elyria, Ohio Alumnae Club; Barna Hurt Graves, $\Gamma\Gamma$ -Arkansas; Pamela Massey; Peg Easton Meeker, $\Pi\Delta$ -Ohio Wesleyan; Sue Grimm Milligan, Δ -Indiana; and Seattle, WA Alumnae Association.

The Kappa Connection

THE KAPPA CONNECTION

A Sure Winner . . .

BY GAY CHUBA BARRY
ΔA PENN STATE
DIRECTOR OF FIELD REPRESENTATIVES

An important connection . . . that is just what the traveling consultant program of Kappa is. A beneficial and strong link between each of our 114 chapters and the Fraternity.

Being a traveling consultant requires a great amount of dedication, stamina and flexibility. Each traveler visits about 30 chapters during a school year. She helps to bring renewed energy, updated programming ideas, assist in leadership training and encourages each chapter to reach its potential.

Imagine the miles covered, the flight arrangements made, the wear and tear on luggage . . . and the times it does not arrive. One of my favorite comments came from a traveler this year whose luggage did not arrive when she did . . . "I only wish my luggage had accompanied me . . . have you ever tried to live out of a purse?"

But it is also an experience not to be forgotten, as another traveler said in part . . . "I just thought it was about time I told you once again I love my job. It's all passing by so quickly and now I'm coming to another crossroad. I couldn't be any more prepared

thanks to all Kappa has given to me in guidance and support. I've gained so much, laughed a lot, contemplated many thoughts and really have gotten to know myself. Somehow this year will never end. It's an investment that is a sure winner."

The Kappa Connection . . . a sure winner indeed in friendships made, innovative ideas gathered with travelers and chapter members alike working together to help each reach her potential. From many outstanding applications this year, the field was narrowed to nine by the Fraternity Council. These women were then interviewed by the Director of Chapters J.J. Wales and by me, in the capacity of director of field representatives.

The selection was based on high personal standards, chapter experience, leadership ability, sensitivity, communication skills, loyalty and a team spirit.

Please meet the five young women who will be your Kappa Connection for 1985-86. We are proud to introduce them. I know you will look forward to knowing them better, for they are sure winners.

OPPORTUNITY OF A LIFETIME

THE CHAPTER CONSULTANT

The chapter consultant is a Kappa who is awarded a full scholarship for graduate study while living with a Kappa chapter on the campus for which she is selected. She assists a chapter in all areas of chapter organization and programming techniques. She is a friend, adviser and counselor.

René Hedges, BO-Tulane, who just completed a year as a chapter consultant speaks enthusiastically of her experience.

"I have to admit that pursuing a graduate degree, being a role model, change agent, and a friend can be most challenging. But as a result, your implementation of public relations and leadership skills enables you to grow as an individual. This position has allowed me to develop solid public relations techniques and has also sharpened my communication skills.

"Probably one of the most exciting parts of being a chapter consultant is seeing the ideas that you 'plant,' take root and develop throughout the year. There is an innate satisfaction in knowing that because of this opportunity we had to work together, the chapter has been strengthened and achieved rewarding goals through a cooperative effort.

"It is because of my exciting experience and the belief in Kappa's Field Representative program that I encourage all of you who are thinking about graduate school to explore the possibilities of this program. It is truly an opportunity of a lifetime."

These seven young women are now experiencing this opportunity.

THE PANHELLENIC CREED

We, the undergraduate members of women's fraternities, stand for good scholarship, for guarding of good health, for maintenance of fine standards, and for serving, to the best of our ability, our college community. **Cooperation for furthering fraternity life, in harmony with its best possibilities, is the ideal that shall guide our fraternity activities.**

We, the fraternity women of America, stand for service through the development of character inspired by the close contact and deep friendship of individual fraternity and Panhellenic life. The opportunity for wide and wise human service, through mutual respect and helpfulness, is the tenet by which we strive to live.

"Cooperation for furthering fraternity life, in harmony with its best possibilities, is the ideal that shall guide our fraternity activities."

Greek organizations consist of 7500 chapters of 90 social, professional, and honorary men's and women's fraternities on 650 North American campuses.

Twenty-six of these 90 groups belong to National Panhellenic Conference and over 120,000 of the 400,000 undergraduate members are women. Eleven thousand twenty-eight of these 120,000 women are Kappas whose membership has increased 62% in the past ten years!

As for Greek alumni—there are five million—two million of whom are women—129,969 of whom are initiated Kappas. Together we alumni and alumnae raise seven million dollars annually and donate one million hours to community and social service areas! With these impressive figures can there be any doubt about the healthy state of the Greek system!

NPC OPENS NEW CENTRAL OFFICE

For the first time in 82 years, National Panhellenic Conference has a permanent address. The new office is located at 3901 W. 86th Street, Suite 285, Indianapolis, Indiana 46268.

In the spring of 1983, the Executive Committee of NPC appointed a special committee to study the feasibility of a central office and its possible location and funding. At the fall, 1983, biennial meeting of National Panhellenic Conference, the committee presented its report and offered a resolution recommending that an office be established and located in Indianapolis, and that it be funded through available resources, an increase in dues and the solicitation of gifts. (Kappa was proud to contribute \$1,000 as a gift to the establishment of the Headquarters.)

The need for a central office, which could serve as a permanent location for valuable records and for IRS, banking auditing, publications and referral purposes, was readily recognized by the Conference and the resolution was approved with few modifications.

The National Panhellenic Conference Central Office, with Emileann Vargo as Administrative Assistant, was opened June 15, 1984. A grand opening special event was held in the spring of 1985.

KEYS AND KEYSTONES

BY JUDY BROWN BLACK
BN—OHIO STATE
CONVENTION CHAIRMAN

Professionals in the convention business are convinced that the key to the success of any convention is the selection of an appropriate site. The spot should be one of universal interest. A place that has geographic appeal, historic significance, accessibility, and plenty of convention space in which to conduct the business at hand. It should have terrific places to eat and exciting cultural resources. Suppose WE were lucky enough to get all of the above?

Kappas, I invite you to Philadelphia for the 56th convention of Kappa Kappa Gamma, June, 1986.

Philadelphia, a city that is historic beyond that of any other city in the United States, qualifies in all categories. It IS the gateway to the past, the past blending perfectly and stylishly with the present.

Barely more than decade ago, Philadelphia was thought to be dowdy, staid, and dull. Not so anymore! This city of "brotherly love" is now one of the nation's liveliest and most innovative metropolitan centers. It is a Boom-Town in terms of hotels and convention business. It hosts more than 350 major conventions, meetings and trade shows each year.

Is it any wonder that this city was a wise choice of sites by our convention committee and Council? To understand Philadelphia, its heritage and its relationship to past and present is to understand the American people, their pride and their progress. Our convention theme, **"HERITAGE: Keystone of Excellence"** reflects the story of Philadelphia and of Kappa. It is interesting to note that Philadelphia hosted America's first convention . . . the Constitutional Convention of 1787. Kappa has never convened in Philadelphia, and not in the northeast since 1966.

The Adam's Mark is one of the quality hotels credited with the renaissance of the hotel and convention boom that is still happening in Philadelphia today. It is located on what is called, "Philadelphia's Golden Mile." This boundary road is populated with great hotel complexes, excellent dining places, and wonderful shopping such as Lord & Taylor,

and Saks. The Adam's Mark is definitely a class hotel. It boasts of the most professional service and facilities for its guests. Some of its amenities include both indoor and outdoor swimming pools, sauna and exercise rooms, two racketball courts, and plenty of free parking. Jogging maps of the adjacent neighborhood are available at the hotel front desk.

Convention will officially commence Thursday, June 19th. Enthusiastic area alumnae, who

At dinner this evening you will be seated with your province. This will be followed by an orientation meeting, and, later, a meeting with those present from your province.

Friday, June 20th will be the first official business session of the Fraternity. The processional of our officers in their blue collegiate gowns never fails to be an impressive and touching experience. Workshops that afternoon will be followed by our tra-

The morning business meeting will recognize those outstanding Kappa alumnae associations and clubs, highlighted by special awards to those individual women of national merit and service, our Alumnae Achievement Award Winners. In addition, it is this morning that Council reveals the name of our Loyalty Award Winner. That most devoted of our alumnae whose service to the Fraternity has been long, varied and plentiful, and unselfish in nature.

Our Panhellenic luncheon never fails to be a very special function. Many of our Greek guests will choose to remain for some of our afternoon convention programs presented by several of our very knowledgeable and expert career/professional women. The evening will be practically electric with excitement as our delegates and their advisers anxiously speculate and anticipate which groups will be honored at the Chapter Awards Dinner.

Sunday, our morning will take on a more somber tone as we pay tribute to those Kappas who have left our midst. Our all volunteer choir will provide the inspirational background atmosphere for this dignified and beautiful Memorial Service. An opulent buffet brunch will follow interacts to complete the morning's activities. The afternoon will be free to relax, if you choose, or partake of one of the several tours of Philadelphia being organized by Excursions Unlimited, our convention travel agency. The Philanthropy Dinner scheduled for that evening will serve to stimulate us to continue to support our local and national philanthropic projects. Kappas will take pride in the innovative program statistics of our achievements.

The Monday morning business meeting will be followed by two luncheons. One is a special event for only those who have attended five or more general conventions. These "Habiteers", as they are called, always revel in the ceremony of installing their new initiates conducted with flair by their own special toastmistress. Workshops conclude the afternoon activities and precede a unique and important dinner and pro-

will have been preparing for our sojourn to their city for over a year, will be on hand in the "Baggage Claim" areas of the Philadelphia airport to greet and assist our multitude of air travelers. After a short 14 mile trip by chartered bus to the Adam's Mark Hotel, Kappas will gather with anticipation at the Kappa registration desk. Here they will receive their materials and a schedule for the convention week. They will also be warmly welcomed by old friends, make some new friends, and firmly establish those Kappa bonds that can truly last a lifetime.

ditional Presidents' Dinner. This formal event provides all in attendance an opportunity to show their gratitude for and recognize our distinguished Fraternity "first ladies." Our informal desert/reception allows us a chance to meet these women in person and, perhaps, collect an autograph or two.

Saturday morning Kappas will have the option of starting their day with aerobics or water exercises with our own instructors. Even if one should choose to catch a few extra "winks," she won't want to miss any of the events of this "Awards Day."

gram. This convention Kappa will be celebrating another decade of achievement.

It will be hard to believe that Tuesday, the last official convention day, will have already arrived. Morning workshops, seminars, and programs will pass all too quickly. The final business session, commencing after lunch, will culminate the week's activity. Kappas will gratefully and enthusiastically applaud the tremendous effort of those retiring, returning, and new Fraternity officers as the installation vows are repeated. Melancholy Kappa women will be collecting addresses and phone numbers in between packing bags and preparing for the final formal convention event, Candlelight Banquet. Spirits will soar as we recognize the many outstanding women who have made convention and Kappa such an integral part of the week just passed and the years of involvement preceding. Tears of pride will be hard to contain as we honor those women who have been Kappas for 50 years or more. Emotions will peak as we participate in our most meaningful ceremony of "Passing the Light".

Goodbyes will have come all too suddenly as the Wednesday morning departure time nears. Hugs and smiles will accompany pangs of sadness and regret that convention 1986 has come to an end. Kappa sisters new and long-time friends will bid each other farewell with promises to write or call or meet again at convention in 1988. Interestingly enough, it will be here before we know it!!!

the exception of some neck muscles and her left arm. In 1957 the doctors gave her no longer than five years to live. It was that same year the Rose McGill Fund received an appeal on Patty's behalf and began their monthly assistance which continues to this day. Through sheer courage and determination Patty is still alive.

Patty learned to sketch and paint, with her arm in a sling and the pencil or brush strapped to her hand. She organized a sketching class for children, which she held in her room. A special telephone was installed which she can operate by a small movement of her head. Because she can use the phone, she has sold cosmetics, a line of clothes, and other items. For a number of years she was her city's chair-

man for the Mothers' March for Polio. This remarkable Kappa continues to sketch and has designed a line of note paper and postcards.

As you can see the circumstances of each of these three Kappas vary, but their appreciation for our help is the same. They truly know the meaning of sisterhood. Recently one of the family wrote: "Again I find myself in the position of searching for an adequate way to thank you. The words alone seem so inadequate yet I can find no others. I sometimes wonder if the Kappas at large realize just what it means to us in Rose McGill to know we have the backing of the Fraternity and can call for help. It's a wonderful feeling—one that is difficult to describe."

I urge each of you to spread the spirit of Rose McGill. Reach out to your own members who may need extra help. Remember those who are housebound or handicapped with visits and cards, and please, always be on the lookout for someone who might be in need of Rose McGill assistance from the Fraternity.

HAPPINESS IS . . .

. . . giving to others—

When the Kappas of **Epsilon Sigma** chapter and the SAEs at the University of Virginia learned that 30 children in Charlottesville from the Barrett Day Care Center would have less than plentiful Christmases without some help, they immediately responded with plans for a party for the children. Mrs. Fleege, Epsilon Sigma's house-director, worked diligently to prepare homemade gingerbread men, Christmas cookies, ice cream, and hot cider. And the chapter room became Santa's temporary workshop for the arrival of the children, who immediately tackled Santa and his helpers (alias the SAEs). Each one received a surprise gift from Santa, and the Kappa elves also distributed stockings stuffed with goodies. At the end of the celebration there were reluctant goodbyes but many happy faces like the one seen in the picture above.

The **Epsilon Pi** Kappas at Riverside turned to convalescent homes to offer their friendship. They adopted 50 grandparents from three homes in Riverside. They planned a monthly visit by the entire chapter and other visits on an individual basis. The first visit last October saw their assignment to specific grandparents and the chance to get acquainted and to sing Kappa songs for them. Since then, visits have included special gifts and always those special Kappa hugs for their newly adopted grandparents and good friends.

. . . giving for others—

Delta Epsilon has chosen to help give to others by a balloon derby. This year the derby was held on the opening of Rollins

College's new library for the entire campus to see.

Delta Phi chapter also held a balloon derby on its campus—Bucknell University. They directed a portion of the funds raised to the Hummelreich Memorial Library in Lewisberg, Pennsylvania for the purchase of books and cassette tapes for the children. The Kappas have gone one step further also by organizing a St. Patrick's Day party for

the pre-school children at the library. The pledges performed a puppet show and everyone read stories. The remainder of the funds raised from the balloon derby, which was held Homecoming Weekend, are being used to make monthly deposits to support a Mexican sponsor child who was adopted in the fall semester and has come to be known to the chapter as its "Kappa Sweetheart."

Kathy Slate, Tracy Kuller, Sandra Nielson, and Betsy Case, ΔE-Rollins, are ready for their balloon derby.

... joining others to give—

The **Penn State** Kappas recently participated in the 1985 Interfraternity Council dance marathon, which raised over \$226,000 for the Four Diamonds Cancer Fund and has been called the largest student fundraiser in the nation. Kathy Omecinski, Shelly Pagac, Maureen Galitski, and Randi Martin, ΔA -Penn State, danced in the marathon.

Beta Theta chapter joined the men of Sigma Phi Epsilon for the 13th annual "Sig Ep Dance Marathon" at Oklahoma. The 22-hour marathon, held at a fashion mall in Norman, Oklahoma, raised over \$10,000 for the Leukemia Society. Lynn Rescovack, $B\theta$ -Oklahoma, was cochairman, helping to organize the solicitation of donations and sponsors and the awarding of special incentive and

talent prizes throughout the event.

At **Georgia, Delta Upsilon** chapter held their first annual "Crate Stack" to benefit Multiple Sclerosis. Co-sponsoring the event were Turtle's Records and Tapes and a local radio station. Sororities as well as fraternities were represented at the "Crate Stack" during halftime of a Georgia basketball game.

It was the entire Texas A&M Panhellenic Association with the **Texas A&M** Corps of Cadets who worked together on a spring break mixer to benefit the March of Dimes. Tickets and T-shirts were sold to raise over \$2300. The event was held the night before the Corps annual March to the Brazos, which also benefited the March of Dimes.

WYOMING KAPPA IS HONORED FOR 800 HOURS OF SERVICE

Cindy Knudson, ΓO -Wyoming, was honored by Congress with a gold medallion for having earned over 800 hours of service in the area of physical, personal, and volunteer work and enrichment. She is only the second person in the state of Wyoming to win the award. The gold medal was presented to her in Washington, D.C. In addition, Cindy was a finalist for the Harry S. Truman Award, given for career goals in government and public service and current activities. Currently, Cindy is the national secretary for the Lutheran League of the American Lutheran Church, rep-

resenting over 450,000 youth. She is in the University of Wyoming honors program, in Spurs, an executive for Internal Affairs for Student Government, chapter philanthropy chairman, and she is serving as an advisor to the presidential scholar program in Washington, D.C., having been a presidential scholar herself previously.

... giving to each other—

A pro-Greek atmosphere pervaded the Kappa and Pi Beta Phi Monmouth Duo celebration at **Dickinson College** last spring. The two sororities shared events for a week of celebration, including heart sisters, dinner Friday, a party Saturday night, and a Sunday brunch. The basis for the special week was to promote rela-

tions on campus and to celebrate the founding of the two groups. There were notes, poems, goodies, special get-togethers between heart sisters, and T-shirts designed in a cooperative effort worn by all to dinner Friday. With the end of such a successful celebration, the Kappas cheer, "Let's hear it for Panhellenic life."

Linda Harper, ΔE -Rollins; Susan Probasco Thompson, ΔE -Rollins (rush advisor); Susannah Howard, (Mu PDC); Lynne Thorpe Hoerter, EZ -Florida State (Advisory Board

president); Sally Shinkle Combs, Rollins (Chapter Council advisor); and Billings Day, ΔE -Rollins, gather at the annual "Kite-Key Alumnae Brunch."

Edie Judkins, Melanie Rouse, Beverly Backry, and Karen Welch, $B\theta$ -Oklahoma.

Shelly Pagac and Kathy Omecinski, ΔA -Pennsylvania State.

ACTIVELY SPEAKING—

Here . . .

On campus, Kappa names are always seen among those involved in activities. **Laurie Sawyer**, **Claudia Rice**, **Anne Margret Ahrens**, and **Leigh Rigby**, EK-South Carolina, were selected to their campus Student Alumni Association, which accepts only the most qualified leaders on campus. **Sue McLean**, **Beta Lambda**, who serves as vice president of Senior Affairs for the Student Alumni Association at the University of Illinois, is also a junior manager for a university entertainment board, Starcourse. Active in the University of Nebraska Student Alumni Association is **Sigma** active **Julie Tucker**, who was also chosen for the Business College Student Advisory Board. Julie is on the boards of Future Homemakers of America Alumni Association and the Nebraska Junior Hereford Association, is the Nebraska Agriculture Industry Development Team's student intern for the Nebraska State Department of Agriculture, on the Dean's List for the College of Business Administration, a Business College Senator candidate for the UNL student government, and chapter active involvement chairman.

Sherri Wobken, E-Nebraska, works with the College of Business Administration's PROBE magazine as a writer and is also a counselor for the Nebraska Human Resources Research Foundation, a communications teaching assistant, member of P.E.O. and the Finance Club, and has been chapter corresponding secretary and president.

Four senior **Gamma Omega** Kappas are part of Denison's admissions team, working as senior interviewers while the admissions staff is out recruiting. They are: **Ann Benner**, **Heather Page**, **Julie Eldracher**, and **Lori Hartman**. **Tricia O'Bryan**, IΩ-Denison, joins her sisters in being active on campus by serving as treasurer of the Student Senate. She is also chapter registrar. **Tina Hopermann**, IΩ-Denison, is Speaker of the Denison Student Senate and chapter Fraternity education chairman.

Laura Swan, IΩ-Wyoming, is president of the American Marketing Association, involved in various marketing studies on campus. She serves her chapter as Fraternity education chairman.

One of the special traditions at Texas A&M is Fish Camp for incoming freshmen. Four different sessions provide presentations on study habits, goals, roommates, campus organizations, and Aggie traditions. About 500 freshmen attend each session with 200 upperclassmen counselors. These counselors are chosen from the 1400 to 1500 students who apply each year. **Epsilon Rho chapter** is proud to have had 20 members chosen: **Carolyn Brown**, **Ann Creager**, **Melinda Daggett**, **Kelly Ford**, **Angela Funk**, **Heather Hood**, **Katie Janek**, **Mary Jo Mauerman**, **Chris McIntyre**, **Stacy Mitchell**, **Julie Mote**, **Sandra Nannini**, **Angela Payne**, **Jennifer Rupert**, **Deborah Simpson**, **Robyn Towery**, **Stephanie Wendland**, **Sandra Wood**, **Laurie Wright**, and **Linda Bliel** as a camp chairman.

On the air . . . "Good Evening"

On the Air . . . "Good evening, today is . . . 1985 and we're here at KUCR studio in Riverside (CA) with the evening edition of the news hosted by Erika and Nadya." This prologue has become a famous radio introduction on the University of California, Riverside, campus as students weekly tune in to the FM station to catch a few news stories from Erika Luna and Nadya Bak-Boychuk, both Epsilon Pi Kappas. They broke into

their newscasting roles this year when they kept going to the station every day begging for a job. Finally, they got an interview and proved they could do the news. They also engineer their show — Nadya's specialty is the engineering part, and Erika compiles the U.P.I. news over the wire. They are not paid, but they do love their work. As they would say in signing off, "Good night and good news!"

There . . .

Many Kappas find they are active off campus as well. For instance, there are even more **Epsilon Rho** Kappas who find themselves in position as camp counselor. **Emily Cox**, **Cindy Fuller**, **Shannon Lane**, and **Shelly Wynn** are joining **Carolyn Brown** and **Susan Stephens** as counselors this summer at Camp Mystic for Girls in Hunt, Texas. Mystic, which has been owned by a Kappa, has given many Kappa counselors cherished experiences.

Katy Fridl's name is known off campus in a different way. This **Epsilon Gamma Kappa** at North Carolina had an article published in *USA Today*. She was working on an internship at a newspaper in Durham when a call came from the publication asking someone to cover a press conference which the chairman of CBS would be holding at Duke University. Katy answered the call, and her story was soon

printed with her byline. Katy also worked for a year on her own campus's publication.

Mandie Scothorn, ZZ-Westminster, is one of four students chosen for the Wetterau internship for Short Term 1985. The internship, sponsored by Wetterau Foods, Inc. of St. Louis, is designed to educate the student in all facets of a business, including management, marketing, production, and distribution of products. **Betsy Bethel**, IΩ-Washington State, has been selected for an internship with the Marriott Hotel Chain.

Laurie Utterback, IΩ-Whitman has played many roles to rave reviews, her most recent being in *King Lear* and *Talking With*. . . She is also head of the Harper Joy Theatre's publicity department and president of the Drama Club.

And Everywhere . . .

The Washington Sheraton in Washington, D.C. was the gathering place for several **Gamma Omega** Kappas from Denison who volunteered as escorts at the Inaugural Ball this year. **Megan Giles, Stephanie Gault, Randy Streett, and Suzanne Hohman** joined **Tracy Scott**, who was in charge of all the volunteers at the Ball. She has volunteered at the Old Executive Office Building for the past four summers. Stephanie also had a position on the Inaugural Committee for the Presidential Ball, acting in an organizational capacity with the Secret Service and the media to insure correct procedures and accommodations for the parties of the President and Vice President and other VIPs at Inaugural events. Stephanie has been on the staff of the Children's Museum in Washington, D.C. also.

Although **Iota** chapter at DePauw may be remotely located in the mid-west, Iota Kappas have found their ways to even more remote parts of the world. Sponsored by the Chaplains Living Unit Council, DePauw students volunteer to serve needy areas in the U.S. and abroad. This year, during DePauw's winter term, nine Kappas travelled to Maine, Haiti, Peru, and Kenya. Rae Ann Ruder and Robin Ratcliffe spent their month constructing a dormitory/training center in a small village outside Mombassa, Kenya. Elizabeth Dean and Jennifer Lundgren dedicated themselves to constructing an irrigation canal while Lisa Grider and Patty Jacobs travelled with a medical team in Azpita, Peru. Patricia Gillow and Stephanie Sommers worked in L'Acul Haiti.

And Colleen Ryan and Julia Vaughn worked in Maine.

Michele Appel, also an **Iota** Kappa, spent the month of January in Strasbourg, France, working in the marketing department of an international corporation. Last year, Michelle spent six months studying in Strasbourg and traveling throughout Europe. She asserts that working and studying in France are definitely two completely different things. She hopes to pursue a career in international marketing.

Next year, **Julie Browning, Δ-Indiana**, will be leaving the chapter to board a ship that will take her all over the world. During this time, she will be continuing her studies while visiting many different countries. Julie has served as song chairman and has been a Kappa Picker.

SOME SCHOLARSHIPS MEAN STUDY ABROAD

Kelly Carlson, ZZ-Westminster, has been chosen to receive the Cranshaw Scholarship for 1985-86, a \$10,000 scholarship which provides Kelly with the opportunity to study in London, England while also interning with a member of the House of Parliament. She was selected on the basis of her academic performance (a perfect 4.0!) and for her demonstration of special knowledge of international affairs during her selection interview.

More scholarships continue to recognize Kappas' achievement and promise. **Lisa Thompson**,

BΘ-Oklahoma, received a Junior Panhellenic scholarship at the 1985 Greek Awards Banquet. Lisa works in the Student Affairs Office on campus and has been pledge class president in the chapter. Other Beta Thetas recognized at that banquet were **Mollie Blackburn**, who received the Panhellenic Good Service Scholarship, and **Brenda Swan**, who received the Panhellenic Scholarship. Mollie is chapter president, and Brenda has been pledge chairman. Both have also been chosen for Gamma Gamma (Greek honorary).

She is also membership chairman of Prylanean's women's honor society and chapter registrar, public relations chairman and philanthropy and house representative. In addition, because of her outstanding academic achievements, Cheryl was awarded a \$3,000 graduate fellowship from the University of California Regents. **Linda Frager**, who recently received a \$300 Regent scholarship, was honored as having the highest sorority women's grade point average in the College of Engineering. A third **Epsilon Omicron** Kappa well-known with Panhellenic is **Kathy Hayes**, who is serving as president of Davis' Collegiate Panhellenic.

Michele is also an officer in the Accounting Society and chapter membership chairman. Michele and **Laurie Wright** and **Linda Biel**, also Epsilon Rho Kappas, were recently inducted into Mortar Board, which requires a 3.25 GPR and achievements in service, scholarship, and leadership. Only 35 juniors are selected each year at Texas A&M. Michele and Laurie were also chosen for Beta Gamma Sigma (business honorary).

Another Epsilon Rho active has won the Fay Spencer Memorial Award, given in honor of the first woman in architecture.

Lauri Floth was one of the two chosen for the \$750 scholarship, two women from each Texas school having been nominated for the honor.

HISTORICAL PURSUIT

How many founders does KKG have? For the first sixty years (1870-1930), KKG considered only four Alpha initiates as "founders": Lou Bennett, Jennie Boyd, Minnie Stewart, and Anna Willits. The reason is simple: they are the four who supposedly signed the charter in the spring, 1870. Fraternity history of our early years is a reconstruction based on letters, interviews, recall, and hearsay; there are no records of our beginning. The idea of a Greek letter fraternity for women at Monmouth College was born during the famous 1869-70 "pow-wow," which was held on the bridge by Lou Bennett, Jennie Boyd, and Minnie Stewart, who then admitted Anna Willits into their circle. These four determined the organization, motto, and pin by March 1870. That same month, they added Sue Walker to the group and then Lou Stevenson in April. On a stormy night in late spring, 1870, the six girls were persuaded to sign the charter so Minnie's father could record it in Springfield. Because Sue Walker's mother was having a dinner

party, Sue had to stay home; Lou Stevenson had lost her rubbers and so was forbidden by her parents to walk in the downpour to the Stewart home that night. Consequently, only four signed the charter, but only four were necessary at that time to make it a legal document. The 1930 Convention voted that all six were actually instrumental in forging the initial bonds of KKG and so that Convention officially designated Lou Stevenson and Sue Walker as founders. The October 1930 Key contains the first Fraternity listing of six, not four, founders. Hence, there are historically and "legislatively" six founders, and we use the term *founders* instead of the phrase Fraternity charter members, of which there were only four. The original charter has never been found.

KAPPAS REIGN...

Libby Crews, ΔZ-Colorado College, was named Miss Frontier for the 89th Annual Cheyenne Frontier Days celebration in July. Libby is also very active with her chapter, having been house chairman, junior representative on the personnel committee, and in "Kappa Kabut," the musical/variety fundraising show. Last summer, Libby put together a cookbook which the chapter presented as Christmas gifts.

Marcy Morris, ΓO-Wyoming, will reign as Miss Frontier at the 1986 celebration, having been named Cheyenne Frontier Days Lady-in-Waiting for 1985. Marcy is in Kappa Pickers and Spurs (sophomore honorary), as well as being in a university production of the play "Diviners." Last summer, Marcy was in Laramie County Community College's "Calamity Jane."

Jamie Moore, 1982 pledge, ΓO-Wyoming was crowned Miss Rodeo Wyoming for 1985. She was also named Top Female Vocalist and Most Promising Female Vocalist by the Wyoming Country Music Association. Jamie is a member of the National Honor Society, the Society of Distinguished American High School Students, and Who's Who. She is involved in the statewide Cancer Crusade. Jamie never became an active Kappa due to her own battle with cancer—She discovered in the fall of 1982 that she had Hodgkins Disease. However, her surgery and treatment were very successful, and she is now representing the Wyoming Cancer Foundation.

Two Kappas have been honored through the 1985 Miss Love's Baby Soft Teen Model of the Year contest. **Diana Barnes, ZI-Villanova**, was named New

Jersey state winner, and **Lisa Wright, EB-Colorado State**, was selected a runner-up. Of the over 4,200 entrants three national finalists, 50 state winners, and 150 national runners-up are honored. Diana has also been Top Teen Model for 1982, WPVI-TV and was a semi-finalist in Teen Magazine's "Great Model Search."

Sue Ann Collins, ΓA-Kansas State, was elected Band Sweetheart by the entire KSU band last January, an award sponsored by the band fraternity Kappa Kappa Psi and sorority Tau Beta Sigma. It is known to be unusual for the award to go to an auxiliary unit member, and Sue Ann is captain of the flag team, having been a band member for three years. Her picture will be displayed in the band office for the next four years.

At Oklahoma, **Beta Theta Kappa Lisa Cagle** was named second runner-up in the Miss

Greek OU pageant. She also served as song leader for the chapter. **Kathy Forgas, BA-Illinois**, is the reigning 1985 Illinois State Fair Queen.

Not a pageant or competition, the Cherry Blossom Festival in Washington, D.C. in April brings together many girls selected to attend. **Wendy Anderson, ΓO-Wyoming**, was among those chosen this year. The week ends with a parade and a grand ball where one girl is named the Cherry Blossom Princess.

Britta Stolfus, ΓA-Kansas State, joins her Kappa sister Sue Ann Collins in receiving an honor voted upon by her peers. Britta was voted Outstanding Pridette this year, an award given by the Pridettes, an organization of 24 girls selected to dance and perform at football and basketball games. SPORT...

Heather Hallenbeck and Jane George-Falvy, IT-Whitman, collaborated their talents and organized Whitman's first women's lacrosse team. They run the practices themselves and have planned numerous home and away games throughout the Washington state area.

Basketball is the sport which occupies the time of **Ann Costello, E-Nebraska**. She is a sophomore guard on the university's women's basketball team and is actively involved in counseling basketball camps in Kansas and Nebraska. Ann also is a member of the Fellowship of Christian Athletes.

Two **Delta** chapter members are active in sports at Indiana. **Janie Armington** is a member of I.U. women's swim team and Student Athletic Board chairman. She transferred from the University of Tennessee, where she was a member of their nationally ranked swim team. She was an All-American freshman year and has competed in U.S. National meets and also International meets.

She coached her own team for two years and travelled to Europe with I.U.'s team. Janie, who affiliated with Delta chapter from Epsilon Lambda, is also active with I.U. Student Foundation. **Jenny Obremsky, Δ-Indiana**, is a Student Athletic Board Director, on the I.U. track team, and in Alpha Lambda Delta. She received the Connie Clifton Memorial Outstanding Pledge scholarship and now serves as chapter social rush chairman.

The women's soccer team at Washington State is led by two **Gamma Eta** Kappas, **Betsy Kruse** and **Julie Kuhnhausen**, who are co-presidents of the team.

The "80's" are known as the decade of physical fitness, and no one knows this better than the **Iota** Kappas of DePauw University. One of their sophomores, **Julie Vaughn**, leads a campus-wide aerobics class five days a week. A graduating instructor turned over to her last year a class of 30 students. Under

Julia's leadership the class has grown to almost 90, causing the location to be changed three times. The male-female ratio has become more equal, faculty members join on occasion, and several varsity athletic teams are required to attend. Julia receives no payment or course credit for her work; it is all voluntary. However, the university supports Julie to the utmost and reserves an auxiliary gymnasium for her class and posts the class notice on a list of daily events offered.

Two Kappas who are UCLA songleaders have recognized how their songleading performances have provided opportunities for other experiences such as modeling and poster offers. For **Coleen Hurty** and **Cheryl Richardson**, E-UCLA, being UCLA songleaders means not only participation at football and basketball games and various other sporting events but also alumni functions and celebrations, escorting guest speakers to rallies, fan appreciation days, and community events. Coleen is now appearing in the foreground of an Olympic poster in company with a USC

football player and Los Angeles mayor Tom Bradley and his wife. In the background are the thousands of well known in Hollywood, business, and the arts. The poster hangs in the Smithsonian.

At **Indiana**, the Kappas who perform on the university's pom pon squad are **Christie Jackson**, **Shelley Ward**, and **Coleen Thomas**. **Gamma Nu** actives **Cindy Thomas** and **Molly Inhofe** are members of the University of Arkansas pom pon squad and were able to cheer for the Razorbacks in the NCAA regionals in Salt Lake City.

Kim Firestone, BA-Illinois, is co-captain for the Illinettes pom pon squad, of which two more **Beta Lambdas**, **Katie England** and **Patti Capps**, are also members. **Julie Ferrigan**, BA-Illinois, is a two-year member of the Illini cheerleading squad. At Washington State, Kappa spirit will be abundant at football games since the selection of **Gamma Eta** Kappas **Carmen Carbone** and **Michelle Crites** as cheerleaders and **Denise Erickson** and **Tami Danielson** as rally squad members.

SARAH GIBSON BLANDING — A WOMAN FOR ALL SEASONS

BY MAGGIE FRAZIER
BX-KENTUCKY

Sarah Gibson Blanding radiates past the normal realm of existence. Her life can be used as an example to all that the opportunities are limitless in this world. Upon writing this article and reading up on Sarah Blanding's life, I became overwhelmed at all this lady accomplished in a lifetime! I was also magnetized to her because she was a Kappa at the same chapter I was, Beta Chi at the University of Kentucky.

Sarah Blanding was born in Lexington, Kentucky, on November 22, 1898, to the late William P. and Sarah Anderson Blanding. In 1924 she received her A.B. degree from Kentucky and master's degree from Columbia University. Sarah Blanding was a woman who was not afraid to knock on doors and try to open them. She continued her education and in 1927 sought graduate study at the London School of Economics under the famous Harold Laski.

In 1928 she returned home to Kentucky and became dean of women along with an associate professor position in political science. She stayed at Kentucky for 14 years incorporating many innovative ideas and implementing dynamic policies to up-

grade the University. Sarah was able to leave her mark of excellence at Kentucky. The University displayed their admiration and appreciation by honoring her with a stunning 23 foot dorm tower amidst the largest and most modern dorm complex on campus. (I had always thought during my years at Kentucky that Blanding Tower was named after a famous basketball coach and was in awe that a lady of education was able to be recognized among the strong adherence to sports at Kentucky. (I saw this as another indication of Miss Blanding's incredible character.)

Miss Blanding never tired of her pursuit of excellence in education. In 1941 she became dean of New York State College of Economics at Cornell University. Miss Blanding was able to polish and perfect her ideas and policies at Cornell before moving on to Vassar College in 1946. She was the first and only woman president at the college.

It was at Vassar College in New York that Miss Blanding assimilated all her years of experience and knowledge and entered the most radiant stage of her life. At Vassar she tripled the investment portfolio, introduced a new curriculum emphasizing independent work, and ventured in basic research to determine students' psychological change

during the college years. She retired in 1964 after a full, productive 18 years as president. The class of 1919 at Vassar established a fund to endow the Sarah Gibson Blanding Chair to enable young, bright students to pursue their education. Sarah's deep love for the school was shown in her request that at the time of her death all memorial gifts are to be given to Vassar.

This is only the tip of the iceberg in regard to Sarah's life. President Franklin D. Roosevelt, during WWII appointed Sarah to the Joint Army & Navy Committee on Welfare and Recreation. She was the only woman to serve on this committee. President Harry S. Truman appointed her to his Commission on Higher Education. She was also the only woman to serve here. Sarah was known for her courage in

speaking her opinion on matters of importance. During the 1950's she spoke out against congressional investigation of communist influence in education. This was during the Red Scare and it took a great deal of boldness and spirit to risk her career in order to speak out against a movement which cost many people their careers at the time. Sarah was also given international attention for a speech she made against premarital sex among college students. Miss Blanding made a path so that women in years to follow would have confidence to search for other career possibilities.

She served on the Board of Foreign Scholarships and Public Advisory Board of Economic Cooperation Administration. Sarah was also director of the Ford Foundation's Fund for Adult Education. In later years Sarah was admitted to the Kentucky Hall of Distinguished Alumni.

Kappa also recognized this exceptional lady. At the 75th Jubilee Convention Sarah was honored by being one of the first recipients of the Alumnae Achievement Award. This award is given to the Kappa alumna who had excelled in her professional or business life. It seems extremely appropriate that Sarah was one of the first to receive this high honor from Kappa. She was an outstanding Kappa, dynamic educator, and magnificent human being. Sarah Blanding was a woman for all seasons.

TUCSON REACHES OUT

The warm climate of Arizona sets an example for the Tucson Alumnae Association as they reach out toward others.

Tucson's climate draws many people to spend their winters in the sun. Mary Alice Matchette Schumacher, ΓA-Kansas State, journeys from Kansas and Marion Howes, BT-W. Virginia from Clarksburg, WV to bask in Tucson's climate and Kappa's hospitality. Virginia Smith Neher, ΒΠ-Washington, and Ruth Potts Culbertson, X-Minnesota, live in the retirement community of

Green Valley, north of Tucson. Margaret Maze Behr, Π²-California, and Shirley Upton Drew, ΔN-Massachusetts, are residents of the artists' community of Tuboe. All enjoy meeting with Tucson alumnae and participating in social events.

A mixture of ages is evident in the alumnae group. Young Kappas with small children enjoy getting together to share experiences. Among them are Chris Kennedy Bubany, ΓB-New Mexico; Robyn Russell Plaisted, Kathy Varney Martin, and Kris

Mary Alice Schumacher, Shirley Drew, Marion Howes, Virginia

Neher, Ruth Culbertson and Margaret Behr enjoy sun and sociability.

Pederson Federher, all ΓZ-Arizona.

Greek sisters in Tucson are part of Kappa's reaching out. The spring Panhellenic luncheon was a time for applause as active members of ΓZ won two of three Panhellenic scholarships. In addition, Nancy Burton Kinerk, ΓZ-Arizona, received the alumnae Panhellenic's cherished Athena Award. A former alumnae president for Kappa, Nancy was honored by Panhellenic for

her community service. She has been actively involved in Junior League, Pima County Bar Auxiliary, Silver and Turquoise Hostesses, Angel Charity, Symphony Cotillion, Governor's Task Force on Education, and a number of other civic organizations.

From ΓZ pledges coming in second for the Panhellenic scholarship trophy all through each age group to retirement, the sun keeps shining on Tucson Kappas.

ALUMNAE ACTIVITY ...

DENVER

A contribution of \$1700 from the Denver Alumnae Association enabled Craig Rehabilitation Hospital to purchase a big-screen television set. The check, part of the alumnae group's on-going support of Craig, was given by Pat Penix Bollacker, EB-Colorado

State, paper sales chairman, to a Craig patient. Looking on are Marjorie Gohn Felsburg, ΔA-Penn State, Christmas greens chairman; Sally Swaney Lund, BZ-Iowa, first vice president; a Craig patient, and Dennis O'Malley, Craig administrator. Patients showed their appreciation with a banner saying "We love Kappas."

SPOKANE

The Therapeutic Aquatics Program of the YWCA was adopted by the Spokane Alumnae Association as its local philanthropy in 1977. During the ensuing eight years, alumnae members have given to the program financially and through service hours. Several Kappas have served on the board of directors, worked on the annual Swim-A-Long fundraiser, and volunteered as pool workers

to help patients who benefit from the buoyancy of water exercises.

Half of the \$1,000 grant given to Iota Province Meeting for philanthropic use went to the Spokane YWCA Therapeutic Aquatics Program. Pictured presenting funds at the annual fundraiser are Sherry Chapman Lee, ΓH-Washington State, YWCA board president and Kappa first vice president; Patricia Miller, YWCA Executive Director; Susan Lightfoot, YWCA board member; Jaki Giles Lake, also ΓH, alumnae president.

MILWAUKEE

Models gathered before the first annual spring luncheon and style show of the Milwaukee Alumnae Association are (front) Michelle Hansen Pinkalla, H-Wisconsin; Linda Storm Golden, ΔV-Texas Tech, ways and means chairman; Jan Hogoboom Miller,

also H, president; (rear) Cathy Wemple White, also H; Anne Bradley Courtney, EA-Texas Christian; Marge Gaedke Laughlin, ΓΘ-Drake; Carol Ornst Mane-gold, X-Minnesota; Susan Meulendyke Fondrie, also H. Over \$300 was raised and donated to The Ranch, a local rehabilitation center, and to Kappa philanthropies.

ATLANTA

Ending the old year with their traditional Christmas coffee for alumnae, actives, pledges, mothers and daughters is a special event for the Atlanta Alumnae Association.

They then began the new year in style with another annual event—their Career Exchange. Among those addressing the con-

cerns of women entering a new career, as well as those already coping with the inherent struggles of career and family life were Laura Young Palmer, EH-Auburn, bank vice president; Holly Pritchard, ET-North Carolina, attorney; Susan McAdams Thigpen, also ET-bank first vice president. In true Panhellenic spirit, a Chi Omega also participated in the career exchange!

TEMPE-MESA

Eddie Hartin DeGrow, EA-Arizona State, established a \$500 scholarship in memory of her daughter, Nicole, who was killed in an automobile accident at the age of 3. Awarded annually at the Founders' Day celebration, the Nicole Hartin DeGrow Sunshine Scholarship recalls the little girl who was like a ray of sun-

shine—outgoing, loving and happy. The members of EA choose as a recipient a member who truly epitomizes sisterhood—a member who is always there with a kind word, a hug, a shoulder to cry on, time to listen to problems, one who adds sunshine to the lives of others. Pictured are Melissa Sargent, 1984 recipient; Eddie Hartin DeGrow, Kristine Stava, 1983 recipient, all EA.

FUN ON THE FAIRWAYS

Pine Needles Lodges and Country Club, Southern Pines, NC, is owned and operated by Warren and Peggy Kirk Bell, AE-Rollins. Peggy is a teaching pro and was delighted to welcome a number of Kappas to the club's Ladies Golfari in February. Among

those who formed new friendships while improving their golf games were Peggy Bell Miller, FI-Alabama; teacher Peggy Kirk Bell; Sarah Lippincott Garroway, BA-Pennsylvania; Nancy Upshaw Eggerton, AB-Duke; Ruth Hughey Barber, AA-Miami; Carol Clark Johnson, also AA; Peggy Brady Cline, BT-West Virginia; Bettye Reckner Splitorff, A-Indiana.

A popular and profitable fund raiser for the Waco Alumnae Association was a preview of holiday fashions and a program by Prudence Mahaffey Mackintosh, BE-Texas. The author of *Thundering Sneakers*, Prudence is a feature writer for several magazines.

Local alumnae and their children and actives from ET-Baylor served as models for the show which netted over \$2600. Proceeds will go to the Waco Community Cancer Association, the Rose McGill Fund and the Waco Scholarship Fund. Pictured before the show are Jennifer Bertrand Heinz, ET-Baylor; Prudence Mackintosh, BE-Texas; and Peggie Eldridge Story, also ET.

SCOTTSDALE REMEMBERS A SPECIAL KAPPA

Five years ago members of the Scottsdale Alumnae Association held their first Art-A-Fair under the chairmanship of Becky Rhue Dooley, I-DePauw. The work of local artists were featured in a unique show, sale and party sponsored by the Kappas. It proved to be a great success and has been repeated annually, with proceeds growing each year.

This year's fifth annual Art-A-Fair netted \$2,000, which will be divided between Kappa philanthropies and ALS Society of America. ALS is Amyotrophic Lateral Sclerosis, often called Lou Gehrig's Disease. Donating to ALS is important to the Scottsdale Kappas, since Becky Rhue Dooley died of ALS on July 5, 1983 at age 61.

Always a vibrant and active person, Becky developed a limp... one which came from weakness, not pain... and was diagnosed as having ALS in May, 1981. Some people live with ALS for 20 years, but for Becky it progressed rapidly and claimed her life in but two short years. Despite occasional depression as she went from braces to a wheelchair to a hospital bed, Becky maintained her sense of humor and never adopted a "poor me" attitude.

The most common in a group of motor neuron diseases, ALS has no known cause or cure. The motor nerves of the spinal cord, the brain stem and the cortex gradually disintegrate, resulting in progressive atrophy of the

muscle cells, causing spastic paralysis. ALS strikes people in the prime of life, between the ages of 35 and 65, and is more common among active males than females. Unlike poliomyelitis, which also attacks motor nerves and destroys them, but stops, ALS begins insidiously and keeps on going until death.

Local Kappas, including Ann Catto Francis, ΓΦ-Southern Methodist, hostess for this year's show, helped Becky as she became more disabled, trying to take her out at least once a week. They learned a lot about handicapped people and how others treat them. Sometimes people would walk up and talk to Becky's helpers but completely ignore the woman in the wheel-

chair. The Dooley's home was adapted to care for Becky and daughter Kyle, ΔΓ-Michigan State, feels that the whole family became therapists, pouring buckets of water into the pool so Becky could have water therapy.

The Dooley family is grateful to the Kappas who helped Becky and who also gave them a break from their daily routine. Ann Francis is pictured (left) with Jane Dooley, Becky's Tri Delt daughter from DePauw; Mary Rhue Rogers, and Jane Rhue Somers, both I-DePauw, Becky's sisters and both 50-year Kappas; and Kyle Dooley, ΔΓ-Michigan State.

Ann Francis and the women of the Dooley family (above) and members of the Art-A-Fair (left).

Whatever they have given, they has also gained; that is the feeling of the Kappa alumnae who have worked for the success of the Art-A-Fair. Among them are Shirley Raskey Zimmerman, BA-Michigan, '84-85 president; Claudia Greenlee Fanning, ΔΦ-Bucknell, committee member; Barbara Spies, exhibiting artist; Marian Bass Bolton, ΔI-Louisiana State, committee member; and (seated) Mary Ingwersen Shrake, ΔB-Duke, '85-86 president. Photos are courtesy of Betty Fletcher Feltman, T-Northwestern, who donates film and developing.

Memories of a sister with whom you have shared good and bad times makes working for philanthropy easy. It's a work of love.

Lou Seibert Pappas, ΓM-Oregon State, has completed her latest cookbook, *New American Chefs*, published by 101 Productions, San Francisco. The author of 15 cookbooks, including the award-winning *Vegetable Cookery*, Lou is also the food editor of the Times Tribune in the Bay area.

Georgia Kistler Wood, BM-Colorado, received her 65-year pin and Martha Bishop Dollison, BT-W. Virginia, was honored as a 50-year Kappa.

Two Kappas in Rutland, VT brought Christmas cheer and a long overdue pin to a local nursing home to present to 98-year-old Bertha Stilson Ranger, ΓΑ-Middlebury. Jean Adams Toth, Φ-Boston, and Jean Cowman Ross, BT-Syracuse, enjoyed tea and cookies with Bertha as she reminisced about her years as a Latin teacher and recalled favorite students by name.

50 ... 65 ... 75 ... KAPPA'S GOLD AND DIAMONDS

It is always a special thrill for alumnae to present a 50- or 75-year pin to a member. Now the Fraternity has added the recognition of 65-year membership and more Kappas are experiencing that special feeling of remembrance and joy in their years of sisterhood.

Kappa Province Director of Chapters, Vera Lewis Marine, ΔΖ-Colorado College, presented a 50-year pin to Sarah Brownell Pack, Α-Monmouth.

The editor regrets that all items on 50-year members cannot be used. As the Fraternity and its members grow older there are just too many to include all these special ladies.

Fort Wayne Alumnae Association members were excited to find three 65-year Kappas in their group and surprised Louise

Spake Haller, ΓΔ-Purdue; Lucille Woodruff Carlo, T-Northwestern; Eunice Bickel Carlson, M-Butler, with the newly established award.

McAlester, OK is proud of four 50-year members; Dorothy Burwell Gordon, Be Ann Puckett

With long experience in civic leadership, Sydney has been involved with more than 35 non-profit organizations in seven states as a volunteer or a professional consultant.

■ **Laura Squair**, IΛ-Arkansas, started a business partnership two years ago with Something's Popping. The Los Angeles firm specializes in several areas: a direct mail division for hand-painted custom designed cans filled with flavored popcorn, handpainted rocking horses which are sold in local children's stores, holiday boutiques and catering small parties such as children's birthday parties, cocktail parties and theme parties for such occasions as Super Bowl, World Series, etc.

Laura Squair

Formerly marketing coordinator for the LA Olympic Organizing Committee for the 1984 Summer Olympics, Laura has worked in sports promotion for four years with such groups as the Texas Rangers and Harlem Globetrotters. She is currently in promotion and publicity for CJ BRETT'S a southern California based restaurant owned by George Brett, third baseman for the Kansas City Royals and also promotes National Temporary Services in LA.

As public relations officer for the Santa Monica-Westside Alumnae Association, Laura is also working to start a direct mail order gift business which will carry handpainted Kappa items. She plans to show the items at convention boutiques as well as advertising in *The Key*, and will donate a percentage of sales proceeds to charity.

■ **Nancy Hoose Froelich**, E-Illinois Wesleyan, was elected chairman of the McLean County Board in a unanimous vote. Appointed to the board in 1981, Nancy has served as chairman of the Justice and Public Safety Committee and is a proponent of law enforcement causes. She is also vice-chairman of the Board of Governors for five state universities in Illinois.

Gertrude Ann Richardson

■ **Gertrude Ann Windsor Richardson**, BE-Texas, has been referred to as a "traditionalist in Tyler" (TX). Community leader, nature lover and philanthropist, she has been honored by many of the organizations she has served, the latest being The Garden Club of America Medal of Merit.

A leader in civic beautification, Gertrude Ann is a charter member and past president of the Junior League of Tyler. She established the Richardson Wing at Medical Center Hospital for special care services and furnished four suites in memory of her late husband, Will. Between them they held every social, cultural and philanthropic position in the community. Tyler Kappas add that Gertrude Ann has also held every office and done every job for the Kappas and they return many-fold her personal gift of loving and caring to one who has given so much of herself.

NEWS AND NOTES

■ **Dr. Elizabeth Briant Lee**, PE-Pittsburgh, received the 1984 Distinguished Career Award of the Clinical Sociology Association. She is the co-founder, with her husband, Dr. Alfred McClung Lee, of the Society for the Study of Social Problems and of the Association for Humanist Sociology. Now retired from active teaching, she is preparing a book on eminent American women.

■ **Eloise Eager Allen**, H-Wisconsin, was a participant in the 1985 American Birkebeiner, a difficult 35-mile cross-country ski race from Hayward to Cable, WI. The athletic president of the Mercer Alumnae Club participated for the third time and intends to enter again, saying that crossing the finish line gives an incredible "high" and feeling of pride.

■ **Patty Berg**, X-Minnesota, has been chosen as a member of the board of directors of the Security National Bank of Fort Myers, FL. A 1956 Alumnae Achievement Award winner for her achievements in golf, Patty has been a member of the Wilson Sporting Goods Company advisory staff since 1940, co-founded and was the first president of the Ladies Professional Golf Association in 1948, and was elected charter member and inducted into the World Golf Hall of Fame in 1974.

Linda Sanning

■ **Linda Walker Sanning**, AB-Duke, joined Hokanson Companies, Inc., Realtors as a commercial real estate broker. In her new position, she specializes in leasing office space. She previously served as user services consultant with Indiana State's Computer Center. A violinist in her spare time, Linda plays in the Carmel Symphony. She and husband Kenneth have two sons, the elder a sophomore at Linda's alma mater.

■ **Phyllis Bolman Pfahl**, PA-Ohio Wesleyan, was elected president of the Ohio Medical Auxiliary. She has spent many years in the field of medical education in nursing and hospice activities and has been very active in the Erie County and Ohio Medical Auxiliaries for over ten years. Her husband Baird, an ophthalmologist, served as president of the Ohio State American Medical Association in 1983.

Phyllis Pfahl

In addition to her work in health-related fields, "Fifi" served Kappa as Gamma Province Director of Chapters 1967-71.

Kathie, Lisa, Laura and Ed Featherstone

HELLO, OUT THERE!

■ **Katherine Briggs Featherstone**, AA-Penn State, writes from Okinawa, Japan, where her husband, Edward, is Consul General at the American Consulate General. As a foreign service officer with Department of State, Ed has specialized in the Far East, with many assignments in Japan. In almost 25 years of foreign service, the Featherstones have lived in Kobe, Yokohama, Tokyo, Niigata and Okinawa. Since both Ed and Kathie spent some years in Japan with their respective families, they feel very much at home there.

They enjoy traveling around the country and find the Japanese people most helpful and considerate. Both have studied the language for many years but continue their studies, finding there is always more to learn.

Daughters Lisa (22) and Laura (19) spent many years in Japan but now live in Virginia, attending college and working, but both enjoy their annual holiday visit to Japan.

Kappas seem to become involved in civic and cultural organizations wherever they live and Kathie is serving her second term as president of the Okinawa International Women's Club, an organization which promotes

friendship and cultural exchange. Monthly luncheons of 300 involve all members, but cultural groups of about 10 also meet monthly, half the members being Japanese and half foreigners, enabling the ladies to know each other better.

Sports and leisure activities have been greatly varied in the Featherstones' Japanese posts. Hiking in Nikko, near Tokyo; downhill skiing near Niigata; snorkeling and scuba diving in Okinawa and the Kerma Islands which are two hours away by ferry boat, have been among their joys.

Expecting to return to a Washington, DC assignment when their Okinawa tour ends in 1986, Ed and Kathie would enjoy seeing any Kappas living on Okinawa or visiting there. They can be reached at the American Consulate General.

■ **On the other side of the world, and still a student**, **Betsy Waugh**, M-Butler, writes from Tours, France. The semester abroad program is popular with Kappa collegians and Betsy has enjoyed her semester of study at L'Institut de Touraine. She lives with a family in a huge three-story house in the center of the city which also houses students from Japan, Belgium, Germany and Italy, as well as two other American girls.

Betsy feels that her appreciation of French culture has grown tremendously as her understanding and use of the language has improved. At the same time, she has gained a better perspective of her own language and culture. Visits to the Loire Valley, the D-Day beaches of Normandy and the pre-historic caves of Lascaux taught her more history than she "ever learned in History 101"! A summer internship for the Jaycees International in Holland will broaden her experience further.

As a student or as a service wife, for a few months or for a number of years, Kappas enjoy being American "ambassadors" and sharing a variety of cultures with those they meet throughout the world.

Kathy Farago

■ **Kathy Farago**, TH-Washington State, has been promoted to media director with Hanna/Wheeler & Associates, a full-service advertising and public relations firm. She has served as administrative assistant and account manager with the firm for the past two years.

Kathy's new responsibilities include research, selection and placement of all forms of media, both locally and nationally. She is also involved in public relations coordination. Kathy also serves on the board of directors for the Northwestern Child Development Center of Spokane.

■ **Mary Southern Wallace**, M-Butler, was one of six women honored at Kansas City's 1985 Matrix Dinner. Sister-in-law of Harry S. Truman, she served as a liaison between the Truman-Wallace family and the press during the presidential years and after. She described Bess and Harry as "two Missourians who were drafted into the national world

and made a wonderful success of their lives."

Still active at the age of 90, Mary received the Woman of Achievement Award from the Independence Branch of the American Association of University Women in 1984.

■ **Linda Lee Worsham Davis**, EA-Texas Christian, is Director of the San Antonio Foster Grandparent Program. Having worked in gerontology in Hawaii ten years ago, she has always gravitated toward intergenerational projects for seniors, and feels that an instant, magical bond is established between youth and elderly, one which is beneficial for both groups.

This year a dream materialized... the dream of having foster grandparents work in the juvenile detention center. From all reports, it is working well... the foster grandparents are challenged, the juveniles are aided and the juvenile defenders are delighted.

The Texas Youth Commission is charged with the responsibility of managing programs for the care, rehabilitation and control of children committed to or placed with the TYC, and also with the responsibility to assist communities with services and funding of programs for delinquent and pre-delinquent children. It is the intention of the Juvenile Court, when possible, to help the youngster remain in the community, while also keeping him separated from adult criminals and negative influences. It is hoped that the foster grandparents giving of themselves will aid in rehabilita-

tion.

Originated in 1965, the program provides the opportunity for low-income persons 60 and older to contribute to the community at no cost to themselves. Foster grandparents gain financially and psychologically; the children gain someone to listen, love and help them in their rehabilitation. Part of the Older American Volunteer Program, the San Antonio Foster Grandparent Program is celebrating its 20th anniversary and serves in five areas of the city. There are 308 such programs in the United States and Puerto Rico. For information about the program in a specific area, contact ACTION, Washington, DC 20526.

had delighted listeners with his personal-experience tales from oil-boom times through the Depression. Margaret finally convinced her father to talk, and she transcribed. She retraveled much of his original territory to "check memories" of his days on the road for U.S. Gypsum. In 1927, as the youngest salesman for the company, he sold building materials to lumberyards, contractors and architects, covering nineteen counties of Western Oklahoma and the Panhandle of Texas.

In 19,000 square miles, the young man had "only forty miles of paved roads", including the main streets of towns. His collection of tales includes unexpected hardships, humorous incidents and verbal portraits. Car breakdowns, road obstructions and adverse weather were constant harassments. In addition to the usual chains, gas can and blanket, he also added a pick and shovel and block and tackle for stuck-in-the-mud episodes. A keen observer of people, Goldsborough tells of encounters with Al Capone, Jim Farley, Herbert Hoover, and Texas Rangers Tom Hickman and Frank Hamer.

Margaret Bigger, a professional writer, lives near her father with her husband, Richard Andrew Bigger, Jr. and their daughter, Joy. A past president of the Charlotte Alumnae Association, her second book is with a publisher now.

■ **Shirley Nichols Sparks**, BZ-Iowa, is associate professor of speech pathology and audiology at Western Michigan University in Kalamazoo, MI, where her clinical and teaching interests have focused on children with birth defects. She has written a book, *Birth Defects and Speech-Language Disorders*, which addresses new research in genetics and fetal development, and emphasizes the triad of clinical practice: diagnosis, prognosis, and therapy. Her experience also includes serving as coordinator for the Kalamazoo Genetics Clinic.

Shirley has been active in the Battle Creek Alumnae Club as past president and current treasurer. Wife, mother of three, she is now on sabbatical leave from WMU and is serving as part of a team to reduce infant mortality.

province meeting—1985

From all points of the compass, Kappas of all ages assembled this spring in 17 Province Meetings. One hundred years ago the first such gathering was held in Hillsdale, Michigan, and quickly became an important Fraternity tradition. From New York City, Atlanta, San Antonio, Tacoma and points in between, the meeting halls were aglow with the sisterhood which is uniquely ours.

"Kappa Spirit—The Key To Our Future" was chosen as the theme for this meeting. Since Kappa is every member, each plays a significant part as the keeper of her fine heritage, the role model for her present, and the architect for her future. Kappa is the **vital force** that provides a quality of life in which women can grow and reach greater heights. Kappa develops a **frame of mind** which gives rise to tolerance, concern, cooperation, care, and a feeling of obligation for one another. Kappa gives **courage** to those who would be trendsetters for change in the growing concerns about Greek life on our campuses today. Kappa supports an **eager desire** to be sensitive to the needs of others and to provide the resources and support services necessary. Kappa encourages **mental vigor** in the

pursuit of academic awareness, intellectual development, and the capacity to learn the amenities of daily living. Kappa embodies the **essential character** of high ideals and is dedicated to the preservation and maintenance of standards of excellence. In the final analysis spirit means that vital force, frame of mind, courage, eager desire, mental vigor and essential character which is Kappa!

Province Meetings were charged with some very specific responsibilities, such as electing province officers for the coming two years, providing leadership training, and making recommendations to the Council.

Once again the circle of friendship was opened to welcome two new colonies which sprang into full bloom in the month of April. At the invitation of administrations, Kappa gladly accepted the opportunities to be a part of the highly academic institutions and flourishing Panhellenics of both campuses. The University of California, San Diego located in La Jolla, was founded in the mid-sixties, and has an undergraduate enrollment of over 10,000 students. It is well known for its programs in marine biology, oceanography, and the sciences, particularly in the health related fields. Virginia Tech in Blacks-

burg, Virginia, founded in 1872, enrolls 20,000 students in outstanding programs in engineering, agriculture, architecture and business. Zeta Mu and Zeta Nu, our 113th and 114th chapters will be installed in the late fall of 1985.

Any organization preparing for the future must concern itself with sound financial planning to meet its responsibilities, obligations and growth. The "financial forecast" was presented and thoughts were shared on the best ways to maintain the quality of Kappa in the late eighties.

The Council established a Long Range Planning Committee under the able leadership of past Fraternity president, Sally Moore Nitschke, BN-Ohio State. To quote Sally, "The charge to this committee is to study the operations of the Fraternity to examine the potential of the present organization and programming, identify key issues to future success, assist in management organization, and provide long term financial projections necessary to meet membership needs." Since the results of long range planning will affect every member of the Fraternity, every member's input is extremely important.

Kappa continues to give through its outstanding philanthropy program. Each province was awarded a \$1,000 Fraternity grant to be given in the broad area of rehabilitation at the pleasure of the province. It was hoped that this would increase philanthropic awareness, acknowledge the importance of philanthropy on a community/province level, generate good public relations for Kappa, and have the chapters and alumnae groups work together for a common goal. (These 17 grants will be reported in depth in the next issue of *The Key*.)

The Fraternity shares the concerns and interest in the welfare of those young people afflicted with eating disorders. The Council officially endorsed the involvement of Kappa Kappa Gamma in an Eating Disorders Survey to be conducted with our chapters this fall. Dr. Laurie Humphries, BX-Kentucky, who presented an outstanding workshop at the 1984 convention, is a Medical Doctor, and Assistant Professor of Psychiatry at the University of Kentucky College of Medicine. The aim of the survey is to increase knowledge and make effective primary, secondary, and tertiary prevention of bulimia. Our voluntary and confidential participation will hopefully aid the

research being done to cure these unfortunate problems.

These are just a few of the items found on the full and overflowing agendas at Province Meetings. There were opportunities to share ideas, absorb the success stories of achievements within chapters and alumnae groups, singing, fun, and newly found friendships. There were workshops and programs which broadened knowledge, skills, and expanded horizons about this great Fraternity of ours. Most importantly, we met to rededicate ourselves to the purposes for which Kappa was founded. They are as relevant in 1985 as they were 115 years ago.

Each member was charged to carry home the "spirit of Kappa" to alumnae groups, chapters, campuses, and communities. Kappa's future is assured when we continue to believe in the value of the "development of the nobler qualities of the mind and the finer feelings of the heart, and for mutual helpfulness and in the attainment and intellectual and social excellence."

You are Kappa . . . you are the spirit . . . you are the key to our future.

AND MADE RECOMMENDATIONS TO THE FRATERNITY COUNCIL

These recommendations were voted upon and sent to Council by the provinces listed. Council will consider and work on these ideas over the following year.

From Beta Province—"Council consider scheduling the convention to be held in one working week and reducing the actual meeting time by one day. Also, a directory with the names, addresses, and phone numbers of all chapter presidents, alumnae association and club presidents be established for Beta Province and distributed to the chapters and alumnae groups each fall. Third, that the Fraternity committee explore ways to make the careers program more responsive to the needs of the membership."

Gamma Province recommends the Fraternity Council consider the possibility of adopting kidney camps as the Fraternity philanthropy project.

Eta Province suggested that, "All financial changes, province meeting and convention materi-

als be sent to the appropriate chapter and alumnae officers separate from the fall or spring mailings." Also, "In consideration of time consolidation, that mailings and written communication be directional, concise, and condensed with no duplications between the fall and spring mailings, i.e. lists of prices for silverware, resources, etc., eliminate the officer letters (except one vital for special information)."

Theta Province "reaffirmed the 1985 Resolution at Theta Province Meeting to be restrictive to personalization of gifts sent to chapters during rush from alumnae groups," and also recommended "time guidelines furnished by Fraternity counterparts to local chapters."

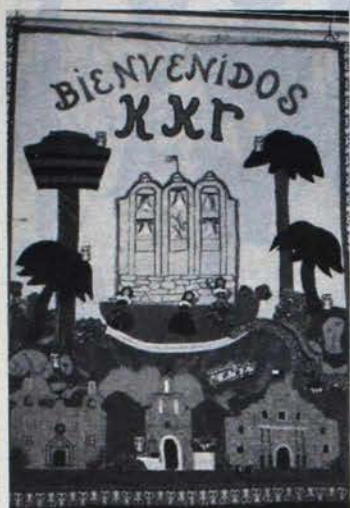

Iota Province participants appreciated the Fraternity's openness and presentation of its financial forecast.

Kappa Province asked that "A

Young and old enjoy talking—Caroline O'Dell, M-Butler, former Δ PDA and 50 yr. Kappa shares with Tina Bessell, ΔΓ-Michigan State scholarship chairman.

I'd like to be the sort of friend that you have
been to me
I'd like to be the help that you've been
always glad to be
I'd like to mean as much to you each day of
every week
As you have meant, oh friend of mine, to me
along the way.
I'm wishing now that I could but repay
A portion of the gladness that you've strewn
along my way
And could I have one wish this day, this only
would it be:
I'd like to be the sort of friend that you have
been to me.

KKG GEOGRAPHY: PROVINCE ORGANIZATION

In 1881, chapters were first divided into geographical regions known as provinces. As KKG increased its number of chapters, provinces were reorganized several times. In fact, any chapter founded before 1910 is no longer in its original province, and Beta Chi chapter (Kentucky) has the distinction of having been relocated more than any other chapter: a total of six times (Epsilon, Delta, Gamma, Mu, Lambda, Nu). No where in the history of Kappa Kappa Gamma do we find the story of growth and change more than in the chronology of our province structure.

1881 20 chapters are divided into three provinces:

Alpha: Beta Beta, Beta Tau, Lambda, Beta Gamma, Rho

Beta: Eta, Kappa, Gamma, Iota, Mu, Delta, Nu

Gamma: Chi, Omicron, Zeta, Alpha, Beta, Epsilon, Theta, Pi

Each province elects a member of Grand Council, who appoints a Deputy to assist with province business.

1885 The Deputy becomes a Province Manager and the first subconventions are planned, but only Alpha meets.

1889 The Province Manager becomes a Province Deputy required to live within 20 miles of the Grand Council officer who appointed her so that they can meet monthly to discuss chapter concerns.

1890 With 22 chapters, Delta Province is created, and the Province Deputy becomes the Province President.

Alpha: Beta Beta, Phi, Beta Tau, Psi, Gamma Rho, Beta Alpha

Beta: Kappa, Lambda, Beta Gamma, Beta Nu, Kappa

Gamma: Eta, Upsilon, Epsilon, Iota, Mu, Delta

Delta: Chi, Beta, Zeta, Theta, Sigma, Omega

1891 Only Alpha meets; Beta Tau, Psi, Beta Alpha, Beta Beta, and Beta Epsilon attend; Phi and Gamma Rho regret. The Alpha sub-convention was a four-day occasion: three receptions, one banquet, sight-seeing, attendance at private theatricals, and two business meetings; the topics of interest were initiation, standing rules, alumnae association, literary work, and inter-chapter relations.

1893 No provinces meet.

1894 The term Province President disappears; each Grand Council member represents her province and each province has to provide a Grand Council member.

1895 Three of the four provinces hold Province Conventions; Beta and Gamma succeed in having all chapters attend, Alpha has two chapters regret, and Delta does not meet. The two main issues are the pledge pin and the relationship of the Grand Council to the chapters.

1897 Only Beta Province meets.

1899 No provinces meet.

1901 Again, only Beta meets and all six chapters attend the two receptions, one evening set aside for entertainment, one morning devoted to readings and paper discussion, and one business meeting; topics range from rush to extension.

1890-1906 New chapters are added to the existing four provinces, and Epsilon and Zeta Provinces are created. New to Alpha are Beta Sigma and Beta Iota; Beta gains Beta Delta. Gamma adds Beta Lambda, and Delta for a few years includes the chapters which form Epsilon and Zeta in 1906. To Epsilon went Beta Mu, Beta Xi, and Beta Omicron, while Zeta received from Delta the three West Coast chapters: Pi, Beta Eta, and Beta Pi. All Grand Council members are now elected by the Fraternity-at-large, but no more than two can be from the same province; the deputy system for provinces returns.

1902 No provinces meet.

1910 Each province is limited to five chapters, so four new provinces are created: Eta, Theta, Iota, Kappa. With 10 provinces, a new form of province government comes into being: the Grand Council now appoints a President for each province for a two-year term and the duties are spelled out: she must visit each chapter

within a two-year period, keep in close touch with the chapters, and report regularly to the Grand President.

1915 The names and addresses of the Province Presidents are first printed in *The Key*.

1917 Province Vice-Presidents (called "veeps" or "p.v.p.s.") are appointed to work with alumnae.

1918 *The Key* lists Province Presidents and Vice-Presidents.

1919 Iota Province Conference is held.

1921 No provinces meet.

1922 Each chapter is asked to report monthly to Province President.

1923 Province Conventions are underway with discussions of stan-

1929 dards, scholarship, finance, house funds, extension, rush, PH, and pledge meetings. A, B, Γ, E, and I meet.

1924 A new Grand Council Position, National Director of Provinces, is created; Δ and Z met.

1925 Alpha and Beta switch province names in order to standardize province geographical regions and provinces are asked to meet every other year. Seven provinces convene: A, B, Γ, Δ, Θ, I, K.

1926 Each chapter is required to report monthly to the Province President.

1927 Kappa is excused from having a province convention; all other nine provinces meet to discuss standards.

1928 Province Presidents meet with Grand Council.

1929 Eta is excused from holding a Province Convention; all other provinces meet and include on the agenda alumnae-chapter relations, transfer Kappas, and the endowment fund.

1930 Province Presidents arrive at Convention one day early in order to meet in a pre-convention Council session; Lambda and Mu Provinces are created; with a total of 12 provinces, the Grand Council position is renamed Director of Provinces.

1931 All 12 provinces finally hold province conventions in the same year!

1933 No province conventions are held due to the depression.

1937 The first Province Office manual is published for Vice-Presidents.

1938 The first Province Officer manual is published for Presidents.

1939 The concept of Associate Council is born.

1940 The Council position, Director of Alumnae, is created and the Director of Provinces becomes the Director of Chapter Organization and Programs.

1943 No Province Conventions are held due to World War II.

1945

1946 The Director of Chapter Organization and Programs becomes the Director of Chapters.

1954 Province Officer titles are changed to the present-day Province Director of Chapters (PDC) and Province Director of Alumnae (PDA).

1967 Associate Council Seminar is created for the training of province officers.

1970 Four new provinces are created and chapters are again redistributed to form Nu, Xi, Omicron, and Pi. Province Conventions are renamed Province Meetings.

1975 Alpha and Gamma hold the first joint Province Meeting.

1979 Rho Province is created.

1984 Beta and Theta Provinces are restructured to meet increased size: Beta now has two PDCs (East and West), while Theta has two PDAs (East and West).

1985 Every member of the present Council has served as a province officer. Kappa Province now has two PDCs (North and South).

LOYALTY FUND SOARS!

Kappa Thanks YOU . . .

The Fraternity Council wishes to thank each and every one of the 9,730 donors who contributed to the Loyalty Fund between May 1, 1984 and June 1, 1985. The Fund received \$240,655.

Because of your support, the Fraternity has been able to . . .

- provide twice as many visits from Fraternity officers to alumnae groups and active chapters
- appoint four extra province officers to divide workload in certain geographical areas
- complete the *Keys To Housing* manual
- produce three new video tapes on chapter finance, leadership skills, and legal liability
- produce two new audio tapes—one on house boards and the other ritual songs
- provide five traveling consultants for our chapters

- expand the CHOICES career programming
- prepare extension presentation materials
- budget for increased NPC activities and continued involvement

Your annual gift is accumulative and the following special list represents donors whose designated gifts were in the \$100 (Loyalty), \$500 (Heritage), \$1000 (Founders), and \$5000 (Keystone) categories. In the early fall you will receive an invitation to participate in the 1985-86 campaign where some new categories have been established.

Your continued loyal support of the Fraternity is greatly appreciated—each gift, no matter the size, is important for "the gift without the giver is bare." Kappa's ever-widening circle of friendship continues to grow because you care.

Cathy Porter

Lehigh Valley, these advisers travel up to an hour to advise at Lafayette. Many are also busy with careers, including personnel, student affairs, sales, advertising and PR. With only 26 alumnae in the area, this dynamic group demonstrates a true Kappa interest.

The ΔΨ—Texas Tech. Advisory Board, chaired by Cathy Spoonts

Porter, draws from several different chapters with members of varied interests. Cathy is an instructor in the Medical Records Technology Program, South Plains College. She, along with other AB members, is a member of the Junior League. Other AB members pursue professional careers, such as a wholesale paper products business specializing in sorority products, custom designing name and address tiles for individual homes, education, and gift consultant to Neiman-Marcus. All manage to arrange their schedules to be available and assist the chapter as advisers.

There are many other Kappas working hard to ensure a positive and growing learning experience for our chapter officers and committee members, and you are all appreciated. A special thank you to all of you for your work on the advisory board. The time, energy and interest you give to the chapters provide the foundation for the growth of the Fraternity and help to ensure its future.

study committee be formed to consider changes in the publication of *The Key* to reduce the number of issues published each year from four to three, to seek to increase the amount of advertising, to publish the complete Fraternity Directory only once a year as a pullout section, and to add the House Board Presidents' names and addresses to campus listing. All chapters be identified by campus location in addition to their Greek name." They would like "Council to continue to study the amount of paperwork required of all Fraternity volunteers and to work towards a reduction in amount required."

"A table be devised which would be used by each province in the computation of the number of quota/ratio votes required in the election of province officers. And that officer training workshops be conducted and new officer materials be distributed at Province Meeting."—all from Kappa Province.

Lambda Province asked that "the director of philanthropies

study the feasibility of a Loan Program for Kappa actives."

Omicron Province asked that "Fraternity Council provide resources for active chapters and alumnae groups for use in dealing with administrations which are withdrawing support for the Greek System. They also resolved that alumnae groups within this province make use of Delta Province public service announcements on eating disorders."

Rho Province recommended that "Council develop an education and awareness program to encourage the alumnae to participate voluntarily in the recommendation process."

CAREER CHOICES??? ..USE KAPPA CONNECTIONS

GRADUATION! ... That long-awaited day! ... What excitement! ... What celebration! ... What relief! Following graduation many Kappas leave their campus homes of four years armed with knowledge, experience, enthusiasm ... but no jobs! "We've sent out (well-prepared) resumés, met with on-campus recruiters, followed leads in the papers, attended interviews (followed by the necessary thank-you notes), and consulted with the campus career counseling center. Where can we turn?"

CHOICES, the career program of Kappa, hopes that WE, as sisters, will help each other, bridging the gap between school and career, home and career, and career and career. For not only new graduates are desiring help ... Many of our members are eager to make that "right" contact as they return to work after some years at home ... And some career Kappas are contemplating a job change. Ruth Holden Johnson, AA-Penn State, exploring new career avenues, turned to our *Professional Directory* which "referred me to three fantastic Kappas!" Some women are moving and wish advice about their new locale. Jane Ketcham, AA-Miami, a Columbus alumna moving to Dallas, contacted Kathy Upsher Killough, BΘ-Oklahoma, from the *Professional Directory*. Although Kathy is no longer with her Dallas bank, she forwarded Jane's resumé to them! "I think the career network is an excellent way to begin a job search! ... A great idea — if not for jobs — for friends in a new community ... Got together for lunch with Mary Collins Welch, ΓΠ-Alabama, in the Colorado capital," writes Carrie Bowers, ΓO-Wyoming, on the legislative staff of *Colorado Ski Country USA*.

In addition to career advice or contacts, women listed in the *Professional Directory* may be helpful in recommending a neighborhood, a dentist, a special place for lunch, and in generally "learning the ropes" in a new city. "When I travel to a city on business—I look up a Kappa for lunch," says Carol Nichols, T-Georgia. The Dallas alumnae association has even provided temporary housing for an alumna new to the area.

The CHOICES program has seen tremendous growth in the

past four years, with the number of names entered in the career file growing from 1,500 to 10,000 — with more names being added daily. The number of original career categories under which our participating members are filed has expanded from 53 to 150! CHOICES encourages career awareness for all members. Career education has become an established part of regular chapter programming, and a detailed career section is included in the scholarship chairman's notebook.

Alumnae groups are asked each Fall to list the present or past occupations of their members in their membership directories, thus providing local networking among themselves. Kansas City and San Diego alumnae groups have sent these directories to the chapters in their respective provinces for use in planning career programs. Alumnae are urged to work with the active chapters, either by participating in a chapter career night or on a one-to-one advisory basis. Cindy Natali Potter's, ΓP-Allegheny, group used the CHOICES slide show for Founders' Day: "It was very helpful in integrating actives and alumnae and especially in familiarizing alumnae with the program who may not be as in tune with what is happening with career development." Jane Robb Davis, A⁴ — Monmouth, feels the "national career focus has helped our group make the effort to try a more flexible programming approach (to accommodate time conflicts among members)."

A list of interested graduating seniors has been published in the last two Winter issues of *The Key* along with their desired careers and locations for possible job contacts by alumnae. Maggie Frazier, BX-Kentucky, got her job in print journalism at Kappa Headquarters through the HIRE A KAPPA Guide to graduates. Jane Davis gave a copy of the list to her husband, director in a large corporation, for his personnel department. She added that he looks for "hands-on" summer job experience. Catherine Biggers Trotter, ΔT-Georgia, development director for a private school, gave a copy of the list to her headmaster for a reference when hiring. "I plan to contact (Kappas in *Professional Directory*) at a forthcoming con-

The above information is not an endorsement of any company or individual.

Dear Carol:

I want to tell you that I think CHOICES is a fabulous idea. I was so thrilled to receive a list of Kappas involved in writing or working for magazines. I was especially proud to learn that so many Kappas held important positions on such magazines as *Glamour*, *Family Circle*, *Seventeen*, and *McCall's*.

I wrote letters to all six women on my list, and out of the six *I received one reply (I honestly don't think one out of six is bad, although, I would love to hear from the others). Anyway, the Kappa who did reply was Ellen Krupp, ΔΠ-Tulsa. She called me immediately after reading my letter. Since then, Ellen has been a great help and support to me. Her enthusiasm is contagious.

Ellen is a busy, successful freelance writer in Chicago. It is because of her that I found the courage to attempt a freelance career, myself.

Recently, Ellen helped me get a proofreading job for a couple of days with a company in Chicago (despite the fact that I have never done any professional proofreading). Ellen was there to guide me through both days. She briefed me on what to do, what not to do, how to dress, who to go to with "dumb questions," how much to charge, how to write an invoice, and a million other things. Plus, if I needed anything, she was only a phone call away.

Although, she claims she has done nothing at all for me, I cannot thank her enough. I may never become a successful writer, but her assistance has been invaluable. Someday, I hope I can help other Kappas as much as Ellen has helped me.

It would be wonderful if you could include something in *THE KEY* about how much it has meant to me to have a special Kappa sister lend a helping hand to my career development. Maybe this would encourage other Kappas to respond to letters and requests they receive as a result of CHOICES.

Again, many thanks for all your hard work, from a Kappa who both appreciates and has benefitted from it.

Loyally,
Susan Lawrence (R '78)

*Anna Fowkes, on the other hand, sent 6 letters and received 4 responses ... a far better percentage!

Dear CHOICES,

I can say without a doubt that the network which the program provided was extremely supportive, and I think it's an excellent program! I used the network upon graduation, and the response that I received from my letters was phenomenal: long-distance phone calls expressing support and giving ideas and advice, long letters with great information, and several informational interviews were arranged on my behalf... as I said — phenomenal!

I'd be misrepresenting to lead you to think that I got my job through the network. I didn't. But the support was there—as was the potential. It didn't pan out, simply because, in my choice of careers, jobs that don't exist aren't created. However, the Kappas that I contacted made every effort to develop opportunities for me; and to say the least—I'm grateful for their support.

Again, I think it's an excellent program, and I sincerely hope that someday in the future, I'll have the opportunity to reciprocate.

Loyally,
(Name withheld by request)

Dear Carole,

As senior year was ending and I was to graduate from Dickinson College in May, 1984, I was determined to have a job lined up and waiting for me. Armed with job search guides, a carefully prepared resume and my typewriter, I began applying to every major company in New York and New Jersey for a position in Corporate Personnel/Human Resources.

As the "we're not hiring" letters rolled in, more and more people advised me that the way to find employment in a tight job market was through personal contacts.

One day, as I was leafing through THE KEY, I saw the CHOICES career program advertised and realized that there are a wealth of Kappa contacts out there!

I received a list (found in KFI Professional Directory) of Kappa alumnae from NY and NJ in personnel-oriented positions. Shortly after writing to all of them, Nancy Thomas, Manager of Personnel Administration for the Prudential Insurance Company, contacted me. She scheduled a full day of interviews for me and offered me a job in Human Resources two weeks later!

I started working for Prudential in June and was thrilled with how well it satisfied everything I was looking for in a job.

In December I married my college sweetheart, who is stationed with the Army in Ft. Sill, Oklahoma. My career with Prudential lasted only six months, but I'm still so grateful to Kappa's CHOICES career program for helping me find such a wonderful first job!

Now, if there are any Kappas in Lawton, Oklahoma...

Lisbeth Bachman Dull (ED '84)

Dear Mrs. Selby:

Your publication entitled "The Key" was recently brought to the attention of the Federal Bureau of Investigation. In your Winter Edition 1984, your article "Hire a Kappa... 1986 Guide to Graduates" demonstrated that your organization has quite a few candidates who may possibly qualify for FBI employment.

I would like to explain briefly the five entrance programs that the FBI has to offer. They are: law, accounting, foreign language, diversified, and the diversified program which requires that an applicant possess a 4-year degree in any discipline, accompanied by 3-years of full-time work experience. Two years work experience is acceptable if the applicant has a graduate degree.

Competition for the Special Agent position is very intense. As an example, during Fiscal Year 1984, nearly 12,000 individuals were tested with less than 700 appointed as Special Agents, so you can readily see the competitive nature of our selection process.

I have taken the liberty of enclosing Special Agent information sheets as well as our Field Offices' addresses. Please indicate to any interested Kappas that the FBI would be willing to talk to any eligible candidates. For more information or an application, please contact the nearest FBI office Applicant Coordinator. (See note below)

Thank you for your time and consideration.

Sincerely yours,
John L. Duffy
Personnel Officer

*Entry level salary is \$24,011 with additional compensation of \$6,002 for overtime after completion of 16 week training at FBI Academy in Quantico, VA. Additional information and list of local offices available through CHOICES at Headquarters.

ference. I will be glad to offer any advice to those considering a position in the field of fund raising."

Amy Sibert, ΓΩ-Denison, was enthusiastic about appearing in the HIRE A KAPPA list: "Although the job opportunity did not exactly correspond to my career path at that time, I was, however, very appreciative and pleased that someone cared enough to respond with a possible job offering. The CHOICES program is definitely a wonderful facility for both graduates and alumnae to take advantage of. I think graduating seniors need to be made aware of the fact that, yes indeed, they will soon be a commodity to someone... why not for a KKG someplace..."

Ann Waddell, ZΔ-Vermont, appeared on last year's list and called CHOICES attempting to locate an alumna who had offered her a job: "Thank you for helping me out—It's reassuring to know how helpful one phone call to Kappa can be."

Seniors are most eager and sincere when they submit their names for the HIRE A KAPPA Guide to Graduates. "It's a great program! I was very pleased to be notified (from HIRE A KAPPA list). I was offered a job, but my plans changed," wrote Bonnie Pendergast, ΓZ-Arizona. If YOU are hiring, why not... HIRE A KAPPA?!

The Professional Directory (available from Headquarters for \$4.50) contains thousands of Kappas categorized by career code numbers and addresses. Sara Black Heiser, ΓK-William & Mary, got her job in telemarketing through the Directory. For Kristen Angrist, BA-Illinois, with Parker Bros., the Directory provides "good ideas on other people to talk to plus insight on their experiences. (Kappas supplied) information on their fields and people to talk to, phone numbers, addresses, etc."

Researching an article on victims of crime, Lois Catherman Heenehan, BE-Aldelphi, turned to the career file: "Through the resources of CHOICES, I received a list of members who work in the areas of law, law enforcement, social work, mental health, etc. And Jan Singleton McAllister, ΔP-Mississippi, involved in establishing an alcohol awareness program, requested and received the names of Kappas employed in areas relating to alcohol and drug abuse and education.

Resource materials are available at a nominal cost for women embarking on a career for the first time, e.g. "How to Write a

Resume", or for those reentering the job arena, e.g. "How to Use Volunteer Experience and Talents as Employment Skills and Qualifications." Grace Rau Godsey, EB-Colorado State, will "use the information as a resource in counseling others, as a reference in a recruiting position."

"CHOICES Clippings," the career page (you are reading it now) appearing in each issue of The Key, provides tips and timely information for career Kappas. It is a vehicle for publicizing the program and its services to our members.

More and more Kappas are becoming aware of the value of our program, and the need for it is obvious by the number of enthusiastic responses to date. The services provided are used in a variety of ways. Some realtors use the Directory to form a national referral network. Christena Buck Stevens, ΔK-Miami, a color and image consultant, is interested in sponsoring others in the field and finds the career file useful. Cheryl Clark Pagan, ΓK-William & Mary, "didn't find employment through the network, didn't need to use it after all, but I do find myself meeting the people on the list through my new job, and I enjoy knowing they're Kappas!"

Kappa is proud to be a forerunner among women's fraternities in providing a career program for alumnae and actives alike. "I'm so excited and grateful to be able to turn to Kappa for resources and guidance. This is truly a great relief to me." These words of Ann Robertson Haerberle, Δ-Indiana, summarize the purpose of the CHOICES program. In a day when more and more women are entering... and reentering... the job market, there is a need to share experience and advice. And there is so much talent and potential within our membership to share!

Camille Lavington, BM-Colorado, president of Lavington Ltd., a business consulting firm and former executive with several Fortune 500 companies, offers this advice to Kappas turning to Kappas for help: "Remember your manners—by thanking Kappas and friends who help you make contacts for career growth. Share your good fortune if you want to be a worthy Kappa. The circle grows when we help each other. . . . The joy of being at the top is sharing your view with other Kappas who have helped you reach your goals. It's worth the effort." (from "Building Your Career—Through Kappas", The Key, Summer, 1984).

ADVISERS HELP TO ENSURE CHAPTERS' FUTURE

BY PATRICIA COFFEE GESELL
ΔA - PENN STATE
CHAIRMAN CHAPTER
ADVISORY BOARDS

"I loved my years as an active Kappa and benefited so much from the experience. I vowed then that if I ever had the opportunity to give back to the Fraternity I would. By being an adviser, I hoped to repay some of what I had received. However, I was fooled again. Once again, I am the one benefiting from the opportunity of working with this chapter of outstanding and fun Kappa young ladies. The reward can not be measured."

The chapter adviser is that dedicated Kappa alumna who provides the continuity

active the value of membership beyond the collegiate experience. To Cathy Spoons Porter, author of the opening quotation, chapter council adviser and chairman of the ΔΨ—Texas Tech, Advisory Board, and all other Kappa advisers, the Fraternity is appreciative and grateful for the time, dedication and caring you give to the 114 chapters.

For Penny Spencer McClure, chapter council adviser to EX—Dartmouth, Sally Rolston Goas, chapter council adviser to ΕΩ—Dickinson, and Linda Sower, chapter council, personnel and membership adviser to ΖΑ—Washington & Jefferson, involvement with these chapters came as a result of colonization. Sally, however, had previous adviser experience with ΔA—Penn State, and ΔΦ—Bucknell, as she cov-

and foundation for an ever changing chapter. The adviser also gives time, measured by quality, not quantity, and provides the chapter with the role model of "living Kappa". Each year, usually in late winter, through a process involving both actives and alumnae, potential advisory board members are selected, and the advisory board is formed.

Advisers, numbering over 1,000, offer not only their time, but motivation, enthusiasm, understanding, patience, guidance and knowledge of Kappa policies and procedures, as well as being a sounding board to the officers and committees they advise. The adviser's sense of pride in the Fraternity demonstrates to the

ered the central Pennsylvania area for Kappa. Penny finds her time spent between her job as administrative assistant for the director of chaplaincy at Mary Hitchcock Memorial Hospital, secretary and board of directors member of Dartmouth's cultural center, and as a volunteer decorator for Christmas in October, benefiting the Upper Valley Youth Services. Linda is Associate Director of Public Information for Washington and Jefferson, editor of the W and J magazine, and a member of the Washington County History and Landmarks Foundation. Sally has also served Kappa as Beta Province Nominating Chairman and Province Meeting Marshal. She served four years as an adviser to ΔA—Penn

State, and six to ΔΦ—Buckwell, and was chairman of colonization and installation for ΕΩ—Dickinson. Currently, Sally is a full-time learning disabilities aide for the special education department of the local school district. An Elder and Sunday School teacher, she served as secretary of the Pennsylvania Wheelchair Athletic Association for ten years and was a member of the State Committee on Home-Health Services.

Besides serving as advisory board chairman and chapter council adviser for H—Wisconsin Chapter, Londa Jorgensen Dewey was recently promoted to assistant branch manager of the First Wisconsin National Bank of Madison. Londa is also assistant treasurer of the Blackhawk Council of Girl Scouts and chairman of the United Way, Loaned Executive and Bank Campaign.

Joanne Pennington Kelly, Π^A—California chapter council adviser and advisory board chairman has also been involved in United Way. Mother of four boys and bookkeeper for her husband's architectural firm, Joanne has also held almost every office in the East Bay Alumnae Association. Involved with advocacy for the Mental Health Association for over 15 years, Joanne was instrumental in starting halfway houses for the mentally ill and autistic adults. She has also been named an Outstanding Young Woman of America. Other advisers are also currently involved with professional careers. Susan Probasco Thompson, ΔE—Rollins, membership adviser, is the executive director, Rollins Alumnae Association, a member of the Board of Directors, Pace School, and listed in *Who's Who Among American Women*.

Lynda Herndon Carey, also on campus, is adviser and advisory board chairman for ΓH —Washington State, and past adviser for BK —Idaho. Lynda currently serves as the principal administrative officer to the Dean of Graduate School at Washington State University. Mother of 10 year old Ashley Lyn, Lynda is involved with numerous community activities, including Parent Education Organization, the Pullman Community Hospital Auxiliary as incoming president (currently membership chair), and Washington State University Women's Club vice president. Lynda recently received Washington State University's Women of Achievement Award.

From the education field come Kappa advisers to many chapters. The qualities that make good educators also make good advisers; effective listening, a sense of humor, flexibility and commitment. Chari (Charisse) Beaudry Glass, CCA and advisory board chairman at EI —U.J., Washington, is a music teacher who presented the musical devotional at Convention in Scottsdale, AZ in 1984. Beth Houser Gibbs, a former teacher who now volunteers her time on school activities and the "tractor on the farm in the boondocks", has brought the computer to Θ —Missouri chapter, former finance, membership, personnel and chapter council adviser, she now serves as adviser to the new committee and chairman working with the computer. Beth and the computer officer, with the help of the Apple III now installed at Theta Chapter, assist finance, CC, scholarship, records and rush. Lynn Thorpe Hoerter, current CC adviser and previous pledge and house adviser at ΔE —Rollins, has managed her family of three boys and Kappa alumnae work as well. President of two alumnae associations, treasurer of two, and alumnae membership reference chairman of another, Lynn has contributed to Kappa in any area where she has lived. The T —Northwestern CC adviser and advisory board chairman, Polly Gamble Larned, shares her time among the Junior League, Cub Scout and Girl Scout meetings and PTA. Three children plus husband Bill very graciously share Polly with Kappa as do many other families with their involved Kappas.

Trish Trexler Pollack, when not transporting her two boys, one a competitive swimmer and the other on a traveling ice hockey team, spends her time helping T —Northwestern Chapter as membership adviser. With

a BFA degree from Syracuse, Trish uses her creative and artistic ability for volunteer work within the community for the Child Care Center Auxiliary, Board of Auxiliary of the Evanston and Glenbrook Hospital, and the Evanston and Glenbrook Hospital's Ball Committee. She also serves as the alumnae membership reference chairman contact for Northbrook. EE —Emory, membership adviser, Susan Frech Schmidt, just finished serving as staging chairman for Mu Province meeting. Formerly employed by *Sunset Magazine* and *Southern Living*, Susan and her husband are now in business as advertising sales representatives. Active in the Art Alliance League of Atlanta, Susan was president of the Atlanta Advertising Club.

The Art Masterpiece Program, and being a classroom tutor for elementary school, chairman of

Association, Bonnie Dee Philip Holt has served the $\text{B}\Phi$ —Montana, Chapter as PR adviser in the early seventies and then returned to serve as CC adviser until this coming year. Also active in the Missoula Civic Symphony, the League of Women Voters, and Girl Scouts, "objectivity and being a good listener" are the two adviser qualities Bonnie thinks are most important.

A mother-daughter team at BZ —Texas, ensures good communication between the CCA and membership adviser. Bunny (Kathleen) Kline Gerner arrived in Austin four years ago from Houston where she had been active in the local alumnae association and Panhellenic. She was also elected PDC. Daughter Robin Gerner Sivertson, a BZ —Texas, adviser for membership, is president of the Night Owls Group of the Austin Alumnae Association. A former high school

viser for BB^4 —St. Lawrence. She has served as president of the hospital guild and has been active in various levels of the county and 4-H system. Eighty years old last April, Doris "... wishes to do my part to preserve our (Kappa) heritage."

Belle Drye Schafer is CCA and ABC of Gamma Phi, an advisory board with busy members. President of the local PTA, Belle, with two children, spends her spare time volunteering in the schools. Other board members teach seminars on time management, volunteer with the Junior League, and are self employed in finance, interior design or related art fields. This AB includes a bank officer, president of the Kappa Night Group, and a member of the Fraternity Long Range Planning Committee.

With younger children, Patty finds advising "offers an excellent opportunity to see exactly what's happening on today's campus—it's miles away from what's happening at home." "Working with collegiate women and seeing them develop leadership, communication and confidence building skills" is one reason why Judy Clark Nichols works with ΔE —Rollins. As former CCA and advisory board chairman, she is now personnel adviser. An instructor of Psychology with the University of Georgia, she also is a counselor with the Board of Regents system of Georgia. A former president of the Missoula Alumnae

Association, Robin currently manages the pro shop at Westwood where her husband is head pro. Ann Sappenfield Tuttle, personnel adviser for ΔE —Rollins, also has a Kappa daughter, past president of $\text{E}\Phi$ —Florida Chapter. Other volunteer commitments for Ann include treasurer of the Junior League and member of the board of trustees, Winter Park Public Library.

One adviser who has served Kappa in different capacities for several years is Doris Pike Gibson. Doris was honored during the Advisers' Workshop at Convention in 1984. Her time and effort given to Kappa span a changing times. Due to the limited number of alumnae in her area, Doris serves as president of the Alumnae Association, President of the House Board, and CC ad-

Cedar Falls Co-Op Nursery School Cookbook
compiled by the parents of the students (including Jan Rourke Owens, ΔM-Connecticut), Cookbook Publishers, Lenexa, Kansas, 1984.

Unlike many cookbooks you may have seen that are a co-operative effort, this is a slick, well edited and attractive book. Bound to lie flat—important in the kitchen—and laced with attractive color photographs, the recipes appear easy, with simple ingredients. Some old favorites, like "Scramble"—we used to call it "nuts and bolts", fresh mushroom soup, the old favorite green bean casserole (with Durkee's French fried onions, and even bread and butter pickles like we used to snitch from Grandma's crock in the basement. It is safe to say that if you have forgotten some of the goodies we used to enjoy as children, you will find a recipe for them in this book. In addition, there are "Recipes for Fun with Children" including play dough, clay, and finger paint made with soap suds!

Cedar Falls co-op is a non-profit school owned by the parents of the children currently enrolled. It is non-sectarian and inter-racial. The school provides parents with an opportunity to participate actively in their child's education, as well as develop their parenting skills.

The cookbook may be ordered by sending \$5.75 to the school at 65 Union Avenue, Little Falls, N.J. 07424

The Balanced Woman

by Georgia Meridith & Rita H. Rochte, Δ-Akron, Spilman Printing, Sacramento, California, 1984.

Unlike the long self-improvement books, this fast read, compact book serves a special function for women in the 80's who are often too busy to read. It presents the best of the self help ideas as validated by personal stories from women across the country in an upbeat, memorable way. It offers a menu of eight sound ways to bring balance into your life and how to change it for the better in a readable, positive style.

Ideas offered in the chapter headed "Treat Yourself Kindly" include a suggestion for being "kinder and more realistic in our expectations of ourselves." The book admonishes, "Instead of picking away at yourself like an over-critical aunt, start telling yourself positive things."

The authors also suggest recording happy times on paper—not necessarily dramatic events but "simple everyday delights"—to be savored later for morale-building pick-me-ups. Regular exercise, the authors agree, adds immeasurably to the balance in our lives. Equally important is a sense of humor, described as the "most important characteristic a wife could have."

The authors carry their message to wives of conventioners all over the country. Rita lives in Los Altos, California and has a practice as a marriage and family counselor and is consultant to several school districts. Georgia is co-owner of "Cable Car Seminars and Tours," providing seminars and customized tours for convention spouses, mainly in San Francisco.

Dear 60 Minutes with letters from you, the viewer, to Mike Wallace, Morley Safer, Harry Reasoner, Ed Bradley, and Andy Rooney,

by Kathleen Dunigan Fury, P^a—Ohio Wesleyan, Simon and Schuster, New York, 1985.
ISBN: 0-671-50753-2

From the avalanche of outrage, applause, advice and fiery opposition that swamps the CBS office after each "60 Minutes" broad-

cast come this exuberant collection of letters. The most popular program on television is also the most provocative! Americans from all walks of life write with homespun wit and wisdom on such particularly hard-hitting topics as pollution, gun control, doctors, Vietnam, taxes, cars and the family pet.

In behind-the-scenes interviews, the hosts of "60 Minutes" reminisce about their celebrity guests and their favorite letters from viewers—offering all the color and controversy you expect from the show itself. These letters may constitute the greatest opinion poll in America and in them we reveal ourselves as a people and as a nation. These letters are deeply felt, funny, insightful and fascinating to read. *Dear 60 Minutes* will not only entertain you but will forever change the way you look at television and the world at large.

Good Morning Lord, Devotions for New Parents,

by Peg Roberts, M-Butler, Baker Book House, Grand Rapids, Michigan, 1984.
ISBN: 0-8010-7727-3

For parents new and old, the birth of a child brings forth emotions seldom experienced before. Mrs. Roberts has spoken to these events with scripture, prose and prayer, in a small bedside book that can bring daily inspirations to Moms and Dads alike. The new family bonds, the triangle of parents and child are lovingly addressed: the joy of holding the newborn for the first time, the realization that you understand the baby's "language", the devastation of the death of a friend's baby, and the hurt that can come from a careless remark by one's mate.

Peg Roberts is a free-lance writer and a script writer for children's television ("Time for Timothy" TV show) in Indianapolis, Indiana. She has also written, *Good Morning Lord, Devotions for Today's Homemakers*, previously reviewed in *The Key*.

Those Magnificent Cowgirls,

by Milt Riske (compiled and indexed by his widow, Joy Leas Riske) O-Wyoming, Wyoming Publishing, 1983.

A project of the Cheyenne Frontier Days, and a five year effort of retired teacher and football coach, the late Milt Riske, this work provides a valuable service by inventorying archival material. Always fascinated by the rodeo, Milt Riske's interest in the history of cowgirls came because of the challenges he saw facing them. He admired the tough life the girls led, seeing them as a vanishing breed. He saw his first real-life rodeo cowgirl with the Sells-Floto circus in the late 1920's in Nebraska. "As a hero-worshipping kid, my eyes were on Tom Mix and Tony the Wonder Horse," he recalled. "The cowboy movie star was outside the big top, talking to a woman whose huge felt hat shielded her sunbronzed face."

At first women rode under men's rules, but later they were modified. They were also allowed to split reins on the halter and were allowed hobbled stirrups, giving them a more stable seat. Great names included Bertha Kalpernik (Balcett) who came within 2 points of winning "all around cowboy" in 1911; Lillian Sapp who rode in many rodeos in Colorado, Kansas and Nebraska; and Prairie Rose Henderson, who when denied a chance to compete in Frontier days in 1901, produced a set of rules with no mention of banning women, and went on to become an adept bronc rider.

The book should have wide appeal to rodeo fans throughout the United States and will also be marketed in Australia.

E-Z Calligraphy, for complete beginner and E-Z Calligraphy—Old English,

by Margaret Wonders Warrington, Margaret W. Warrington, Publisher, 8871 Darby Ave., Baton Rouge, LA 80806, 1984 (\$12.50 per workbook)

To meet the need for a growing interest in beautiful writing, Margaret Warrington has published two workbooks that have been described as "the best beginning calligraphy books available." In fact, Shaeffer Pen company, whose pen is recommended, commented that they liked it because "it didn't scare

you." Five years in preparation, it is designed as a consumable workbook with pages to practice the letters. It is meant to be used for those who do not have a teacher. The book goes through the rudiments of scale, slant and strokes, demonstrating the italic alphabet in capitals and lower case letters and numbers. The second workbook teaches the more advanced Old English style.

Quick & Easy

by Shelley Melvin, BT-West Virginia, Triad Publishing Company, Gainesville, Florida, 1985, ISBN: 0-937404-55-1

Busy people have less and less time to spend in the kitchen, and the task of getting dinner on the table has become extra demanding. This book of family-oriented recipes uses **fresh** ingredients, and the recipes can be prepared in up to 20 minutes of working time, requiring only a minimum of technique and skill. Recipes fit different situations, whether you shop on the way home from work and must have dinner on the table instantly, or have only minutes to prepare a dish, but can allow it to simmer or bake while you run off to play tennis. None of the ingredients come from jars, cans, packages or bottles, except for some store-bought condiments like ketchup and mayonnaise. Frozen vegetables and fruits are allowed to accommodate those seasons and regions where fresh simply isn't available.

Quick & Easy is the third book in "The Chosen Cookbook Series," collections of kitchen-tested recipes from Jewish fund raising cookbooks across the U.S. Shelley Melvin simply took out all manufactured products and worked more than a year testing the results. Alcohol Problems in Women, Antecedents, Consequences, and Intervention,

edited by Sharon Carlson Wilsnack, FA-Kansas State, The Guilford Press, New York, 1983, ISBN: 0-89862-164-X

This timely and comprehensive volume represents the most incisive analysis to date of the nature, effects, and treatment of women's drinking. Revealing, in the process, some powerful myths that still surround the subject, the book first examines correlations of drinking and drinking problems in adult and adolescent women, depending on ethnic background, or as a result of multiple substance abuse. The second section explores gender differences in alcohol abuse, alcohol and reproduction and relationships between alcohol use and sexual functioning.

Section II reviews biological, psychological, and sociocultural risk factors for alcohol problems in women, and considers two special consequences of alcohol abuse: effects on the family and relationships to marital violence. The last section focuses on treatment and prevention, and includes chapters on barriers to the utilization of treatment programs by women, special issues in psychotherapy, treatment outcome, and approaches to preventing alcohol problems.

The book will be of particular interest to alcohol and drug researchers, psychotherapists, alcohol counselors, and health care and mental health providers.

Sharon Carlson Wilsnack, Ph.D., is Associate Professor and Director of Preclinical Curriculum, Division of Psychiatry and Behavioral Science, Department of Neuroscience, University of North Dakota School of Medicine. She is a member of a committee of the National Institute on Alcohol Abuse and Alcoholism, and co-author of numerous articles and papers on this subject. She lives in Grand Forks, North Dakota, with her husband and five children.

The American Woman's Garden,

edited by Rosemary Verey and Ellen Samuels, New York Graphic Society, Printed in Italy, 1984.

Elegant in layout and detail, this book was written by the talented individuals whose gardens are portrayed, including Helen Hunker Smith, 0—Missouri. This book reveals the wealth of talent

that exists among women gardeners of this country. The well illustrated book is an informative entry into thirty of the finest gardens in America including Helen Smith's traditional garden on Caramillo Street in Colorado Springs. Her Northend garden is lush in character and ranges far beyond the aspirations of most arid-land practitioners. Recognition of her color skills is evident on the book's jacket cover and epilogue with illustrations of her famous Crystal tulips.

Other gardens described in the book include the Abby Aldrich Rockefeller estate garden in Seal Harbor, Maine, the Eleanor Perenyi "Green Thoughts" garden along the Connecticut coast, Eulalie Wagner's spacious Lake-wold water garden near Tacoma, Washington, Sally MacBride's Moongate design at Woodside, California, and Mary Frank's sculpture garden at Woodstock, New York.

The first edition of this sensitive book is thought to have been sold out at the publisher's level less than one month after it was published.

Frisky Phonic Fun 1 and Frisky Phonics Fun 2,

by Barbara Bachman, ΔΨ-Texas Tech, Good Apple Press, Carthage, Illinois, 1984.

In the author's own words, "These are phonic workbooks, which are reproducible and strive to bring entertainment and joy to youngsters who are first learning to read and spell." The workbook series is a comprehensive phonics program that captures and "keeps" student interest while maintaining necessary structure and sufficient review of basic word-attack skills. With a wealth of reproducible and cleverly illustrated activities, games and performance work sheets, the teacher will cultivate the application of phonics in a way that stirs up a child's enthusiasm.

Five frisky little cartoon mutts, (Winston, J. J., Lucinda, Scooter and Dixie) host and humor the child through an irresistible world of learning in Dogtown, USA. These clever canine companions entertain the entire classroom while they help teachers to introduce, review and reinforce specific sound blending patterns. Activities include connecting letters with their sounds, reading and spelling words from word lists and reading and answering questions and riddles.

Barbara Bachman Metzger is a

freelance resume writer and greeting card designer, living in Boulder, Colorado. She has worked with Walt Disney Educational Media Company and in public relations.

Pricilla, a novel revealing the untold Pilgrim Love Story,

by Eleanor Stewart James, T-Northwestern, Bernardo Books, 12375 Fernando Drive, San Diego, CA 92128, 1984.

Mrs. James toured the Mayflower replica anchored in Plymouth, Mass., about 15 years ago, and she's been daydreaming about the pilgrims and their adventures ever since. She decided to write a book about the pilgrims, and has now completed this historical novel. "An exciting people, the pilgrims were the daredevils of their day, giving up security for a better life." They were not like the stiff Puritans, who seemed to be dressed in cardboard.

She studied the 200-page journal written by William Bradford, who governed the Plymouth Colony for years. Her book tells episodes that history books never mention about the voyage of the Mayflower, including a love triangle, kidnapping, and a duel fought on the beach. The novel is meant to be read by school children as well as adults.

Mrs. James was under contract to MGM and Paramount Studios in the 1940's. The majority of her movies were Westerns and she has worked with William Boyd, Tex Ritter, Jack Ruden, Jack Randall and Jimmie Rogers. She and her husband live near her daughter's family in Rancho Bernardo, where she now fills her favorite role of being a grandmother.

Other Lives,

Poems by Patricia Hooper, BA-Michigan, Elizabeth Street Press, New York, 1984

This compilation of poems by an award-winning poetress shows a piercing insight into the recollection of tender memories. As she watches from afar, slightly removed from it all, her train of thought travels along, sweetly lingering on various details, then continuing on its path. Her poems have a subtle, delicate power that is laced throughout with knockout punches. On "Milk" . . . in the taste she recalls the "rich mornings of childhood cold in your throat, reliable, filling the spaces of a dawn thin-

ALUMNAE MEMBERSHIP IS...

COMING HOME

It has been said that we need to have people who mean something to us, people to whom we can turn, knowing that being with them is coming home.

Ann Pate Stevens, Θ -Missouri, is a stalwart Kappa, carrying on as president of the Kansas City Alumnae Association despite a

As a frightened freshman, we sought such people on a college campus and found friendship and strength in Kappa. That's really what our membership is all about... FRIENDSHIP... the elusive something that makes two strangers recognize like

qualities and feelings, enabling them to share their lives.

It doesn't end with a diploma. In fact, there is no end. Alumnae membership will continue to bring "graduate degrees"! You will always find people who care about you, people you can help

and have fun with, people to share your ups and downs. Wherever you go you can find people who mean something to you.

Just continue to come home to Kappa.

Marion Conklin Behr, ΓM -Oregon State, did not want to travel 50 miles to the nearest alumnae association in Sacramento, CA. She found other Kappas in the Yerba City area and 16 women from 10 chapters gathered for luncheon, with

five Sacramento Kappas joining them for fun and friendship. Pictured with Marion (center) are Jane Pederson Kryski and Diane Sperbach Kauck, both ΔX -San Jose State.

THEY CAUGHT THE SPIRIT!

A 5% increase in alumnae membership was the goal set for the past year and 7 of the 17 provinces reached it. In addition, 63 alumnae groups showed an increase of 20% or more in their membership. Our alumnae "honor roll" by provinces is...
